**Annual Report and Unaudited Financial Statements for the year
ended 31 December 2022.**

Introduction to 2022 Annual Report

After two years of disruption following the Covid 19 pandemic, this year has been a time when we have been able to resume all activities. It is good to report that we lost none of our members during this lengthy period due to Covid. Nevertheless, although all activities have resumed this has not meant that everyone simply reverted to old practices. There has been an increased awareness that there are alternative means of undertaking worship, and attendance at church services has not returned to pre-pandemic levels.

Similarly in the city centre itself footfall has not returned to earlier levels, and the general rise in inflation and prices caused by a variety of factors has also had an impact on people's discretionary expenditure which in turn has impacted on shopping. There continues to be frequent changes of ownership and type of retail business within the city centre.

Despite everything the parish has continued to exercise its ministry, and will, by God's grace, continue so to do.

Structure, Governance and Management

Committees

The Planning Committee (Clergy, Churchwardens) meets in between full PCC meetings. Other ad hoc committees and working groups are created and terminated as needed.

The full PCC met for ordinary meetings four times during the year, all being face to face, for two extraordinary meetings face to face and one extraordinary meeting online. The average attendance (ordinary meetings) was 70%.

Aim and Purposes

Statement

'The PCC is required, as stated in the Parochial Church Councils (Powers) Measure 1966, to co-operate with the Parish Priest, in promoting in the Parish the whole mission of the church, pastoral, evangelistic, social and ecumenical'.

Objectives and Activities

The Parish's vision, goals and actions are stated in full in the Mission Action Plan.

Vision

Being part of God's mission of love and reconciliation in and through Jesus Christ, we are committed to:

- Giving breathing space
- Living the values
- Engaging with the City

Objectives (goals)

We will achieve our vision by working together with others as we pursue the following goals:

- To attract more people to enter and use our churches and find it a positive experience;
- To encourage visitors, church members and church users on their spiritual journey, challenging towards deeper levels of Christian commitment;
- To meet our on-going parish commitments, seeking efficient and effective use of our resources with other Anglican or Ecumenical colleagues.

In carrying out their work the Trustees take due regard to the Charity Commission's guidance on public benefit.

Continuing Activities

We have been able to keep all our churches open on weekdays and for the now established pattern of services at St Stephen's on the first, third and fifth Sunday of each month, St Pancras on the second, and St Olave on the fourth. We continued to provide an online service sheet as an alternative to the 8.00 am service in St Pancras, which is also used as a basis for discussion in the ensuing zoom meeting.

The lunchtime service of Communion in St Pancras has been maintained fortnightly until June then monthly on Thursdays at 12.00.

Voluntary organisations are able to use the churches for approved purposes on request and subject to terms and conditions.

Continuing activities (maintained in various formats throughout the year) include:

- Variety of worship services as outlined above.
- Lent Groups
- Summer concerts and other music activities
- Exhibitions
- 'Inner Room' poetry workshops

(Continues)

- Use of the parish website to communicate with and provide support to the parish members and the general public.
- Jewish Circle Dancing
- Online prayer groups
- Restart of Prayers round the Cross bi-monthly
- Book Club

Achievements and Performance

Church Attendance

There are 37 Parishioners on the church electoral roll of which 34 are not resident within the Parish. Average Sunday attendance in-church is about 19, supplemented by others who used online worship sheets. Attendance in-church at Easter 2022 was 19 and 16 on Christmas Day.

Community use of Churches

St Stephen's continues to be the main church for community use. During the late autumn of 2022 a new venture started in this building – Safe Space, open three nights a week, Wednesday, Friday and Saturday, from 11 pm to 3.30 am.

The space serves three main purposes - light medical treatment like cuts, sprains, recovery, blisters; welfare support like phone charging, water, safety alarms, bottle tops, change of clothes and a safe and warm place to wait for transport home.

It is one of the projects funded from the Safer Streets Fund 4 bid led by Exeter University, which saw around £680,000 awarded to deliver initiatives to reduce violence against women and girls and reduce anti-social behaviour at night. The project has also received funding from InExeter and the Community Safety Partnership.

We have also seen a steady use of St Stephen's by the Armed Forces Veterans' Support Group, Exeter Network Church and of St Stephen's and St Pancras by the Russian and Romanian Orthodox churches. In total in St Stephen's we hosted 265 separate events including worship services, Bible study, prayer meetings, support groups, concerts and coffee mornings.

St Petrock's continues to host support group meetings, the Exeter Guild of Bell-ringers plus their library, and we have developed a regular programme of exhibitions.

St Pancras is on the register of Small Pilgrim Places and is open daily for private prayer, with monthly BCP Communion and fortnightly (monthly from June 2022) shortened lunchtime Communion services. Seeking Silence continues as a monthly time of meditation on the first Wednesday of the month.

St Olave's is the church used least by the community, largely because of its fixed pews, but was used during Lent for a weekly service of compline.

St Mary Arches is now leased to Unlimited Church – the Diocesan youth church and holds a number of activities to attract young people.

Parish Activities

As outlined earlier the pattern of our church services was changed for 2022. We have re-introduced lunches for the Summer Concerts, restarted Prayers around the Cross at St Pancras, and held a public exhibition to celebrate the Queen's Platinum Jubilee in St Stephen's.

