# **COVENTRY AND NUNEATON CIRCUIT TRUSTEES' ANNUAL REPORT FOR THE YEAR ENDED 31 AUGUST 2023**

## **Introduction**

The Coventry and Nuneaton Circuit currently includes 15 churches (of which three are Local Ecumenical Partnerships) in Coventry and the North of Warwickshire. The Circuit Meeting oversees the work of the Methodist Church in this area and seeks to respond to the needs of its churches and communities.

## **Aims and organisation**

We affirm that as the Methodist Church in the Coventry & Nuneaton Circuit we will encourage all God's people to:

- Love God with all their heart, mind, soul, and strength.
- Reflect God's love in words and actions.

As Methodists in this Circuit we will live out our calling by:

- Supporting varied and quality worship.
- Helping to deepen discipleship.
- Offering care and support.
- Responding to the needs of others, at home and in the world. Challenging injustice.
- Helping people share their faith.
- Making more followers of Jesus Christ.

## **Review of the year**

The Circuit has supported all 15 churches during the year by providing Ministers and Local Preachers to lead church services most Sundays. During the year, the two Youth Pastors left to take up opportunities elsewhere, however, the events such as 'Intergenerational Church' services that were started by the Youth Pastors have continued to take place.

The Circuit raises money for a charity each year but, due to Covid, the 2022 charity was continued into 2023. Consequently, the Circuit was pleased to be able to provide £5,639 to Methodist Homes for the Aged to support their "Music Therapy for Dementia" work.

The Circuit was pleased to be able to support Woodside Methodist Church with part funding for a Parish Nurse. The Nurse was recruited in July 2023 and has made a very positive impact in a short amount of time.

At the end of the year, Rev Marcus Torchon (Superintendent) left the Circuit to take up a post elsewhere. The Circuit welcomed Rev Jill Marsh as Superintendent from 1 September 2023.

## **Income trends**

Circuit income is primarily drawn from the assessment paid by the circuit churches, with £282,813 raised during the year.

The Circuit has many volunteers who assist with its effective running. For example, stewards assist the leadership team with recruitment, others help to maintain the church manses. These services are not recognised in the accounts.

## **Expenditure trends**

Ministerial stipends and allowances increased in line with Conference approved rates. £79,681 of expenditure is the Circuit contribution to the District and Connexion, of which a significant part is used to fund the work of the wider Methodist Church. £136,946 of Circuit expenditure was taken from the Circuit Model Trust Fund for mission and growth projects around the Circuit.

## **Fund balances**

As at 31 August 2023 the net current assets of the Circuit were £0.85 million and total funds were £1.5 million. Total funds have decreased compared to the prior year due to the intentional use of reserves to fund specific projects and provide financial support to churches as they recover from the financial impact of Covid on their incomes.

## **Plans for 2023/24**

We have an evangelical growth strategy that is being implemented over the next few years.

The strategy consists of 7 streams each led by a Circuit Steward and small team:

- 1. Children, Youth and Family** - to nurture children and youth as disciples of Christ within the church family.
- 2. Discipleship through Learning and Caring** - to inspire churches in their spiritual growth through small groups as a means of grace.
- 3. Evangelism and Church Planting** - to work with churches as they practice principles of 'Church without Walls' and model church planting.
- 4. Justice, Compassion and Peace** - to help provide food, shelter and clothing, offer safe space and comforting presence, listening ears and radical advocacy to victims of social inequality.
- 5. Staffing and Staff well-being** - to promote, safeguard and nurture the ongoing well-being of Circuit staff and employees in order to comply with all recruitment, employment and appraisal towards sustainable growth in the Circuit.
- 6. Financing and Resourcing** - to explore mission investment models toward the productive use of Circuit resources from which churches may draw inspiration from their vision growth projects.
- 7. Worship and Spirituality** - to sustain a culture of worship vibrancy in the Circuit which appeals to members and visitors.

Over the coming year the leadership team, with the relevant approval of the Circuit Meeting, will undertake a review of the strategy and streams to ensure that it remains effective for the developing needs and resources of the Circuit.

## **Public Benefit**

We confirm the trustees have had regard to the Charity Commission's guidance on public benefit.

