Methods, policies and procedures for appointment, induction and training of new members

All Church attendees are encouraged to register on the Electoral Roll and stand for election to the PCC. The method of appointment of PCC members is set out in the Church Representation Rules. Nine members are elected to the PCC with elections held every year for three members who serve for three years. PCC members are allowed to serve for two three-year terms after which they are required to stand down for at least one year. In addition to these elected members, the Rector, the Associate Minister, the Curate, the Churchwardens, the Deputy Churchwardens and the Treasurer serve ex-officio as members of the PCC. The Rector's P.A. attends the PCC meetings in an observer capacity and minute taker. Separate church committees are elected for each church to oversee local matters and these committees report regularly to the PCC.

The PCC has the following sub-committees or task groups: -

- **Finance Committee** —delegated authority from the PCC to manage and review financial matters.
- **World Mission Group** —maintains and promotes links with partner organisations within the UK and around the world.
- **HR Committee** — delegated authority from the PCC to oversee employment & ongoing management of staff, including safeguarding issues.
- **Standing Committee** – delegated authority from the PCC for urgent matters arising in between PCC meetings.
- **Environmental Committee** – to consider and assess options and make costed recommendations to the PCC to help the Parish reach its target of carbon neutrality by 2030.
- **Welfare Group** – to consider the welfare of our leaders, and to support them.

The following major risks identified by the PCC and their control processes are as follows: -

- **Protection**
 - The PCC has a Safeguarding Policy with all leaders who work with young people and vulnerable adults required to undergo regular checks and follow the policy.
 - The PCC arranges annual reviews of church properties from a health and safety perspective and ensures all those preparing food on church premises have the appropriate Food Hygiene Certificate.
- **Financial**
 - The PCC arranges for an Independent Financial Examination of its books and records with a local, professional accounting firm.
 - The PCC reviews its investments and investment policies through the work of its Finance Committee.
 -

➤ **Property**

- The PCC insures all its properties through the Ecclesiastical Insurance Company.
- The PCC appoints a firm of Architects to conduct 5 yearly reviews of its properties and advise on all buildings and modifications work.

The PCC has related Trusts and endowed funds as follows: -

➤ **The CD Wilson Trust**

- The CD Wilson Trust was established on 27 June 1973 between Constance Douglas Wilson and the Rector and Churchwardens of the Parish Church of Church Stretton for the establishment of a charitable fund to provide workers and visitors for the aged at home or in institutions or homes, in or near the Parish of Church Stretton.
- From 1 April 2007 the Parochial Church Council agreed to amalgamate the accounting and recording of the work of this trust as a segregated endowment fund.
- The Rector and Churchwardens continue as Trustees with oversight of the ongoing work of this charitable trust which currently supports the work of visiting within the Parish.

Objectives and Activities

In setting objectives and planning for activities, the members have given due consideration to the general guidance published by the charity commission in relation to public benefit.

The PCC has the responsibility of co-operating with the incumbent to promote, in Stretton Parish, the whole mission of the Church, pastoral, evangelistic, social and ecumenical. It also has maintenance responsibilities for its three church buildings, and the Parish Centre.

Our purpose as a Parish is to "*Make Jesus Known*". We are enabled to do this by our dependence upon the Holy Spirit, prayer and the Scriptures. And we bring all of our gifts and skills together as individual members of the Church to be used to Make Jesus Known.

Our purpose is achieved by doing three things:

Growing community - intentional mission

This means that we seek to be a visible presence in the Strettons community, building relationships with those who live and work here and offering everyone the opportunity to belong and to believe.

Walking with God - intentional discipleship

This means that we help each other to become faithful followers of Jesus seeking to live out our faith amidst the challenges of our daily lives.

Serving the Strettons & beyond - intentional service

This means that we seek to 'love our neighbours' by walking alongside them through the 'ups' and 'downs' of life and looking out for their needs.

Financial Review

Total income levels for 2023 were £306,951 compared with £262,713 in 2022. The increase was due to increased giving generally across the Parish and increased legacy income during 2023.

Total expenditure for 2023 was £334,004 compared with £304,221 in 2022. The increase was due to increase in energy bills and the cost-of-living situation.

The operating account shows: -

- St Laurence's had an operating deficit of £7,144 for 2023; compared to a deficit of £22,694 for 2022.
- St Michael's had an operating deficit of £631 for 2023, compared to a deficit of £3,521 for 2022.
- All Saints had an operating deficit of £2,617 for 2023, compared to a deficit of £9,727 for 2022.

The Foodbank set up during the last quarter of 2013 by the Parish, in conjunction with 'Churches Together in the Strettons' continued to operate and develop from the Parish Centre main hall. The work of collecting/purchasing food and distributing food has increased considerably throughout the year, due to the economic situation.

Investment income was positive in 2023 due to the markets, and the investments increased in value by £3,640, compared with a decrease of £8,075 in 2022. The short-term deposits decreased in value in 2023 by £31,555, compared to a decrease of £30,446 in 2022.

The PCC remains largely invested in the cash deposit funds of the Church of England.

The PCC received legacies totalling £6,500 during 2023 (2022: £500).

The PCC used its freehold property in Church Stretton (5, Sandford Court) for investment purposes.

In 2010, the PCC completed Phase I of its Building in Faith project, the internal re-ordering of St Laurence's. During 2012, the PCC instructed their architects to commence work preparing plans for Phase II, however this work was put on hold in 2015 whilst the more urgent priority of reroofing is being addressed. There was a carried forward balance of £17,161 on the Building in Faith account at the beginning of 2023 which is presented in note 10 of the Annual Accounts. The PCC agreed during 2022 to use this balance towards the costs of overhauling the audio-visual systems within the church, and this work and expenditure took place during 2023.

