ILFRACOMBE & BARNSTAPLE METHODIST CIRCUIT
Year ended 31 August 2021

Readers may wish to refer to the Glossary of Terms appearing in the Notes to the Accounts

1 Objectives and activities

In setting our objectives and planning our activities, the Circuit Meeting (under the leadership of the Circuit Superintendent) meet three times in each year, has given careful consideration to the Charity Commissioners' general guidance on public benefit and, in particular, to its supplementary public benefit guidance on advancing our objectives and conforms to the Charities Act 2011.

Our mission is to commit the Circuit to supporting local churches and individuals as they respond to be a powerful spiritual influence in the Circuit and a visible expression of God's inclusive love. We aim to achieve this by encouraging Churches across the Circuit to be involved in the worship, social, and outreach activities that currently exist, and by seeking new ways to further their ministry and fellowship to others within the Church family and in the wider community.

The Charity objective is to act as a Resource provider within the area around Ilfracombe & Barnstaple for the Methodist Church:

The purposes of the Methodist Church are and shall be deemed to have been since the Date of Union the advancement of:

1. The Christian faith in accordance with the doctrinal standards and discipline of The Methodist Church;
2. Any charitable purpose for the time being of any Connexional, District, Circuit, local or other organisation of The Methodist Church;
3. Any charitable purpose for the time being of any society or institution subsidiary or ancillary to The Methodist Church;
4. Any purpose for the time being of any charity being a charity subsidiary or ancillary to The Methodist Church

The organisation and resourcing of regular public acts of worship open to members of the church and non-members alike. The teaching of Christianity through sermons, courses and small groups. The resourcing of pastoral work including visiting the sick and bereaved. Taking religious assemblies in local schools. Promotion of Christianity through the staging of events and services.

Public Benefit

We confirm the trustees have had regard to the Charity Commission's guidance on public benefit.

2 Achievements and performance

The principal purpose of the Circuit is to act as a supporting body between Churches and to help to promote God's love in Christ and to enable people to serve Him in the world. The Circuit has limited contact in its own right with the public but acts through the activities of the individual churches. The Circuit does

ILFRACOMBE & BARNSTAPLE METHODIST CIRCUIT

Year ended 31 August 2021

not attain direct contact with the public. The direct contact is by Churches and it is these that the Circuit supports in their desire to provide benefit to the public.

The Circuit makes a number of grants to Local Churches and other church organisations during the year. The policy of the trustees on grant making is to ensure that all applications can demonstrate public benefit, pass a test of sustainability, show that there is commitment from the applicant organisation (eg the local church or church group) and show imagination and creativity as well as a perceived need for that for which the grant is being applied.

The grants made during the year were of several kinds, including:

- Grants for the adaptation of buildings so that they could more easily meet the modern needs of Churches and help Churches provide services to the community. Eg improvements to reduce environmental impact, improvements to access for disabled persons, etc.
- Grants which supported part time children and young families' worker attached to Local Churches
- Grants to support the work of a local Action for Children Project in the Circuit
- Grants to individuals (Lay Officers of the Circuit) to help pay for the cost training courses for continuing development

Churches that have received grants from the Circuit will show in their own Trustees' Annual Reports (where these are required to be prepared) and details of the outcome of the activities undertaken as a result of receiving the grant.

Training sessions have been provided for those requiring 'Creating Safer Space' safeguarding training across the Circuit.

The Rev Stephen Caddick has been stationed to the Circuit from 1st September 2021. He will have responsibility for Newport, Goodleigh, Fremington, High Bickington and Ebberley Lodge.

The Covid 19 pandemic has impacted on church and circuit life but there have been positive benefits with increased participation in circuit services via Zoom.

2.1 Plans for future years

1. Continue to ensure that any local issues emanating from the Past Cases Review are dealt with sympathetically.
2. Ensure that all those within the Circuit that should attend the 'Creating Safer Space' training at all levels, do so.
3. Provide on-going training and development for Worship Leaders and Local Preachers including the introduction of the 'Peer Review of Local Preachers'.
4. To develop the on-going a 'five-year plan' to consider the future ministry and mission requirements of the Circuit
5. Encourage initiatives for mission in Local Churches within the Circuit
6. To continue a mid-week Circuit worship service via Zoom.
7. To continue to build links with adjacent Circuits and other ecumenical partners

3 Financial review

Income trends

Circuit income is primarily drawn from the assessment paid by the circuit churches.

The rental income relates to the rental of Circuit properties held under the Model Trust Fund.

Expenditure trends

Stipend expenditure has increased each financial year in line with conference approved increases.

50% of expenditure is the Circuit contribution to the District and Connexion, of which 34% is for payment of stipends and other employment costs and 16% funds the work of the wider Methodist Church at both Connexional and District levels.

The other expenditure includes 8.6% of funds levied by the District for the District Advance Fund.

Fund balances

As at 31 August 2021 the net current assets of the Circuit were £2,270,578 (investments and unrestricted funds) giving approximately 24 months cover for expenditure.

Plans for 2021/22

Circuit financial plans for the coming year have been prepared on the basis that there will continue to be 3 full time ordained staff within the Circuit with anticipated cost of living stipend increases combined with an increase in the assessment paid to the district. The circuit is planning to reduce ministerial staffing to two ministers in August 2023.

3.1 Investment Policy and Performance

To comply with Methodist Standing Orders, monies for long term investment are lodged with the Trustees for Methodist Church Purposes (TMCP). TMCP acts as custodian trustee for all real estate held by the Circuit and for all large (over £20k) bequests and for the proceeds of sale of any property formerly owned by the Circuit. These sums are invested in unitised investments or held on deposit. The investment returns are close to tracking the movements in the FTSE100 index. The deposit income mirrors the deposit rates available elsewhere. The Circuit trustees' investment policy is aligned with that of the CFB and TMCP because these organisations take into consideration the social, environmental and ethical considerations, both negatively and positively, that make investments suitable for the Methodist Church.

Short term deposits are lodged directly with the Central Finance Board (CFB) and attract good rates of interest.

There are no benchmarks for the expected returns or appreciation on investments at TMCP and CFB. It is the Circuit's policy to manage the cash and

ILFRACOMBE & BARNSTAPLE METHODIST CIRCUIT

Year ended 31 August 2021

investment resources of the Circuit so that a rate of return on investment – both by way of dividend and capital appreciation – is obtained at least as good as market rate considering the Circuit's low appetite for risk.

3.2 Reserves level and policy

The Circuit has a reserves policy covering all its unrestricted funds which is reviewed annually. Although grants are made annually out of the Circuit Model Trust Fund (CMTF), it is recognised that some grants will be paid by annual instalments and that there will be applications repeated in future years. The trustees seek to ensure that there is sufficient in the CMTF to meet these anticipated grant applications.

The Reserves Policy for the Circuit is to hold a minimum sum equivalent to 12 months' average expenditure. This should be sufficient to meet any unforeseen item of major expenditure on manses and / or to be able to continue, in the short term, funding planned activities in the event of any inability to raise the full Circuit Assessment from churches.

The Circuit is largely risk averse but, especially in making grants to entities embarking on new and imaginative initiatives, the Circuit is prepared to underwrite considered risks.

Risks are managed by being aware of them, quantifying their impact not only in cost terms but in possible reputational or structural damage, laying them off through an insurer and minimising them by not taking them or by setting up control systems that timeously report any significant change in the risk.

4 Trustees' responsibilities

For each financial year ending on 31 August the Trustees are required to prepare financial statements that give a true and fair view of the Circuit's financial activities during the year and of its financial position at the end of the year. In preparing these financial statements, the Trustees must:

- select suitable accounting policies and applied them consistently.
- make judgements and estimates that are reasonable and prudent
- follow applicable accounting standards
- prepare accounts to comply with the Charities SORP

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Circuit and enables them to ensure that the financial statements comply with the law. They are also responsible for safeguarding the assets of the Circuit and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the Circuit's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Training in the responsibilities of trustees is offered to all new trustees soon after their appointment.

4.1 Risk

The major risks have been identified and recorded by the Circuit Meeting with professional advice taken as required. There is a regular annual review process undertaken and recorded. Income and Expenditure is being monitored in total and is compared with the approved annual budget on a half yearly basis to detect trends as part of the risk management process to avoid unforeseen calls on reserves.

Safeguarding

Every person has a value and dignity which comes directly from the creation of male and female in God's own image and likeness. Christians see this potential as fulfilled by God's re-creation of us in Christ. Among other things this implies a duty to value all people as bearing the image of God and therefore to protect them from harm.

Methodist Connexional practice outlines commitment to the following principles:

- the care and nurture of, and respectful pastoral ministry with, all children, young people and adults
- the safeguarding and protection of all children, young people and adults when they are vulnerable
- the establishing of safe, caring communities which provide a loving environment where there is informed vigilance as to the dangers of abuse.
- We will carefully select and train all those with any responsibility within the Church, in line with Safer Recruitment principles, including the use of criminal records disclosures and registration with the relevant vetting and barring schemes.
- We will respond without delay to every complaint made which suggests that an adult, child or young person may have been harmed, cooperating with the police and local authority in any investigation.
- We will seek to work with anyone who has suffered abuse, developing with them an appropriate ministry of informed pastoral care.
- We will seek to challenge any abuse of power, especially by anyone in a position of trust.
- We will seek to offer pastoral care and support, including supervision and referral to the proper authorities, to any member of our church community known to have offended against a child, young person or vulnerable adult.
- In all these principles we will follow legislation, guidance and recognised good practice

The Ilfracombe & Barnstaple Circuit commits itself to ensuring the implementation of Connexional Safeguarding Policy; government legislation, guidance and safe practice in the circuit and in the churches.

The Ilfracombe & Barnstaple Circuit commits itself to the provision of support, advice and training for lay and ordained people that will ensure people are clear and confident about their roles and responsibilities in safeguarding and promoting the welfare of children and adults who may be vulnerable.

5 Structure, governance and management

ILFRACOMBE & BARNSTAPLE METHODIST CIRCUIT

Year ended 31 August 2021

The Circuit is an unincorporated association and is governed by the Methodist Church Act 1976, the Deed of Union and the Model Trust Deeds of the Methodist Church and was registered with the Charity Commissioners.

Detailed governance arrangements are outlined within the Constitutional Practice and Discipline of the Methodist Church by order of the annual conference (CPD). Day to day management of the circuit is undertaken by the Circuit Leadership team along with the Local Preachers meeting, the Circuit Finance and Property Committee and the Circuit Meeting.

Trustee Training

A range of guidance produced by Methodist Connexion to support the effective running of the circuit, specifically the leaflet 'The Role of a Trustee in The Methodist Church' is given to all new Circuit meeting members as induction to their role as trustees.

5.1 Structure

Circuits are the coordinating charities for local groups of Churches; Circuits pay the stipends of the ministers and employ lay staff to serve the Churches in the Circuit; most decisions are made at or ratified by the quarterly Circuit Meeting. A District is the coordinating charity for a group of contiguous Circuits and makes its decisions at the half yearly synods. The Methodist Conference meets once each year as the supreme denominational body for all Methodist Churches.

1. Overall regulatory authority rests with the Methodist Conference.
2. The Connexional Office implements decisions made by Conference and is also responsible for the stationing of presbyters and deacons (collectively known as ministers) in individual Circuits within the District.
3. Connexional decisions are passed to the Chair of the District and the appropriate officers of the District for implementation.
4. The District passes control down to Circuit level for local implementation by the Superintendent Minister, ministerial staff and Circuit Stewards, and authority is delegated to the Circuit Meeting for certain matters.
5. The Circuit Meeting passes regulatory control down to Church Councils for local implementation by the presbyter, the Church Stewards, and other officers, and this regulatory authority is then exercised by Church Councils as Managing Trustees of their charity.

5.2 Purpose of the Circuit

The Circuit is an expression, over a wider geographical area than any Church, of the Connexional character of the Church.

The purposes of the Methodist Church are and shall be deemed to have been since the date of the union the advancement of:

1. the Christian faith in accordance with the doctrinal standards and the discipline of the Methodist Church, and
2. any charitable purposes for the time being of any Connexional, District, Circuit, local or other organisation of the Methodist Church, and

ILFRACOMBE & BARNSTAPLE METHODIST CIRCUIT

Year ended 31 August 2021

3. any charitable purpose for the time being of any society or institution subsidiary or ancillary to the Methodist Church, and
4. any purpose for the time being of any charity being a charity subsidiary or ancillary of the Methodist Church.

The primary purpose of this Circuit is to advance the mission of the Church in the geographical area covered by the Ilfracombe & Barnstaple Circuit by:

- by providing opportunities for Churches to work together and support each other
- by offering to Churches resources of finance, personnel and expertise.

The Circuit serves the Local Churches, District and the Conference in the support, deployment and oversight of the various ministries of the Church, and in programmes of training.

Related Parties

The Circuit is part of the Plymouth & Exeter District and is also accountable to the Methodist Conference. The following Methodist Churches are linked to the circuit:

5.3 Governance

The Circuit operates within a statutory framework of regulation and seeks to ensure that it follows Methodist Standing Orders. It relies on the Connexional Office at 25 Marylebone Road, London NW1 5JR to provide guidance on changes that could affect the District.

The members of the Circuit Meeting are annually appointed by a vote of the Circuit Meeting (for Circuit Officers) and relevant Church Councils (for Church Representatives), for a continuous term not normally exceeding six years. The Circuit Meeting annually appoint the Circuit Leadership Team. Members may be either ministers or lay people attending Churches in the area covered by the Circuit.

The Circuit Leadership Team normally meets eight times per year and deals with routine and exceptional matters. It oversees the allocation of Grants, finance, property, the Circuit office, the Circuit manses, stationing, safeguarding, authorisations to preside at communion, and extensions to local preacher training.

5.4 Responsibilities of the Circuit Leadership Team

1. to formulate and promote policies which will advance the mission of the Church in the Circuit and Local Churches and, in particular, to supervise the use of resources of personnel, property and finance and to assist Local Churches having exceptional problems
2. to encourage inter-Circuit, inter-church and ecumenical co-operation
3. to act in an executive capacity in matters remitted to the CLT by the Circuit Meeting
4. to keep within its purview all Circuit concerns not dealt with elsewhere
5. to contribute and respond, as the case may be, to the development of Connexional and District policies as reflected in the work of the Conference and the Methodist Council, and to carry out its other responsibilities with any such development in mind
6. to be aware that the stipends of the Circuit Staff are set – currently by reference to the change over a year in the Consumer Price Index and to the annual change in the Average Weekly Earnings Index – using a formula that was agreed by the Methodist Conference for all ministers within the Connexion
7. constantly to be aware of the public benefit guidance issued by the Charity Commission
