Trustees' Report

For the year ended 30th June 2025

The Trustees, who are directors for companies act purposes present their annual directors' report and unaudited accounts for the year ended 30th June 2025.

This is a directors' report as required by s417 of the Companies Act 2006. The directors confirm the financial statements comply with the current statutory requirements and the requirements of the memorandum and articles of association.

Directors and trustees

The directors for the charitable company are its trustees for the purposes of charity law. The directors serving in the year are:

Dyfed Price	Joint Chair
Jacqueline Dyer	
Laura Harding	Secretary
Vaila McClure	Joint Chair
Mark Dyer	
Sarah Hackney	

Objectives and Activities

Objects: To promote the benefit of the inhabitants of, and persons employed in, Pulross Road and the surrounding areas and the neighbourhood thereof without distinction of race, gender, or political religious or other opinions by associating the local authorities and/or voluntary organisations and inhabitants in a common effort to advance education and to provide facilities in the interests of social welfare for play, recreation, sport and other leisure occupations, with the object of improving the conditions of life for said inhabitants, and particularly those who have need of such facilities by reason of their youth, age, infirmity or disablement, poverty or social and economic circumstances.

The basic service is to provide a publicly accessible sports pitch, playground and planted community garden for the benefit of the local community; open access and free to use. The playground has a young children's play section, an age 7+ children's play section and a multi-sports all-weather pitch. The grounds include a hall which is hired out at a low cost to provide a community space for children's parties, church groups and any other local group to meet. A cafe on site provides local jobs and reasonably priced food and drink for local people and playground users.

The trustees have had regard to the Charity Commission guidance on public benefit.

Contribution made by volunteers: All Trustees live locally and give their time voluntarily and receive no remuneration or other benefits. A pool of other committee members and other volunteers help with a variety of administrative, fundraising and physical tasks to enable the park to function effectively.

Trustee selection

Trustees are elected by members attending the Annual General Meeting in May of each year.

Type of governing document

Memorandum and Articles. PAPAs Park Limited is a Charitable Company limited by guarantee.

Achievements and Performance

The playground's continuing operation represents a great public benefit to the community and the park has been open to the general public from morning until dusk every day of the year. It is used by young people from babies through to teenagers and provides a free, safe, open-access space to play, exercise, and enjoy the garden. It also provides a space for parents from each strand of Brixton's diverse communities to meet and build friendships.

Community fun days with stalls and free activities have been resumed, and we have held celebrations for Summer, Carnival and Easter, allowing the community to come together for culturally important events. The following activities have also continued: the hall has been used by local churches, community groups, a drumming class and children's clubs. It is rented out at a moderate cost to provide a useful community amenity; it is hired for parties (particularly children's birthday parties); the popular local branch of GoodGym uses the park as a base for their fitness and volunteering scheme; Football coaching, drumming classes and a children's art club have all taken place during the year, along with community planting days and the popular children's gardening club.

As in previous years, the main achievement has been to continue to maintain the park as a viable entity and ensure financial stability.

Significant work has continued on the Hall and Café redevelopment. We now have planning permission and are looking for funding to complete the build.

Funding from Lambeth Community Connections has been promised which will deliver around 30% of the funds needed to rebuild the hall. City Bridge Trust has indicated it may be willing to offer us a social loan to cover the rest of the build costs – this is currently with City and Bridge for approval.

LBL has committed to a longer lease which will enable the charity to access funding from additional sources.

Financial Review

Despite continuing challenges, the charity remains solvent with funds to continue to operate in the medium term.

The general policy is that the charity should hold a fund of no less than £4,000 to allow for a float for running and emergency costs. As there are no paid staff employed no reserve is required for staff.

At 30th June 2025 the charity had reserves of £307,836 (2024: £30,727), of which £286,470 related to restricted income funds (2024: £3,000). The bulk of the restricted funds held, £285,024, is funding for the new building and although has been committed to, is received retrospectively.

The unrestricted reserves of £21,366 (2024: £27,727) were split between general funds of 11,650 (2024: £18,011) and funds designated by trustees of £9,716 (2024: £9,716):

Designated funds:

£3,716: funds held for repairs and refurbishment of hall, (2024: £3,716).

£6,000: funds held for maintenance of the sports pitch, (2024: £6,000).

Income received in the year amounted to £331,809 (2024: £32,635) of which £307,561 was restricted for specific purposes (2024: £5,922) and £24,248 was unrestricted for general purposes (2024: £26,713). Expenditure in the year totalled £54,700 (2024: £33,889). Expenditure of restricted income funds totalled £24,091 (2024: £2,142) with £30,609 (2024: £31,747) of expenditure from unrestricted income funds. A further £23,635 (2024: £9,775) was spent on the new building project and held as fixed assets - work in progress until the project is completed. In the year the charitable company received £20,000 of pro-bono professional fees in connection with the new building.

Principal sources of funds

Hall and Café rental, and Sports Pitch Hire form the main income streams. Local fundraising during events and through text to donate continue to provide additional money. The Brixton BID has supported the café through its Black Business Network and we have been successful in applications to Lambeth Community Connections and City Bridge Trust.

