b) **Key Performance Indicators**

Shree Ram Krishna Community Project

Registered company number:- 06649268

Trustees' Annual Report for the year ended 31 March 2021

The charity income exceeded its expenditure by £27,613 for the year ended 31 March 2021 (2020: 14,598).

Principal sources of income were Creche funding, and principal expenditure was on staff to deliver the charity's services.

Whilst activities have been somewhat curtailed as a result of the restrictions necessary during the Covid-19 pandemic, the majority have been able to continue functioning with all the necessary protective precautions in place.

The Project has been able to secure funding for the following activities (and also for some projects that will be beginning in the near future).

The Project continues to work with Loughborough college to deliver child care facilities and ESOL classes to the community.

Grants were also received to provide the following:

- 1) workshops on health, well-being and communication for parents of the Little Fingers pre-school children;
- 2) new furniture for Little Fingers pre-school (grant from Loughborough University);
- 3) a telephone befriending project to combat isolation in the South Asian community;
- 4) a project to provide children aged 5-15 eligible for free school meals with nutritious meals and activities during the school holidays;
- 5) a grant from Charnwood Borough Council to replace the Project's printer and a room divider screen;
- 6) a Covid support grant from Charnwood Borough Council to help with provision of Personal Protective Equipment for staff and visitors to the Project and also to install a video door entry system and locks to provide better security;
- 7) a group to support female BAME members of the community who suffer from isolation.

Plans are in place to set up a web site for the Project to publicise the extent of the current activities available and to inform the wider community of the availability of rooms for hire for future activities. This will include the future provision of information via other social media e.g. FaceBook.

c) *Policies on reserves.*

The charity holds a designated reserve of £34,782 for the replacement of its minibus. The minibus reserve is not considered as part of 'free reserves' as the minibus will need to be replaced soon. It is the policy of the charity to build up a contingency reserve of approximately 4 months staff costs of £25,000. The trustees aim to try to increase 'free reserves' to this level over a 2-3 year period.

d) *Going Concern*

The trustees consider the financial performance by the charity during the year to have been satisfactory. After making appropriate enquiries, the governing body has a reasonable expectation that the academy has adequate resources to continue in operational existence for the foreseeable future. For this reason it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies.

e) *Availability and adequacy of assets of each of the funds*

The board of trustees is satisfied that the charity's assets in each fund are available and adequate to fulfil its obligations in respect of each fund.

f) Financial Risk Management Policies

The trustees have addressed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to major risks. This management strategy is reviewed annually. The trustees have taken steps to see that trustees and staff have the necessary knowledge, expertise and responsibilities to help mitigate risk.

-One member of staff is responsible for Health and Safety at Work. Three staff hold current certificates in First Aid at Work.

-Training has been given to trustees and staff in child protection legislation and all other relevant legislation relating to childcare. Appropriate policies and procedures are in place, along with the relevant registrations with the authorities.

Plans For the Future

The Academy is exploring new ideas and projects and seeking alternative sources of funds. It is charity plan that the project other facilities can also be refurbished in the near future and we are seeking further funds to finance this. The Project continues to work with Loughborough college to deliver child care facilities and ESOL classes to community.

Statement of Directors' and Trustees' Responsibilities

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Companies Act 2006, Charities Act 2011 and the Charities (Accounts and Reports) Regulations 2008. Notwithstanding the explicit requirement in the extant statutory regulations, the Charities (Accounts and Reports) Regulations 2008, to prepare the financial statements in accordance with the SORP 2005, in view of the fact that the SORP 2005 has been withdrawn, the determined to interpret this responsibility as requiring them to follow current best practice and prepare the accounts according to the FRS 102 SORP 2015.

In particular, the Companies Act 2006 and charity law require the Board of Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the Board is required to :-

- to prepare the accounts in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law).
- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements;

The law requires that the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for the year.

