THE ABCD CHARITABLE TRUST

TRUSTEES' REPORT FOR THE YEAR ENDED 5 APRIL 2024

The Trustees present their annual report and financial statements of the charity for the year ended 5 April 2024. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's trust deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice (second edition) and Financial Reporting Standard FRS 102.

Structure, Governance and Management

The ABCD Charitable Trust is a general Charitable Trust governed by a Trust Deed dated 23 December 2009 and is a registered Charity number 1133744.

The Trustees who served during the year and who were subsequently appointed were:

Guillain Patrice Louis Marie de Camaret

Timothy Robin Vos

Nicolas Louis de Camaret

Jean-Louis de Montesquiou Fezensac D'Artagnan

Marcela de Castro Bastos

Aldo Laurence Maria Coronelli

Hendrik Guillaume Francois van Riel (appointed on 02/06/2023)

Under the terms of the Trust Deed the power of appointing new Trustees is exercisable by the Settlor during his lifetime and thereafter by the surviving or continuing Trustees. Trustees are selected having regard to experience, including in relation to the scope of objects of the Trust and receive an initial briefing, with scope for further training if considered appropriate by the existing trustees, regarding general and specific procedures.

Trustee decisions are made primarily via a combination of conference discussions and email exchanges between the Trustees, with day-to-day administrative duties delegated to the Trustees' solicitors and investment managers as appropriate.

The Trustees provide significant funding towards the work of Instituto ABCD, a charitable organisation registered in Brazil. As part of the Trustees' monitoring role in relation to the use of funds provided, three Trustees have been Associates of the Instituto ABCD. Guillain Patrice Louis Marie de Camaret is a Founder Associate, Marcela de Castro Bastos is an Associate and Nicholas Louis de Camaret is the CEO, Director and an Associate of the Instituto ABCD.

Squanto Participacoes Ltda were appointed on 16 June 2011 as the Trust's investment adviser whose brief is to advise and manage an investment portfolio on a discretionary basis. Guillain Patrice Louis Marie de Camaret and Nicolas Louis de Camaret are shareholders of the Company and Nicolas Louis de Camaret is also its administrator.

Custody and advisory services are provided by Banco Itaú (Suisse) S.A.

Investments held at 5 April 2024 were acquired in accordance with the powers of the Trustees.

The Trustees, with the aid of their investment advisers, maintain a regular review over the major strategic, investment and operational risks that the charity faces in order that, wherever possible, such risks can be identified and accordingly steps taken to lessen these risks.

Where support is given to overseas organisations a Trustee will periodically visit key projects. In addition regular financial and progress reports are required from the donee organisation which are in turn scrutinised by the Trustees.

THE ABCD CHARITABLE TRUST

TRUSTEES' REPORT FOR THE YEAR ENDED 5 APRIL 2024

Objectives and Activities for the Public Benefit

The ABCD Charitable Trust (the "Charity") was established by Patrice de Camaret by a trust deed dated 23 December 2009 (the "Trust Deed"). In accordance with clause 3 of the Trust Deed, the trustees of the Charity must apply the Charity's assets for such charitable purposes as the trustees determine.

In the Trust Deed, "charitable purposes" are defined as "purposes which are wholly and exclusively charitable according to the law of England and Wales". The Charity's purposes are therefore flexible and broad.

Without limiting their discretion to apply the Charity's assets in accordance with these broad charitable purposes, the trustees of the Charity wish to record the charitable purposes on which they have focussed since the creation of the Charity and on which they intend to continue to focus as well as some additional areas subsequently agreed by the trustees. These are as follows:

- research into, treatment of and assisting those who are affected by learning differences or difficulties, (particularly dyslexia) or by other medical conditions, and including mitigating the effects of those learning differences or difficulties or other medical conditions;
- training teachers in relation to identifying and dealing with learning differences or difficulties;
- promotion of mental health literacy;
- research into and treatment of diseases of the brain, neurobiology and psychiatric disorders or
- research into, training and teaching in other fields of medicine; and
- promotion of education in general.

The trustees intend principally to support other entities (both charitable and non-charitable) which will promote or further the Charity's charitable objectives as set out above. They will do this through the provision of grants and by making programme-related or outcomes-based investments. Some programme-related investments may be "mixed motive" investments, seeking both a programme-related and financial return.

The entities which the Charity will support will focus on projects or research principally in Brazil, the US and the UK, but also worldwide.

The trustees reserve the right to amend these objectives or to apply the Charity's funds outside these objectives at any time, provided always that the Charity's funds are applied in the Charity's best interests and in accordance with English charity law.

