## TRUSTEES ANNUAL REPORT

YEAR ENDED 31<sup>st</sup> AUGUST 2024

The Trustees have pleasure in presenting their report and the financial statements of the Charity for the year ended 31st August 2024.

### OUR PURPOSES AND ACTIVITIES

The Circuit's aim is to advance the Christian faith in accordance with the doctrinal standards and discipline of The Methodist Church for the benefit of the public. We confirm that the Trustees had regard to the Charity Commission's guidance on public benefit, and, specifically, the guidance relating to charities for the advancement of religion.

The calling of the Methodist Church is to respond to the Gospel of God's love in Christ and to live out its discipleship in worship and mission. It does this through worship, learning and caring service and evangelism.

The Mission plan of the Sankey Valley Circuit (as agreed by the February 2020 Circuit Meeting) is to respond to this calling by seeking to inspire, encourage, equip and enable the local churches to be disciples, grow disciples and make disciples of Jesus Christ.

To develop this mission we:

- Encourage and challenge churches to **fulfil their calling locally** (local growth / mission plans).
- Support churches as they seek **to do things in new ways**.
- Stand alongside areas where **fragile work should be sustained**.
- Employ **presbyters and deacons** to provide pastoral support to all those who are linked to the Methodist churches in the Circuit and to facilitate mission opportunities.
- Provide **Lay Employees** to support our ministers and assist in the mission of our churches.
- Produce a **quarterly preaching plan** to ensure regular acts of worship take place at the Methodist churches within the Circuit.
- Find and share **expertise** wherever we can.
- Provide **learning and development opportunities** with appropriate resources.
- Support the **Nutgrove Methodist Aided Primary School**.

### Safeguarding

The Trustees of the Circuit recognise that the safety of children, young people and vulnerable adults is paramount.

The Circuit has a robust safeguarding policy in place and each of the Methodist Churches within the Circuit have approved and adopted a safeguarding policy. These policies apply to trustees, staff and volunteers and provide a commitment to safe recruitment, selection and vetting. The Circuit's policy is reviewed annually and the last review was by the Circuit Meeting in June 2024.

## TRUSTEES ANNUAL REPORT

YEAR ENDED 31<sup>st</sup> AUGUST 2024

### ACHIEVEMENTS AND PERFORMANCE

The year saw the continuation of a major strategic review of the Circuit and its activities. The Circuit wants to be a dynamic, Spirit-led Circuit, that people appreciate being a part of. The aim is to deliver this God's unconditional love through an emphasis on worship, service, learning and caring and evangelism.

Other key achievements in the year have been:

- Support for the creation of the new North West England district merging Manchester & Stockport, Cumbria, Bolton & Rochdale, Lancashire and Liverpool districts and assessing possible missional opportunities. Launch event at Victoria Hall, Bolton on 31st August 2024.
- Holding a Circuit Day on 18th November 2023 to think about future strategy development for the Circuit. Following this there was a period for prayer and discernment on the strategy and a follow-up development meeting was held on 17th August 2024.
- That Trinity trustees have sadly made the decision to cease to worship.
- Holding a special Circuit service in July 2024 to celebrate the 350th Anniversary of the birth of Isaac Watts singing many of his best loved hymns.
- Nutgrove School receiving a SIAMS (Statutory Inspection of Anglican and Methodist Schools) report with overall grade as excellent.
- Trustee agreement to sell the Lymm manse. Penketh manse fully refurbished.
- Receiving planning permission for premises redevelopment and realignment for Lymm Methodist Church.
- Continued support of 3 Generate with 59 youngsters and 13 adult leaders attending the 3 Generate celebration in October 2023.
- The provision of EDI training across the Circuit. Provision of first aid training courses in October 2023.
- That Circuit Meeting trustees have agreed to support the Alzheimer's Society and the Helen Owen Foundation as their Circuit Charities for three years to August 2027.
- That Circuit Administrator, Emma Thompson, left the Circuit at the end of July 2024 after 20 years service for the Circuit. A celebration was held at the June 2024 Circuit Meeting. Proposal to look for a Circuit manager was approved.

