The Trustees Annual Report – For the year ended 31st March 2025

Structure, governance and management

The Trustee Board consists of two independent representatives, Chair and Treasurer together with the Group Lead Volunteer, individual Section Leaders (if opted to take on the responsibility) and parent's representation and meets about every three months.

Members of the Trustee Board aim to complete '*Trustee Induction*' training within the first 5 months of joining the committee.

This Group Trustee Board exists to support the Group Lead Volunteer in meeting the responsibilities of the appointments and is responsible for:

The maintenance of Group property; the raising of funds and the administration of Group finance; the insurance of persons, property and equipment; assisting in the recruitment of Leaders and other adult support; appointing any sub committees that may be required; appointing Group Advisors other than those who are elected.

Objectives and activities

Scouting exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society. As Scouts we are guided by these values:

Integrity - We act with integrity; we are honest, trustworthy and loyal.

Respect - We have self-respect and respect for others.

Care - We support others and take care of the world in which we live.

Belief - We explore our faiths, beliefs and attitudes.

Co-operation - We make a positive difference; we co-operate with others and make friends.

The Scout Method - Scouting takes place when young people, in partnership with adults, work together based on the values of Scouting and:-

Enjoy what they are doing and have fun, take part in activities indoors and outdoors, learn by doing, share in spiritual reflection, take responsibility and make choices, undertake new and challenging activities, make and live by their Promise.

The Group meets the Charity Commission's public benefit criteria under both the advancement of education and the advancement of citizenship or community development headings.

Risk and internal control

The group has in place systems of internal controls that are designed to provide reasonable assurance against material mismanagement or loss, these include 2 signatories for all payments and comprehensive insurance policies to ensure that insurable risks are covered.

The Trustees Annual Report – For the year ended 31st March 2025

Achievements and performance

Over the past year our numbers have remained steady, with a small waiting list for a number of sections. We have replaced our Ford Minibus with a 2018 model with help from successful external fundraising, helping us continue to provide the group and wider community with opportunities they couldn't otherwise access.

Reserves & Investment Policy

The Group's policy on reserves is to hold sufficient resources to continue the charitable activities of the group should income and fundraising activities fall short. The Group Trustee Board considers that the group should hold a sum equivalent to six months general running costs, circa £7,000.

The Group also puts aside funds towards replacement of group owned vehicles to ensure funds are available to replace them when they reach the end of their economical useful lives. This is set to increase by a minimum of £1,000 per annum.

Any funds above the reserve level set are put aside for future capital programmes or for re-investment in the Group's normal activities.

The Group's Income and Expenditure is very small and as a consequence does not have sufficient funds to invest in longer-term investments such as stocks and shares. The Group has therefore adopted a low risk strategy to the investment of its funds. All funds are held in cash using only a mainstream bank.

Plans for the future period

We are continuing to monitor our waiting lists with a view to increasing provision, however this has to be balanced out with safety and the number of volunteers available.

Recruitment for a new Group Lead Volunteer and Team Members within the Group and Sections will help to ensure a stable future for the Group.

Declaration

The trustees declare that they have approved the trustees' report above.

The year 2023 to 2024

Message from the Group Scout Leaders

The past year has continued to be a busy one, starting with our ever popular family camp. With 24 families in attendance it was a great atmosphere!

Further nights away events were held across all sections, from Christmas sleepover at the church, indoor events and camps for beavers, cubs, scouts and explorers, and a welcome return of the Scout summer camp on the Gower in South Wales. We also squeezed in a leaders weekend!

It was great to see the group well represented at the annual Walsall Wood Remembrance parade, well done to all those who attended.

Throughout the year we held our increasingly popular quiz nights and bingo events. Our thanks to Lou and her helpers for putting on such enjoyable events and for helping raise funds towards our minibus appeal.

Our thanks to all our parents for their support. We are all volunteers, and by working together we can provide a better future for all our members.

Lee Bragginton & Kay Cresswell-Green

The year ahead

The group continues to operate at capacity, meaning we can't always offer places to those who want them. Additional adult volunteers are needed in order to increase our provision and support more young people. We are also looking for volunteers to help behind the scenes, such as with governance.