## **Structure, Governance and Management**

The governing document for the circuit is the Deed of Union (1932) and Methodist Church Act (1976). Detailed governance arrangements are outlined within the Constitutional Practice and Discipline of the Methodist Church by order of the annual conference (CPD). Day to day management of the Circuit is undertaken by the Circuit Leadership Team along with the Local Preachers meeting, and Stream 6 Finance & Resourcing Team.

## **Trustee Training**

A range of guidance produced by Methodist Connexion to support the effective running of the circuit, specifically the leaflet 'The Role of a Trustee in The Methodist Church' is given to all new Circuit meeting members as induction to their role as trustees.

## **Related Parties**

The Circuit is part of the Birmingham District and is also accountable to the Methodist Conference.

The following Methodist Churches are related to the Circuit:

Arley	Balsall Common	Bedworth
Coventry Central Hall	Collycroft	Earlsdon

Ridge Lane	Ryton	Woodside Ave

The following Local Ecumenical Partnerships are related to the Circuit:

Atherstone	Fillongley	Horeston Grange
------------	------------	-----------------

## **Method to appoint new Trustees**

When required, Churches within the Circuit put forward people to serve as Circuit Trustees. Trustees are expected to actively support and further the charity's work.

## **Risk Management**

The major risks have been identified and recorded by the Circuit's Stream 6 Finance & Resources Team with professional advice taken as required.

Income and Expenditure is being monitored in total and is compared with the approved annual budget on a regular basis to detect trends as part of the risk management process to avoid unforeseen calls on reserves.

## **Safeguarding**

Every person has a value and dignity which comes directly from the creation of male and female in God's own image and likeness. Christians see this potential as fulfilled by God's re-creation of us in Christ. Among other things this implies a duty to value all people as bearing the image of God and therefore to protect them from harm. Methodist Connexional practice outlines commitment to the following principles:

- the care and nurture of, and respectful pastoral ministry with, all children, young people and adults.
- the safeguarding and protection of all children, young people and adults when they are vulnerable.
- the establishing of safe, caring communities which provide a loving environment where there is informed vigilance as to the dangers of abuse.
- We will carefully select and train all those with any responsibility within the Church, in line with Safer Recruitment principles, including the use of criminal record disclosures through the Disclosure and Barring Service (DBS)
- We will respond without delay to every complaint made which suggests that an adult, child or young person may have been harmed, cooperating with the police and local authority in any investigation.
- We will seek to work with anyone who has suffered abuse, developing with them an appropriate ministry of informed pastoral care.
- We will seek to challenge any abuse of power, especially by anyone in a position of trust.
- We will seek to offer pastoral care and support, including supervision and referral to the proper authorities, to any member of our church community known to have offended against a child, young person or vulnerable adult.

In all these principles we will follow legislation, guidance and recognised good practice.

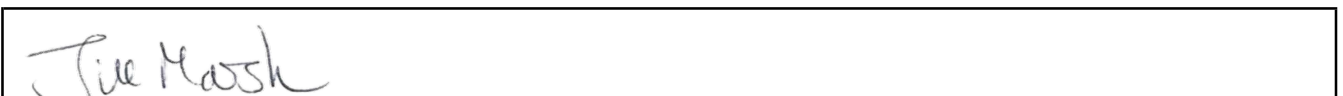

The Coventry & Nuneaton Circuit commits itself to ensuring the implementation of Connexional Safeguarding Policy; government legislation, guidance and safe practice in the circuit and in the churches.

The Coventry & Nuneaton Circuit commits itself to the provision of support, advice and training for lay and ordained people that will ensure people are clear and confident about their roles and responsibilities in safeguarding and promoting the welfare of children and adults who may be vulnerable.

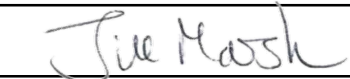

## **Reserves Policy**

The Reserves Policy for the Circuit is to hold a minimum sum equivalent to 3 months' average expenditure. This should be sufficient to meet any unforeseen item of major expenditure on manse and / or to be able to continue, in the short term, funding planned activities in the event of any inability to raise the full Circuit Assessment from churches.

Approved by the board of trustees on 21 February 2024 and signed on its behalf by Rev Jill Marsh.

