The trustees present their report with the financial statements of the charity for the year ended 31 December 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objects of the charity are:

To promote the benefit of people in bangladesh, in particular but not exclusively orphans and the poor by:

- 1) the advancement of education, training and employment opportunities;
- 2) the relief of poverty, sickness and distress;
- 3) the promotion of good health and health education; and
- 4) any such other purposes deemed charitable by the law of england and wales as the trustees shall from time to time determine

Management and administration

The charity is organised with a committee elected by the members to oversee the overall activities. The charity has appointed trustees. The trustees are the people responsible for controlling the work, management and administration of the charity on behalf of its beneficiaries. The names of trustees are declared when a charity is first registered. The trustees are responsible for keeping the list up to date and may do this by updating their details online as it happens, using their Annual Return, or for charities with income below £10,000, by using their Annual Update.

One member is nominated as a chairperson to monitor the day to day operation of the charity.

Public benefit

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives and in planning future activities and setting the grant making policy for the year.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

During the financial year, the charity continued its fundraising efforts by collecting voluntary donations from members of the public. A total of £72,720 was received in donations during the period.

Of this amount, £42,534 was remitted to Bangladesh to support the ongoing activities of Najat Islami Markaz. These funds were applied towards the provision of essential services, including the supply of food, clothing, and medical assistance to orphans and children from disadvantaged backgrounds.

In addition, the charity contributed £21,014 to Goreeb and Yateem's Masjid Projects (UK Charity No. 1122271) in furtherance of its charitable objectives. This donation supported the continuation and development of community and religious projects benefiting the poor and needy.

The trustees are satisfied that all charitable funds were applied in accordance with the charity's objectives and that the activities undertaken during the year have advanced its aims of relieving poverty and supporting underprivileged individuals..

FINANCIAL REVIEW

Reserves policy

The charity's policy is to maintain sufficient unrestricted reserves to meet short-term operating needs and to ensure continuity of services. Given the current deficit, the trustees will continue to monitor cash flows closely and seek to rebuild reserves through prudent financial management and increased fundraising efforts.

FINANCIAL REVIEW

The financial statements, set out on pages 5 to 10, have been prepared in accordance with the Charities SORP (FRS 102) — Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

The Statement of Financial Activities shows a net deficit for the year on revenue activities of £888, with no realised incoming resources of a capital nature (£Nil). This results in an overall net deficit for the year of £888.

At the year end, total reserves amounted to a deficit of £456, after accounting for unrealised losses arising from the revaluation of investments. The free unrestricted liquid reserves stood at negative £456, indicating a deficit position.

The trustees recognise that the current level of reserves is below the desired target and are committed to reviewing income generation and expenditure to restore the charity to a sustainable financial position. Measures are being considered to strengthen the charity's funding base and improve long-term financial stability.

FUTURE PLANS

Looking ahead, the trustees aim to consolidate the charity's operations, enhance fundraising initiatives, and seek new grant opportunities. Efforts will focus on achieving financial recovery while maintaining the quality and impact of charitable activities.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.

Risk management

The trustees have a duty to identify and review the risks to which the Charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.
