

INTRODUCTION:

This is the Trustees' Annual Report for Lincoln Methodist Circuit, a circuit consisting of nineteen active Methodist churches (two are Local Ecumenical Partnerships). COVID has meant fewer church services and attendees. However, COVID has created an opportunity to develop on-line services.

AIMS AND ORGANISATION:

The vision for the circuit is: ***'FOLLOWING JESUS, CONNECTING COMMUNITIES, SERVING TOGETHER'***.

- The Circuit employs four full-time ministers and one part-time minister who oversee the work of the Churches. One full-time minister works 40% of their time in the circuit, he is also the Agricultural Chaplain. Two active supernumerary ministers support the ministers. The circuit also employs two part-time administrators. The circuit also employs an EDEN Team Manager (Message Trust) at one of the churches.
- Governance of the circuit is by the members/trustees of the Circuit Meeting, constitutionally derived from three members of each church council. The day-to-day management of the circuit falls to the Circuit Leadership Team (CLT).
- The CLT comprises of the ministers, employees and currently four circuit stewards appointed annually by the circuit meeting (who normally hold office for no longer than six years).
- The circuit promotes, supports, and funds the 'Message Trust' – Eden Project, which seeks to reach out to the people of the community and offer support, compassion, and grace.
- The circuit produces a quarterly preaching plan to ensure regular acts of worship take place in each church although these were replaced by on-line services during the lock-down in April and May. These are open to all people, without a charge. There is a 'Methodist Housing Association' (MHA) home in the circuit and an act of worship takes place there every Sunday afternoon when restrictions allow.
- The circuit also produces a quarterly newsletter to inform churches of updates and events.
- The circuit supports the work of the 'Road Hog' through donations and personnel, a bus that visits local housing estates, schools (during term time), galas, church barbecues, outreach events etc. Around the city of Lincoln and in nearby villages. It offers a comfortable place to sit, a safe environment with people who genuinely care, and used in a variety of ways to support the work of local churches. Unfortunately, COVID restrictions have meant the bus has been unable to provide its normal schedule of work.
- 'Causeway Prospects' continue to work in partnership with people with special needs across the area.

- Three churches in the circuit offer community support as distribution centres for 'Community Larder' and 'Lincoln Foodbank' and more recently 'Community Grocery' too.
- The other churches of the circuit support the 'Community Larder,' 'Lincoln Foodbank' and the 'YMCA' by encouraging individuals to donate suitable foodstuffs via the churches. Many of the churches also donate the gifts of food received through Harvest Festivals and local shops.
- The congregations and individuals actively support with donations and collections at Christmas services young person's charities such as 'Action for Children' and 'The Children's Society.'
- One church is a branch of the debt action charity 'Christians Against Poverty' (CAP), aided by grants and support from the circuit and outside organisations and other denominations.
- Two churches host '*Night Light Café*' offering crisis help and support.
- Many churches are actively involved with a city-wide initiative, 'Food in School Holidays (FISH),' providing food vouchers to families in need during the school holidays.

REVIEW OF THE YEAR:

The Covid pandemic has impacted most church communities within the circuit, there has been little opportunity for fundraising and lettings income has ceased. Even with the continual change in restrictions, the churches have tried to maintain all their usual activities in various innovative ways, such as:

- Carers and Tots groups meet in churches and provide great opportunities for young parents and carers to meet and support each other, church members organizing the groups can offer help and guidance.
- Schoolgator's project is operating at Burton Road providing support to parent's and reducing any feelings of isolation.
- Monthly men's and women's breakfasts take place, usually with an outside speaker, in a relaxed setting away from church premises, but COVID has seriously impacted on their delivery.
- COVID has meant that normal Luncheon Clubs that operate in some churches and providing a vital link to local communities, ensuring that those who attend receive at least one hot meal a week, and giving them a chance to meet and socialise with others, have had to close temporarily.
- Many churches have fellowship groups or cells meeting during the week to strengthen and develop their Christian faith through interaction, sharing experiences and study. The circuit also provides specific materials to allow a common study across all the groups (such as Lent and Advent). The use of video platforms such as Zoom has increased greatly.
- Family film nights continue to be popular, though fewer.

- Family services are held across the circuit. Where there are associated uniformed groups Parade Services are held that can also attract parents to church. 'Messy Church' services also take place which involve all age groups working and worshipping together.
- There are good relationships with local schools and Ministers frequently lead school assemblies.
- All members and regular attendees have Pastoral Visitors allocated to them, who visit them and maintain an awareness of their well-being. Concerns are referred to the relevant Minister with pastoral oversight, who will also visit them when possible.
- The circuit maintains a presence on the web, with a website and Facebook page. Those seeking information or wishing to share their concerns can contact the appropriate Circuit Officers via email.

INCOME TRENDS:

The primary source of Circuit income is derived from the assessment paid by the circuit churches.

EXPENDITURE TRENDS:

- Expenditure for the year was kept within budget guidelines.
- Stipend expenditure has increased each budget year in line with conference approved increases.
- Eighteen percent of expenditure is the circuit contribution to the District and Connexion, of which a significant part funds the work of the wider Methodist Church.
- The other expenditure includes maintenance of manses, ministerial travel, telephone, stationery etc.
- The circuit supports the work of the RoadHog through a grant of £10k and CAP through a £3.5k grant both annually.

