Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

To advance the education of pupils in the school, in particular by:

- developing effective relationships between the staff, parents and others associated with the school
- engaging in activities or providing facilities or equipment which support the school and advance the education of the pupils.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The friends of WCPS organise various social events and fundraising activities throughout the academic year for pupils, families, and the local community to attend. The funds that we raise during these events are used to enhance the education and social wellbeing at the school. For examples funds raised have been used to purchase classroom equipment, support educational trips and contribute to capital expenditures to improve school facilities.

The trustees have regard to the guidance issued by the Charity Commission on public benefit.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

This year the charity contributed approximately £74,600 to school projects this year. The largest contribution was £70,000 to fund a brand new outdoor space for the children to use both during lessons and at break times. This was a purpose built, fenced-off area within the existing playground that included multiple different seating areas and weatherproof flooring throughout. Therefore providing a slightly quieter space, separate from the rest of the playground, for the children to enjoy activities in smaller groups either based on the tables or on the floor.

Furthermore, throughout the year the charity contributed to supporting educational trips for different year groups, Christmas presents for every class, an inter-school swimming gala and new ties for the children due to start year 3 next year.

The charity also contributed to the year 6 leavers yearbook, group photographs and hoodies.

Section E Financial review

Brief statement of the charity's policy on reserves

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between six and twelve months expenditure. The trustees considers that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

Details of any funds materially in deficit