Report of the Independent Examiner to the Trustees of the charitable company on the accounts for the year ended 31 March 2021

I report on the financial statements of the charitable company on pages 12 to 20 for the year ended 31 March 2021 which have been prepared in accordance with the Charities Act 2011 (the Act) and with the Financial Reporting Standard 102 (effective January 2015) as modified by the Statement of Recommended Practice for Accounting and Reporting issued by the Charity Commission for England & Wales, effective January 2015 (The SORP), under the historical cost convention and the accounting policies set out on page 19.

Respective responsibilities of Trustees and Independent Examiner

As described on page 9, the charitable company's Trustees, who are also the Directors of the Company for the purposes of Company law, are responsible for the preparation of the financial statements.

The Trustees consider that the audit requirement of Section 144(1) of the Charities Act 2011 (the Act) does not apply, and that there is no requirement in the memorandum and articles of the charity for the conducting of an audit, and that the accounts do not require an audit in accordance with Part 16 of the Companies Act 2006 and that no member or members have requested an audit pursuant to section 476 of the Companies Act 2006. As a consequence, the Trustees have elected that the financial statements be subject to independent examination.

Having satisfied myself that the charity is not subject to audit under any legal provision, or otherwise, and is eligible for independent examination, it is my responsibility to:-

- a) examine the accounts under section 145 of the Act;
- b) follow the procedures in the General Directions given by the Charity Commission under section 145(5)(b) of the Act; and;
- c) state whether particular matters have come to my attention.

Basis of Examiner's Statement and scope of work undertaken

I conducted my examination in accordance with the General Directions issued by the Charity Commission for England & Wales, under section 145(5)(b) of the Act, setting out the duties of an Independent Examiner in relation to the conducting of an Independent Examination. An Independent Examination includes a review of the accounting records kept by the charitable company and of the accounting systems employed by the charitable company and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you, as Trustees, concerning such matters. The purpose of the examination is to establish as far as possible that there have been no breaches of charity legislation and that the financial statements comply with the SORP, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

The procedures undertaken do not provide all the evidence that would be required in an audit, and information supplied by the Trustees in the course of the examination is not subjected to audit tests or enquiries, and consequently I do not express an audit opinion on the view given by the financial statements, and in particular, I express no opinion as to whether the financial statements give a true and fair view of the affairs of the charity, and my report is limited to the matters set out in the statement below.

I planned and performed my examination so as to satisfy myself that the objectives of the Independent Examination are achieved and before finalising the report I obtained written assurances from the Trustees of all material matters.

Independent Examiner's Statement, Report and Opinion

Subject to the limitations upon the scope of my work as detailed above, in connection with my examination, I can confirm that :-

In accordance with Regulation 31 of The Charities (Accounts and Reports) Regulations 2008, (The Regulations) the accounts of this charitable company are not required to be audited under Part 16 of the Companies Act 2006;

Shree Ram Krishna Community Project

This is a report in respect of an examination carried out under section 145 of the Act and in accordance with any directions given by the Commission under subsection (5)(b) of that section which are applicable;

and that no matter has come to my attention in connection with my examination which gives me reasonable cause to believe that in any material respect the requirements :-

to keep accounting records in accordance with section 386 of the Companies Act 2006 and section 130 of the Charities Act 2011;

to prepare financial statements which accord with the accounting records and comply with the accounting requirements of section 396 of the Companies Act 2006 and The Charities Act 2011 and;

that the accounts comply with section 396 of the Companies Act 2006 and that the financial statements be prepared in accordance with the methods and principles set out in the Statement of Recommended Practice - Accounting and Reporting by Charities (effective January 2015)

have not been met or to which, in my opinion, attention should be drawn in my report in order to enable a proper understanding of the accounts to be reached;

Shree Ram Krishna Community Project

Notes to the Accounts for the year ended 31 March 2021

1 Accounting policies

Policies relating to the production of the accounts.