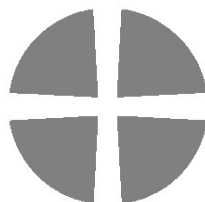

FUND BALANCES:

As of 31 August 2021, the net current assets of the circuit are £847k (General A/C £188k, CFB £169k Model Trust £490k). Funds have been designated for circuit/church projects (£325k) and various internal and external missional projects (restrictions apply). There are adequate reserves to cover six months of expenditure as part of the circuit reserves policy. The circuit also has six properties in its portfolio, which are manses for the ministers.

PLANS FOR 2021/2022:

This is the fifth year of Lincoln Methodist Circuit.

The CLT continues to navigate issues affecting the circuit, especially considering the restrictions imposed due to the COVID19 pandemic. Work continues to develop the vision and strategy of the circuit. Changes in Methodist Policy and trusteeship present new opportunities for the kingdom.

1 Basis of accounting

The financial statements have been prepared under the Charities Act 2011 in accordance with the 2014 version of Accounting and Reporting by Charities: Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard for Smaller Entities applicable in the UK (effective from 1 January 2015) – the Charities SORP (FRSSE) – in replacement for the SORP's 2005 version specified in its related 2008 Regulations and in accordance with the 'true and fair override' provision contained therein.

2 Funds

The funds held include General Funds held for any purpose of the Circuit which are Unrestricted, the Circuit Model Trust Fund which has wide purposes defined in Standing Orders and is categorised as Unrestricted, Restricted funds which are held for a narrower purpose and are listed in the final Note below and Endowment funds which are also listed in that Note. Any funds may be represented by more than just cash.

3 Accounting policies

Basis

These accounts have been prepared on the basis of historical cost, except that investments are shown at their market value at the end of the year, on the accruals basis to show a true and fair view of the Circuit's financial position and activities.

Income Recognition

Income is included in the Statement of Financial Activities (SOFA) when the Circuit becomes entitled to the resources, and the trustees are reasonably certain they will receive the resources; and the monetary value can be measured with sufficient reliability.

Resources Expended

This is recognised when a liability is incurred, or a constructive obligation arises, that results in the payment being unavoidable. Liabilities are recognised as soon as an outflow of economic benefit is considered more likely than not under the legal or constructive obligation committing the Circuit to pay out resources.

Grants

Grants made by the Circuit from its own funds are recognised in full at the time of agreement or when the Circuit accepts that there is a legal or operational obligation to make the payment. When the grant is recurrent over more than one year the balance payable in future years is treated as a provision for future commitments in the Balance Sheet against the appropriate fund, the provision being released in future years as instalments are paid in accordance with the originally agreed terms.

VAT

Since the Circuit is not VAT registered, all input VAT is charged with the expense to which it refers.

Tangible fixed assets for use by the Circuit

These are capitalised if their anticipated reliable life is more than one year, and individually cost at least £2,000.

The freehold properties are shown in the accounts at 2015 deemed values, of which the land component in the opinion of the Trustees is £620,000. No depreciation is provided on any of the buildings because the trustees consider their current residual fair value (on the assumption that they had reached the end of their useful economic lives by the year-end) to be not less than its current value. Any depreciation would not be material. The properties have been reviewed for impairment.

Investment Properties

The other surplus properties provide income to the circuit. 2 manse are currently for sale and the funds will be offset against a new manse bought by the circuit. The other manse and church are rented to provide income to the circuit. They are not held for their investment potential and are therefore included in Freehold Property, shown as Other Buildings in Note 8. The income is described in the SOFA as "income from Investment Properties" as a means of highlighting the materiality of the income.

Investments

Investments are valued in the balance sheet at market value at the year end. Investment income is included in the accounts when receivable and any gains or losses on revaluation at the year end are shown in the SOFA.

Debtors and Prepayments

Debtors relate to the payment of the September stipends in August, a cost paid in advance of the service to be received.

Creditors

Creditors relate to the receipt of money for Church Assessments due for September.

Impact of Accounting changes

There are no Accounting changes

12. Investments

The funds that support the Circuit Model Trust Fund are held by TMCP in Trustees Interest Funds on which interest is credited to the accounts each month.

TMCP is the legal owner and Custodian Trustee of all Methodist Trust Property, including Legacies, Endowments and Accumulated Funds. Trust property is held for and on behalf of local Managing Trustees who are responsible for the day to day management of trust property. TMCP ensure that, through providing guidance and acting under their direction, the Managing Trustees comply with charity law and Methodist law and policy as determined by the Methodist Conference.

Independent Examiner's Report to the Trustees of the

Lincoln Circuit

Circuit

Responsibilities and basis of Report

I report to the trustees on my examination of the accounts of the Lincoln Circuit for the year ended 31 August 2021. As the Circuit's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Circuit's accounts carried out under section 145 of the Act and, in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Lincoln Circuit

Basis of Independent Examiner's Report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent Examiner's Statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below*) which give me cause to believe that in, any material respect:

the accounting records were not kept in accordance with section 130 of the Act; or

the accounts do not accord with the accounting records; or

the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view, which is not a matter considered as part of an independent examination; or

the trustees' annual report is not consistent with the accounts

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

I have/have not* obtained independent verification of all investments with the Trustees for Methodist Church Purposes or held in other trusts, bank balances and funds at the Central Finance Board of the Methodist Church at the balance sheet date.
