Bankers: HSBC Bank plc, including an account through the Central Finance Board of the Methodist Church.

The Church is part of the Berkshire and Hampshire Borders Methodist Circuit, which is part of the Southampton District and is also accountable to the Methodist Conference.

OBJECTIVES AND ACTIVITIES

Wesley Methodist Church has been at the centre of the community since its establishment in 1873. We are a thriving congregation representing a wide range of ages, backgrounds and ethnicities, committed to worshipping together and serving our communities in the best way we can.

Our core purpose is the furtherance of the Christian faith through the provision of regular public acts of worship which are open to members and non-members alike. We do this through a lively and supportive programme of worship on Sundays and at other times of the week, through sermons, courses of Bible study, music and singing, prayer and small group fellowships for people of all ages and backgrounds.

We support our members and those who see us as their spiritual home through pastoral work and prayer. Practical manifestations of this include extending friendship to those who come to us, and visiting and praying for members of the congregation.

We also commit to supporting other groups who use our building and to making links with others, both in our local area and internationally. We do this by providing space for groups, and by providing financial support to other charities.

Our membership is about 150, and various other people visit the church regularly.

The following is our vision and purpose:

We believe in a loving God who came into our world in the person of Jesus Christ to bring us to himself. In his life and teaching Jesus showed us the best way to live. On the cross he died in our place, offering us the free gift of forgiveness and a new start. By rising from the dead he assures us of eternal life. In his daily presence with us through the Holy Spirit he gives meaning and direction to our lives.

The Trustees confirm that the Church is a public benefit entity.

Achievements and performance:

During 2024-2025 we have carried out the following activities:

- Continued our family worship on Sundays throughout the year in church, including Junior Church. The congregation continues to attract visitors.
- Continued to provide online worship for those who are unable to meet in person in church. The numbers engaging with these services still make it worthwhile to do this.
- Continued to use the gifts of our congregation to lead and support worship in church and online through music and other means.
- Supported our children and young people in Junior Church by continuing to hold in-church sessions. A group of children and young people was taken to the 3Generate conference in Birmingham in October 2024.
- Taken our responsibilities towards the environment seriously by developing policies in keeping with being an Eco-Church.
- Continued our services for parents and babies through the weekly parent and toddler session.
- Continued to serve our local community, this year with a free Afternoon Tea to celebrate the 80th anniversary of VE/VJ day in July 2025.
- Supported Churches Together in Reading by taking part in the Bed For A Night project, which provides evening meal, bed and breakfast to homeless people during the winter months.

- Continued to run a weekly Food Pantry in 84 Queen's Road in partnership with the Reading-based homeless charity, FAITH.
- Supported a network of other voluntary groups when possible through the provision of space, including a number of support groups for people with addictions.
- Supported other local Christian organisations with financial contributions.

The future:

As part of the developing work of the church we are looking at how best we can use the resources and skills of the congregation, the gift of the buildings (including 84 Queen's Road) and the space they offer, together with the financial resources of the church, and to identify what else we should develop to meet our objectives as a church and a key part of the community. Plans for 2025/2026 include:

- Continuing to bring 84 Queen's Road into full operation.
- Continuing to support other church communities through the use of our buildings.
- Supporting other community service projects.

FINANCIAL REVIEW

Income and expenditure:

Church income is primarily drawn from the Sunday collections paid by the congregation plus the related Gift Aid tax credits, and lettings income paid by local community groups using the premises. Over the past year, collections and tax credits decreased by £12766 over the previous year to £83657, and lettings showed a small decrease of £179 to £39866.

The major expense is the assessment paid to Basingstoke & Reading Circuit. The assessment this year was £79524 compared with £76653 the previous year. The assessment pays for the minister's salary, employer pension, NI contributions, travelling expenses and manse running costs; Circuit administration; and contributions towards denominational central costs. The other main expense is Church running costs, including heating and lighting, insurance and utilities, maintenance and improvements, which amounted to £63702, an overall increase of £25674.

Reserves policy:

General funds: It is the Church's policy to have in hand sufficient to cover at least three months assessment, plus a further amount to cover any emergencies which occur in the short term and other one-off payments which may arise, and to this end it will endeavour to have £35,000 readily available to cover these payments.

