TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 MAY 2022

The trustees present their annual report and financial statements for the year ended 31 May 2022.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's Memorandum and Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

Objectives and activities

Objectives

The objectives of the Charity are:

- The promotion of racial harmony for the public benefit by working towards the elimination of discrimination on the grounds of race.
- Promoting activities to foster understanding between people from diverse backgrounds and cultivating a sentiment in favour of equality and diversity.
- To advance the education of the public in general about the issues relating to refugees and those seeking asylum and raising awareness in equality and diversity.
- To relieve the needs and reserve and protect the physical and mental health of refugees and asylum seekers.
- The promotion of social inclusion for the public benefit among people who are refugees and asylum seekers who are socially excluded on the grounds of their social and economic position.
- To advance the education and training of refugees and asylum seekers in need thereof so as to advance them in life and assist them to adapt within a new community.
- To advance education in broadcasting skills and literacy.

Significant Activities

Refugee Radio is a charity based in Brighton and Hove and working throughout East and West Sussex to support refugees, asylum seekers and other vulnerable migrants, especially those who have been traumatised through torture, war and/or sexual violence and who might be suffering mental health issues and isolation.

Mental-Health Support Group

We facilitate a mental-health support-group for refugees and asylum seekers suffering from complex PTSD, stress and depression. We have been running the group every week since 2011. It provides a space for people to safely share their problems and support each other.

Refugee Trauma Therapy

We provide long-term EMDR therapy for refugees and asylum seekers through our partnership with Brighton Therapy Centre. The intervention is for people suffering from complex PTSD who are excluded from accessing support from mainstream health services. The project helps people to speak about their traumatic experiences and begin the journey of healing.

Advice and Casework

We deliver specialist 1-2-1 advice and casework for refugees and asylum seekers who are experiencing homelessness, unemployment, disability and sickness so that they can access the support that they are entitled to. We advocate for people and represent them in benefit disputes and appeals. This project helps people to speak up when they are being excluded or discriminated against and to support each other as a way of promoting resilience at the individual and community level.

Social Activities

We run regular social activities for isolated refugees and asylum seekers, including everything from cycling to hiking, baking to dancing. These help people to make new friends and combat loneliness.

Radio and Podcasts

We produce radio programmes by and about refugees and migrants to help raise awareness of their experiences and to combat negative stereotyping. We help refugee musicians and writers to find new audiences. These enable refugee voices to be heard.

Oral History

We publish books collecting refugee life stories and oral histories so that they can be recorded and preserved.

TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED)

FOR THE YEAR ENDED 31 MAY 2022

Our beneficiaries came from around Africa, the Middle East and the Indian subcontinent. They are all refugees, asylum seekers and other vulnerable migrants and most are suffering with PTSD as a result of their traumatic experiences in their home countries. The majority of our beneficiaries are long-term unemployed and many also have physical injuries and associated health problems from torture. In previous years, our beneficiaries were evenly split between those who have been granted refugee status and those who are still asylum seekers. Everything has changed recently because Brighton and Hove has become a “dispersal” area again which means that the Home Office is now placing asylum seekers in the city. They are getting little to no support at all from the Home Office and the city has no additional funding to cope with the new demand for services. A significant number of the newly dispersed asylum seekers are actively suicidal and have high needs. We are working very closely with those who are most at risk and monitoring developments.

Achievements and performance

We have cemented our partnership with Brighton Therapy Centre through the support of the local NHS to offer funded EMDR therapy to refugees and asylum seekers suffering from PTSD. This has been incredibly transformative for our clients and the positive impacts are apparent every week at the support group.

We have continued to fund Cranks to donate bikes to refugees and asylum seekers in the city so that they can combat their isolation, and have also started work with Tech Takeback to donate laptops and mobiles as well.

We have started developing a new training course in working with trauma in the refugee community which we hope to be able to start delivering in the next year. We are developing the training material in a participatory process with our service users so that it properly reflects the voices and experiences of refugees suffering from mental-health issues.

We have launched a new heritage project in partnership with Conversation Over Borders and have started work on a new book and accompanying documentary film, capturing the lives of local

Financial review

The level of reserves is regularly monitored by the Trustees. The Trustees would consider a level of unrestricted reserves equivalent to 3 months expenditure to be appropriate to be held at any one time and we are still working towards this target by raising unrestricted income through book sales and hopefully next year through selling training packages.

Public Benefit

The Trustees certify that they have had and paid due regard to the Charity Commission guidance on public benefit in deciding what activities the charity should undertake. This they believe is demonstrated in the above paragraphs.

Investment Policy

The Memorandum of Association allows the Trustees to deposit or invest funds in any manner (but to invest only after obtaining advice from a financial expert and having regard to the suitability of investments and the need for diversification).

Organisational structure

The trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

1 Accounting policies

Charity information

Refugee Radio Limited is a private company limited by guarantee incorporated in England and Wales. The registered office is Community Base, 113 Queens Road, Brighton, BN1 3XG.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's Memorandum and Articles of Association, the Companies Act 2006, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

1.4 Income

All grants receivable, donations and investment income are included in the SOFA when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

No amounts are included in the accounts for services donated by volunteers.

1.5 Expenditure

All expenditure is accounted for on an accruals basis and has been classified under the relevant headings.

Costs of generating funds are those costs incurred in attracting grants, voluntary income and fees.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

1 Accounting policies

(Continued)

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.7 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

Basic financial assets

Basic financial assets, cash and bank balances, are measured at transaction price.

Basic financial liabilities

Basic financial liabilities, including creditors are recognised at transaction price unless the arrangement constitutes a financing transaction.

1.9 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.10 Retirement benefits

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial activities in the period to which they relate.

1.11 Taxation

The charity is exempt from taxation on its charitable activities under Section 505(1) of the Income and Corporation Taxes Act 1988.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
