Annual report of the Parochial Church Council for the year ended 31 December 2024

Administrative Information

St. Thomas of Canterbury Church is situated in St Thomas Road Brentwood. It is part of The Diocese of Chelmsford within the Church of England. The correspondence address is The Church Centre, St Thomas Road, Brentwood CM14 4DF.

Structure, governance, and management

The method of appointment of PCC members is set out in the Church Representation Rules. All eligible Church attendees are encouraged to register on the Electoral Roll, attend the Annual Parochial Church Meeting, and stand for election to the PCC.

The PCC has reviewed the holding and processing of data for legal, personnel, administrative and management purposes and in particular to the processing of any "sensitive personal data" (as defined in the General Data Protection Regulation effective from the 25th May 2018). The PCC has a policy which is available to parishioners and the public on request (*St Thomas's Data Privacy Policy*).

Objectives and activities

St. Thomas of Canterbury PCC has the responsibility of co-operating with the Vicar, in promoting within the parish the whole mission of the Church, pastoral, evangelistic, social and ecumenical. It also has maintenance responsibilities for the Church, the Church Centre, Stokes House (for clergy accommodation) and the flats at 29 and 31 St. Thomas Road.

Achievements and performance

There are 167 (2023: 169) parishioners on the Church Electoral Roll, 91 of whom are not resident within the parish. 2 names were added during the year and 4 were removed through death, requested removal or because they moved away from the parish. The average weekly attendance in 2024, counted during October was 200 adults and 42 children, which is on average the same as the attendance measured in 2023.

In 2024, there was 1 confirmation service carried out, with 33 candidates confirmed, 29 children and 5 adults received the sacrament of baptism, 4 couples were married in the church and 1 marriage blessing was conducted. In addition, the parish clergy and licenced lay ministers conducted 5 funerals in the church and at local crematorium and cemeteries.

We continue to live stream our services using our Facebook and YouTube accounts and this continues to play an important role in developing the spiritual life of the parish. The clergy and licensed lay ministers have managed to offer daily live streamed morning and evening prayers. Services in the church are held over 6 days during the week with 3 services on a Sunday, with a specific family orientated mass offered on the last Sunday each month. Additional services are provided on Festivals and Holy days. The Church is usually open every day for prayer, information and as a sacred space for visitors.

The ministry team of clergy and licenced lay ministers have continued to support other churches within the deanery, leading worship and conducting pastoral offices as required.

Home groups, prayer groups and study groups continued to meet throughout the year using a blend of online methods and in person fellowship. This includes running the Alpha course twice a year and the course in Christian Studies which are open to all.

Review of the year

The full PCC met five times during the year (a mix of virtual and in-person meetings) with an average level of attendance of 61 per cent. Committees met between meetings and minutes of their deliberations were received by the full PCC and discussed where necessary.

Worship has continued to be live streamed to facilitate the involvement of those who are housebound or unable to attend in person and to act as an online window for the excellence in worship that we seek to provide. Our use of social media has been maintained during the year and we have seen a steady increase in those engaging with our life through this activity. We have also used our online shop to good effect, making it easy for people to donate and purchase items to aid their devotional life such as Lent books and Advent calendars. The Friends of St Thomas have run Education Sunday activities, Pancake Day, Easter activities, Pot Luck lunch, a Christmas fair, a Carols and Chilli night, a Christmas raffle and supported two youth music concerts held during the year. Additional activities have been arranged by volunteers which include regular Wednesday morning Cake and Cuppa gatherings and operating a Toddler Group on Thursdays. The parish website is continually updated with the latest information about the Church activities and we use our database of contacts to promote social activities, worship and information about living the Christian life.

The Missions and Charities supported this year were the Royal British Legion, Church of England Children's Society, PSPA, Bishop's Lent Appeal, Additional Curates Society and Forward in Faith.

The Church has continued to act as a collection point for the gathering of large amounts of food and household requirements to give to the locally church-run Food Bank, including continuing emergency help to various callers in need.

The running of events has increased in 2024 however, finding volunteers to support all our desired activities is still an ongoing challenge. This is reflected in the vacancies we continue to have within the PCC and other administrative roles. We have continued to offer our facilities to outside parties to hold community events, concerts and clubs which now includes running a café on Mondays, Cooking and Art classes for Adults with learning challenges, Scout related clubs, Drama and Dance clubs.