The charity has no significant or long term investments.

Principal risks facing the charity

Continuing pressure on income due to the poor state of the ageing building. The building is at the end of its life, and this prevents additional income being generated. It also means the charity is not able to provide as many services to the community as it would wish to.

Fund and grant making bodies have focussed predominantly on the cost-of-living crisis meaning there are fewer opportunities available for other areas and where funds are open the landscape is much more competitive.

Trustees' Report *continued*

Trustee responsibilities

The trustees (who are also directors of PAPA's Park Ltd for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006.

They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant information of which the charitable company's examiners are unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant information and to establish that the examiners are aware of that information.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website.

Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Members of the charity guarantee to contribute an amount not exceeding £10 in the event of the charity winding up whilst he or she is a member or within 12 months after membership ceases. Trustees are members of the charity, but this entitles them only to voting rights.

Our Independent Examiner, as appointed by the board, Kathleen Moss ACMA, CGMA

The company has taken advantage of the small companies' exemption in preparing the report above. The trustees declare that they have approved the trustees' report (including directors' report) above.

Signed on behalf of the charity's trustees/directors on 29th March 2026:

Position Trustee

Independent Examiner's Report

To the Trustees of PAPA's Park Ltd

Charity no: 1133711, Company no: 06933866

I report to the trustees on my examination of the financial statements of PAPA's Park Ltd for the year ended 30th June 2025 which comprise the Statement of Financial Activities, the Balance Sheet and associated notes.

Respective responsibilities of Trustees and examiner

As the charity trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act").

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for Independent Examination, I report in respect of my examination of your company's accounts as carried out under section 145 of the Charities Act 2011 ("the 2011 Act"). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
- 2 the accounts do not accord with those records; or
- 3 the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
- 4 the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Trustee / Director

Company Registration No. 06933866

Charity Registration No 1133711

PAPA's Park Limited

Notes to the financial statements for year ended 30th June 2025

1 Statutory information

PAPA's Park Limited is a charitable company, limited by guarantee, registered in England and Wales. The charitable company's registered number is 06933866 and Charity registered number is 1133711. The registered office address and principle place of business is 10-17 Pulross Road, London, SW9 8AF. The functional currency is sterling.

2 Accounting policies

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the year.

2a Basis of preparation

The financial statements of the charitable company have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', the Charities Act 2011 and the Companies Act 2006.

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy or note.

2b Public benefit entity

The charitable company meets the definition of a public benefit entity under FRS 102.

The trustees have had due regard to the Charity Commission's Public Benefit guidance when exercising powers and duties to which the guidance is relevant.

2c Going Concern

The trustees consider that there are no material uncertainties about the charitable company's ability to continue as a going concern.

The charitable company can comfortably operate based on confirmed funding with sufficient reserves.

The trustees do not consider that there are any sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period.

2d Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the income have been met, it is probable that the income will be received and that the amount can be measured reliably.

Where donations and grants are restricted to future accounting periods, they are deferred and recognised in those future accounting periods. Grants for immediate financial support and assistance, or to reimburse costs previously incurred, are recognised immediately.

Notes to the financial statements for year ended 30th June 2025: continued

2e Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charitable company; this is normally upon notification of the interest paid or payable by the bank.

2f Fund accounting

Unrestricted funds are donations and other incoming resources received or generated for the charitable purposes.

Restricted funds are to be used for specific purposes as laid down by the donor.

Expenditure which meets these criteria is charged to the fund.

2g Expenditure and basis of apportioning costs

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis with irrecoverable VAT included with the item to which it relates and has been classified under headings that aggregate all costs related to the category.

Expenditure is classified under the following activity headings:

Raising funds: Costs of raising funds relate to the costs incurred by the charitable company in inducing third parties to make voluntary contributions to it, as well as the cost of any activities with a fundraising purpose.

Charitable activities: Expenditure on charitable activities includes the costs of delivering activities services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them. These costs incorporate Governance costs which include those costs associated with meeting the constitutional and statutory requirements of the charity, examination fees and costs linked to the strategic management of the charity.

2h Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid per full calendar month net of any trade discounts due.

2i Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

2j Cash at bank and in hand

Cash at bank and in hand includes cash and short term highly liquid investments.

The trustees seek to use short term deposits to maximise the return on monies held at the bank and to manage cash flow.

The charitable company has only financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value.

Notes to the financial statements for year ended 30th June 2025: continued

2k Pensions

The company has no employees and therefore has no pension liability.

2l Fundraising

The charitable company has not used 3rd party fundraising organisations.

Funds are raised through individual donations, grants from Trusts, Foundations and Government grants and contracts, hall hire and membership fees. Some fundraising events have also been carried out.

2m Volunteers and donated services and facilities

The value of services provided by volunteers is not incorporated into these financial statements as it is impractical to estimate such value.

Where services and facilities are provided to the charity as a donation that would normally be purchased from our suppliers, this contribution is included in the financial statements at an estimate based on the value of the contribution to the charity.