Achievements and Performance

The Trustees continued their policy of making donations to various charities involved with education projects in Brazil and the United States of America. New donations totalling £339,127.72 (£795,109.58 to 5 April 2023) were made during the year. Details of the donations are shown in Note 10 to the Accounts. In addition, the Trustees previously committed to fund two long-term projects of the Johns Hopkins University. During the year to 5 April 2024, two payments totalling £371,535.20 (\$480,000.00) (2023: £398,462.80 (\$480,000.00)) were made to Johns Hopkins University as part of the funding commitments. Details of the funding commitments are shown in Note 11 to the Accounts.

The Trustees aim to maintain investments for capital growth and to maintain cash funds sufficient to fund anticipated charitable donations over the coming year.

THE ABCD CHARITABLE TRUST

TRUSTEES' REPORT FOR THE YEAR ENDED 5 APRIL 2024

Investment Performance

The Trustees have employed discretionary investment managers to manage the assets of the charity. The investment managers' remit is to provide a medium risk portfolio that protects the value of the capital and at the same time delivers good quality regular returns.

The returns from the charity investments were broadly in line with the adopted benchmark.

The Trustees actively monitor the work of the investment managers and believe that an appropriate investment strategy is in place for the medium to long term. In accordance with the Itaú Private Bank mandate, the Trustees have a low to moderate tolerance for risk and expect a low to moderate rate of return on their investment.

Financial Review

At the year end funds totalled £954,080.47 in comparison to £1,303,383.35 as at 5 April 2023.

The majority of the investment portfolio is held in US dollars and these accounts are presented in Sterling. The exchange rate has therefore had an effect on the values presented in these accounts as at 5 April 2024.

The principal funding source of the trust has been donations from the Settlor, subsequently invested to generate income and capital returns. The reserves generated from these sources are unrestricted as to use for the charitable purposes of the Trustees described above.

The Trustees plan to continue their existing activities by funding further annual budgeted expenditure of Instituto ABCD, and other charitable expenditure within their objectives.

THE ABCD CHARITABLE TRUST

TRUSTEES' REPORT FOR THE YEAR ENDED 5 APRIL 2024

Statement of Trustees' Responsibilities

The Trustees are responsible for preparing the Trustees' Report and the accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial period which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources of the Charity for that period.

In preparing these accounts, the Trustees are required to:

- * select suitable accounting policies and then apply them consistently;
- * observe the methods and principles in the Charities SORP;
- * make judgements and estimates that are reasonable and prudent;
- * state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements;
- * prepare the financial statements on the going concern basis unless it is inappropriate to presume that the trust will continue its activities.

The Trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the Charity and which enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust Deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees for the purpose of charity law who served during the year and up to the date of this report are set out on page 1.

THE ABCD CHARITABLE TRUST

Independent Examiner's Report to the Trustees of the ABCD Charitable Trust

I report to the Trustees on my examination of the accounts of the The ABCD Charitable Trust (the Trust) for the year ended 5 April 2024 which are set out on pages 7 to 16.

Responsibilities and basis of report

As the charity Trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trustees' accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent Examiner's Statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1.) accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
- 2.) the accounts do not accord with those records; or
- 3.) the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

THE ABCD CHARITABLE TRUST

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 5 APRIL 2024

1 Accounting Policies

Charity Information

The ABCD Charitable Trust is a general Charitable Trust governed by a Trust Deed dated 23 December 2009 and is a registered Charity number 1133744.

1.1 Accounting Convention

These Accounts have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102"), "Accounting and Reporting by Charities" the Statement of Recommended Practice for charities applying FRS 102, the Charities Act 2011 and UK Generally Accepted Accounting Practice as it applies from 1 January 2019. The Charity is a Public Benefit Entity as defined by FRS 102.

The Accounts have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The Accounts have been prepared under the historical cost convention. The principal accounting policies adopted are set out below. The Accounts are prepared in sterling.

1.2 Going Concern

At the time of approving the Accounts, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the Accounts.

1.3 Charitable Funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

1.4 Incoming Resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that the income will be received.

The Charity is a registered Charity and therefore is not liable for income tax or corporation tax on income derived from its charitable activities, as it falls within the various exemptions available to registered charities.

1.5 Resources Expended

Expenditure is recognised on an accrual basis as a liability is incurred.

THE ABCD CHARITABLE TRUST

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 5 APRIL 2024

Costs of generating funds comprise the Investment Managers' costs associated with the management of the investment portfolio in accordance with the strategy set by the Trustees. Charitable expenditure in the form of donations payable is accounted for as and when approved by the Trustees and when due for payment.

Funding commitments have been calculated by the amortised cost method using an average return of investment rate.

