

Objectives and Activities

Lincolnshire Methodist District (the District) exists to advance the mission of the Methodist Church throughout the majority of the geographic county of Lincolnshire and the areas of North Lincolnshire and North East Lincolnshire (hereafter known as Lincolnshire) by providing support for the nine circuits in line with Connexional priorities. The District comprises around 100 local Methodist churches meeting in around 110 buildings grouped into nine circuits served by a ministerial team of 18 ordained ministers plus a number of part time active retired ministers, lay workers and many volunteers.

The District is led by a full time District Chair working with a personal assistant, a safeguarding officer, synod secretary and district officer. In addition, a large number of voluntary officers, including a district steward, support the work of the District.

The District Synod, which met twice during the year, sets the policy for the District, serving as a link between the Methodist Conference and the Connexional team on the one hand and the circuits and local churches on the other. It has oversight of all District matters, formulating and promoting policies, through its various officers and committees to assist the mission of the Church, to give inspiration to the leaders in the circuits and to ensure the interrelation of all aspects of the Church's life throughout the District.

The day to day work of the Synod is carried out by the District Council who are the trustees of Lincolnshire Methodist District. As a registered charity, the District takes seriously its responsibilities to the Charity Commissioners and adheres to their guidance concerning public benefit in relation to charitable objectives.

2. Achievements and Performance

The following activities took place during the year:

- New Chair of District, Rev Angela Long, was welcomed to her role at the end of August 2023 at a celebration service held at Side Door Methodist Church in Grimsby. The Secretary of Conference, Rev Dr Jonathan Hustler, was in attendance along with civic and ecumenical guests.
- Also at Side Door Church, in September, a Connexional commissioning service was held for national Youth President, Tom Hart, who is from that circuit. The President and Vice-President of Conference attended.
- Rev Long welcomed three new ministers into the District in services held in September. A further two new ministers were identified in the stationing process in the autumn of 2023 ready for arrival in the District in September 2024.
- Two representative synods, two ministerial synods and a ministers' gathering took place drawing together ministers and lay people from all the circuits to ratify decisions and vote on important issues.
- The District arranged two retreats at Launde Abbey for all the active ministers. Another regional retreat was held for probationer ministers. All ministers were supported by a process of Ministerial Development Review (MDR) arranged by the District. All ministers were part of a scheme of supervision.
- A successful training day for all involved in the Ministerial Development Review process was held in January.
- Young people from Lincoln and South Holland circuits were enabled to attend the national 3 Generate youth event in Birmingham in October.
- A children's and youth activity day for leaders was held in November at St Giles Methodist Church.

