- c. Organisational structure and decision making
- d. Related party relationships
- e. Risk management

The charity is constituted under a Trust Deed dated 08 July 2008. The charity was registered with the Charity Commission on 15 February 2010 with registration number 1134321. The administration of the church is managed by the Parish Minister while the management of the church is the responsibility of the Trustees. The Redeemed Christian Church of God ('RCCG') Triumphant Christian Connections is a parish of The Redeemed Christian Church of God (RCCG) which has parishes all over the world. The Trustees have assessed the major risks to which the church is exposed, in particular those related to the operations and finances of the church, and are satisfied that systems are in place to mitigate our exposure to the major risks.

OBJECTIVES AND ACTIVITIES

- To seek the advancement of the Christian religion in accordance with the statement of faith and the teachings of the Redeemed Christian Church of God,
- To educate people in the Word of God.
- To teach the knowledge of Jesus Christ all over Romford, Havering Council and beyond.
- To help in the relief of poverty, sickness and financial hardship in all parts of the world: directly to our immediate members, their families, members of the local, national and International community as occasion would demand, in cash and in kind.
- To promote and preserve good health by organizing health talks, lectures, seminars, education and support.
- We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities.

ACHIEVEMENTS AND PERFORMANCE

The Trustees supported the Parish Minister in carrying out the objectives and activities of the church by enabling as many people as possible to participate in the activities of the Parish. The Trustees and the Parish Minister review the activities of the Charity from time to time in meeting the Charity Commissions general guide on public benefit and in ensuring that our activities incorporate the many groups that live within our parish and within the framework of our Trust Deed and Statement of Faith.

a. Review of activities

Bible Study and Prayer Meeting

During the reporting year, we continued to hold our weekly Bible Study and Prayer Meetings at our Worship Centre located at Willow Rooms, Willow Street Romford Essex RM7 7JH. Our meetings are open to all to attend and make contributions. The meetings provide the avenue for parishioners and attendees to put faith into practice, learn about the Gospel of the Lord Jesus Christ and develop their knowledge and trust in Jesus Christ.

Sacraments/Holy Communion is served on the first Tuesday of every month. All through the year this has been beneficial and spiritually equipping. At the heart of the weekly meeting is the opportunity to interact with one another which enhances self-motivation and self-esteem. The meetings equipped parishioners in deeper knowledge of the Christian Faith and the core message about Jesus Christ, Our Saviour.

During the reporting year, one of our parishioner was called to be with the Lord. It was a moment of bereavement for us as a church but we have through faith in God and belief that one day we will all meet again have found consolation and healing. We are grateful to God for the emotional support we received from the church community during the period.

REPORT OF THE TRUSTEES (continued)

Sunday Worship Services

During the reporting year, we continued to hold our weekly Sunday services at our Worship Centre at Willow Rooms, Willow Street Romford Essex RM7 7JH. All are welcome at our Sunday and other services including Holy Communion Services. Our Sunday Services provide the opportunity for worship and celebration of milestones by parishioners in a warm environment.

During the reporting year Parishioners celebrated birthdays, and milestone achievements offerings thanks to God for major events in their life and families.

Mother's Day, Father's Day, Easter/Resurrection Celebration, Christmas Carol and New Year Thanksgiving offers opportunities to give thanks to God for His love and grace over our life. All these events enabled parishioners to develop their Christian Faith and enhances personal developments. Parishioners made personal progress in life through personal interactions and they developed interpersonal skills that enabled them gain the relevant confidence to make an impact in the wider world.

Tuesday Meetings

Since Covid 19 and the first lockdown, our Tuesday meeting has moved virtual using the zoom platform.

Mission and Evangelism

Missions and Evangelistic work were carried out throughout the year. During the reporting year, our events provided us the opportunity for evangelistic work.

Conferences and Special Events

The church held special events that addressed current issues that the community faces. These meetings were opened to the public and focused on different demographical groups. We pray and preach the good news of salvation not only in Essex but in many other parts of the UK.

Music

Music is at the core of our events. We understand the importance of music to parishioners as it helps build spiritual development and interpersonal relationship. So, we organized Musical events from time to time. Since Covid 19, we have been unable to carry out our End of Year events. We hope to be able to commence same in the coming year.

Post Covid-19 Pandemic

The Covid-19 Pandemic affected our operations and impacted on the activities of the Charity. While on national lockdown, our activities moved online via zoom meeting. Our Tuesday meetings continue to be via zoom. Contributions from parishioners were affected. But the impact was not significant to affect the day-to-day smooth running of the charity. We have resumed our pre-covid activities, although our weekly prayer meetings continue remotely on zoom. We hope to appraise in the coming year and come to a decision to resume in person weekly prayer meeting as it used to be pre-covid.

b. Investment policy and performance

The trustees have decided that at present, funds should be retained in Bank. Any change in such banking arrangements should be agreed by the board. As far as possible, funds will be retained in interest bearing accounts.

c. Grant making policies

As a Parish of the Redeemed Christian Church of God), Triumphant Christian Connections has agreed to make an annual contribution to RCCG (UK). The church also provides support to members of the congregation (at the discretion of the trustees) who are in need.

d. Volunteers

The church is grateful for the immense contributions and efforts of its volunteers who are involved in provision and delivery of Services and administration. It is estimated that about 3000 volunteer hours were provided during 2021/2022 reporting year cutting across 10 volunteers. If this is valued at £5.00 an hour the volunteer effort amounts to about £10,000.00.

FINANCIAL REVIEW

a. Reserves policy

The Trustees have established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets ('the free reserves') held by the church should be 3 months of annual expenditure. At this level, the trustees feel that they would be able to continue the current activities of the church in the event of a significant drop in funding.

PLANS FOR FUTURE PERIODS

a. Future developments

We are seeking to obtain a lease or outright purchase of a permanent place of worship which will also be used as a community center. This will enable us to carry out wide range of community-based projects that we are unable to do currently for the reason of restricted accommodation."

The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 1993 and the Charity (Accounts and Reports) Regulations 2008. The Trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

THE REDEEMED CHRISTIAN CHURCH OF GOD, TRIUMPHANT CHRISTIAN CONNECTIONS
Notes to the Financial Statements
For The Year Ended 30 June 2022

1. Accounting Policies

1.1. Basis of Preparation of Financial Statements

a) Accounting Convention

The financial statements are prepared under the historical cost convention. In preparing the financial statements, the charity follows the best practice as laid down in the Statement of Recommended Practice 'Accounting and Reporting by Charities' (SORP 2000) issued in October 2000.

To comply fully with the statement of Recommended Practice, would require investments to be accounted for at valuation. The trustees believe since the investments are held for the long term, it would be inappropriate to account for unrealized gains and losses for the period. Therefore, investments have been accounted for at historical cost. This is the only exception to compliance with the Statement of Recommended Practice. The market value of the investments is disclosed.

1.2. Turnover

- a) Income from members is credited to the income in the year in which it is receivable by the association. All other income is credited to income in the year in which it is received on a cash basis.
- b) Donations to other charities are charged in the year when the offer is conveyed to the recipients except in the cases of where the offer is conveyed to the recipients except in those cases where the offer is conditioning, such as donations or grants being recognized as expenditures when the conditions attached are fulfilled.
- c) Unrestricted funds are general funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the association and which have not been designated for other purposes.

1.3. Tangible Fixed Assets and Depreciation

The tangible assets are stated at cost less depreciation. The general policy is to provide depreciation on fixed assets on a reducing balance method over their estimated useful lives. No depreciation is charged in the year in which the assets are sold or scrapped.

2. Average Number of Employees

Average number of employees, including directors, during the year was as follows:
