Structure, governance and management

The method of appointment of PCC members is set out in the Church Representation Rules. All church attendees are encouraged to register on the Electoral Roll and stand for election to the PCC for 3 years. 12 members are generally elected.

The PCC is a corporate body established by the Church of England and operates under the Parochial Church Council Powers Measure. It is responsible for implementing policies and strategies which have been approved by the PCC and progressing organisational objectives. It meets approximately every six weeks (with a break over the summer period) and receives financial and operational reports.

Trustees' Report

for the year ended 31 December 2021

Objectives and activities

St Dunstan and All Saint's PCC has the responsibility of co-operating with the incumbent in promoting in the ecclesiastical parish the whole mission of the Church, pastoral, evangelistic, social and ecumenical.

Business of the PCC in 2020

In the Covid-19 pandemic people were rightly reluctant to meet in person and PCC meetings we held by Zoom. The Zoom format was not easy for everyone, not everyone has a computer and mobile phones are less than ideal for Zoom meetings. In these truly exceptional circumstances St Dunstan only held two formal PCC meetings, however there were very regular meetings between the Rector and Wardens particularly regarding Covid-19 precautions in church. St Dunstan's was fortunate to have virologist as Churchwarden in the person of Dr Dan Forbes-Ford. St Dunstan's Covid-19 precautions were carefully monitored and changed quickly in response to the pandemic. Thanks to our Covid-19 precautions we not aware of anyone who caught Covid-19 in church in 2021.

So during 2021 the PCC discussed Open House Weekend and how we might minimise risks to visitors whilst still keeping the church open for this important annual event. We discussed St Dunstan's Annual Art Exhibition; it's theme and the practical arrangements needed for the exhibition to take place. The PCC also discussed where we might make our usual charitable donations during 2021 and distributed £2,200 to the Midwives Charity in Bangladesh, Stepney City Farm and the care of Dunstan the donkey, the street children charity in Sao Paulo Brazil run by the local Anglican Cathedral and a local Nursery School for children with disabilities. The PCC also discussed the Episcopal Area bid for central funding of local church plants and decided upon a strategy. The PCC was updated on progress with the Development Plan. The PCC approved the annual budget and received reports for the staff and PCC Officers.

The PCC also discussed the Covid-19 related downturn in giving, donations and sales of things like candles and received an up-to-date report on the finances. We discussed the whole subject of Mission in our parish and a donation from the Pemberton Barnes Charity to enable a new youth oriented 'fresh expression' in our parish. The PCC decide to become corporate members of the Prayer Book Society after debating the issue. The PCC received a report on the excellent work of the food bank and noted the good work it was doing for the local community the growth in numbers, volunteers and funding. The PCC discussed the Queen's Platinum Jubilee and approved plans to hold a Big Lunch in cooperation with local community groups. The PCC discussed Living in Love and Faith and the Shandy Street Development. Every meeting of the PCC had safeguarding on the agenda and PCC members were provided with reading materials to ensure everyone understood the importance of safeguarding and that it was everyone's responsibility to ensure our church was a safe environment.

Public Benefit

St Dunstan and All Saints, Stepney benefits the public by way of: regular worship that is open to all, the provision of sacred space for personal prayer and contemplation, pastoral work (including the visiting of the sick and the bereaved), teaching Christianity through sermons, courses and small groups, taking school assemblies, promoting the whole mission of the church through its assistance to older people, parents and children, and supporting charities in the UK and overseas.

Financial Review

The results of the period and financial position of the PCC are shown in the annexed financial statements.

The Statement of Financial Activities shows net incoming resources for the year of £33,258 and reserves of £1,118,807.

Tangible fixed assets for use by the charity

Fixed assets are set out in Note 9 to the accounts.

Independent Examiner

The Independent Examiner, Anthony Armstrong FCA of Armstrong & Co, Chartered Accountants and Statutory Auditor, has indicated his willingness to be proposed for re-appointment.

Approved by the PCC on 4 August 2022 and signed on their behalf by:

The Reverend Trevor F Critchlow PCC Chair, Trustee

Statement of Trustees' Responsibilities
for the year ended 31 December 2021

Statement of trustees' responsibilities

The trustees are responsible for preparing the Trustees Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The trustees are required by law to prepare financial statements for each financial period which give a true and fair view of the financial activities of the charity and of its financial position at the end of that period. In preparing those financial statements the trustees are required to:

- a) Select suitable accounting policies and apply them consistently;
- b) Observe the methods and principles in the Charities SORP;
- c) Make judgements and estimates that are reasonable and prudent;
- d) Follow applicable accounting standards and statements of recommended practice, subject to any material departures disclosed and explained in the accounts;
- e) Prepare the financial statements on the going concern basis unless it is inappropriate to assume that the charity will continue in operation.

The trustees are responsible for keeping adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008, the Church Accounting Regulations 2006 and the provisions of the governing document. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Parish of St Dunstan and All Saints, Stepney

(A Parochial Church Council registered as a charity, number: 1133322)

Independent Examiner's Report

to the Parochial Church Council of the Parish of St Dunstan and All Saints, Stepney

I report on the accounts of Parish of St Dunstan and All Saints, Stepney for the period from 1 January 2021 to 31 December 2021, which are set out on pages 8 to 18. My report is in respect of an examination carried out in accordance with the Church Accounting Regulations 2006 ('the Regulations') and the Charities Act 2011 ('the Charities Act').

This report is made solely to the charity's trustees as a body in accordance with section 145 of the Charities Act and regulations made under section 154 of that Act. My examination has been undertaken so that I might state to the charity's trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the PCC and its members as a body, for my examination, for this report, or for the opinions I have formed.