Our finances continue to be monitored closely as we look to replace our aging Ford minibus. Efforts are being increased to source external funding to ensure that weekly activities are not affected.

The Trustees Annual Report – For the year ended 31st March 2024

Structure, governance and management

The Committee consists of three independent representatives, Chair, Treasurer and Secretary together with the Group Scout Leader, individual Section Leaders (if opted to take on the responsibility) and parent's representation and meets about every three months.

Members of the Executive Committee aim to complete '*Trustee Induction*' training within the first 5 months of joining the committee.

This Group Executive Committee exists to support the Group Scout Leader in meeting the responsibilities of the appointments and is responsible for:

The maintenance of Group property; the raising of funds and the administration of Group finance; the insurance of persons, property and equipment; assisting in the recruitment of Leaders and other adult support; appointing any sub committees that may be required; appointing Group Administrators and Advisors other than those who are elected.

Objectives and activities

Scouting exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society. As Scouts we are guided by these values:

Integrity - We act with integrity; we are honest, trustworthy and loyal.

Respect - We have self-respect and respect for others.

Care - We support others and take care of the world in which we live.

Belief - We explore our faiths, beliefs and attitudes.

Co-operation - We make a positive difference; we co-operate with others and make friends.

The Scout Method - Scouting takes place when young people, in partnership with adults, work together based on the values of Scouting and:-

Enjoy what they are doing and have fun, take part in activities indoors and outdoors, learn by doing, share in spiritual reflection, take responsibility and make choices, undertake new and challenging activities, make and live by their Promise.

The Group meets the Charity Commission's public benefit criteria under both the advancement of education and the advancement of citizenship or community development headings.

Risk and internal control

The group has in place systems of internal controls that are designed to provide reasonable assurance against material mismanagement or loss, these include 2 signatories for all payments and comprehensive insurance policies to ensure that insurable risks are covered.

The Trustees Annual Report – For the year ended 31st March 2024

Achievements and performance

Over the past year our numbers have remained steady, with a small waiting list for a number of sections. Despite a significant expense to repair our kit crew van in addition to unexpected costs across all vehicles, we have managed to remain in a healthy financial and operations state.

Reserves & Investment Policy

The Group's policy on reserves is to hold sufficient resources to continue the charitable activities of the group should income and fundraising activities fall short. The Group Executive Committee considers that the group should hold a sum equivalent to six months general running costs, circa £7,000.

The Group also puts aside funds towards replacement of group owned vehicles to ensure funds are available to replace them when they reach the end of their economical useful lives. This is set to increase by a minimum of £1,000 per annum.

Any funds above the reserve level set are put aside for future capital programmes or for re-investment in the Group's normal activities.

The Group's Income and Expenditure is very small and as a consequence does not have sufficient funds to invest in longer-term investments such as stocks and shares. The Group has therefore adopted a low risk strategy to the investment of its funds. All funds are held in cash using only a mainstream bank.

Plans for the future period

We are continuing to raise funds internally and through grant applications to replace our aging Ford Transit minibus. It's replacement should be purchased by the end of 2024. Our funds reserved for this purpose have therefore increased in the year being reported.

We are continuing to monitor our waiting lists with a view to increasing provision, however this has to be balanced our with safety and the number of volunteers available.

Declaration

The trustees declare that they have approved the trustees' report above.

The year 2022 to 2023

Message from the Group Scout Leader

We started this year with our new Squirrel Drey section in March 2022. It has proved very popular, being at our capacity of 16 young people very quickly and a growing waiting list. Kate and Lou have been doing a great job!

In July we saw the return of our ever enjoyable family camp, being very well attended. We had a great weekend of activities in good weather and good company. We look forward to the same again in June 2023.

Over the year every section has had opportunity to take part in many activities, both at the Hub and also further afield on trips and nights away events. The quality of our programme has led to many badges being awarded and a growing interest from young people wanting to get involved.

