Trustees' Report

For The Year Ended 31 December 2021

The Trustees present their annual report and financial statements for the year ended 31 December 2021.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Charities Act 2016 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and activities

St Mary's Church is part of the Tonbridge Deanery and the Diocese of Rochester. The Parochial Church Council of St Mary's (the PCC) has the responsibility of co-operating with the incumbent in promoting in the ecclesiastical parish the whole mission of the church: pastoral, evangelistic, social and ecumenical. The PCC is a corporate body established by the Church of England. The PCC operates under the Parochial Church Council Powers Measure and is a registered charity no. 1133968.

PCC members are responsible for making decisions on all matters of general concern and importance to the parish, including deciding on how the funds of the PCC are to be spent. The Trustees have had due regard to the Charity Commission's guidance under Charities Act 2016 on public benefit when considering the Charity's objectives and activities. St Mary's Church provides public benefit by offering a variety of styles of public worship and by providing an open, accessible and welcoming village resource.

The PCC continued to use strategic objectives to reflect Jesus's Great Commission (Matthew 28 v10) 'Go therefore and make disciples of all nations as follows:

- i. To bring others to Christ through outreach in the community;
- ii. To continue to develop the youth and young families programme;
- iii. To gain greater commitment from all church members to give time voluntarily to helping the community and God's work in the village.

In line with many other organisations, the church's operations were severely impacted by the continued presence of COVID and the mandated restrictions brought in to combat it.

Church membership and attendance was therefore as follows:

	2021	2020
Number on electoral roll	94	92
Number on roll not resident in parish	23	21
Usual Sunday attendance - adults	45	45
Usual Sunday attendance - under the age of 16	6	6
Easter attendance	52	-
Christmas attendance	210	-
Baptisms	5	-
Weddings & Blessings	6	2
Funerals in church	2	3

For The Year Ended 31 December 2021

However, staff, members of the PCC and volunteers continued to respond positively to the predicament and, from the beginning of the first lockdown and throughout 2021, the following activities took place:

Traditional Sunday Services

In-person services resumed in March 2021, following Church of England guidelines. This has enabled us to continue to follow the liturgical calendar and to provide services with a local flavour.

Family Services & Forest Church

The Youth and Families Minister had introduced the idea of Forest Church in 2020, made possible by the purchase of a pop-up gazebo to allow attendees to move around to various venues whilst abiding by social distancing regulations. Forest Church went from strength to strength in 2021 and, although at times it was necessary to stream or pre-record it, some 50 to 60 primary school age children attended each week when counting those attending in person and online.

Work is ongoing to bring the formula and spirit of Forest Church – and the involvement of children in the services – into the Family Services, both online and, in the future, in the church building.

Fabric

Repairs to the churchyard path were made during early 2021 and work was undertaken to add live-streaming capabilities to the sound system.

Pastoral Work

The Vicar and Churchwardens actively engaged in pastoral work during the year, checking on people who were housebound or shielding, supporting the work of the Leigh volunteers and raising spirits at times such as Easter and Christmas. St Mary's has been supporting a local foodbank and provided laptops for school children. The church stayed open for private prayer for most of the year thanks to an 18-strong team of cleaning volunteers, the St James' Guild.

Safeguarding

The PCC has appointed individuals to the requisite roles and continues to abide by its Safeguarding Policy. In this respect, the PCC is fully compliant with Diocesan requirements.

Fundraising

The majority of personal giving is usually received through collections at services and regular monthly or quarterly contributions. Gift Aid is reclaimed on as many eligible donations as possible.

We do not use third party suppliers to assist us with our fundraising. The charity has not voluntarily subscribed to any fundraising standards or schemes for fundraising regulation. There have been no complaints to the charity regarding fundraising. The charity is mindful of the need to protect vulnerable people and other members of the public from any unreasonable intrusion on their privacy, such as being unreasonably persistent or placing undue pressure on a person to give money or other property.

Risk Assessment

Regular risk assessments were undertaken in 2021 with specific reference to the possibility and desirability of re-opening the church and holding services.

Financial review

The PCC reported an operating deficit of £81,143 (2020: £63,445) which, when investment gains of £59,208 (2020: losses of £16,228) were taken into account, resulted in net expenditure of £21,935 for the year (2020: £79,673). Planned giving held up well throughout the year but, due to the lack of services, gifts in the collection plate were lower than in pre-COVID times.

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six-month's expenditure. The Trustees considers that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

The Parochial Church Council of the Ecclesiastical Parish of St Mary The Virgin, Leigh, Tonbridge, Kent

Trustees' Report (Continued)

For The Year Ended 31 December 2021

Reserves

Free unrestricted reserves stood at £499,124 at the year end (2020: £524,977). Designated reserves stood at £31,143 (2020: £28,385), being £17,543 in respect of the Memorial Wall Fund and £13,600 held in the Church Repair Fund. The restricted fund = Friends of St Mary's contained £9,992 (2020: £8,832). The PCC's Investment Policy allows the annual operating deficit to be funded by its unrestricted reserves over the long term.

