You **may choose** to include additional information, where relevant, about:

- ☐ policies and procedures adopted for the induction and training of trustees;
- ☐ the charity's organisational structure and any wider network with which the charity works;
- ☐ relationship with any related parties;
- ☐ trustees' consideration of major risks and the system and procedures to manage them.

As of 1st July 2018, Equip has worked as a registered INGO (International Non-Governmental Organisation) in Rwanda. The Trustees remain accountable directly to the Rwandan Governance Board and the Rwandan Ministry of Education for all projects funded by the Charity.

The Trustees (of Equip) have a Director of Operations who is resident in Rwanda and responsible for managing and monitoring all activities. This representative is empowered to carry out the work of Equip in Rwanda. The Trustees are provided with regular feedback on the progress of all agreed objectives.

The Trustees have set up regulated 'Equip' bank accounts in Rwanda and all planned expenditure continues to be carried out under the direct control of the UK Charity. Management accounts are maintained and are scrutinised by qualified agents working in Rwanda and in the UK.

Equip continues to work within its Memorandum of Understanding with the Rwandan Ministry of Education (MINEDUC).

The Trustees continue to maintain an up to date risk register which outlines action taken to minimise risk. The Trustees are confident that the actions taken this year have provided increased accountability and better value for money.

Safeguarding training is carried out regularly in the UK and in Rwanda in conjunction with the agency 'thirtyone:eight'.

Summary of the objects of the charity set out in its governing document

Object 1 - to prevent and relieve poverty in east Africa and elsewhere for the public benefit by (but not by way of limitation) providing and assisting in the provision of education, training, health care projects and all the necessary support designed to enable individuals to generate a sustainable income and be self-sufficient and to support communities to find sustainable means of economic growth and regeneration.

Object 2 - the advancement of education on the basis of Christian principles in east Africa and elsewhere for the public benefit including (but not by way of limitation) the provision of such education in any educational establishment and the provision of one or more educational establishments for the general education of children or adults on the basis of such Christian principles as the trustees may from time to time think fit.

Object 3 - to relieve the sickness and promote the preservation of health among people in east Africa and elsewhere for the public benefit by (but not by way of limitation) providing or assisting in the provision of medical supplies, equipment, facilities, services, support, education and practical advice.

Object 4 - the advancement of the Christian faith in accordance with the doctrines set out in the schedule to the articles hereto and the worship of God in East Africa and elsewhere for the public benefit as the trustees from time to time think fit including (but not by way of limitation) the preaching and proclamation of the Christian gospel and the teaching of Christian doctrine and principles and other such purposes which are exclusively charitable according to the law of England and Wales and are connected to the charitable work of the charity.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Equip continues to operate legally in Rwanda as an International Non Governmental Organisation (INGO), working with the Rwandan Governance Board, the Ministry of Education and local district authorities to deliver quality TVET (Technical and Vocational Education and Training) education and a range of church-led youth community projects.

As part of an ongoing evaluation, Equip reviewed its partnerships and activities based on feedback from monitoring visits and following discussions with the team in Rwanda and key beneficiaries in the field.

Relationships with EPR, a former implementation partner, have remained open so that we can ensure that good use continues to be made of expertise and resources. Visits from field workers have found that the school continues to operate and we are in negotiation about how we can share donated equipment more effectively with other schools. A key learning point for the Charity is that it is important to make expectations clear about how resources should be redeployed once a particular project come to a conclusion.

Following the success of the The Equip Teaching Awards in 2023-24, the winners were invited to lead sessions with groups of other teachers. The aim was to share good practice and promote the scheme to future prospective applicants. Education consultants are currently reviewing the success of these sessions and taking advice about the best way to use the Award Scheme in the future.

Work began to address the issue of school equipment for children and the focus was on those children who attend the Victory Football Academy and through our other current community partners. 50 school bags were created and distributed to these children as a pilot project. These were well received and plans are underway to extend this into the next year.

Victory Football Academy continues with excellent attendance from all three age groups. The coaches have worked with the teams of young players throughout the year in a weekly training programme and have also provided the opportunity for the children to experience friendly competitive matches with other teams. Plans are in place to enter a formal tournament in the following summer. The Academy is well supported in the UK through the provision of football boots, match balls and other training equipment. Training sessions begin with prayer and a short teaching session focusing on a passage from the Bible.

