The SMC Mission Statement**OUR VISION**

Our vision is of a circuit where people experience and share God's love, justice and joy.

OUR PURPOSE

Our purpose is to encourage, support and challenge one another in fulfilling our vision.

SMC is run according to the Constitutional Practice and Discipline of the Methodist Church in Great Britain. (Registered Charity No. 1132208.)

WORSHIP

1. The Somerset Mendip Circuit produces in each quarter a plan for the worship of the whole circuit. The plan is produced by a small plan-making team, including Rev Tina Swire and Jacqueline Cobb (Local Preachers' Administrator), assisted by Deborah Towner (Circuit administrator). *We have been using Chrestos to make the plan.* This group is responsible for gathering plan dates from preachers and churches and for circulating the plan after it has been finalised. Circuit ministers are responsible for planning all communion services and other 'specials' in their own section. The plan is published at the earliest opportunity.
2. Before each plan is made, all LPs are asked...
 - a) how many services they wish to take on each plan.
 - b) which churches they are prepared to travel to.
3. The LPs and WLs meet four times a year....
 - a) **In September/October**
The Annual Rededication of LPs and WLs takes place at this meeting.
 - b) **In December/January**
 - c) **In March/April**
 - d) **In July**
4. All LWP Meetings are chaired by Rev Tina Swire. Other circuit officers include...
 - a) Jacqueline Cobb as LWP Administrator for the whole circuit
 - b) LWP meeting minute secretary - **vacancy**
 - c) Lois Emm and Bethany Shimmin as Circuit Tutors for training those on note and on trial and for the Worship Leaders. Both Lois and Bethany have stepped down. Now have **two vacancies**.
5. The Circuit seeks to encourage and foster links with ecumenical partners wherever possible.
6. Local church dedications (e.g., workers with children and young people, home group leaders etc.) take place in each church at an appropriate time, decided by the respective Church Council.

PASTORAL CARE

Each local church within the life of the Somerset Mendip Circuit is placed within the pastoral charge of one of the circuit presbyters, lay pastoral & community workers, who support the pastoral teams within the churches. Circuit staff are kept informed of particular pastoral needs or requests. However, much of the pastoral visiting is undertaken by the pastoral visitors in each local church. Meetings for the church pastoral visitors take place as and when required, but at least annually. In each church, pastoral committee meetings offer an opportunity for that church to identify its pastoral needs, offer training and share experiences.

DISCIPLESHIP, NURTURE and LEARNING

Discipleship, Nurture and Learning in SMC covers a wide range of events, which include...

- a) Circuit Quiet Days
- b) Circuit Study Days
- c) Circuit services
- d) Circuit events for fellowship and fun
- e) Special worship occasions
- f) Courses which help people understand the Bible
- g) Courses which help people relate their faith to current events and issues in our society.
- h) Safeguarding training

EVANGELISM AND OUTREACH

The purpose of the Somerset Mendip Circuit is to support, encourage and challenge the local churches in their life and mission. Evangelism and outreach are about having a presence in each neighbourhood as ambassadors for Christ; being salt and light in our communities. This involves making connections with the various groups who use our premises and moving outside the church buildings to make connections with the local community. The circuit also draws attention to other agencies, such as Action for Children, CARE for the Family, MHA, All We Can etc.

PERSONNEL

This area of life within the Somerset Mendip Circuit is best considered using four distinct headings...

1. Safeguarding

Ruth Thomas is the Circuit Safeguarding Coordinator who liaises between District, Circuit and individual churches on matters relating to safeguarding, and keeps the Circuit Meeting and the individual church councils (via the church reps) up to date with any changes in legislation and procedures. Each church holds a copy of the current Methodist Safeguarding Policy document and is required to adopt a suitable policy regarding safeguarding which is reviewed annually. Each church appoints a 'person responsible' for the implementation of the safeguarding regulations, and the individual church's policy on safeguarding. SMC runs the Creating Safer Space Foundation Module, which has been done online and face to face. Advance training has taken place both online and face to face.

DBS checks have taken place.

2. Lay Employment

Steve Derby is the SMC Lay Employment Coordinator. He is responsible for ensuring that all matters relating to the employment of lay circuit staff and lay people employed by individual churches comply with current legislation. The Lay Employment Coordinator is responsible for advising the District Lay Employment Secretary of all proposed new employment and employee changes.

3. Digital Mission

David Knight is the Circuit Digital Mission Enabler. He is responsible for the circuit website and assists with all things digital across the circuit and online. There is also a digital weekly service. David has also compiled a digital song book, which is used across the circuit and parts of the connexion.

4. Invitations/stationing

Judith Cole is the circuit steward responsible for organising and overseeing the invitation process, as and when required. The invitation committee is appointed by the Circuit Meeting annually in the spring and always includes Circuit Stewards. The invitation committee adheres to the current Connexional guidelines.