Going concern

The Trustees have evaluated the circumstances in which the PCC operates. The PCC has unrestricted reserves of over £500,000 and the Trustees have therefore concluded that there are no material uncertainties that cast doubt on the charity's ability to continue as a going concern over the medium term.

The Trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

The Trustees who served during the year and up to the date of signature of the financial statements were:

Vicar & Chairman:

The Revd Lionel Kevis (+)

Churchwardens:

James Irving (+)

Elizabeth Wynn Owen (+)

Deanery Synod Representatives:

Trustees' Report (Continued)

For The Year Ended 31 December 2021

The PCC met six times during the year; most meetings were held remotely via Zoom. The Rector and Churchwardens are ex-officio Trustees, as are the Deanery Synod Representatives, providing the PCC with an important link between the parish and the wider structures of the church. Churchwardens are elected on an annual basis, up to an agreed maximum of six years. A further nine members are elected, a third of whom stand for re-election every three years. The members and officials noted above were elected and appointed at the Annual Parochial Church Meeting held on 26th April 2021 and elected or co-opted at subsequent meetings of the Council.

The Trustees' report was approved by the Board of Trustees.

Statement Of Trustees' Responsibilities

For The Year Ended 31 December 2021

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that year.

In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2016, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Examiner's Report

**To The Trustees Of The Parochial Church Council of the Ecclesiastical Parish of St Mary
The Virgin, Leigh, Tonbridge, Kent**

I report to the Trustees on my examination of the financial statements of The Parochial Church Council of the Ecclesiastical Parish of St Mary The Virgin, Leigh, Tonbridge, Kent (the charity) for the year ended 31 December 2021.

Responsibilities and basis of report

As the Trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2016 (the 2016 Act).

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2016 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2016 Act.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2019.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the 2016 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

Charity information

The Parochial Church Council of the Ecclesiastical Parish of St Mary The Virgin, Leigh, Tonbridge, Kent is part of the Tonbridge Deanery and the Diocese of Rochester. The Parochial Church Council of St Mary's (the PCC) has the responsibility of co-operating with the incumbent in promoting in the ecclesiastical parish the whole mission of the church: pastoral, evangelistic, social and ecumenical. The PCC is a corporate body established by the Church of England. The PCC operates under the Parochial Church Council Powers Measure and is a registered charity no. 1133968.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Charities Act 2016 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds represent the funds of the PCC that are not subject to any restrictions regarding their use and are available for application on the general purposes of the PCC.

Designated funds are unrestricted funds set aside by the PCC for specific purposes and can be re-designated by the PCC at any time. There are currently two designated funds: *The Memorial Wall Fund* is for the periodic extension, modification and maintenance of the Memorial Wall on the northern boundary of the churchyard. *The Church Repair Fund* is held by the Diocese on behalf of the PCC and is intended to contribute to the costs of work arising from the Quinquennial Inspection.

Restricted funds are those where donors have placed restrictions on the use of the funds. *The Friends of St Mary's Fund* was established in 2013 to hold donations given by those in the village who do not engage with the spiritual life of the St Mary's but nevertheless value the church's presence in the community.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Collections are recognised when received by or on behalf of the PCC. Planned giving receivable under Gift Aid is recognised only when received. Income tax recoverable on Gift Aid donations is recognised when the income is recognised. Grants and legacies to the PCC are accounted for as soon as the PCC is notified of its legal entitlement, the amount due is quantifiable and its ultimate receipt by the PCC is reasonably probable.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

Charitable activities includes the direct costs of the Church and its mission as well as costs incurred in support of these activities.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Fixtures and fittings	25% on cost
-----------------------	-------------

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

Consecrated property and movable church furnishings

Consecrated and beneficed property of any kind is excluded from the accounts by s.96(2)(a) of the Charities Act 2011. Movable church furnishings held by the Rector and Churchwardens on special trust for the PCC, and which require a faculty for disposal, are accounted as inalienable property unless consecrated. All expenditure incurred on consecrated or beneficed property, whether maintenance or improvements, is written off.

1.7 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

1.8 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.9 Stocks

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost comprises direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the stocks to their present location and condition. Items held for distribution at no or nominal consideration are measured the lower of replacement cost and cost.

Net realisable value is the estimated selling price less all estimated costs of completion and costs to be incurred in marketing, selling and distribution.

1.10 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.11 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

The Parochial Church Council of the Ecclesiastical Parish of St Mary The Virgin, Leigh, Tonbridge, Kent

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.12 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