## **Notes to the accounts**

### **Note 1      Accounting Policies**

#### **Basis of preparation and legal framework**

These accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts. The accounts have been prepared in accordance with:

1. the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102 effective 1 January 2019).
2. and with the Charities Act 2011.

The charity constitutes a public benefit entity as defined by FRS 102.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

Based on the monetary assets and human resources available as at 31 August 2023, the trustees believe that the Circuit is a going concern.

The Circuit has denominational regulatory oversight in respect of the work of the Churches within the Circuit but has no legal or operational control of those Churches and their governing bodies except in extreme circumstances. For this reason, the accounts of the Churches within the Circuit are not consolidated into these financial statements.

#### **Presentation, currency and rounding**

The accounts are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

#### **Recognition of income**

These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- it is more likely than not that the trustees will receive the resources; and
- the monetary value can be measured with sufficient reliability.

#### **Offsetting**

There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.

#### **Grants and donations**

Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).

In the case of performance related grants, income is only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).

## **Legacies**

Legacies are included in the SoFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.

## **Contractual income and performance related grants**

This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.

## **Donated goods**

Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.

The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.

Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.

Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.

Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.

## **Donated services and facilities**

Donated services and facilities are included in the SoFA when received at the value of the gift to the charity provided the value of the gift can be measured reliably.

Donated services and facilities that are consumed immediately are recognised as income with an equivalent amount recognised as an expense under the appropriate heading in the SoFA.

## **Volunteer help**

The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

## **Income from interest, royalties and dividends**

This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.

## **Income from membership subscriptions**

Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies.

## **Settlement of insurance claims**

Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.

## **Investment gains and losses**

This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

## **EXPENDITURE AND LIABILITIES**

### **Liability recognition**

Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.

### **Grants with performance conditions**

Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.

### **Grants payable without performance conditions**

Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation is recognised.

### **Redundancy cost**

The charity made no redundancy payments during the reporting period.

### **Deferred income**

No material item of deferred income has been included in the accounts.

### **Creditors**

The charity has creditors which are measured at settlement amounts less any trade discounts.

### **Provisions for liabilities**

A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date

### **Basic financial liabilities**

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method. Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

### **Derecognition of financial liabilities**

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

## **ASSETS**

### **Basic financial assets**

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

### **Tangible fixed assets for use by charity**

These are capitalised if they can be used for more than one year, and cost at least £1,000. They are valued at cost. The depreciation rates and methods used are disclosed in the notes.

### **Investments**

Fixed asset investments in quoted shares, traded bonds and similar investments are valued at initially at cost and subsequently at fair value (their market value) at the year end. The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment.

Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments

### **Debtors**

Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.

### **Financial instruments**

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

### **Critical accounting estimates and judgements**

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

#### 10.3 Church Buildings

The ownership of the vast majority of Methodist Church property rests with the Trustees for Methodist Church Purposes ("the Board") — a Trust Corporation constituted by the Methodist Church Act 1939. Each Church is a charity in its own right and as such can reflect the asset on their balance sheet.

The Circuit does not recognise Church property on its balance sheet.

If the TMCP Board permit the sale of a Church (for example due to closure), a Connexional Priority levy is deducted from all capital money arising from the sale. The amount of levy deducted is nil on the first £20,000, 20% on any excess over £20,000 up to £100,000 and 40% on any excess over £100,000.

The sale proceeds after the levy has been deducted are provided to the Circuit, and Circuit Trustees can decide on how to best use the funds.

Net sale proceeds are included in the Circuit accounts as separate item of material income, shown in note 2.

## Independent Examiner's report

Report to the trustees of	Coventry and Nuneaton Methodist Circuit		
On accounts for the year ended	31-Aug-23	Charity no:	1134347
Set out on pages	1 to 26		

### Respective

### responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 ("the Charities Act") and that an independent examination is needed. The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of ICAEW.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention

### Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Your attention is drawn to the fact that the charity has prepared the financial statements in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has now been withdrawn.

I understand that this has been done in order for the financial statements to provide a true and fair view in accordance with Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

### Independent examiner's statement

In connection with my examination, no material matters have come to my attention (other than that disclosed below) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
