**Report of the Trustees
for the Year Ended 31 August 2023**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 August 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The charity's objects are to enhance the development and education of children primarily under the statutory school age by encouraging parents to understand and provide for the needs of their children by:

- a) offering appropriate play opportunities, education in accordance with the development matters section of the Early Years Foundation Stage and providing nurture and care, family learning and extended hours for working parents, together with the right of parents to take responsibility for and to become involved in the activities of such fundraising, ensuring that all the opportunities and activities that we offer are for all children whatever their race, culture, religion, means or ability;
- b) encouraging the study of the needs of children and their families in our local area and promoting public interest in our nursery and the recognition of needs;
- c) instigating and adhering to and further the aims and objects of the Early Years Alliance and the Statutory Guidance for the Early Years Foundation Stage.

Activities

The objectives of the charity continued to be to provide a nursery for pre-school children and this can only be done with prudent financial management. The Nursery continues to be able to claim Early Years Education Entitlement from East Sussex County Council for children eligible and to charge fees to clients that cover the balance of its operating costs. Additional fundraising activities take place throughout the year and these funds are used to enhance the facilities and equipment used by the pre-school.

Public benefit

In carrying out the activities of the charitable company, the trustees have had due regard to the Charity Commission's guidance on public benefit.

**Report of the Trustees
for the Year Ended 31 August 2023**

STRATEGIC REPORT

Achievement and performance

Our charitable company was inspected by Ofsted on 12th December 2019 and rated Outstanding with an overall rating of 1 compared to the previous inspection on 3rd February 2015, when we were also rated Outstanding. These ratings are on "the quality and standards of the early years provision" for the pre-school nursery. The rating was split into four categories, these were all rated as Outstanding:

- The Quality of Education
- Behaviour and Attitudes
- Personal Development
- Leadership and Management

The report concluded that "the provision is outstanding".

After School and Holiday clubs are continuing to thrive, we have seen a rise in the amount of childcare spaces that we provide for local school children. The opportunities and education that we, at Manor Twiglets, provide for the children and families that attend Manor Twiglets Nursery continues not to be affected by the cost of living increases. However, a discussion between the trustees resulted in a slight increase of nursery fees only, as of 1 February 2023.

Financial review

A surplus of £21,980 (2022 - deficit of £11,678) was generated during the year with general unrestricted funds increasing to £222,079 (2022 - decreasing to £200,099). The charity's reserves are maintained at a level to ensure the charity's objectives and activities are met. The trustees consider that there are sufficient reserves to carry out its objectives.

Principal risks and uncertainties

The board of trustees are responsible for overseeing the risks faced by the nursery throughout the year. When the risks are identified they are assessed, and controls are established.

The main risks identified by the board of trustees are as follows:

-Reputation

The reputation of the nursery is maintained by stringent safeguarding and recruitment policies, CPD for all members of staff and close communication with our related parties.

-Financial

The trustees continue to meet regularly to review the nursery's financial performance and the effects of the Government's intended 2 year old funding initiative. Fee structures along with admissions and finance policies continue to be reviewed regularly.

-Staff Retention

Staff retention is managed by combining attractive, competitive salaries, additional allowances and by supporting career progressions and higher level learning.

**Report of the Trustees
for the Year Ended 31 August 2023**

STRATEGIC REPORT

Future plans

The trustees continue to meet regularly to agree future improvement activities. The main objective of the charity is to provide an excellent pre-school and childcare facility for all children that attend and to interact and liaise with parents as part of providing that service.

The Nursery is still following The Curiosity Approach, with the potential goal to complete the accreditation. This will be a long but very worthwhile journey that all the employees, volunteer trustees and parents will work together to achieve.

Changes to the Early Years Curriculum were made in September 2022, these changes have been implemented within the setting.

The nursery with the help of employees, volunteer trustees and parents will be working to update and improve our garden and wooded area to create a stimulating outdoor learning environment to develop our forest school sessions.

The trustees will be reviewing a potential fee increase for after school club and holiday club sessions, which have not seen an increase since 2013.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

The organisation is a charitable company limited by guarantee, incorporated on 9th September 2009 and registered as a charity on 16th December 2009. The company was established under a Memorandum of Association and is governed by its Articles of Association.

In the event of the company being wound up, its members are required to contribute an amount not exceeding £1 each. There are two classes of member, family - open to parents and family of those children attending the pre-school, and affiliate - open to others subject to conditions. Due to trustee resignations in the year and the low numbers of family members, we continue to find it difficult to meet the requirements of the Articles of Association. We wish to amend them to reduce the quorum needed for General Meetings and add flexibility concerning the number of members required on the management committee. This will not affect the rights of parents to become members of the charity, but it will make it easier for meetings to take place that meet the requirements in the new Articles of Association. Currently only two family members are also trustees and the attendance at general meetings has meant meeting adjournments due to lack of support. We would appreciate the support of parents to pass the new Articles of Association, which then have to be approved by the Early Years Alliance and the Charity Commission, and to offer their services as trustees.

Recruitment and appointment of new trustees

The directors of the company are also the charity trustees for the purposes of charity law and under the Articles they make up the Committee. The objective is that at least 60% of the Committee should be made up from family members, but this objective has proven difficult to achieve - see the comments on the Articles of Association above. The Committee will still try to publicise the need for family members to act as trustees.

Decision making

The board of trustees including senior management make decisions on behalf of the charity.

**Report of the Trustees
for the Year Ended 31 August 2023**

STRUCTURE, GOVERNANCE AND MANAGEMENT

Induction and training of new trustees

New trustees are educated by the board of trustees in their duties as a trustee and in the way the pre-school operates and its governance.

Key management remuneration

The board of trustees sets the pay and remuneration of the charity's key management personnel. This is reviewed annually.

Related parties

The nursery has continued with its membership of the Early Years Alliance - membership number 19065, which is the charity that provides support to pre-schools across the country.

Management receives regular support from East Sussex Early Years Improvement team including training courses, audits and legislation guidance.

Uckfield and Villages Hub is a group run by foundation stage teachers who provide support and moderation to early years settings in the Uckfield area via termly meetings which staff members from the nursery attend.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The presentation currency of the financial statements is the Pound Sterling (£).

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Grants relating to revenue are recognised as income in the period in which the related costs are incurred. Grants relating to assets are recognised as income on a systematic basis over the expected useful life of the asset. Where a grant relating to an asset is deferred it is recognised as deferred income.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery	- 25% on cost
Fixtures and fittings	- 25% on cost
Computer equipment	- 25% on cost

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.