### FINANCIAL REVIEW

Overall, there was a net deficit for the year of £67k, compared to a net surplus of £1,039k in 2023.

The manses at Lymm and Walton, Warrington were sold in June 2024 and July 2024 respectively.

Outside of the additional assets, the year saw deficit of £67k compared to deficit of £136k in 2023. The Circuit trustees have committed to use reserves to support the running of the Circuit whilst the strategic review is completed.

## **TRUSTEES ANNUAL REPORT**

**YEAR ENDED 31<sup>st</sup> AUGUST 2024**

### **Principal Funding Resources**

The principal ongoing funding source of the Charity were the assessments of £344k paid by the Circuit's churches towards the Charity's operating costs for the year.

### **Investment Policy and Performance**

Under Methodist Standing Orders the proceeds from the sale of manses and chapels must be invested with the Trustees for Methodist Church Purposes. Other funds not immediately required are deposited with the Central Finance Board of the Methodist Church.

### **Reserves Policy**

The Trustees consider that an appropriate level of General Reserve to provide an adequate working balance would be between three and four and a half months costs, which equates to between £140,000 and £200,000 based on the 2024 accounts expenditure.

As at the 31 August 2024, the General Fund balance (excluding Fixed Assets) was £932k.

In addition, the Circuit held £1,040k in Designated Funds as at 31 August 2024 after excluding the Revaluation Reserve. The purpose of these funds is set out in Note 24 to the Financial Statements.

### **Collaborative arrangements with connected charities**

The members of the Circuit Meeting are the trustees of the Jackson Trust, a registered charity (No. 505907) whose object is to make gifts to those deemed deserving or in need of help who are on the community role of those Circuit Churches which were part of the former Warrington Circuit. The Circuit appoints three individual Managing Trustees to look after the day to day running of the Trust and to make decisions relating to grant approvals. During 2024, the Trust made £6,547 in grants. As at 31<sup>st</sup> August 2024, the Trust held investments valued at £91,981.

Three trustees of the Circuit are trustees of the Fred Pendlebury Trust (FPT) [Charity Reg. No. 242863] by virtue of the post they hold within the Circuit, with the remaining two trustees being the Mayor of Warrington and Chair of Stockton Heath Parish Council. The FPT's object is to assist either generally or individually persons of 50 years of age or over who were born or are resident in the Warrington area who are in conditions of need, hardship or distress by offering grants to cover the costs of items such as kitchen appliances and domestic furnishings. In 2024, the FPT gave grants of £25,179 and at 31 August 2024 held investment funds valued at £1,142,000.

As their trustees do not act under the direction of the Circuit Meeting, the above charities do not meet the definition for consolidation as set out in the Charity SORP 2005.

### **Going Concern Basis**

The Trustees confirm that there is a reasonable expectation that the Charity will continue to receive contributions from the Circuit churches and can therefore continue in operational existence. Accordingly, the going concern basis has been adopted in preparing the Circuit's financial statements.

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

The Circuit is part of the Liverpool District of the Methodist Church of Great Britain. Proposal for Liverpool District to amalgamate with 4 other districts to form the new North West England District at 1st September 2024. Each district, circuit and Methodist church whilst being a separate charity is governed by the Deed of Union 1932, Methodist Church Act 1932 and by the Methodist Church's Standing Orders. Local Ecumenical Partnerships each have their own Constitution or Sharing Agreement

At the end of the year, the Circuit comprises 15 Methodist churches and a Methodist/United Reform shared church.

The Circuit pays the Methodist ministers and lay employees who support its churches and acts as managing trustees for the ministers' manses.

The decision making body is the Circuit Meeting who are its Trustees. During the year, the Circuit Meeting was made up of the Circuit Ministers, those Supernumerary ministers who wished to be a trustee, the Circuit Stewards, other Circuit Officials appointed by the Circuit Meeting, Church Treasurers (or an alternative person approved by the Circuit Meeting), a Church Steward and one elected representative from each Church.

The decisions of the Circuit Meeting are implemented through a Circuit Leadership Team, which

has appointed a number of other committees responsible for specific areas of work.