- The Chair of District visited several of the five Church of England/Methodist primary schools in the District. Some of these were also supported by a volunteer schools officer.
- A well-attended and informative training day for local preachers and worship leaders was hosted by the District LPWL group in April.
- During the spring the Chair of District undertook visits to each circuit asking what were their hopes and fears. The information gathered will feed into a process of looking at how the District might want to re-shape to be effective in the coming years.
- Celebrations began in April to mark the 25th anniversary of the agricultural charity "Lincolnshire Rural Support Network" of which the ministry of agricultural chaplain, Rev Canon Alan Robson is closely linked. An event was held at Epworth Old Rectory with invitations to the church and farming community. The agricultural chaplain has been able to support many farming families going through difficult times.
- The Lincolnshire Community Healthcare Chaplaincy was pleased to launch a bespoke training course for prospective chaplains. This started in October and was completed the following February. 8 participants took part and all were recommended to be chaplains. Some have been successfully placed in GP surgeries and placements are still being sought for others. 8 other chaplains continued visiting 6 GP practices. On the hottest day of the year in July a joyful commissioning service for all the chaplains was held at Ruskington Methodist Church. The role of chaplaincy manager became a part time paid post during the year.
- The District Resourcing Mission Group met within the year to consider grant applications from churches, circuits and ecumenical groups. As well as grants for property and personnel several grants to help provide "warm spaces" were provided.
- A new places for new people pilot project was launched in the Barton, Brigg and Wolds Circuit and received the initial Connexional grant for this purpose.
- Meetings with circuit stewards and superintendent ministers took place to help share information and good practice.
- The District office relocated to Burton Road Methodist Church in May.
- In July a special District Service was held at Bailgate Methodist Church to celebrate the 50th anniversary of the ordination of women in the Methodist Church.
- An independent chair was appointed to the District Safeguarding Group on a consultancy basis from July.
- 122 people were trained on the Creating Safer Spaces Advanced safeguarding course either in person or online. The DSO also supported circuits by leading a foundation course.
- The District Safeguarding Officer arranged equality, diversity and inclusion training in most of the nine circuits. Over 300 people have now completed this course.
- The District Safeguarding Officer supported many churches and individuals in a variety of case work and with the development of policy and procedure.
- The District Synod Secretary retired after many years of faithful service and a process of recruitment took place to appoint a successor who started in July.
- The Connexional Learning Network appointed a new Learning and Development Officer aligned to Lincolnshire.
- A new Care of Supernumeraries group was set up to offer pastoral care to the 50 retired ministers in the District.
- A small environmental working group was launched to help the District work towards net-zero by 2030. The first task was to write a District Environmental Policy.

2.1 Plans for future years

Rev Angela Long has visited circuits and congregations listening to hopes and fears which will help shape future policy beyond 2024. Synod received presentations from other circuits giving ideas of ways in which Districts/Circuits can be reorganised. These ideas continue to be discussed and will form the basis of proposals at the Spring Synod of 2025.

3. Financial Review

During the year the District received total income of £342,905 (2022-2023: £309,419) and spent £321,855 (2022-2023: £237,780), resulting in a surplus of £21,050 (2022-2023 surplus of £71,639) across all funds. Total reserves carried forward are £433,903 (2022-2023: £412,854) and, as a result, the unrestricted readily available reserves total £82,425 (2022-2023: £84,860) and restricted reserves total £41,852 (2022-2023: £65,209) excluding the restricted District Advance Fund.

The trustees of the District have every reason to believe that the District is a going concern, principally because Circuits continue to meet their assessments and the District has adequate reserves to cover any shortfall in anticipated income. There are no subsidiary undertakings. Trustees are very aware of the increasing pressure on circuit finances due to the cost of living crisis and diminishing church membership and recognise that the next few years could be extremely difficult for individuals, churches, circuits and the District given that District income is a by-product of local giving.

The District continues to hold one freehold property which is the Chair's Manse in Lincoln.

The District has the following principal sources of income:

- Assessments on Circuits within the District
- Distribution from the Connexional Priority Fund to the District Advance Fund
- Levies on the Circuit Model Trust Funds of Circuits within the District to the District Advance Fund
- Interest on funds invested

These sums are used to administer the District and to provide grants to circuits, churches and individuals in the District so that they may embark on or continue with projects that fulfil the mission of the District.

Methodist Ministers' Pension Fund

Trustees are aware that the Methodist Ministers' Pension Scheme is treated as a group defined benefit plan. The net defined benefit cost is recognised by the sponsoring entity, The Methodist Church in Great Britain, as there is no contractual agreement or stated policy for charging the net defined benefit cost to individual entities, such as the District. The District recognises a cost equal to its contributions payable for the period. Further details in respect of these pension arrangements are disclosed in the accounts of The Methodist Church in Great Britain.

3.1 Investment Policy and Performance

To comply with Methodist Standing Orders, monies for long term investment are lodged with the Trustees for Methodist Church Purposes (TMCP). TMCP acts as custodian trustee for all real estate held by districts and for all large (over £20k) bequests and for the proceeds of sale of any property formerly owned by districts. These sums are invested in unitised investments or held on deposit. The investment returns are close to tracking the movements in the FTSE100 index. The deposit income mirrors the deposit rates available elsewhere. The District Trustees' investment policy is aligned with that of the Central Finance Board (CFB) and TMCP because these organisations take into consideration the social, environmental and ethical considerations, both negatively and positively in establishing investment policy.