Respective responsibilities of members of the PCC and the examiner

As described on page 6, as PCC members you are responsible for the preparation of the accounts, and you consider that an audit is not required for this year under the Regulations or under section 144(2) of the Charities Act and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under charity law and is eligible for independent examination, it is my responsibility to:

- a) examine the accounts under section 145 of the Charities Act;
- b) to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the Charities Act, and
- c) to state whether particular matters have come to my attention.

Basis of independent examiner's report

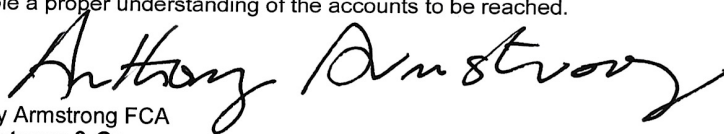

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no material matters have come to my attention which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Accounting Policies

for the year ended 31 December 2021

1 Accounting policies

Basis of preparation

The financial statements have been prepared in accordance with:

- a) Applicable UK accounting standards, including the provisions of section 1A (Small Entities) of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)".
- b) Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP FRS 102);
- c) The Charities Act 2011.
- d) The Church Accounting Regulations 2006.

Public benefit entity

The charity meets the definition of a public benefit entity under FRS 102.

Going concern

There are no material uncertainties about the charity's ability to continue operating and accordingly the accounts have been prepared on a going concern basis.

Income recognition

Voluntary income and donations (including legacies) are accounted for once the PCC has entitlement to the income, it is probable the income will be received and the amount of income receivable can be reliably measured. Income from the recovery of tax on gift aided donations is accounted for once the tax reclaim has been applied for. Grant income is recognised on a receivable basis.

The income from trading activities include rental income from the letting of church premises temporarily surplus to requirement, and is accounted for when earned. It is shown gross, with the associated costs included in fundraising costs. Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank. Income from property held for its rental returns is included in Investments when due.

Expenditure recognition

Expenditure is accrued as soon as a liability is considered probable, and the amount of obligation can be measured reliably. Longer term liabilities are discounted to present value. The PCC is not registered for VAT and accordingly expenditure includes VAT where appropriate.

Expenditure included in Raising Funds includes amounts incurred in obtaining grants and other donations and property maintenance costs.

Charitable expenditure includes those costs expended in fulfilling the PCC's principal objects, as outlined in the Report of the PCC. These include grants payable, governance costs and an apportionment of support costs.

- Grants payable are payments made to third parties in furtherance of the PCC's objects. In the case of an unconditional grant offer this is accrued once the recipient has been notified of the grant award. The notification gives the recipient a reasonable expectation that they will receive the grant. Grants awards that are subject to the recipient fulfilling performance conditions are only accrued when the recipient has been notified of the grant and any remaining unfulfilled condition attaching to that grant is outside of the control of the PCC.
- Governance costs comprise all costs involving the public accountability of the PCC and its compliance with regulation and good practice. These costs include costs related to the independent examination and legal fees.
- Rentals under operating leases are charged as incurred over the term of the lease.

Endowment funds

Endowment funds are restricted funds which are capital in nature. Permanent endowments exist where there is no power to convert the capital into income. The funds can reduce where there are decreases in value, either by losses or depreciation, of assets represented by the funds.

Restricted Funds

Restricted funds are to be used for specified purposes as laid down by the funder. Direct and support expenditure which meets these criteria are identified to the fund together with a fair allocation of other costs.

Accounting Policies
for the year ended 31 December 2021

Unrestricted Funds

Unrestricted funds are funds received which have no restrictions placed on their use and are available as general funds.

Designated Funds

Designated funds are unrestricted funds earmarked by the trustees for particular purposes.

Tangible Fixed Assets

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Land & buildings	- No depreciation charged
Plant & machinery	- 15% WDV

Consecrated Property and Moveable Church Furnishings

Consecrated land and benefice property such as the church building and vicarage is excluded from the accounts in accordance with s10 of the Charities Act 2011. Moveable church contents are held by the vicar and churchwardens on special trust for the PCC and require a faculty for disposal are accounted as inalienable property unless consecrated. All expenditure incurred on consecrated or benefice buildings and moveable church furnishings, whether maintenance or improvement, is expensed within the Statement of Financial Activities.

Investments

Investments are shown in the balance sheet at closing market value. Surpluses or deficits on valuation are credited or charged to the SOFA.

The Land & Buildings refers to a two bedroomed terraced house on Arbour Square which houses the assistant curate. It was purchased for £100,000 and is owned by St Dunstan's PCC. The property was revalued in 2014. The valuation was made by the Trustees based on the value of similar properties in the Arbour Square that had been sold in the recent past and the indicative value indicated from other online research.

Endowment funds

The endowment funds are administered in a CBF Church of England Deposit Fund account. The fund is made up of permanent endowment capital of £13,000, with the balance being accumulated expendable income. At present, income generated by the fund is being retained in the fund. In 2015 £30,000 was transferred to the PCC account and used to pay for major building works. Initially treated as a loan it has now been reflected in the endowment fund as a utilisation of expendable endowment.

Notes to the Accounts

for the year ended 31 December 2021

Restricted funds (continued)

Projects financed by restricted funds are supported by unrestricted funding where necessary. This occurs where the funding is in arrears or the incidence of expenditure on the project occurs disproportionately at the beginning of the project compared to the income flows. Where restricted projects end the year with a deficit, this is met by after year-end restricted income or transfers from unrestricted funds.