We supported the Fore Street Flea Market with St Olave's taking part in this event. The Christmas St Nic's Fayre was also able to take place as a parish fundraiser,

The Inner Room, launched in 2020 as a parish outreach project has continued to flourish despite being almost entirely on zoom. The Room to Write events which give participants prompts to write poetry is now becoming self-contained without needing regular input from Helen Evans – the project champion. We are delighted to have been able to run live events in St Stephens and St Olaves, giving opportunity to create poems using visual prompts including the use of the paintings hanging in St Olaves.

A French conversation class continues guided by Claire Mayer but as a private rather than a parish sponsored service.

Our Facebook page is continually updated along with the website.

We continue to support the Exeter Community Initiative, St Petrock's Centre for the Homeless, and the Exeter City Centre Chaplaincy, as well as a programme of monthly giving to selected local, national and international charities.

We are ensuring that members of the PCC receive appropriate Safeguarding clearances and training to their level of involvement in the Parish.

An important meeting for the future of the Parish took place in Autumn 2022 when the Archdeacon came to talk about the way the parish might need to develop. This was an issue we were deeply concerned about given the demographics of our congregation, and the changing way of use of the City Centre. The Archdeacon made clear that the Diocese was not in the business of closing churches, but did encourage us to find closer ways of working with St David's Parish and Unlimited Church. Discussions with both these will take place in 2023.

Church Buildings.

The PCC has continued to undertake all the necessary repair and maintenance of the churches in the Parish, mostly resulting from normal wear and tear, pests and occasional abuse or vandalism.

We appointed Jeremy Chadburn to be our new Parish Architect following the retirement of Russ Palmer. He has since undertaken the quinquennial survey of St Petrock's.

Links with other churches/organisations

The Parish continues to be involved with the Exeter City Centre Chaplaincy which has faced exceptional challenges to its work this year. The Revd Sheila Swarbrick has continued to provide a vital link between the parish and other churches in the centre of Exeter and Diocese at all levels both formally and informally.

Policy

The PCC is kept abreast of Parish responsibilities under the Safeguarding legislation by our designated representative. We have taken due regard to the guidance issued by the House of Bishops on matters relating to the safeguarding of children and vulnerable adults. The churchwardens and PCC members have completed their required Safeguarding Training. A Safeguarding policy document is in place. We have a Health and Safety Officer and our H&S policy is reviewed as necessary. We introduced a Data Security policy and have issued appropriate privacy notices and received and recorded consents for use of data as required by the General Personal Data Regulations.

Financial Review

The total income for the Parish in 2022 was £56,585, of which £3,841 was restricted funding for specific projects. This means that £52,744 represents income derived from 'normal' parish activities. Expenditure of £58,552 was in excess of total income by £1,967. This is much less than the previous year. Overall, this will be accommodated within our finances.

The target parish (unrestricted) income budget for 2023 has been agreed by the PCC at £45,000.

Reserves Policy

In 2013 the PCC agreed to a reserves policy of 4 times the monthly average expenditure, which equates to £17,000 for 2023

The Parochial Church Council of the Parish of Central Exeter
Notes to the Financial Statements for the Year Ending 31 December 2022,
and forming an integral part of the statements.

1 Accounting policies

Basis of financial statements

The financial statements have been prepared under the Church Accounting regulations 2006 in accordance with applicable accounting standards and the current Statement of Recommended Practice Accounting and Reporting by Charities (SORP 2005).

The financial statements have been prepared under the historical cost convention and the financial statements include all transactions, assets and liabilities for which the PCC is responsible in law.

(a) Funds

The General Fund represents the funds of the PCC that are not subject to any restrictions regarding their use and are available for application on the general purposes of the PCC. Designated are general funds set aside by the PCC for use in the future and remain unrestricted.

Restricted funds are those donated for use in a particular area or for a specific purpose, the use of which is restricted to that area or purpose.

(b) Incoming resources

Planned giving, collections and donations are recognised when received. Income tax recoverable on Gift Aid donations is recognised when the income is recognised. Grants and legacies to the PCC are accounted for as soon as the PCC is notified of its legal entitlement, the amount due is quantifiable and its ultimate receipt by the PCC is reasonably certain. Funds raised by fundraising events are accounted for gross.

Income received from use of PCC property is on a voluntary basis dependent on the ability to pay and therefore accounted for only when received.

(c) Resources expended

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to the expenditure. The Common Fund contribution is accounted for when paid.

(Continues)

(d) Fixed Assets

Consecrated and beneficed property is not included in the accounts in accordance with s.10(2)(a) and (c) of the Charities Act 2011.

Moveable church furnishings held by the Incumbent and Churchwardens on special trust for the PCC and require a faculty for disposal are inalienable property, listed in the church's inventory which can be inspected (at any reasonable time). For anything acquired prior to 2000 there is insufficient information available and therefore such assets are not valued in the financial statements. Subsequently no individual item has cost over £2,000 so all such expenditure has been written off when incurred.

Equipment used within the church premises is depreciated on a straight-line basis over 4 years. Equipment with a purchase price of £2,000 or less is written off when acquired.

Independent Examiner's Certificate for the PCC Accounts

**DIOCESE
OF EXETER**

Report to the trustees of:

CENTRAL EXETER

Parochial Church Council

On accounts for the year ended:

2022 NEC 31st

Charity Number (if applicable):

1134851

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention (other than that disclosed below *)

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act
 have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