Short term deposits are lodged directly with the CFB and attract rates of interest comparable to the rest of the market.

There are no benchmark marks for the expected returns at TMCP and CFB. It is the District's policy to manage the cash and investment resources of the District so that a rate of return on investment, both by way of dividend and capital appreciation, is obtained at least as good as market rate considering the District's low appetite for risk. Due to increased interest rates during the past year the total return achieved on the funds invested with the CFB was between 4.96% and 5.4% AER with an average monthly rate of 5.22% AER for the year.

3.2 Reserves Policy

This Reserves policy relates to the funds operated by the Trustees of the Lincolnshire Methodist District (the District). A bank current account is operated for the District expenses fund, and money not immediately required is placed on deposit with the Central Finance Board of the Methodist Church (CFB).

UNRESTRICTED FUNDS

District Advance Fund - Trust No.16017

This Fund is held with The Trustees for Methodist Church Purposes in its Trustee Interest Fund. The use of the Fund is regulated by Standing Order (SO) 963 of the Methodist Church, where its purposes are restricted to the support of personnel serving in the District or any of its circuits, for property schemes approved under SO 93 and where applicable SO 931, and for ecumenical work. The District has also decided that grants should only be given if the relevant scheme is shown to be for, or to assist, mission work and is in accordance with its vision statement.

The Fund is administered on behalf of Synod by the District Resourcing Mission Group, and derives its income from an annual levy on Circuit Model Trust Funds within the District, an annual allocation from the Connexional Priority Fund and interest on funds held awaiting distribution. Sufficient reserves are held to cover grants already awarded for payment in subsequent years in order to comply with "The Statement of Recommended Practice" relative thereto. At 31st August 2024 the balance in hand was £247,542, an excess of £79,267 over contingent liabilities for grants promised for future years of £168,275.

General (District Expenses) Fund

This Fund receives income from Circuit assessments and bank interest and is used for general expenses of the District. The aim of the Trustees is to hold sufficient readily available funds to cover at least two quarters expenditure (2024-2025: approx. £65,000) and redundancy costs. If it were necessary to make all employees redundant in 2025 payments of a minimum of approximately £7,500 would be due. The balance in hand at 31st August 2024 of £82,425 is therefore approximately £10,000 more than necessary.

DESIGNATED FUNDS

Chair's Manse Fund

This fund, held on deposit with the Central Finance Board (CFB), receives transfers from the General Fund and interest on the funds deposited and is designed to meet exceptional expenditure incurred on the Chair's manse. The balance of £3,879 as at 31st August 2023 was all spent in September 2023 whilst preparing the manse for the incoming Chair of District. Over the next five years a balance of £45,000 should be built up by designating amounts from the General fund in order to provide a replacement kitchen and other planned and routine maintenance upon the arrival of an incoming chair of District in years to come.

Relocation Fund

This fund, held on deposit with CFB, receives transfers from the General Fund and interest on the funds deposited and is designed to accumulate funds towards the future cost of relocating a new Chair of District. The cost of the next relocation of a District Chair is unknown however it is considered prudent to build up a fund of £3,000.

This fund, held on deposit with CFB was used and closed during this financial year.

RESTRICTED FUNDS

District Benevolence Fund

This fund, which receives interest on funds held on deposit with CFB, is used to support active and supernumerary ministers and widows at the discretion of the Chair of the District. There were no calls on the fund in 2023-2024. The balance is considered adequate and there are no plans to fundraise for an increase.

Youth and Children's Bursary Fund

The purpose of this fund, which receives interest on funds held on deposit with CFB, is to assist financially:-

- a) individual leaders to attend a courses or conferences which will have some direct benefit to them and to their work amongst children and young people;
- b) individual young people to attend a course, conference, or special youth event.
- c) or by the provision of other resources, new and existing work amongst children and young people within the District, where little other support is available.