Our challenge continues to be ensuring we have sufficient volunteers available to run our active programmes. I would like to thank all our volunteers and trustees for their continued hard work and commitment to our members.

Lee Bragginton

The year ahead

We start the year with our membership at around 100 youth members and a waiting list in excess of 30 (and growing). Over the coming year we will need to look at how we can accommodate more members, without affecting the quality of what we offer.

As we look to replace our ageing minibus and have ongoing issues with our kit van, our finances are going to be strained. Steps are now in place and events already taking place to bolster our finances to support these additional costs.

Structure, governance and management

The Groups' governing documents are those of The Scout Association. They consist of a Royal Charter, which in turn gives authority to the Bye Laws of the Association and The Policy, Organisation and Rules of The Scout Association.

The 38th Walsall (1st Walsall Wood) Scout Group is a trust established under its rules which are common to all Scouts.

The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout Association.

The Group is managed by the Group Executive Committee, the members of which are the 'Charity Trustees' of the Scout Group. As charity trustees they are responsible for complying with legislation applicable to charities. This includes the registration, keeping proper accounts and making returns to the Charity Commission as appropriate.

Structure, governance and management

The Committee consists of three independent representatives, Chair, Treasurer and Secretary together with the Group Scout Leader, individual Section Leaders (if opted to take on the responsibility) and parent's representation and meets about every three months.

Members of the Executive Committee aim to complete '*Trustee Induction*' training within the first 5 months of joining the committee.

This Group Executive Committee exists to support the Group Scout Leader in meeting the responsibilities of the appointments and is responsible for:

The maintenance of Group property; the raising of funds and the administration of Group finance; the insurance of persons, property and equipment; assisting in the recruitment of Leaders and other adult support; appointing any sub committees that may be required; appointing Group Administrators and Advisors other than those who are elected.

Objectives and activities

Scouting exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society. As Scouts we are guided by these values:

Integrity - We act with integrity; we are honest, trustworthy and loyal.

Respect - We have self-respect and respect for others.

Care - We support others and take care of the world in which we live.

Belief - We explore our faiths, beliefs and attitudes.

Co-operation - We make a positive difference; we co-operate with others and make friends.

The Scout Method - Scouting takes place when young people, in partnership with adults, work together based on the values of Scouting and:-

Enjoy what they are doing and have fun, take part in activities indoors and outdoors, learn by doing, share in spiritual reflection, take responsibility and make choices, undertake new and challenging activities, make and live by their Promise.

The Group meets the Charity Commission's public benefit criteria under both the advancement of education and the advancement of citizenship or community development headings.

Risk and internal control

The group has in place systems of internal controls that are designed to provide reasonable assurance against material mismanagement or loss, these include 2 signatories for all payments and comprehensive insurance policies to ensure that insurable risks are covered.

Achievements and performance

The group has continued to grow in youth numbers, in part due to the start of our new Squirrels Drey section. Our existing leaders have been working hard to complete and renew training, whilst our need for additional volunteers continues. More of a normal routine has now returned post Covid pandemic with nights away experiences increasing.

Reserves & Investment Policy

The Group's policy on reserves is to hold sufficient resources to continue the charitable activities of the group should income and fundraising activities fall short. The Group Executive Committee considers that the group should hold a sum equivalent to six months general running costs, circa £7,000.

The Group also puts aside funds towards replacement of group owned vehicles to ensure funds are available to replace them when they reach the end of their economical useful lives. This is set to increase by a minimum of £1,000 per annum.

Any funds above the reserve level set are put aside for future capital programmes or for re-investment in the Group's normal activities.

The Group's Income and Expenditure is very small and as a consequence does not have sufficient funds to invest in longer-term investments such as stocks and shares. The Group has therefore adopted a low risk strategy to the investment of its funds. All funds are held in cash using only a mainstream bank.

Plans for the future period

During the coming year we hope to be able to replace our aged Ford Transit minibus for a newer model, fundraising is underway in this respect.

Our waiting lists continue to grow. As such our development plan will need to be revisited to see what steps can be taken to make places available for everyone who wants one.