Other costs include those costs associated with meeting the constitutional and statutory requirements of the Charity and include the independent examination fees and legal costs linked to strategic management of the Charity.

1.6 Fixed Asset Investments

Investments are included on the Balance Sheet at their fair value at the end of the financial period. Listed investments are stated at the mid prices provided by the Fund Managers for the unit trust holdings. Gains and losses on investment assets are credited, or debited, to the Statement of Financial Activities in the year in which they arise.

1.7 Current Asset Investments

Financial assets classified as current asset investments are stated at fair value with any gains or losses arising on remeasurement recognised in profit or loss. Fair value is derived from the professional valuation obtained at the period end. Short-term investments due held for sale within 12 months of the year-end are treated as current asset investments.

1.8 Foreign currency translation

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rate of exchange ruling at the balance sheet date. Realised and unrealised gains relating to the investment portfolio are translated at the year-end rate. Other transactions in foreign currencies are recorded at the rate ruling at the date of the transaction or published average rate for the financial year. Foreign exchange gains or losses incurred in respect of overseas transactions are taken to the Statement of Financial Activities.

1.9 Irrecoverable VAT

Irrecoverable VAT is charged against the category of resources expended for which it was incurred.

1.10 Cash and Cash Equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.11 Financial Instruments

The Charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

THE ABCD CHARITABLE TRUST

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 5 APRIL 2024

Financial instruments are recognised in the Charity's balance sheet when the Charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic Financial Assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic Financial Liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future receipts discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from supplier. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest rate method.

Derecognition of Financial Liabilities

Financial liabilities are derecognised when the Charity's contractual obligations expire or are discharged or cancelled.

1.12 Critical Accounting Estimates and Judgements

In application of the Charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

In the year ended 5 April 2024 the Trustees consider that there were no critical accounting estimates arising that require disclosure.

THE ABCD CHARITABLE TRUST

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 5 APRIL 2024

Critical Judgements

The following judgement (apart from those involving estimates) has had the most significant effect on amounts recognised in the financial statements.

Funding Commitment

The Trustees have calculated the average return on investment rate to be 1.5%. This is based on the income received in 2021 from the investments held at fair value as at 5 April 2021, which is still considered an appropriate basis for the discounting of funding commitments.

11 Funding Commitment

At 11 June 2019 the charity had entered into a funding commitment to provide a donation to the Johns Hopkins University for the use and benefit of The James Buchanan Brady Urological Institute of US\$ 200,000 per annum over five years. There are no performance related conditions attached to the commitment.

The commitment had been calculated by the amortised cost method using an average return of investment rate calculated at 1.5% per annum.

During the year, a payment of £152,690 was made as part of the funding commitment. The funding commitment has now been fulfilled.

At 21 January 2021 the charity had entered into a funding commitment to provide a total donation to the Johns Hopkins University for the use and benefit of The Department of Psychiatry and Behavioral Sciences of US\$280,000 per annum over five years. There are no performance related conditions attached to the commitment.

The commitment has been calculated by the amortised cost method using an average return of investment rate calculated at 1.5% per annum.

At the year end the commitment due within one year was calculated as £215,164.26 (US\$271,785.29) (2023: £215,047.77 (US\$267,768.76)) and is shown in current liabilities. The commitment due after one year is £218,391.72 (US\$275,862.07) (2023: £439,821.07 (US\$547,647.36)) and is included within long term liabilities. During the year, a payment of £218,845.20 was made as part of this funding commitment.

THE ABCD CHARITABLE TRUST

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR TO 5 APRIL 2024

12 Related Party Transactions

Transactions with related parties

During the period under review Robin Vos was employed by Macfarlanes LLP who have provided legal services to the Charity. Fees totalling £26,850.00 (2023:£22,650.00) were paid during the year.

During the period under review Guillain Patrice Louis Marie de Camaret, a Trustee and Settlor of the Charity, Marcela de Castro Bastos, a Trustee, and Nicholas Louis de Camaret, a Trustee, were also Associates of Instituto ABCD. Nicholas Louis de Camaret is on the Board of Directors of Instituto ABCD and is the organisation's CEO. This structure has been undertaken so that the Trustees can ensure funds are being spent in line with the budget and intended purposes.

Guillain Patrice Louis Marie de Camaret and Nicholas Louis de Camaret are shareholders of Squanto Participacoes Ltda (the Charity's Investment Managers). Nicholas Louis de Camaret is also the company's administrator.

Instituto ABCD is a charitable organisation registered in Brazil.

Donations totalling £339,127.72 (2023: £726,845.15) were made to Instituto ABCD in the year.