Whilst continuing to support our other existing projects, The Joy of a Child, Miracle Soccer Ministries, Educators for Needy Children and the village of Ayabaraya, the Trustees have decided to pilot our own community project based on the best practice learned from working with these partners. In November 2024, a Sunday morning session was piloted for around 40 children with a view to providing food, Bible teaching and school equipment. The idea is to use our experience to design and model the best way to serve children and families with the resources that we are able to provide. The working title for this project is House of Hope.

The priorities for 2025-26 remain unchanged and the Trustees will continue to evolve the work around The Teaching Awards and Community Support to best suit the emerging challenges and available resources.

In reviewing these activities, the Trustees are confident that they have complied with the guidance issued by the Charity Commission on public benefit.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- ☐ policy on grantmaking;
- ☐ policy programme related investment;
- ☐ contribution made by volunteers.

Equip continues to utilise offers of help from supporters and activities are designed on an ad hoc basis according to the availability of support, the suitability of skills and the availability of opportunities within the Charity's overall aims and objectives.

Trustees visited Rwanda in February 2025 to, review current activities, appoint a new leadership team and secure accommodation for the local office and emerging community work.

Summary of the main achievements of the charity during the year

Update on 2024-2025 Objectives

A visit by the Trustees took place in February 2025 which involved a deep review of all activities.

The Trustees are happy to answer any specific questions that may arise from this report. Details of how to contact the Trustees can be found on the website at www.equipuk.org.

Objective 1: Continue the development and training of teachers within TVET schools through the Teaching Awards programme.

- ☐ Each 2023-24 Award Winner has led a session with a small group of other TVET teachers to promote best practice.
- ☐ 30 teachers in total have received an attendance certificate for this session.
- ☐ Teachers are currently developing their work with a view to submitting a credible Teaching Award application during the next round.
- ☐ Equip educational leaders are assessing the best way to structure the next round of awards, taking account of this year's activities.

Objective 2: Provide school equipment for vulnerable children (mainly through filled back packs)

- ☐ 50 back packs have been provided to children connected to current Equip activities
- ☐ Further roll out is planned as part of the pilot 'House of Hope' project

Objective 3: The development of Victory Football Academy (to promote school attendance)

- ☐ Weekly training sessions are well attended by all age groups
- ☐ Quality coaching takes place and the opportunity for competitive matches
- ☐ Bible-focused activities are foundational part of the programme

Objective 4: Develop community leadership models and activities

- ☐ The Trustees have worked in conjunction with the following community projects:
 - ☐ Miracle Soccer Ministries
 - ☐ Joy of a Child
 - ☐ Educators for Needy Children
- ☐ The Trustees are developing an independently run activity to provide these support services to key community groups
- ☐ House of Hope launched in November 2024 to pilot and develop this idea.
- ☐ House of Hope will be the focus for this community leadership and development programme in the future.

Section E

Financial review

Brief statement of the charity's policy on reserves

The charity does not hold reserves and ensures that all financial commitments are conditional upon funds being available.

Details of any funds materially in deficit

There are no funds materially in deficit.

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- ☐ the charity's principal sources of funds (including any fundraising);
- ☐ how expenditure has supported the key objectives of the charity;
- ☐ investment policy and objectives including any ethical investment policy adopted.

The charity raised funds from regular and individual donations. This has stabilised and is now consistent compared to previous years.

There are no restricted funds.

Directors' expenses of £1458 (£4334 2023/24) included travel expenses to Rwanda in order to provide monitoring of projects, expert advice to teachers and leaders, and research and evaluation for the revision of current objectives.

2024/25 Equip Annual Accounts (PJR20260109) – Receipts £26,925.45, Payments £23,849.59, Surplus in the year £3,075.86. Total of Paypal and bank account balances at 31/3/2024 £14,921.92 which is the sum of accumulated surpluses in prior years.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31 / 03 / 2025**.

**Responsibilities and
basis of report**

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

As of 1st July 2018, Equip has worked as a registered INGO (International Non-Governmental Organisation) in Rwanda. The Trustees are now accountable directly to the Rwandan Governance Board and the Rwandan Ministry of Education for all projects funded by the Charity.