All our churches aim to make donations from the monies they receive to donate 10% of their giving to their mission partners – for 2023 this amounted to £17,569 for St Laurence's, £4,388 for All Saints and £1,800 for St Michael's. In addition, £12,480 was given at funeral services or other designated collections which was passed to the selected beneficiaries.

Reserves Policy

For St Laurence's, there is a balance of over £250,000 unrestricted reserves or bank balances which equates to more than a year's expenditure.

For St Michael's and All Saints there are sufficient balances to cover operating expenditure and likely maintenance costs. Both churches have specified provisions to cover future repairs or modifications to their buildings.

The PCC holds significant reserves in non-liquid form most notably the Parish Centre and 5 Sandford Court, which provides valuable property assets for the work and ministry of the Parish.

The PCC holds significant assets (£73,341) in endowment funds which provide income to be used for the work within the Parish. However, the capital assets (£56,338) behind these trusts are not available for general PCC use.

The free reserves of the PCC are £113,091 (2022: £124,697). The PCC considers this unrestricted amount suitable to cover unforeseen emergencies.

It is PCC policy to invest our funds balances with the CBF Church of England Deposit Fund.

Independent Examiner's Report to the Trustees of Stretton Parish

I report to the charity trustees on my examination of the accounts for the year ended 31 December 2023 which are set out on pages 7-17.

Responsibilities and basis of the report

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS
For the year ended 31 December 2023

1 Accounting Policies

These financial statements have been prepared in accordance with the Church Accounting Regulations 2006 together with applicable accounting standards and the SORP 2019 (FRS 102).

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS 102) updated January 2019 and Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and Charities Act 2011.

These financial statements have been prepared under the historical cost convention except for the valuation of investment assets which are shown at market value. The financial statements include all transactions, assets and liabilities for which the PCC is responsible in law. They do not include the accounts of church groups that owe their main affiliation to another body nor those that are informal gatherings of Church members.

Funds

General funds represent the funds of the PCC that are not subject to any restrictions regarding their use and are available for application by the PCC for general purposes. Funds designated for a particular purpose by the PCC are also unrestricted but have been shown separately for presentation purposes.

Endowment funds are funds, the capital of which must be maintained; only income arising from investment of the endowment may be used either as restricted or unrestricted funds depending upon the purpose for which the endowment was established.

Restricted funds represent income from trusts or endowments which may be expended only on those restricted objects provided in the terms of the trust or bequest and donations or grants received for a specific object or invited by the PCC for a specific object for which they may only be expended on the specific object for which they were given. Any balance remaining unspent at the end of each year must be carried forward as a balance on that fund.

Incoming Resources

Voluntary Income

- Collections are recognised when received by or on behalf of the PCC.
- Collections taken at funeral services are not included in the accounts of the PCC.
- Planned giving receivable under Gift Aid is recognised only when received.
- Income tax recoverable on Gift Aid donations is recognised when the income is recognised.
- Grants and legacies to the PCC are accounted for as soon as the PCC is notified of its legal entitlement, the amount due is quantifiable and its ultimate receipt is reasonably certain.
- Sales of books and magazines from the church bookstall are accounted for gross.

Other ordinary income

- Rental income from the letting of the Church premises is recognised when received.

Income from Investments

- Dividends and interest are accounted for when received
- Tax recoverable on such income is recognised in the same accounting year.

Gains and losses on Investments

- Realised gains or losses are recognised when investments are sold.
- Unrealised gains or losses are accounted for on investment revaluations as at 31 December.

Resources Expended

Grants

Grants and donations are accounted for when paid over, or when awarded, if that award creates a binding obligation on the PCC.

Activities relating to the work of the Church

The Parish Share is accounted for when payable. Any unpaid Share at 31 December is provided for in these accounts as an operational liability and is shown as a creditor on the Balance Sheet.

Fixed Assets

Consecrated buildings and church furnishings

Consecrated and beneficed property is excluded from these accounts by s.10(2)(a) of the Charities Act 2011. No value is placed on moveable church furnishings held by the churchwardens on special trust for the PCC and which requires a faculty for disposal since the PCC considers this to be inalienable property. All expenditure incurred during the year on consecrated or benefice buildings or moveable church furniture, whether maintenance or improvement, is written off as expenditure in the SOFA and separately disclosed.

Other tangible fixed assets

Other properties owned by the PCC are shown in the Balance Sheet at original cost. The depreciation charge is on a straight line basis over 50 years. Current expenditure on the buildings is written off as incurred.

Other fixtures, fittings and office equipment

Individual items of equipment with a purchase price of £5,000 or less are written off when the asset is acquired. Solar panels are included at cost and depreciation charge is on a straight line basis over 25 years.

Investments

Investments are valued at the market value ruling for 31 December.

Current Assets

Amounts owing to the PCC at 31 December in respect of fees, rents or income are shown as Debtors less provision for amounts that may prove uncollectable. Short term deposits represent cash held on deposit with the CBF Church of England Funds.

The CD Wilson Trust was established on 27 June 1973 between Constance Douglas Wilson and the Rector and Churchwards of the Parish Church of Church Stretton for the establishment of a charitable fund to provide workers and visitors for the aged at home or in institutions or homes, in or near the Parish of Church Stretton. From 1 April 2007 the Parochial Church Council agreed to amalgamate the accounting and recording of the work of this Trust as a segregated endowment fund. The Rector and Churchwardens continue as Trustees with oversight of the ongoing work of this charitable trust which currently funds the travel expenses for elderly parish visiting & the Carols & Tea event in December.