It is not considered necessary to fix a reserve, as the balance of £5,394 at 31st August 2024 is considered sufficient for the foreseeable future.

Agricultural Chaplaincy

This fund is specifically for the work of the Agricultural Chaplaincy and is held within a District CFB deposit account. The balance at 31st August 2024 was £7,788 and this will be used over the next few years alongside internal and external grants which will need to be sought to fund the annual costs of the agricultural chaplaincy.

Lincolnshire Community Healthcare Chaplaincy

Funds within this reserve held with the CFB are used to fund the work of the Lincolnshire Community Healthcare Chaplaincy. The balance on this fund on 31st August 2024 23,436. Active fundraising is now underway in order to be able to implement the plans outlined in the development plan for this chaplaincy.

Emergency Welfare Fund

This fund was created during 2020-2021 using a grant of £10,000 from the District Advance Fund. The purpose of the fund is to be able to respond quickly and flexibly, via churches, to situations of emergency need in the community. The balance at 31st August 2024 was £3,131 following return of the balance into the District Advance Fund.

Youth Activities Fund

This fund was used during the year and closed.

New Places for New People (NPNP)

This restricted fund was created following receipt of a grant of £10,000 from Connexion which was allocated to the Barton, Brigg and Wolds Circuit during 2023/2024. A small balance remains in order to keep the fund open for further deposits in the future. There is no need to set a reserve.

Summary

We have considered the District Mission Policy and have decided that we have sufficient reserves in hand. Should our reserves fall below expectations we would firstly seek to reduce expenditure and, failing that, would seek to increase income from other sources to restore the reserves to an acceptable level.

This Reserves Policy was adopted by the District Trustees on 14th January 2025.

3.3 Collaborative arrangements with connected charities

The District's main source of funding was the assessments obtained from each Circuit within the District. Assessments are determined annually by the District in consultation with circuits. Offers are made by each circuit in order to meet the financial requirements of the District. This sum amounted to £119,002 (2022-2023: £120,091).

The District also obtained from each Circuit with a reserve, known as a Circuit Model Trust Fund (CMTF), a levy based on the size of the Circuit's CMTF at the start of the Connexional year (1st September). In 2023-2024 this sum was £70,836 (2022-2023: £78,832) and was credited to the District Advance Fund. A Connexional contribution from the Connexional Advance and Priority Fund and Mission in Britain fund of £80,942 (2022-2023: £43,106) was also received into the District Advance Fund for distribution via grants.

The District holds no funds as custodian trustee. It does, however, receive each quarter from Circuits within the District the Circuits' contributions to the Methodist Church Fund (MCF). These sums are collected as agent for the MCF and are passed to the MCF later in the same quarter. Funds received by the District as agent are not recognised as income or as an asset in the financial statements because the funds are not within its control. No fee is earned in respect of this agency arrangement and the District incurs no cost through this arrangement.

4. Trustees Responsibilities

For each financial year ending on 31 August the Trustees are required to prepare financial statements that give a true and fair view of the District's financial activities during the year and of its financial position at the end of the year. In preparing these financial statements, the trustees have:

- selected suitable accounting policies and applied them consistently using the accruals method
- made judgements and estimates that are reasonable and prudent
- followed applicable accounting standards including the FRSSE
- prepared the financial statements on the going concern basis
- prepared accounts to comply with the Charities SORP 2019

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the District and which enable them to ensure that the financial statements comply with the law. They are also responsible for safeguarding the assets of the District and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the District's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

4.1 Risk

The District is largely risk averse, but, especially in making grants to churches, circuits and ecumenical projects embarking on new and imaginative initiatives, the District is prepared to underwrite considered risks.