The Trustees (of Equip) have a Director of Operations who is resident in Rwanda and responsible for managing and monitoring all activities. This representative is empowered to carry out the work of Equip in Rwanda. The Trustees are provided with regular feedback on the progress of all agreed objectives.

The Trustees have set up regulated 'Equip' bank accounts in Rwanda and all planned expenditure continues to be carried out under the direct control of the UK Charity. Management accounts are maintained and are scrutinised by qualified agents working in Rwanda and in the UK.

Equip continues to work within its Memoranda of Understanding which has been renewed this year (this time for a five year term) with the Rwandan Ministry of Education (MINEDUC) and Eglise Presbyterienne au Rwanda (EPR) (MoU reviewed annually). These partnerships are designed to enable the development of TVET schools across the country.

The Trustees continue to maintain an up to date risk register which outlines action taken to minimise risk. The Trustees are confident that the actions taken this year have provided increased accountability and better value for money.

Summary of the objects of the charity set out in its governing document

Object 1 - to prevent and relieve poverty in east Africa and elsewhere for the public benefit by (but not by way of limitation) providing and assisting in the provision of education, training, health care projects and all the necessary support designed to enable individuals to generate a sustainable income and be self-sufficient and to support communities to find sustainable means of economic growth and regeneration.

Object 2 - the advancement of education on the basis of Christian principles in east Africa and elsewhere for the public benefit including (but not by way of limitation) the provision of such education in any educational establishment and the provision of one or more educational establishments for the general education of children or adults on the basis of such Christian principles as the trustees may from time to time think fit.

Object 3 - to relieve the sickness and promote the preservation of health among people in east Africa and elsewhere for the public benefit by (but not by way of limitation) providing or assisting in the provision of medical supplies, equipment, facilities, services, support, education and practical advice.

Object 4 - the advancement of the Christian faith in accordance with the doctrines set out in the schedule to the articles hereto and the worship of God in East Africa and elsewhere for the public benefit as the trustees from time to time think fit including (but not by way of limitation) the preaching and proclamation of the Christian gospel and the teaching of Christian doctrine and principles and other such purposes which are exclusively charitable according to the law of England and Wales and are connected to the charitable work of the charity.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Equip is delighted to report that once again it has fulfilled the requirements to operate legally in Rwanda as an International Non Governmental Organisation (INGO), working with the Rwandan Governance Board, the Ministry of Education and local district authorities to deliver quality TVET (Technical and Vocational Education and Training) education and a range of church-led youth community projects.

It is worthy of note that this certification has now been awarded for a five year period rather than usual annual renewal. This recognises the Charity's endeavours in fulfilling our agreed objectives.

Equip is currently running TVET schools, working closely with the local leadership to provide appropriate staff and resources. Equip is also working to ensure that all students can receive approved qualifications.

Finally, Equip continues to support a number of community projects, many run in conjunction with local churches. These include a feeding programme for needy children and a soccer academy to develop the aspirations of young people. This work is delivering good value and is easy to deliver.

In reviewing these activities, the Trustees are confident that they have complied with the guidance issued by the Charity Commission on public benefit.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Equip continues to utilise offers of help from supporters and activities are designed on an ad hoc basis according to the availability of support, the suitability of skills and the availability of opportunities within the Charity's overall aims and objectives.

An update of the Charity's website was commissioned and was led by a specialist volunteer.

Trustees visited Rwanda for the first time since the lifting of COVID-19 restrictions.

Face to face meetings were held with the Director of Operations (in post since Aug 2020) for the first time.

Summary of the main achievements of the charity during the year

Update on 2022-2023 Objectives

The Trustees would like to point out that the COVID 19 crisis has impacted activities during 2020-21. A visit took place in October 2022 which involved a deep review of all activities.

The Trustees are happy to answer any specific questions that may arise from this report. Details of how to contact the Trustees can be found on the website at www.equipuk.org.

Objective 1: Continue the development and funding of TVET schools in Rwanda

- The EPR partner VTC (Vocational Training Centre) in Nyamirama continues to operate and is fully funded by Equip monies.
- The necessary permissions from local and national governance have all been renewed successfully.
- The 2022 cohort have graduated meaning that around another 60 students both male and female now have a recognised vocational qualification.
- The school continues to be registered by the WDA (Workforce Development Authority) as an accredited TVET (now VTC) school.