COMMUNICATIONS

The Circuit staff and LPs have a key role in communication as they travel around SMC. Circuit Stewards are encouraged to visit Church Council's around the circuit, as they are able. This will normally result in each Church Council having a visit from at least one Circuit Steward annually. There is a Circuit magazine, 'The Stream', published quarterly. This magazine is a showcase for Circuit events. A weekly email is also sent out and Mrs Deborah Towner, Circuit Administrator, compiles and edits both of these publications. SMC also has a directory and a preacher's handbook to disseminate information and to aid communication. Individual churches/sections are encouraged to publish their own church magazines, as they are able. David Knight, Digital Mission Enabler, has produced SMC's new website <http://www.somersetmendipmethodists.com> and is the webmaster.

The Circuit Administrator has a key role in communicating with all the churches. Every circuit group and every church have a responsibility to communicate. Each church in the circuit has appointed a contact person (usually the contact steward) who is responsible for making sure that information is communicated throughout their particular church.

PROPERTY

Malcolm Gale is the Circuit Property Coordinator. He keeps an overview of all property matters within the life of SMC. The Circuit Property Committee (consisting of the Circuit Property Coordinator, one circuit presbyter and at least one property 'rep' from each section of the circuit). Usually meet once a year, before the summer circuit meeting when the annual property report is given. This allows the Circuit Property Coordinator to present all the property matters to the Circuit Meeting in a clear and concise format. Each circuit manse has a local manse co-ordinator appointed.

Achievements and Performance

- **Main achievements of the year**

The CLT produces a comprehensive Circuit Directory and Circuit Preacher's Handbook, which was last updated in 2022 (new one for 2022/2023). The Circuit Plan continues to be published quarterly.

David Knight continues as our Digital Mission Enabler to support all aspects of work in IT across the circuit. We produce a weekly digital service and also have access to audio recordings of various services across the circuit. As a result of this we have a significant online fellowship across the circuit and beyond.

As a circuit we celebrate the ministry of our Lay Pastoral & Community Workers. We continue to reflect on and discern, where God is calling us to grow in this ministry.

How SMC's work has developed towards fulfilling its aims

We encourage learning and continuity, development for our presbyters. We were pleased to support Rev Craig Manley during his sabbatical.

This circuit has had a challenging year due to illness, Rev Graham Slingo, took a restorative year and Rev Craig Manley was ill with Covid and the after effects for several weeks, he also had a sabbatical.

We are grateful for our supernumeraries who stepped in to help us shepherd the circuit. Our supernumeraries are Rev Jill Warren, Rev Margaret Crawshaw and Rev Robert Channon who have helped shepherd the circuit. We also thank Rev Den Harding for her support.

As a circuit we seek to love God and are neighbours ourselves. To enable us to grow in and share our faith, we had planned circuit services, quiet days, training events and envisioning days.

Progress of Aims and Objectives for SMC during the period 01.09.21 – 31.08.22

1. The new Connexional training course, 'Worship: Leading & Preaching' continues to be implemented across the circuit with two circuit tutors, Lois Emm and Bethany Shimmin.
2. SMC provided scrutinisers for the representative sessions of District Synods for 2021-2022.
3. SMC are trialling a new assessment system across the circuit and making grants available for missional work
4. The CLT continues to review the life of the circuit.
5. We have continued to provide an enhanced communication and support network.
6. Survivors of Abuse Training took place for the CLT.
7. DBS checks have continued to be processed.
Safeguarding Foundation and Advanced training has taken place online and face to face.

Aims and Objectives for SMC during the period 01.09.22 – 31.08.23

1. To continue to work with the training course, 'Worship: Leading & Preaching' across the circuit and to use material from the new course during LWP meetings to aid CLPD.

2. To hold Creating Safer Space Foundation Module Training sessions, either online or in person.
3. To produce a balanced budget.
4. To organise study/quiet days for LPs and WLs during the year.
5. To continue to discern the role of Lay work in our circuit.
6. To continue to support and encourage our churches post Covid.

2022 Financial Review

Angela Wittleton is the treasurer of SMC. There is an annual meeting held in January/February which is chaired by the Treasurer and consists of one circuit presbyter, usually the Circuit Superintendent, with at least one church treasurer/representative from each church within the circuit. This meeting is an opportunity to share latest financial information and discuss the circuit budget ahead of the Spring Circuit Meeting, at which the annual budget is presented.

During the year the Circuit received income of £221k (2020-21: £206k), Sold buildings £253k (2020-21: nil), received bank balances and trusts from closed churches £17k, (2020-21: £25k closure of churches) and dispersed £398k (2020-21: £375k). This resulted in an excess of income over expenditure of £93k (2020-21: £144k net expenditure) as shown in the SOFA (Statement of Financial Activities). Net current assets plus investments carried forward are £951k (2020-21: £858k). Employment costs have decreased due to one minister on long term sick and paid for by connexion and changes in the lay worker positions and replacements not yet found.

The trustees of the Circuit have every reason to believe that the Circuit is healthy, principally because Churches continue to meet their assessments and the Circuit has adequate reserves to cover any shortfall in anticipated income for the foreseeable future. There are currently two churches on the market and in the process of being sold, which will further increase reserve funds. Consequently, the Standard Form of Accounts have been prepared on a going concern basis.