There has been a continual reduction in the availability of ordained ministers to serve in circuits and this, along with the reduction in the number of lay people available to serve as office holders is a cause for concern for the whole District. Several circuits are also known to be struggling financially and this could pose a risk for the District if those circuits are not able to contribute to the running costs of the District via the assessment. Other risks include reputational risks, operational risks such as failure of IT systems and risks arising from safeguarding cases.

Steps taken to mitigate against such risks include relevant training, engagement of a professional IT company, review of policies and procedures and purchase of insurance. Discussions are underway with a view to reshaping of the District and/or Circuits in order to address some of the vulnerabilities.

The risk register was reviewed in February 2023.

5. Structure, Governance and Management

The District is an unincorporated association and is governed by the Methodist Church Act 1976, the Deed of Union and the Model Trust Deeds of the Methodist Church and was registered with the Charity Commissioners on 9th February 2010.

5.1 Structure

Circuits are the coordinating charities for local groups of churches. Circuits pay the stipends of the ministers and employ lay staff to serve the churches in the circuit. Most decisions are made at or ratified by the half yearly circuit meeting. A district is the coordinating charity for a group of contiguous circuits and makes its decisions at the half yearly synods. The Methodist Conference meets once each year as the governing body for all Methodist churches.

1. Overall control rests with the Methodist Conference.
2. The Connexional office implements decisions made by Conference and is also responsible for the stationing of presbyters and deacons (collectively known as ministers) in individual circuits within the District.
3. Connexional decisions are passed to the Chair of the District and the appropriate officers of the District for implementation.
4. The District looks to the circuits for implementation of District policy and Connexional initiatives with authority delegated to the circuit meeting for certain matters.
5. The circuit meeting looks to church councils for local implementation by the presbyter, the church stewards, and other officers, and authority is delegated to church councils as managing trustees.

5.2 Purpose of the District

The District is an expression, over a wider geographical area than any circuit, of the Connexional character of the church.

The purposes of the Methodist Church are and shall be deemed to have been since the date of the union the advancement of:

- the Christian faith in accordance with the doctrinal standards and the discipline of the Methodist Church, and
- any charitable purposes for the time being of any Connexional, district, circuit, local or other organisation of the Methodist Church, and
- any charitable purpose for the time being of any society or institution subsidiary or ancillary to the Methodist Church, and
- any purpose for the time being of any charity being a charity subsidiary or ancillary of the Methodist Church.

The primary purpose of this District is to advance the mission of the church in Lincolnshire:

- By providing support for circuits in matters of mission, administration or ministry
- By offering to circuits resources of finance (grants), personnel and expertise
- By facilitating District-wide initiatives (such as chaplaincies), events, worship and training opportunities.

5.3 Governance

The District operates within a statutory framework of regulation and seeks to ensure that it follows Methodist standing orders. It relies on the Connexional Office at 25 Tavistock Place, London, WC1H 9SF to provide guidance on changes that could affect the District.

The members of the district policy committee (known in this District as District Council) are appointed as trustees annually by a vote of the synod for a continuous term not normally exceeding six years. The Chair of District is ex-officio Chair of the District Council. Nominations to fill vacant positions are brought to synod for approval. Trustees may be either ministers or lay people attending churches in the area covered by the District.

There were six trustee meetings (District Council), held either by Zoom or in person in 2023-2024. The group's remit includes the oversight of the work of the District Resourcing Mission Group, finance, property, safeguarding, authorisations to preside at communion, chaplaincy projects, sabbaticals, manses, lay employment, district youth and children's work and appointments. It also links with the Eastern Region of the Methodist Church Learning Network; one of the Learning Network's officers attends meetings of the District Council.