Objective 2: Support a high-quality teaching workforce

- Educational specialists in the UK continue to mentor school leaders in Rwandan schools. (COVID restrictions allowing)
- The Teaching Awards, designed in consultation with local advisors and ready to deploy, has been delayed until the completion of the new website. This has allowed time to refine the application process and develop ways to promote the scheme across the various districts.

Objective 3: Develop community leadership models and activities

- The Trustees continue to fund the following community projects:
 - o Miracle Soccer Ministries
 - o Joy of a Child
 - o Educators for Needy Children
- The Trustees are currently funding community projects within a government funded model village.
- Equip Rwandan national leadership continues to work with the leaders of these projects to develop best practise and maximise their impact within the communities they serve.

Section E

Financial review

Brief statement of the charity's policy on reserves

The charity does not hold reserves and ensures that all financial commitments are conditional upon funds being available.

Details of any funds materially in deficit

There are no funds materially in deficit. The deficit of around £3000 shown in this year's accounts has been caused by the disbursement of accruals held back during the COVID period.

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The charity raised funds from regular and individual donations. This has reduced slightly compared to previous years.

Fundraising events, paused because of COVID 19, have yet to be re-established and key discussions are taking place to devise a suitable strategy to address this lost momentum.

There are no restricted funds.

Directors' expenses of £3078 included travel expenses to Rwanda in order to provide monitoring of projects, expert advice to teachers and leaders, and research and evaluation for the post-COVID era.

Independent Examiner's Report

Report to the trustees	Equip		
On accounts for the year ended	31 st March 2023	Charity no	1134890
Set out on pages	2022/23 Equip Annual Accounts (PR20240112v2) – Receipts £26,401.61, Payments £29,833.42, Deficit in the year £3,431.81. Total of paypal and bank accounts at 31/3/2023 £11,598.89.		

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31 / 03 / 2023**.

Responsibilities and
basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

As of 1st July 2018, Equip has worked as a registered INGO (International Non-Governmental Organisation) in Rwanda. The Trustees are now accountable directly to the Rwandan Governance Board and the Rwandan Ministry of Education for all projects funded by the Charity.

The Trustees (of Equip) have appointed a Director of Operations who is resident in Rwanda and responsible for managing and monitoring all activities. This representative is empowered to carry out the work of Equip in Rwanda. The Trustees are provided with regular feedback on the progress of all agreed objectives.

The Trustees have set up regulated 'Equip' bank accounts in Rwanda and all planned expenditure continues to be carried out under the direct control of the UK Charity. Management accounts are maintained and are scrutinised by qualified agents working in Rwanda and in the UK.

Equip continues to work within its Memoranda of Understanding (renewed this year) with the Rwandan Ministry of Education (MINEDUC) and Eglise Presbyterienne au Rwanda (EPR). These partnerships are designed to enable the development of TVET schools across the country.

The Trustees continue to maintain an up to date risk register which outlines action taken to minimise risk. The Trustees are confident that the actions taken this year have provided increased accountability and better value for money.

Summary of the objects of the charity set out in its governing document

Object 1 - to prevent and relieve poverty in east Africa and elsewhere for the public benefit by (but not by way of limitation) providing and assisting in the provision of education, training, health care projects and all the necessary support designed to enable individuals to generate a sustainable income and be self-sufficient and to support communities to find sustainable means of economic growth and regeneration.

Object 2 - the advancement of education on the basis of Christian principles in east Africa and elsewhere for the public benefit including (but not by way of limitation) the provision of such education in any educational establishment and the provision of one or more educational establishments for the general education of children or adults on the basis of such Christian principles as the trustees may from time to time think fit.

Object 3 - to relieve the sickness and promote the preservation of health among people in east Africa and elsewhere for the public benefit by (but not by way of limitation) providing or assisting in the provision of medical supplies, equipment, facilities, services, support, education and practical advice.

Object 4 - the advancement of the Christian faith in accordance with the doctrines set out in the schedule to the articles hereto and the worship of God in East Africa and elsewhere for the public benefit as the trustees from time to time think fit including (but not by way of limitation) the preaching and proclamation of the Christian gospel and the teaching of Christian doctrine and principles and other such purposes which are exclusively charitable according to the law of England and Wales and are connected to the charitable work of the charity.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Equip continues as a registered INGO in Rwanda working with the Rwandan Governance Board, the Ministry of Education and local district authorities to deliver quality TVET (Technical and Vocational Education and Training) education and a range of church-led youth community projects.

