**Mid Cheshire Methodist Circuit  
TRUSTEES' ANNUAL REPORT**

**FOR THE YEAR ENDED 31 AUGUST 2022**

---

**Introduction**

The Circuit is made up of fifteen individual churches plus the Northwich Methodist Outreach Centre witnessing the Methodist faith and promoting Christian faith and values within their local community.

**Aims and organisation**

Showing God's love to the world and especially to the people of Northwich, Winsford and the surrounding area.

**Review of the year**

During the period there have been 15 churches practising according to the Methodist faith and values.

As anticipated we said goodbye at the end of the period to Rev Chris Pritchard who had served the Circuit for 7 years, the last 5 as Superintendent. He was replaced by Rev Janet Aspey. In place of Rev Harold Stuteley we welcomed an Overseas Minister and his family - Rev Allen Moyo.

The Circuit is staffed by 3 full time Presbyters and one full time Deacon.

**Income Trends**

Circuit income is primarily drawn from the Assessments paid by the circuit churches. A secondary income stream is from the hiring out of the Northwich Methodist Outreach (NMOC) Centre. It has been necessary to transfer a significant sum from the TMCP fund which has been augmented by the sale of Moulton and Cuddington chapels.

**Expenditure trends**

Stipend expenditure has increased each financial year in line with Conference approved increases. Our main expenditure is on Ministers' stipends and their personal expenses plus the cost of the Manses in terms of Utilities paid for by the Circuit and maintenance. There are major payments to the Chester & Stoke District . plus contributions to the wider Connexion of which a significant part is used to fund the work of the wider Methodist Church.

**Fund balances**

As at 31 August 2022 the net current assets of the Circuit were in line with the reserve policy. The capital account is showing net assets of £342,000 however this sum will reduce as shortfalls in the yearly current account are made good.

**Plans for 2022/2023**

Circuit financial plans for the coming year have been prepared on the basis of four full time ordained staff with anticipated cost of living stipend increases combined with an increase in the assessment paid to the district such that on average an increase in expenditure on those costs of around 4% is anticipated. Money has been withdrawn from TCMP Model Trust Funds primarily to cover heavy expenditure on the Manses. Two chapels have been granted temporary relief of 50% of their Assessment payments to tide them over cash flow problems.

### Risk Management

The major risks have been identified and recorded by the Circuit Leadership Team with professional advice taken as required.

There is a regular annual review process undertaken and recorded.

Income and Expenditure is being monitored in total and is compared with the approved annual budget on a half yearly basis to detect trends as part of the risk management process to avoid unforeseen calls on reserves.

### Safeguarding

*Every person has a value and dignity which comes directly from the creation of male and female in God's own image and likeness. Christians see this potential as fulfilled by God's re-creation of us in Christ. Among other things this implies a duty to value all people as bearing the image of God and therefore to protect them from harm.*

Methodist Connexional practice outlines commitment to the following principles:

- the care and nurture of, and respectful pastoral ministry with, all children, young people and adults
- the safeguarding and protection of all children, young people and adults when they are vulnerable
- the establishing of safe, caring communities which provide a loving environment where there is informed vigilance as to the dangers of abuse.
- We will carefully select and train all those with any responsibility within the Church, in line with Safer Recruitment principles, including the use of criminal records disclosures and registration with the relevant vetting and barring schemes.
- We will respond without delay to every complaint made which suggests that an adult, child or young person may have been harmed, cooperating with the police and local authority in any investigation.
- We will seek to work with anyone who has suffered abuse, developing with them an appropriate ministry of informed pastoral care.
- We will seek to challenge any abuse of power, especially by anyone in a position of trust.
- We will seek to offer pastoral care and support, including supervision and referral to the proper authorities, to any member of our church community known to have offended against a child, young person or vulnerable adult.
- In all these principles we will follow legislation, guidance and recognised good practice

The Mid Cheshire Methodist Circuit commits itself to ensuring the implementation of Connexional Safeguarding Policy; government legislation, guidance and safe practice in the circuit and in the churches.

The Mid Cheshire Methodist Circuit commits itself to the provision of support, advice and training for lay and ordained people that will ensure people are clear and confident about their roles and responsibilities in safeguarding and promoting the welfare of children and adults who may be vulnerable.

Supernumerary Minister Rev Pat Billsborrow has agreed to co-ordinate the Circuit's Safeguarding process with help and support from the District Team.

### Reserves Policy

The Reserves Policy for the Circuit is to hold a minimum sum equivalent to 6 months' average expenditure. This should be sufficient to meet any unforeseen item of major expenditure on manses and / or to be able to continue, in the short term, funding planned activities in the event of any inability to raise the full Circuit Assessment from churches.

Reserves are the sum totals of the designated net assets, restricted and unrestricted, which includes the net amount available in the Model Trust Fund No. 4363 held by the Trustees for Methodist Church Purposes (TMCP). Resulting from changes to Methodist Church Standing Orders in 2009, Circuit Model Trust Funds are now categorised as unrestricted funds and may, in effect, be used for any Methodist purpose.

## Notes to the Accounts

### 1 Basis of accounting

The financial statements have been prepared under the Charities Act 2011 in accordance with the 2014 version of Accounting and Reporting by Charities: Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard 102.

### 2 Funds

The funds held constitute: General Funds held for any purpose of the Circuit which are Unrestricted. The Circuit Model Trust Fund has wide purposes defined in Standing Orders and is categorised as unrestricted. Restricted funds which are held for a narrower purpose. There are also the following Endowment funds as listed. Details of each material fund are disclosed in the final note to these accounts. Any funds may be represented by more than just cash.

### 3 Accounting policies

#### Basis

These accounts have been prepared on the basis of historical cost except that investments are shown at their market value at the end of the year, on the accruals basis to show a true and fair view of the Circuit's financial position and activities.

#### Income Recognition

Income is included in the Statement of Financial Activities (SOFA) when the Circuit becomes entitled to the resources, and the trustees are reasonably certain they will receive the resources; and the monetary value can be measured with sufficient reliability.

#### Resources Expended

This is recognised when a liability is incurred, or a constructive obligation arises, that results in the payment being unavoidable. Liabilities are recognised as soon as an outflow of economic benefit is considered more likely than not under the legal or constructive obligation committing the Circuit to pay out resources.

#### Grants

Grants made by the Circuit from its own funds are recognised in full at the time of agreement or when the Circuit accepts that there is a legal or operational obligation to make the payment.

#### VAT

Since the Circuit is not VAT registered, all input VAT is charged with the expenses to which it refers.

#### Tangible fixed assets for use by the Circuit

These are capitalised if they can be used for more than one year, and individually cost at least £1,000.

The freehold property is shown in the accounts at market values. No depreciation is provided on the building because the trustees consider the current residual fair value of the manse buildings (on the assumption that it had reached the end of its useful economic life by the year-end) to be not less than its current value. Any depreciation would not be material. The property has been reviewed for impairment.

#### Investment Properties

Investment properties - no property is currently deemed to not be held for the long term purposes of the charity.

#### Investments

Investments are valued in the balance sheet at market value at the year end. Investment income is included in the accounts when receivable and any gains or losses on revaluation at the year end are shown in the SOFA.

#### Debtors and Prepayments

The debtors included in the accounts is in respect of a stipend paid to Rev James Patron Bell in error, which has been repaid but after the year end. The prepayment included in the accounts is in respect of rates and insurance.

#### Creditors

Creditors include both sundry expenses and specifically the 1st quarter assessment received in August.