5.4 Responsibility of the District Council

The responsibility of the District Council is:

1. to formulate and promote policies which will advance the mission of the Church in the circuits and local churches and, in particular, to supervise the use of resources of personnel, property and finance and to assist local churches and circuits having exceptional problems
2. to encourage inter-circuit and ecumenical co-operation
3. to act in an executive capacity in matters remitted to the council by the synod
4. to keep within its purview all District concerns not dealt with elsewhere
5. to contribute and respond, as the case may be, to the development of Connexional policies as reflected in the work of the Conference and the Methodist Council, and to carry out its other responsibilities with any such development in mind
6. to be aware that the stipend of the Chair of the District is set by the Methodist Conference with all expenses met by the District
7. constantly to be aware of the public benefit guidance issued by the Charity Commission

THE METHODIST CHURCH - LINCOLNSHIRE DISTRICT

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 31 AUGUST 2024

1 Accounting framework and accounting policies

i Accounting framework

The financial statements have been prepared under the Charities Act 2011 in accordance with the 2019 version of *Accounting and Reporting by Charities: Statement of Recommended Practice (SORP)* applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective from 1 January 2019) – (the Charities SORP (FRS 102)).

ii Public benefit entity

The Lincolnshire District (hereinafter referred to as "District") meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s) below.

iii Basis

These accounts have been prepared on the basis of historical cost on the accruals basis to show a true and fair view of the District's financial position and activities.

iv Content

The financial information presented is relevant, reliable, comparable and complete. Where estimates are used these are based on experience, research and judgement. The accounts are expressed in £Sterling, rounded to the nearest pound.

v Going concern

Based on the monetary assets and human resources available at 31 August 2024, the trustees believe that the District is a going concern.

vi FRS102 SORP2019

These accounts are compliant with FRS102 and with the FRS102 SORP 2019.

vii Consolidation

The District oversees the work of ministers and lay workers in churches and circuits within the District but does not have control over those churches or circuits, ministers or lay workers except in extreme circumstances, none of which were applicable. For this reason, the financial statements of the churches and circuits within the District are not consolidated into these financial statements.

viii Income recognition

Income is brought into account when it is more likely than not that the economic benefit of the income will accrue to the District. No attempt is made to measure the value of services donated by volunteers. Details of how the contribution to the cost of the Chair of District has been determined appears in Note 3. A similar figure appears in the Expenditure section of the SOFA.

Individual amounts categorised as *Other income* in the SOFA will be shown separately if they are considered material.

The District acts as agent in these matters:

1. the collection of quarterly assessments from circuits which are paid to the Methodist Church Fund (MCF)
2. the payment of expenses of delegates from the District to the Methodist Conference

In all these matters the transactions are not reflected in the SOFA because there is no obligation on the District to make up any shortfall in assessments from Circuits. Sums received as Circuit assessments cannot be recognised as income in the District as they are the income of the MCF.

In accordance with the Charities SORP, the time of volunteers is not recognised.

ix Expenditure

This is recognised when a liability is incurred, or a constructive obligation arises, that results in the payment being unavoidable. Liabilities are recognised as soon as an outflow of economic benefit is considered more likely than not under the legal or constructive obligation committing the District to pay out resources.

THE METHODIST CHURCH - LINCOLNSHIRE DISTRICT

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 31 AUGUST 2024

x Grants

Grants are recognised in full when the award is made once the District accepts that there is a legal or constructive obligation to make the payment and that such payment is probable.

xi VAT

Since the District is not VAT registered, all input VAT is charged with the expenses to which it refers.

xii Tangible fixed assets

These are capitalised if they can be used for more than one year, and individually cost at least £1,000. The freehold property is shown in the accounts at cost in 2011, of which the land component is deemed to be £90,000. No depreciation is provided on the building because the trustees consider the current residual fair value of the manse building (on the assumption that it had reached the end of its useful economic life by the year-end) to be not less than its cost to date. The property has been reviewed for impairment.

xiii Debtors and creditors; bank and cash

Debtors are stated at the amounts owed to the District or prepaid. Creditors are initially recognised at settlement amount after any trade discounts, where normal credit terms apply, or amount advanced to the District. Subsequently creditors that are current liabilities are measured at the cash or other consideration expected to be paid. The liquid funds of bank balances and deposit account balances are shown at the realisable values.