Equip is currently running TVET schools, working closely with the local leadership to provide appropriate staff and resources. Equip is also working to ensure that the all schools are properly registered with the Workforce Development Agency (WDA) so that all students can receive approved qualifications.

Equip has reviewed its objective to develop an appropriate business development model designed to support the newly skilled TVET students as they enter into the business arena and decided that this is no longer viable with the available funds. The objective will continue to be promoted where possible within other relevant objectives.

Finally, Equip continues to support a number of community projects, many run in conjunction with local churches. These include a feeding programme for needy children and a soccer academy to develop the aspirations of young people. This work is delivering good value and is easy to deliver.

In reviewing these activities, the Trustees are confident that they have complied with the guidance issued by the Charity Commission on public benefit.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Equip continues to utilise offers of help from supporters and activities are designed on an ad hoc basis according to the availability of support, the suitability of skills and the availability of opportunities within the Charity's overall aims and objectives.

It has not been possible for Trustees to visit Rwanda during this period because of COVID-19 restrictions. Therefore, additional monitoring has continued using online communication.

Summary of the main achievements of the charity during the year

Update on 2020-2021 Objectives

The Trustees would like to point out that the COVID 19 crisis has impacted activities during 2020-21.

The Trustees are happy to answer any specific questions that may arise from this report. Details of how to contact the Trustees can be found on the website at www.equipuk.org.

Objective 1: Continue the development and funding of TVET schools in Rwanda

- The EPR partner TVET school (now known as a VTC: Vocational Training Centre) in Nyamirama continues to operate and is fully funded by Equip monies.
- The necessary permissions from local and national governance have all been renewed successfully.
- The 2021 cohort have graduated meaning that around 100 students both male and female now have a recognised vocational qualification.
- The school continues to be registered by the WDA (Workforce Development Authority) as an accredited TVET (now VTC) school.

Objective 2: Develop ways to equip young people with relevant business skills and experience

- Having reviewed this objective, the Trustees have concluded that it has been too difficult to establish a meaningful project and therefore this particular aspect of support will cease at the end of this period.

Objective 3: Support a high-quality teaching workforce

- Educational specialists in the UK continue to mentor school leaders in Rwandan schools. (COVID restrictions allowing)
- The Teaching Awards have been designed in consultation with local advisors and are now ready to deploy at the next suitable starting point.

Objective 4: Develop community leadership models and activities

- The Trustees continue to fund the following community projects:
 - Miracle Soccer Ministries
 - Joy of a Child
 - Educators for Needy Children
- The Trustees are currently funding community projects within a government funded model village.
- Equip Rwandan national leadership continues to work with the leaders of these projects to develop best practise and maximise their impact within the communities they serve.
- This work has proved valuable throughout the period of COVID restrictions. It is very effective, good value for money and easy to deliver.

Section E

Financial review

Brief statement of the charity's policy on reserves

The charity does not hold reserves and ensures that all financial commitments are conditional upon funds being available.

Details of any funds materially in deficit

There are no funds materially in deficit.

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The charity raised funds from regular and individual donations. This has remained at a similar level to previous years. There have been no fundraising events this year due to COVID-19.

The Coins for Kigali project raised £1253.

There are no restricted funds.

Directors' expenses are zero for this reporting period due to the lack of activity because of COVID-19.

Respective responsibilities of trustees and examiner		The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed. It is my responsibility to: 1 examine the accounts under section 145 of the Charities Act, 2 to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and 3 to state whether particular matters have come to my attention.		
Basis of independent examiner's statement		My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.		
Independent examiner's statement		In connection with my examination, no matter has come to my attention 1. which gives me reasonable cause to believe that in, any material respect, the requirements: • to keep accounting records in accordance with section 130 of the Charities Act; and • to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or 2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.		
Independent examiner's statement		In connection with my examination, no matter has come to my attention 1. which gives me reasonable cause to believe that in, any material respect, the requirements: • to keep accounting records in accordance with section 130 of the Charities Act; and • to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or 2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