The Circuit currently owns the freehold to 4 manses (Castle Cary, Churchill, Frome and Coxley). The manse in Frome is currently empty and the intention of selling to replace with a more suitable property in the Frome area in the near future.

The Circuit has the following principal sources of funds: -

- Assessments on Churches within the Circuit
- Interest on Investments
- Reserves held in the Circuit Model Trust Fund, unrestricted Trust Funds & other smaller Restricted Trusts.

These sums are used to administer the Circuit and to provide grants to Churches and individuals in the Circuit so that they may embark on or continue with projects that fulfil the mission of the Circuit by bringing more people to Christ or by providing facilities that might enable this to happen.

To comply with Methodist Standing Orders, monies for long term investment are lodged with the Trustees for Methodist Church Purposes (TMCP). Short term deposits are lodged with the Central Finance Board (CFB).

The total unrestricted free reserves readily available to the Circuit total £936k (2020-21: 849k) and the Circuit has a reserves policy covering these which is reviewed annually. It is recognised that some grants will be paid from these reserves as a result of applications to the Circuit made by churches within the Circuit but the minimum policy level of the readily available part of the General Fund is such as to pay for 6 months' payroll costs and the other costs of the Circuit. Unused reserves are held for contingencies and repairs of Circuit property, grant applications from Circuit churches and any churches finding it difficult in meeting their future assessments.

Public benefit statement

The trustees of SMC have complied with their duty to have due regard to the guidance on public benefit published by the charity commission in exercising their responsibilities.

This annual report has been approved by the Somerset Mendip Circuit Meeting held on 30th November 2022 at Street Methodist Church.

Notes to the Accounts

1. Basis of accounting

The financial statements have been prepared in accordance with *Accounting and Reporting by Charities: Statement of Recommended Practice (SORP)* applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective from 1 January 2015) – (Charities SORP (FRS102)).

2. Funds

The funds held constitute: General Funds held for any purpose of the Circuit which are Unrestricted. The Circuit Model Trust Fund has wide purposes defined in Standing Orders and is categorised as unrestricted. Restricted funds which are held for a narrower purpose. There are also the following Endowment funds as listed. Details of each material fund are disclosed in the final note to these accounts. Any funds may be represented by more than just cash.

3. Accounting policies

Basis

These accounts have been prepared on the basis of historical cost except that investments are shown at their market value at the end of the year, on the accruals basis to show a true and fair view of the Circuit's financial position and activities.

Income Recognition

Income is included in the Statement of Financial Activities (SOFA) when the Circuit becomes entitled to the resources, and the trustees are reasonably certain they will receive the resources; and the monetary value can be measured with sufficient reliability.

Resources Expended

This is recognised when a liability is incurred, or a constructive obligation arises, that results in the payment being unavoidable. Liabilities are recognised as soon as an outflow of economic benefit is considered more likely than not under the legal or constructive obligation committing the Circuit to pay out resources.

Grants

Grants made by the Circuit from its own funds are recognised in full at the time of agreement or when the Circuit accepts that there is a legal or operational obligation to make the payment. When the grant is recurrent over more than one year the balance payable in future years is treated as a provision for future commitments in the Balance Sheet against the appropriate fund, the provision being released in future years as instalments are paid in accordance with the originally agreed terms.

VAT

Since the Circuit is not VAT registered, all input VAT is charged with the expenses to which it refers.

Tangible fixed assets for use by the Circuit

These are capitalised if they can be used for more than one year, and individually cost at least £1,000. The freehold property is shown in the accounts at 2015 deemed cost values. No depreciation is provided on the building because the trustees consider the current residual fair value of the manse buildings (on the assumption that it had reached the end of its useful economic life by the year-end) to be not less than its current value. Any depreciation would not be material. The property has been reviewed for impairment.

Investment Properties

Investment properties - no property is currently deemed to not be held for the long term purposes of the charity.

Investments

Investments are valued in the balance sheet at market value at the year end. Investment income is included in the accounts when receivable and any gains or losses on revaluation at the year end are shown in the SOFA.

Debtors and Prepayments

Debtors primarily relate to the payment of the September stipend in August.

Creditors

Creditors include both sundry expenses and specifically the 1st quarter assessment received in August.

Going Concern

These accounts have been prepared on the Going Concern basis.

Independent Examiner's Report to the Trustees of the

Somerset Mendip Methodist Circuit

This Report is on the Circuit Accounts for the year ended 31st August

2022

Respective responsibilities of Trustees and Examiner

The charity's trustees are responsible for the preparation of the accounts. The Charity's Trustees consider that an audit is not required for this year under Section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under
- to state whether particular matters have come to my attention.

Basis of Independent Examiner's Report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent Examiner's Statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
- to keep accounting records in accordance with Section 130 of the Charities Act.
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act

have not been met; or

- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