xiv Methodist Church Fund (MCF)

The District acts as agent for the MCF by collecting its assessments on Circuits and does not, therefore, include the assessments in the SOFA. If a Circuit is late in paying its MCF assessment to the District but such sum is received before the quarterly transfer to the MCF, the amount paid late will be shown as a debtor in the District's accounts.

xv Manse costs

The District is required to provide accommodation for the Chair of District and family. The District bears the cost of repairs, maintenance, building insurance, Council Tax and water charges. These costs are not shown separately as benefits-in-kind for the Chair as HMRC does not seek to tax these receipts in the hands of the Chair. In addition, since February 2017, the District has made a contribution towards the cost of the Manse occupied by the part-time Chaplain, which is provided by the Lincoln Circuit with which the appointment is shared.

2 Assessment on Circuits

All Circuits (see list given below in this note) paid their assessments to the District and to the MCF during the year. An assessment on Circuits is determined annually by the District by reference to offers made by each Circuit towards meeting the financial requirements of the District.

The District was made up of the following Circuits:

Circuit No	Circuit Name
17/1	Epworth, Scunthorpe and Gainsborough
17/2	Lincoln
17/4	Mid Lincolnshire
17/5	Grimsby and Cleethorpes
17/6	East Lincolnshire
17/11	Barton, Brigg and Wolds
17/12	Sleaford
17/15	South Holland
17/22	Boston

Contribution to Methodist Church Fund (MCF)

In addition to the assessments on the Circuits to help defray the costs of running the District, the District acted as agent for the MCF which levied assessments on the Circuits in this District totalling £289,779 (2022-23: £274,655) all of which were collected and paid over to the MCF in the year. No balance was held at the end of the year; no fee is received for this service which is performed at nearly nil cost to the District. These sums collected for and remitted to the MCF do not appear elsewhere in these financial statements.

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 31 AUGUST 2024

3 Cost of Chair and trustees

The Chair of District chairs meetings of the District Council (DC). The members of the DC are the trustees of the District. The stipend, employer's NIC and employer's pension contributions of the Chair of District are paid by the Methodist Connexion. The Chair's other costs are met mostly by the District.

	2023-24	2022-23
	£	£
Stipend to Chair	36,300	34,836
Employer's National Insurance Contribution	3,754	3,644
Employer's pension contribution to the defined benefit scheme	7,812	7,244

Cash cost paid by the Connexion (see, SOFA, line 6)	47,866	45,724
Chair's expenses	5,509	3,301
Total cost	53,375	49,025

Since the stipend-related costs above (*i.e.* £47,866; 2022-23 £45,724) are borne by the Connexion, they appear both in the Income of the District (see SOFA line 6) and the Expenditure of the District (see SOFA line 11). It should be noted that the Chair is required to occupy the District manse. The manse is provided by the District and the District maintains the property. The costs of maintaining the manse for the year were £20,556 (2022-23 £7,146) - see Note 7 below. The Chair of District is the sole paid key management person but is supported by members of the DC.

No accrual is made for the Chair's entitlement to a sabbatical as his functions are undertaken by the Assistant Chairs at minimal extra cost to the District.

Payment to Trustees

It is District policy to offer to reimburse members of the District Council (DC) and others involved in the administration of District affairs for expenditure properly incurred in carrying out their duties. The Chair of District undertakes the primary executive role within the District. Apart from the Chair of District and the lay Secretary of Synod, no member of the DC was in receipt of any payment for work undertaken on behalf of the District, although certain travelling and administration costs were reimbursed whenever this was requested.

Other than the lay Secretary of Synod, none of the trustees are an employee of the District. Trustees claimed £488.40 in expenses during the year. (2022-23: No trustees claimed any expenses.)

4 Other income

A direct request to churches to host coffee mornings to raise funds for the healthcare chaplaincy resulted in donations of £1249 during the year ended 31 August 2024.

