Birmingham, Sutton Park Circuit 05/04
TRUSTEES ANNUAL REPORT FOR THE YEAR ENDED AUGUST 2022

Introduction

The Sutton Park Circuit is part of the wider Methodist Church in Britain. It consists of 13 church buildings (one of which is a Local Ecumenical Partnership) in a 20 mile (approx) circumference from inner-city Birmingham to the north Warwickshire countryside. The aim of the Circuit is to encourage each Minister and Congregation to work together for the glory of God, living out our four callings of Methodism: Worship, Learning and Caring, Service, and Evangelism. Our vision statement is 'Living and Growing God's Kingdom'. The Ministerial staff are supported by the Circuit Stewards, and together they form the Circuit Leadership Team (CLT).

Review of the year - 1st September 2021 to 31st August 2022

The Circuit continues to focus on its mission goals:

- A. Understand the needs of and value the uniqueness of each community within the Circuit.
- B. Ensure that each person is empowered, encouraged and equipped to enrich their faith.
- C. Continue to encourage the linking of congregations within the Circuit.
- D. Speak out for justice in tangible and measurable ways.
- E. Bring young people to a knowledge and love of Christ.

The restrictions caused by the Covid 19 pandemic resulted in the churches being unavailable for both worship and serving of their communities. Thankfully, the relaxing of the restrictions resulted in church life restarting and as individual confidence returned, the online worship that served so well during the pandemic continues to be used to cover churches where a preacher is not available, enabling the Circuit to as inclusive as possible.

The ministerial team have coped with the challenges of lockdown restrictions, despite the difficulties, and as we emerged this year all meetings needed for circuit life have taken place initially via Zoom but for much of the year in person, enabling us to deal with the normal business of the Circuit, and continue to evolve our mission goals.

The forward looking mission document was produced by the CLT the previous year continues to be implemented. Its aim is to guide us as both a Circuit and as individual churches towards focussing on effective mission and working in new ways that make the most of our strengths and resource. Included in this was the decision to reduce the number of Presbyters by one in 2022. During the stationing process after interviewing 3 candidates the Circuit was unsuccessful in appointing a Superintendent for 2022/23 as two Presbyters left the Circuit including the Superintendent who retired. The Circuit have appointed a Superintendent from Birmingham Circuit who will be our Superintendent for 50% of his time and a Presbyter in Birmingham Circuit for the balance of his time. The remaining requirement for a presbyter is being covered by a retired presbyter at 49% employment, the maximum permitted by the Connexion.

The development of a Hub church and Mission Centres has continued, with the re-organisation needed to adhere to Methodist guidelines, while freeing up people to serve their communities in each of the three churches involved.

Income trends

Circuit income is primarily from the assessment paid by the circuit churches. This is supplemented by grants from the Zimbabwe Fellowship and Connection, which cover half of the costs of a minister, who joined the Circuit in September 2020.

Expenditure trends

Of the total General expenditure 58% relates to net staff Stipends costs, which increase annually in line with increases approved by Conference. In addition a further 17% covers associated costs such as travel, telephone, manse utilities, insurance and repairs costs. 16% is the Circuit contribution to the District and Connexion, which is mostly used to fund the work of the wider Methodist church. The remaining expenditure covers a variety of costs from regular administration costs to one-off items.

Fund balances

As at 31 August 2022 the net current assets of the Circuit were £363,281 - approximately 10.6 months cover at the expenditure rate for 2021-22. This corresponds to 13 months cover at 31 August 2021 based on that year's expenditure, an expected reduction of approximately 2.4 months. The CLT will consider how best to use any surplus funds for mission projects, as well as ensuring that there are sufficient resources for general running costs, which are due to decrease significantly next year following the reduction of one presbyter and the renting of two manses. Total funds include designated funds of £60,689, set aside to cover future stipends/employment costs.

Plans for 2022/23

Circuit budgets for next year have been prepared on the basis that there will be 5.5 full time ordained staff. An assessment increase has been requested from the individual Circuit churches, to contribute towards the anticipated increases in stipend costs, District assessment and manse utility costs.