The Circuit Leadership Team is developing procedures for the consideration of the risks that face the Circuit and the steps that can be taken to mitigate these risks. Robust procedures are in place in respect of safeguarding children and vulnerable adults.

### RESPONSIBILITIES OF THE TRUSTEES

The Charity's Trustees are responsible for preparing the Trustees Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charity and of the incoming resources, including the income and expenditure, and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011. The Trustees are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### STATEMENT AS TO DISCLOSURE TO OUR AUDITOR

Each of the persons who is a trustee at the date of approval of this report confirms that:

- so far as each trustee is aware, there is no relevant audit information of which the charity's auditor is unaware; and
- each trustee has taken all steps that they ought to have taken as a trustee to make themselves aware of any relevant audit information and to establish that the charity's auditor is aware of that information.

### APPOINTMENT OF AUDITOR

The auditors, Murray Smith LLP, will be proposed for re-appointment at the forthcoming Annual General Meeting.

Approved by order of the board of trustees on 18 September 2025 and signed on its behalf by:

**SANKEY VALLEY METHODIST CIRCUIT**  
**INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF**  
**SANKEY VALLEY METHODIST CIRCUIT**  
**YEAR ENDED 31<sup>st</sup> AUGUST 2024**

**Opinion**

We have audited the financial statements of Sankey Valley Methodist Circuit (the 'Charity') for the year ended 31<sup>st</sup> August 2024 which comprise the Statement of Financial Activities, the Balance Sheet, Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102, The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31<sup>st</sup> August 2024, and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

**Other information**

The trustees are responsible for the other information. The other information comprises the information included in the trustees' annual report, other than the financial statements and our Independent Auditors' Report thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion

thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters in relation to which the Charities Act 2011 requires us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the Trustees' Report; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

### **Responsibilities of trustees**

As explained more fully in the Responsibilities of the Trustees statement set out on page 6, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

### **Our responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

The audit procedures designed to identify irregularities included:

# SANKEY VALLEY METHODIST CIRCUIT

## INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF SANKEY VALLEY METHODIST CIRCUIT

YEAR ENDED 31<sup>st</sup> AUGUST 2024

- Enquiry of management and those charged with governance around actual and potential litigation and claims;
- Enquiry of company staff with responsibilities for compliance matters to identify any instances of non-compliance with laws and regulations;
- Reviewing financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations;
- Auditing the risk of management override of controls, including through testing journal entries and other adjustments for appropriateness, and evaluating the business rationale of significant transactions outside the normal course of business.

There are inherent limitations in the audit procedures described above and, the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we would become aware of it. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery, intentional misrepresentations or through collusion.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Report of the Independent Auditors.

### Use of our Report

This report is made solely to the charity's trustees, as a body, in accordance with the Charities Act. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

## NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 31<sup>st</sup> AUGUST 2024

### 1. Basis of Preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

The Circuit meets the definition of a public benefit entity under FRS 102.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest £1.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

### 2. Summary of significant accounting policies

#### a) Funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

#### b) Income recognition

Items of income are recognised and included in the accounts when all of the following criteria are met:

- The charity has entitlement to the funds;
- Any performance conditions attached to the items of income have been met or are fully within the control of the charity;
- There is sufficient certainty that receipt of the income is considered probable; and
- The amount can be measured reliably.

#### c) Expenditure recognition

Expenditure is recognised as soon as there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Project grants made by the Circuit are recognised in full when approved by the Trustees and, in the case of property projects, any requisite District and/or Connexional approval has been obtained. In addition, there must be certainty that the project as approved will proceed and that the amount approved will be drawn down.

As the Circuit is not able to recover Value Added Tax (VAT), any VAT payable is charged with the expenses to which it refers.

## NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 31<sup>st</sup> AUGUST 2024

**d) Support costs allocation**

Support costs are those that assist the work of the charity but do not directly represent charitable activities and include office costs, governance costs, administrative payroll costs. They are incurred directly in support of expenditure on the objects of the charity and allocated in accordance with Ministerial and staff time.

The analysis of these costs is included in note 10.

