Report of the Trustees
for the Year Ended 28th February 2021

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 28th February 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objectives of the charity are to advance the Christian faith and also to relieve sickness, hardship and promote and preserve good health.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

On 1st April 2010, the trust purchased the freehold property in Chaldon Road, Caterham identified as a suitable site to develop a community and church centre.

The partner church appointed project managers and appointed architects to work on the project in January 2014. In July 2014 the plans for redevelopment were finalised with the church congregation and in consultation with the broader community of Caterham.

Outline planning permission was granted in March 2015 and Grace Christian Trust organised the demolition of the old building on the site in May 2015 to make way for a new church building.

On 15th June 2017, Grace Christian Trust donated the freehold land to Oakhall Church (Charity No 1156069) to allow the building of a new church facility and community centre to commence.

In November 2018, the new church building in Caterham was opened. In that financial year, the trustees of Grace Christian Trust made a further donation to Oakhall Church towards the completion of the building project.

In the year covered by this report, the trustees approved donations to a church, for the purchase of a building to use for Christian Conferences as well as a grant to a Christian Theatre Group who produce materials to communicate the Christian faith.

In performing their duties the trustees have had regard to the guidance issued by the Charity Commission on public benefit

FINANCIAL REVIEW

Investment policy and objectives

Where the trust invests its own funds, these are invested to bring growth rather than income, taking a medium risk.

ETHICAL SCREENING:

We ethically screen our investments to focus on:

- entities that have anti-bribery/corruption policies,
- that recognise international conventions on human rights and labour standards,
- that have ethical supply chain policies,
- are committed to fair wages
- and are socially beneficial in developing countries.

We avoid investing in companies that:

- operate in countries with oppressive regimes,
- breach regulatory guidelines,
- deny workers safety or the right of association,
- have any involvement in the manufacture or sale of armaments, pornography, tobacco, gambling, alcohol, the use of stem cells from human embryos or exploit animals.

ENVIRONMENTAL SCREENING:

We also screen our investments regarding their impact on the environment. We seek out companies that have

- clear and positive environmental policies,
- develop solutions to enable cleaner or more efficient use of resources,
- farm organically and sustainably,
- provide mass-transport solutions,
- recycle waste
- or work with renewable energy technologies.

We avoid investing in companies that have:

- convictions for poor environmental management,
- have high-carbon impact,
- manufacture agro-chemicals,
- engage in intensive farming,
- develop GM seeds or crops,
- exploit habitats,
- mine
- or are involved in the production of oil and gas.

**Independent Examiner's Report to the Trustees of
Grace Christian Trust**

Independent examiner's report to the trustees of Grace Christian Trust ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 28th February 2021.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Investments

Fixed asset investments are measured initially at cost and subsequently at fair value (their market value) at the reporting date.

Basic financial instruments

Financial assets and financial liabilities of the charity are classified as "financial instruments" by FRS102.

Basic financial instruments typically represent, cash, bank deposits, debtors (trade debtors and loans receivable) and creditors (trade creditors and loans payable). These are accounted for at the amount receivable or amount payable.