Aims and organisation

The charity objective is to act as a Resource provider within the area around Birmingham City, South Staffordshire, and North Warwickshire for the Methodist Church. The purposes of the Methodist Church are and shall be deemed to have been since the Date of Union, the advancement of:

- a) The Christian faith in accordance with the doctrinal standards and discipline of the Methodist Church;
- b) Any charitable purpose for the time being of any Connexional, District, Circuit, local or other organisation of the Methodist Church;
- c) Any charitable purpose for the time being of any society or institution subsidiary or ancillary to The Methodist Church;
- d) Any purpose for the time being of any charity being a charity subsidiary or ancillary to The Methodist church.

Public Benefit

We confirm the trustees have had regard to the Charity Commission's guidance on public benefit.

Structure, Governance and Management

The governing document for the circuit is the Deed of Union (1932) and Methodist Church Act (1976).

Detailed governance arrangements are outlined within the Constitutional Practice and Discipline of the Methodist Church by order of the annual conference (CPD).

Day to day management of the circuit is undertaken by the Circuit Leadership Team, along with the Circuit Meeting and the Local Preachers meeting,

Trustee Training

A range of guidance is produced by Methodist Connexion to support the effective running of the circuit. All trustees are required to fulfil coherent Safeguarding requirements and conform to GDPR guidelines.

Related Parties

The Circuit is part of the Birmingham District and is accountable to the Methodist Conference.

The following Methodist Churches are linked to the Circuit - Blackwood, Boldmere, Erdington, Falcon Lodge, Four Oaks, Kingsbury, Kingstanding, Nechells, Sutton Coldfield, St Chads (LEP), Stockland Green, Streetly and Witton.

Risk Management

Income and expenditure is monitored and compared with the annual budget on an ongoing basis. Most items are as expected, and in line with both the budget and historical figures. The budget is used to determine the main source of income, being the assessments received from the churches, and enables the Charity to anticipate the potential impact of future calls on reserves.

Safeguarding

Every person has a value and dignity which comes directly from the creation of male and female in God's own image and likeness. Christians see this potential as fulfilled by God's re-creation of us in Christ. Among other things this implies a duty to value all people as bearing the image of God and therefore to protect them from harm.

The Sutton Park Circuit commits itself to the implementation of Connexional Safeguarding Policy, government legislation, guidance and safe practice in the circuit and in the churches. The Sutton Park Circuit commits itself to the provision of support, advice and training for lay and ordained people to ensure people are clear and confident about their roles and responsibilities in safeguarding and promoting the welfare of children and adults who may be vulnerable.

Reserves Policy

The Circuit's Reserves Policy is to hold sufficient funds to cover anticipated general running costs, to meet any unforeseen item of major expense on manses and be able to continue funding planned activities in the short term. The General and Unrestricted Funds have decreased during the year. Funds will continue to be called upon in the foreseeable future, as annual income from church assessments is expected to be insufficient to meet all the costs including those of current ministerial staff. Consequently the Reserves Policy will be monitored and amended on an annual basis, with a view to using any surplus funds for mission projects as well as ensuring that there are sufficient funds to cover the current needs.

Notes to the Accounts

1 Basis of accounting

The financial statements have been prepared in accordance with the Charities Act 2011 and the Charities: Statement Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with Financial Reporting Standard (FRS) 102.

2 Funds

The funds held constitute: General Funds held for any purpose of the Circuit, which are Unrestricted. The Circuit Model Trust Fund has wide purposes defined in Standing Orders and is categorised as Unrestricted. Restricted Funds, which are held for a narrower purpose. Details of each material fund are disclosed in Note 23 of these accounts. Any funds may be represented by more than just cash.

3 Accounting policies

Basis

These accounts have been prepared on the basis of historical cost (except that investments are shown at their market value at the end of the year), on the accruals basis to show a true and fair view of the Circuit's financial position and activities.

Incoming Resources

Income is included in the Statement of Financial Activities (SOFA) when the Circuit becomes entitled to the resources, and the Trustees are reasonable certain they will receive the resources; and the monetary value can be measured with sufficient reliability.

Resources Expended

This is recognised when a liability is incurred, or a constructive obligation arises, that results in the payment being unavoidable. Liabilities are recognised as soon as an outflow of economic benefit is considered more likely than not under the legal or constructive obligation committing the Circuit to pay out resources.

