Section C: Objectives and Activities

The objects of the Charity:

To advance the Christian faith in accordance with the Christadelphian Statement of Faith for the benefit of the public, through the holding of meetings for worship, prayer and the preaching of the Gospel, providing religious teaching and publications, the promotion of charitable works and the provision of pastoral care.

Ways of carrying out these objects

1. The propagation of the faith held by Christadelphians through regular weekly Sunday services for communal worship, for prayer and for the preaching of the Gospel.
2. The provision of religious teaching and the nurturing of faith in all who will hear, including Bible School and the Christadelphian Youth Circle for young people and Bible seminars and other Bible classes for adults.
3. The publication of booklets, leaflets and other materials to help members of the congregation and of the public to understand the teaching of the Bible.
4. Charitable activities involving the pastoral care of the elderly, support for families and for individual members with particular physical or spiritual needs and contributions to a wide range of other charities and good causes.
5. Activities to promote the building up of the Christadelphian community by social and communal activities in the context of the propagation and maintenance of our faith through word and deed.

With the exception of meetings of the members of the charity known as Ecclesial Members Meetings, all our activities are open to all. No fees are charged. No-one receives private benefits from the charity other than as a legitimate beneficiary. There is no public detriment in any of our activities.

Section D: Achievements and performance

The ecclesia began the year with a membership of 68 adult members.

The ecclesia ended the year with 45 members.

The average attendance of members at services and other activities remained steady.

Summary of activities

Our regular meetings include one meeting each Sunday morning, for sharing of the bread and wine. A meeting is held each Thursday evening for the study of the Bible. Other proclamation meetings are held from time to time.

There are regular activities for fellowship and recreation.

There is a network of practical support for elderly members, the sick and those with particular needs. There are regular activities with new Iranian members which provide religious teaching, social and networking activities.

Section E: Financial Review

The cash movements and balances are summarised in the receipts and payments accounts and Balance Sheet below.

The ecclesia does not have a reserves policy. All funds are held in instant access bank accounts. The balance in these funds at the end of the year was considered sufficient to meet the ongoing expenses of the ecclesia. Most contributions from members are made through weekly or monthly standing orders, with taxpayers encouraged to use Gift Aid provision. Funds donated specifically for external charities are forwarded to the relevant organisation at least 3 times each year.
