Annual Report and Financial Statements

For the Year Ended 31st December 2020

WETHERBY ST JAMES CHURCH CENTRE TRUST, MANAGING TRUSTEES REPORT FOR THE YEAR ENDED 31 DECEMBER 2020

- 1 -

The Managing Trustees of the Wetherby St James Church Centre Trust (WSJCCT) present their report with financial statements for the year ended 31st December 2020.

Object of the charity:

- 1) to further the religious and other charitable work of the Church of England in the parish of Wetherby and
- 2) the land identified in the schedule to this scheme must be retained by the managing trustees for use for the object of the charity.

Aim and Achievements:

The aim is to support the community and those of the Parish Church of St James.

However, due to the Covid-19 related restrictions imposed the Church Centre and Church Rooms had to close from mid-March except for a few short periods in September to November. Even so during the short periods the Trustees were able to open the premises 53 community organisations and individuals used the Centre, morning, afternoon and evening.

During these times the premises were also used for Church meetings including coffee mornings supporting St James' Wetherby's outreach to the local community.

The Trustees confirm that they have referred to the Charity Commission's guidance on public benefit when reviewing the Trust's aims and objectives, in planning future activities, and in considering the expenditure made.

Financial review:

With the Church Centre and Church Rooms closed for some 8 months rental income from those premises was down in 2020 by £24,953 (£12,640) compared with 2019 (£37,593). However, the former Old School Kitchen continued to be tenanted throughout the year reducing the Covid-19 closure impact on the Trust. Total rental income for 2020 was £31,030 (£55,032).

Even so by reducing costs and benefitting from a business grant of £462 and the Job Retention Scheme the Trust achieved a surplus of £3,711 in 2020, albeit insufficient to consider topping up the designated funds, which the Trustees feel is necessary or provide financial support to the Parish Church of St James.

Further the tenant of the former Old School Kitchen was unable to trade through the summer and it was thought appropriate to agree a rental payment holiday for the period April to July inclusive and although terms have been agreed for payment of the arrears £5,476 remains outstanding as at 31st December.

Unlike 2020 when the Trust went into the year with some optimism with increases being seen in the number of renters the Trust starts 2021 knowing that the premises will be closed for some months. Also several former renters have made it known that they will not be continuing in 2021. However, fortunately the Trust does have reserves to cover the short term closure of the Church Centre and Church Rooms.

Reserves policy:

1. The Requirement for Reserves:

The WSJCCT needs reserves to cover:

- (i) Maintenance of the fabric, fittings, fixtures and decorations of the Trust's buildings that would fall outside those recurring or routine matters that would be funded from the annual maintenance budget.
- (ii) Foreseeable short and medium term capital projects.
- (iii) Major 'one-off' items of maintenance or renewal which can reasonably be expected in the longer term and which are of a significant cost and scale, such that they require long term financial planning.
- (iv) The risk of a setback in the income of the Trust such that it can maintain essential operations for a period of time, particularly staff remuneration.

2. Reserve Levels: Specific Considerations

In considering the level of reserves the Managing Trustees have considered:

- (i) Capital projects in progress
- (ii) Reasonably foreseeable capital projects at the time of drafting this policy
- (iii) The possibility of renewals and alterations to tenanted property on conclusion of the current lease
- (iv) The possibility of loss or reduction of income from tenanted property on conclusion of the current lease
- (v) The day to day operating costs for a 3 month period
- (vi) The expenditure recommended in the most recent survey of the Church Rooms and Church Centre undertaken by the appointed building surveyor
- (vii) The projected annual surplus/deficit for the next 10 years

3. Reserve Levels: Implementation

The following designated reserves are therefore held:

(i) Old School Kitchen Fund (OSK)

A sum of £25,000 was initially set aside in 2012 to fund all the following risks:

- (a) a period of vacancy at the conclusion of the current lease
- (b) a rent free period on securing a new tenant

Costs incurred during the period when this property was untenanted and allocated costs since has reduced this reserve to £8,998.

(ii) Long Term Major Maintenance and Renewals

This sinking fund was established to provide for long term, but high cost fabric or related renewals (for example roof renewal, heating system and resurfacing of car parks and roadways.).

An amount of £5,000 per annum to be provided from any annual operating surplus of the Trust, after charging all other operating costs, to build this sinking fund.

Given the small income and expenditure surplus in 2020 the transfer has not been made to this fund, which currently stands at £12,025.

(iii) Fabric Fund

A fund to provide for non-recurring items from the maintenance, renewal and repair recommendations of the last building survey.

It excludes major projects which will be dealt with through a Capital Projects Fund.

It excludes charges under recurring annual contracts and routine maintenance matters which are to be dealt with through the repairs budget in the General Fund.

An initial fund of £25,000 was established with replenishment planned at £5000 per annum from any annual operating surplus of the Trust, after charging all other operating costs. However, given the small surplus in 2020 and uncertainties about 2021 the transfer has not been made to this fund, which currently stands at £18,936.

(iv) Loss of Income Reserve

This reserve was established as cover for 3 months of operating costs, excluding annual charges to replenish the Fabric and Long Term Major Maintenance and Renewals Fund which equates to approximately £14,250.

For full details of fund balances and movements therein, please refer to notes 12).

**INDEPENDENT EXAMINER'S REPORT TO THE MANAGING TRUSTEES OF
WETHERBY ST JAMES CHURCH CENTRE TRUST**

I report on the accounts for the year ended 31st December 2020 which are set out on pages 6 to 19.

Respective responsibilities of the Trustees and Independent Examiner

The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to

- ◇ examine the accounts under section 145 of the 2011 Act;
- ◇ follow the procedures laid down in the General Directions given by the Charity Commissioners section 145(5)(b) of the 2011 Act; and
- ◇ state whether particular matters have come to my attention.

Basis of Independent Examiner's Statement

My examination was carried out in accordance with the General Directions given by the Charity Commission.

An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the management committee concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in a full audit, and consequently I do not express an audit opinion on the accounts.

Independent Examiner's Statement

In connection with my examination, no matters have come to my attention

1. which give me reasonable cause to believe that in any material respect the requirements
 - ◇ to keep accounting records in accordance with s.130 of the 2011 Act; or
 - ◇ to prepare accounts which accord with these accounting records have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