Grants

Grants made by the Circuit from its own funds are recognised in full at the time of agreement or when the Circuit accepts that there is a legal or operational obligation to make the payment. When the grant is recurrent over more than one year the balance payable in future years is treated as a provision for future commitments in the Balance Sheet against the appropriate fund, the provision being released in future years as instalments are paid in accordance with the originally agreed terms.

VAT

Since the Circuit is not VAT registered, all input VAT is charged with the expenses to which it refers.

Tangible fixed assets for use by the Circuit

These are capitalised if they can be used for more than one year, and individually cost at least £1,000.

The freehold property is shown in the accounts at 2015 deemed values (with the exception of the manse acquired in 2019 which is shown at the purchase price), of which the land component is deemed to be 50%. This estimate is based on guidance issued by the Methodist Church. No depreciation is provided on the buildings because the Trustees consider the current residual fair value of the manse buildings (on the assumption that it had reached the end of its useful economic life by the year-end) to be not less than its current value. Any depreciation would not be material. The properties have been reviewed for impairment.

Investment Properties

The Circuit did not hold any Investment properties during the year.

Investments

Investments are valued in the balance sheet at market value at the year end. Investment income is included in the accounts when receivable and any gains or losses on revaluation at the year end are shown in the SOFA.

Debtors and Prepayments

Debtors include the payment of the September stipend in August, and other prepayments.

Creditors

Creditors include assessments received in August from circuit churches relating to next year, accrued expenses and trade creditors.

Pensions		
Most ordained presbyters and deacons are members of the Methodist Ministers' Pension Scheme (MMPS). This is a defined benefit pension scheme. The Supreme Court held in 2014 that the Methodist ministers (which term includes presbyters and deacons) are not employees of the church. For simplicity, however, when dealing with National Insurance Contributions and pension contributions, the terms 'employer' and 'employee' are used as they would be in an employing body.		
The Connexion accounts for the MMPS and shows the figures in the annual Methodist Church in Great Britain accounts. The MMPS is in deficit but a plan for removal of the deficit has been proposed and is being implemented. Details of the deficit on this scheme can be found in the Annual Report and Accounts of the Methodist Church at www.methodist.org.uk £3,320 was prepaid in respect of the Ministers Pension scheme as at 31 August 2022 (£3,821 at 31 August 2021).

17 Investments

The funds that support the Circuit Model Trust Fund are held by TMCP in Trustees Interest Funds on which interest is credited monthly. These are regarded as medium and long-term investments.

TMCP is the legal owner and Custodian Trustee of all Methodist Trust Property, including legacies, Endowments, and Accumulated Funds. Trust property is held for and on behalf of local Managing Trustees who are responsible for the day to day management of trust property. TMCP ensure that, by providing guidance and acting under their direction, the Managing trustees comply with charity law and Methodist law and policy as determined by Methodist Conference.

Transfers between funds

The reasons for the transfers were as follows:

Withdrawals were made from the TMCP Funds to replenish amounts paid out of General Funds in respect of Circuit mission work.

24. Reclassification of funds

Circuit property is always carried in the General Fund but upon sale the net proceeds are processed through the Circuit Model Trust Fund. This requires an adjustment and any such sales during the year are reflected below at the net sale price.

There were no Bridging loans or property sales during the year

Independent Examiner's Report to the Trustees of the Birmingham, Sutton Park Methodist Circuit

This Report is on the Circuit Accounts for the year ended 31 August

2022

Respective responsibilities of Trustees and Examiner

The charity's trustees are responsible for the preparation of the accounts. The Trustees consider that an audit is not required for this year under Section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is the Independent Examiner's responsibility to:

- follow the procedures laid down in the general Directions given by the Charity Commission under Section 145(5)(b) of the Charities Act; and
- state whether particular matters have come to their attention.

Basis of Independent Examiner's Report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent Examiner's Statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with Section 130 of the Charities Act.
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act.have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

I have not obtained independent verification of all investments with the Trustees for Methodist Church Purposes ("TMCP") or held in other Trusts, Bank balances and Funds at the Central Finance Board of the Methodist Church ("CFB"), which are individually in excess of £10,000 (ten thousand pounds) at the balance sheet date.