Basis of preparation and accounting convention

The accounts have been prepared on the accruals basis, under the historical cost convention, and in accordance with the Financial Reporting Standard 102 (effective January 2015)) and 'The FRS102 Statement of Recommended Accounting Practice 2015', (The SORP 2015), and in accordance with all applicable law in the charity's jurisdiction of registration.

Company Status

The company is limited by guarantee. The members of the company are the Trustees named on page ... In the event of the company being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity.

Risks and future assumptions

The accounts have been prepared on a going concern basis on the assumption that grant income from funding bodies will continue to be received.

Policies relating to categories of income and income recognition.

Nature of Income and Income recognition

Income, is received by way of grants, donations and gifts, is recognised in the statement of financial activities (SOFA) on a receivable basis, when a transaction or other event results in an increase in the charity's assets or a reduction in its liabilities and only when the charity has legal entitlement, the income is probable and can be measured reliably.

Income subject to terms and conditions which must be met before the charity is entitled to the resources is not recognised until the conditions have been met.

All income is accounted for gross, before deducting any related fees or costs.

Accounting for deferred income and income received in advance

Where time related conditions are imposed or implied by a funder, then the income is apportioned to the time periods concerned, and, where applicable, is accounted for as a liability and shown on the balance sheet as deferred income. When grants are received in advance of the expenditure on the activity funded by them, but there are no specific time related conditions, then the income is not deferred.

Any condition that allows for the recovery by the donor of any unexpended part of a grant does not prevent recognition of the income concerned, but a liability to any repayment is recognised when repayment becomes probable.

Recognition of liabilities and expenditure

A liability, and the related expenditure, is recognised when a legal or constructive obligation exists as a result of a past event, and when it is more likely than not that a transfer of economic benefits will be required in settlement, and when the amount of the obligation can be measured or reliably estimated..

Shree Ram Krishna Community Project

Notes to the Accounts for the year ended 31 March 2021

Liabilities arising from future funding commitments and constructive obligations, including performance related grants, where the timing or the amount of the future expenditure required to settle the obligation are uncertain, give rise to a provision in the accounts, which is reviewed at the accounting year end. The provision is increased to reflect any increases in liabilities, and is decreased by the utilisation of any provision within the period, and reversed if any provision is no longer required. These movements are charged or credited to the respective funds and activities to which the provision relates.

Volunteers

In accordance with the SORP, and in recognition of the difficulties in placing a monetary value on the contribution from volunteers, the contribution of volunteers is not included within the income of the charity.

Tangible fixed assets

Tangible fixed assets are measured at their original cost value, or subsequent revaluation, or if donated, as described above. Cost value includes all costs expended in bringing the asset into its intended working condition.

Depreciation has been provided at the following rates in order to write off the assets to their anticipated residual value over estimated useful lives.

Plant and machinery	15 % reducing balance
---------------------	-----------------------

Debtors

Debtors are measured at their recoverable amounts at the balance sheet date.

Creditors and provisions

As required by SORP 10.81, describe the basis on which creditors and provisions for liabilities and charges are recognised and measured

Cash and Bank Balances

Cash held by the charity is included at the amount actually held and counted at the year end. Bank balances, whether in credit or overdrawn, are shown at the amounts properly reconciled to the bank statements.

Leasing and hire purchase contracts and commitments

Rentals paid under operating leases are charged to income on a straight line basis over the lease term.

Interest Receivable

Interest on fund held in deposit is included when receivable and can be measured reliably by the academy.

2 Liability to taxation

As a registered charity, the organisation is exempt from income and corporation tax to the extent that its income and gains are applied towards the charitable objects of the charity and for no other purpose. Value Added Tax is not recoverable by the charity, and is therefore included in the relevant costs in the Statement of Financial Activities.

3 Winding up or dissolution of the charity

If upon winding up or dissolution of the charity there remain any assets, after the satisfaction of all debts and liabilities, the assets represented by the accumulated fund shall be transferred to some other charitable body or bodies having similar objects to the charity.