5 Grants, donations and related Support costs

Grants and donations totalling £118,008 were awarded during the year (2022-23: £104,289) as shown below:

The fourth is the District Safeguarding Officer.

Pensions

Most ordained presbyters and deacons are members of the Methodist Ministers' Pension Scheme (MMPS). This is a defined benefit scheme. The Supreme Court held in 2014 that Methodist ministers (which term includes presbyters and deacons) are not employees of the Church. For simplicity, however, when dealing with National Insurance Contributions and pension contributions, the terms 'employer' and 'employee' are used as they would be in an employing body.

On the other hand lay employees are contractually employees. Two part time employees were given, and turned down, the opportunity to join a defined contribution workplace pension scheme to which the District and the employee would contribute. The other part-time employee is a member of that scheme. The Chaplain is a member of the Methodist Ministers' Pension Scheme.

The Connexion accounts for both the MMPS and the Pension and Assurance Scheme for Lay Employees of the Methodist Church (PASLEMC) and shows the figures in the annual Methodist Church in Great Britain accounts. The MMPS is in deficit but a plan for removal of the deficit has been proposed and is being implemented. Details of the deficits on these schemes can be found in the Annual Report and Accounts of The Methodist Church at www.methodist.org.uk.

The value of the District manse is greater than its historical cost in 2011 shown in the accounts. There is no depreciation on the manse as the Trustees believe that the current residual market value of the building is greater than the carrying value of that part of the asset's cost to date.

TMCP is the legal owner and Custodian Trustee of all Methodist Model Trust property, including Legacies, Endowments and Accumulated Funds. Trust property is held for and on behalf of local Managing Trustees who are responsible for the day to day management of trust property. TMCP ensure that, through providing guidance and acting under their direction, the Managing Trustees comply with charity law and Methodist law and policy as determined by the Methodist Conference.

14 Central Finance Board (CFB) and cash at bank

The District has one current account at CAF Bank Ltd., an authorised institution. The sums held in that account are immediately available. In addition the District has 9 (2022-23: 11) deposit accounts at CFB, a common deposit fund. These accounts are one General Fund, 1 (2022-23: 3) Designated Funds and 7 (2022-23: 7) Restricted Funds. Interest is earned on these accounts and credited monthly; the sums deposited can be withdrawn without notice and without loss of interest. These sums are viewed as being liquid.

Connected organisations include the Methodist Connexion, Circuits and Churches within the District, other Methodist Districts in Great Britain, the Methodist Ministers' Children's Relief Association, CFB and TMCP. All of these entities have their own trustees or directors and autonomous administration such that the District has no significant influence over any of them, nor they over the District. They are, therefore, not considered related parties.

Every entity (Connexion, District, Circuit, Church) within the Methodist Church is heavily reliant on volunteers who contribute their skills, time and money in the furtherance of the work of the Church. Principally volunteer contributions to the District are by chaplains and by those serving on committees of the District that deal with mission, manses, finance, policy, grants, training, development and safeguarding. The District is grateful to all volunteers for their help and commitment.

Basis of Independent Examiner's Report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts with those records. It also includes consideration of any unusual items, in nature or scale, or disclosures in the accounts, seeking explanations from the trustees concerning such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, no opinion is given as to whether the accounts present a true and fair view. My report is limited to those matters set out in the statement below.

Independent Examiner's Statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (~~other than that disclosed below~~*) which give me cause to believe that in, any material respect:

the accounting records were not kept in accordance with section 130 of the Act; or

the accounts do not accord with the accounting records; or

the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view, which is not a matter considered as part of an independent examination; or

the trustees' annual report is not consistent with the accounts

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

I have/have not* obtained independent verification of all investments with the Trustees for Methodist Church Purposes or held in other trusts, bank balances and funds at the Central Finance Board of the Methodist Church at the balance sheet date.