General funds held at Y/E 31/08/2025 £74731.

Restricted funds: No funds have been drawn from the TMCP Investments during the last financial year. It is our intention to keep in reserve for any major works that arise to our Victorian buildings which are now 150 years old.

Restricted funds held at Y/E 31/08/2024: £6386.

Review of the year 2024-2025:

The year has been a good year for the Church, with income being maintained to cover our regular outgoings and to have certain funds available to be able to maintain our Victorian listed building.

Outline of Wesley Methodist Accounts (at 31/08/25):

TMCP Account £71096

CFB Deposit fund account £21466

Current account balance £70380

STRUCTURE, GOVERNANCE AND MANAGEMENT

Wesley Methodist Church is a Christian organisation that is governed by the Methodist Church Act 1976. Detailed governance arrangements are outlined in the Constitutional Practice and Discipline of the Methodist Church (CPD) by order of the annual Conference. Day-to-day management of the Church is undertaken by the Church stewards along with the Minister under the authority of the Church Council, who are the Trustees. The Trustees are appointed at the Annual General Meeting of the Church.

Mr Kenneth Fordjour (one of the managing trustees) as Treasurer oversees the day-to-day financial management and accounting for the Church during the year, supported by a Property & Finance group chaired by Mr Peter Frank.

A range of guidance produced by the Methodist Connexion to support the effective running of the church and the role of the Trustees is given to the Church Trustees at various meetings and/or training sessions.

Risk management

The major risks have been identified and recorded by the Trustees with professional advice taken as required. A regular annual review process is undertaken as required. Income and expenditure is reviewed and monitored against budget on a quarterly basis as part of the risk management process to avoid unforeseen calls on reserves.

Safeguarding

The Methodist Church, along with the whole Christian community, believes that each person has a value and dignity which comes directly from God's creation in God's own image and likeness. Christians see this as fulfilled by God's re-creation of us in Christ. Among other things, this implies a duty to value all people as bearing the image of God and therefore to protect them from harm.

Methodist Connexional practice outlines commitment to the following principles:

- The care and nurture of, and respectful pastoral ministry with, all children, young people and adults.
- The safeguarding and protection of all children, young people and adults when they are vulnerable.
- Establishing safe, caring communities which provide a loving environment where there is informed vigilance as to the dangers of abuse.
- Carefully selecting and training all those with any responsibility within the Church, in line with Safer Recruitment principles, including the use of criminal records disclosures and registration with the relevant vetting and barring schemes.
- Responding without delay to every complaint made which suggests that an adult, child or young person may have been harmed, co-operating with the police and local authority in any investigation.

- Seeking to challenge any abuse of power, especially by anyone in a position of trust.
- Seeking to offer pastoral care and support, including supervision and referral to the proper authorities, to any member of our Church community known to have offended against a child, young person or vulnerable adult.
- In all these principles following legislation, guidance and recognised good practice.

Wesley Methodist Church commits itself to ensuring the implementation of Connexional Safeguarding Policy, government legislation, guidance and safe practice in the Circuit and in the churches.

Wesley Methodist Church also commits itself to the provision of support, advice and training for lay and ordained people that will ensure people are clear and confident about their roles and responsibilities in safeguarding and promoting the welfare of children and adults who may be vulnerable.

Approved by the Trustees on 7th June 2026 and signed on their behalf by

Signed:

Rev. Martin Beukes

Date: 7th June 2026

Accounting responsibilities

Charity law requires trustees to prepare annual accounts that give a true and fair view of the state of affairs to the Church at the year end and of its financial activities during the period. The Trustees are required to:

- Select suitable accounting policies and apply them prudently
- Make judgements and estimates that are reasonable and prudent
- Prepare accounts on a going concern basis unless it is inappropriate to presume that the Church will continue in operation.

Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy the financial position of the Church, so that the accounts comply with the charity accounting SORP 2015. They are also responsible for safeguarding the assets of the Church and hence for taking reasonable steps for the prevention of fraud and other irregularities.

The Church is entitled to exemption from audit under the Charities Act but is required to have an independent examination of its accounts; the Church has therefore taken advantage of this exemption.