**e) Tangible Fixed Assets**

The Circuit's manses were valued at October 2019 using professional valuations and revalued in current year by desk exercise. No depreciation is provided on these buildings because the Trustees consider the current residual fair values (on the assumption that they had reached the end of their useful economic life by the year-end) to be not less than the current valuations. The properties have been reviewed for impairment.

Furniture and Equipment for manses or other Circuit property costing over £1,000 is capitalised with depreciation being calculated on a 10% straight line basis so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset.

On the closure of Methodist churches, the Circuit Meeting generally becomes the managing trustees for the property. Where the Circuit Meeting resolves to sell the property, it is not treated as a Fixed Asset and the net proceeds of sale are included in the accounts as "Other Income" on receipt of the funds.

**f) Investment property**

Investment property is included at fair value. Gains are recognised in the income statement.

**g) Investments**

The investments of the Circuit are held by the Trustees for Methodist Church Purposes (TMCP) as custodian trustees. The valuations, at market value, are those provided by TMCP. The unrealised gains arising on investments at the year-end are shown in the Statement of Financial Activities.

**h) Debtors and creditors; bank and cash**

Debtors are stated at the amounts owed to the Circuit or prepaid. Creditors that are current liabilities are measured at the cash or other consideration expected to be paid. The liquid funds of bank balances and deposit account balances are shown at the realisable values.

**i) Concessionary loans**

Where concessionary loans (i.e. free of interest) are made by the Circuit to further its charitable purposes, and are repayable after more than one year, they are initially recognised at the amount paid, with the carrying value adjusted in subsequent years to reflect repayments, adjusted for any impairment, if necessary.

**j) Impairment**

Assets not measured at fair value are reviewed for any indication that the asset may be impaired at each balance sheet date. If such indication exists, the recoverable amount of the asset, or the asset's cash generating unit, is estimated and compared to the carrying amount. Where the carrying amount exceeds its recoverable amount, an impairment loss is recognised in profit or loss unless the asset is carried at a revalued amount where the impairment loss is a revaluation decrease.

## NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 31<sup>st</sup> AUGUST 2024

### Particulars of employees:

The average number of employees during the year, calculated as full-time equivalents, was:

	2024	2023
	No.	No.
Number of ministers	6	5
Number of administrative staff	3	3

No employee received remuneration of more than £60,000 during the year (2023 - Nil). There is no accrual for holiday pay for the lay staff as it is immaterial.

### 12. Pensions

Most ordained presbyters and deacons are members of the Methodist Ministers' Pension Scheme, a funded defined benefit scheme maintained by the Methodist Church of Great Britain. Each circuit is required to contribute to the scheme for its ministers whether or not they choose to join the scheme. Contributions in 2023 were 9.3% for ministers and 26.9% of standard stipend for the Circuit.

The assets of the pension scheme are held separately from those of the Circuit in independently administered funds. The actuaries are of the opinion that it is not possible to identify on a consistent and reasonable basis, the share of the underlying assets and liabilities of the scheme attributable to the Circuit. As such, it is accounted for as a defined contribution scheme under FRS102.

The Circuit's lay employees are eligible to join a defined contribution scheme established by The Pensions Trust which provides pensions for charities and not for profit and voluntary organisations on standard terms negotiated by the Methodist Church of Great Britain. Contributions to this scheme are 6% of salary for lay employees and 6% for the Circuit. Eligible lay employees (i.e. those earning over £10,000 a year) were subject to auto enrolment into a pension scheme from 1 May 2016.

### 13. Trustee remuneration and expenses

Included within Charitable Activities is the remuneration of Circuit ministers who under Methodist Standing Orders are ex officio members of the Circuit Meeting and therefore trustees of the charity. The other trustee receiving remuneration was the Circuit Safeguarding Officer.

Expenses paid to trustees comprised travel/telephone costs to Circuit Ministers, travel costs to Circuit Stewards and Lay Preachers who were trustees, and preaching fees/travel costs to Circuit Supernumerary Ministers who were trustees. The number of trustees receiving expenses and the total paid were:

	2024	2023
Number of trustees who were paid expenses	7	7