The PCC regularly scrutinises and monitors our running costs, particularly with the impact of increases in maintenance, the cost of energy and other utilities. Our Parish share contribution was reduced in 2024 due to lower income and higher operating costs resulting in achieving only 47% of the requested amount.

The PCC has continued to recover VAT under the Listed Places of Worship Government Scheme relating to its restoration and maintenance work.

Our mission to younger people has been maintained with a regular number of school Eucharists held at the schools and in the Church, and during term times, our normal Friday mass has been held at Becket Keys Secondary School. We have continued to run the Voice for Life scheme for our choristers and supported our youth through the on-going St Thomas Kids Club who perform at our Youth Concerts in May and December, covering both singing and drama studies.

Financial review

Unrestricted funds

Total unrestricted fund receipts were £204,372 (2023: £501,628) and are detailed in the Statement of Financial Activities, of which the St. Thomas Road properties provided a gross income of £39,854 (2023: £24,888).

Expenditure of £224,380 (2023: £237,543) was incurred to provide the Christian ministry from St. Thomas Church, including church, hall and Stokes House repairs and maintenance of £24,422 (2023: £19,317), and the voluntary contribution to the Diocesan parish share (the amount requested being an allocation made by the Diocese to each church in the parish) of £50,000 (2023: £84,069).

The net result for the year, before transfers, was an excess of expenditure over income of £20,008 (2023: excess of income over expenditure of £264,085).

Unrestricted funds at 31 December 2024 were £365,366 (2023: £385,374), however, most of these funds are invested in the fixed asset additions made during the previous years or designated to future major projects.

Restricted funds

Restricted funds in 2024 include:

- the remaining funds from a bequest made in 2017 with a final payment received in 2020 under the will of Father Barnes, who was a previous curate at St Thomas, to the Vicar and Churchwardens of St Thomas Church Brentwood.
- the remaining funds from a bequest made by Anne Jarrett, to the Vicar and Churchwardens of St Thomas Church Brentwood in 2020
- funds raised specifically for Music related initiatives as detailed in note 13 on page 16 of the financial statements.
- the remaining funds are set aside for general restoration projects planned in future years

At 31 December 2024, total restricted funds amounted to £51,839 (2023: £43,712).

Endowment funds

Permanent endowment funds are to be permanently retained for the benefit of the PCC as a capital fund, the income therefrom to be used for general purposes at the discretion of Council. The permanent endowment funds are detailed in note 12 on page 15 to the financial statements and at 31 December 2024 amounted to £553,980 (2023: £559,441). The investments, forming part of the fund increased in value by £939.

Reserves Policy

The reserves policy of the Council is to maintain a level of reserves which will provide a stable base for the PCC's continuing activities whilst ensuring that excessive funds are not accumulated. The Council review the reserves policy on a regular basis in order to maintain reserves equating to one and half months of unrestricted expenditure, excluding future depreciation charges.

At 31 December 2024, the PCC had unrestricted reserves of £365,366 (2023: £385,374).

It is the policy to invest excess funds with the CBF Church of England Deposit Fund.

Approval

This report was approved by the PCC on the **21/3/** 2025 and signed on its behalf by:

Statement of Trustees' responsibilities in respect of the financial statements

The trustees are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to Charities in England and Wales requires the trustees to prepare the financial statements for each financial year, which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that year. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in the business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust Deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included in the Charity's website.

INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF ST. THOMAS OF CANTERBURY PARISH CHURCH OF BRENTWOOD FOR THE YEAR ENDED 31st DECEMBER 2024

Opinion

We have audited the financial statements of St. Thomas of Canterbury Parish Church of Brentwood for the year ended 31 December 2024 which comprise Statement of Financial Activities, Balance Sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2024 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and the provisions available for small entities, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the group's or parent charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees' report; or
- sufficient accounting records have not been kept; or
- the charity's financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement set out on page 5, the trustees are responsible for the preparation of financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the group or the parent charity or to cease operations, or have no realistic alternative but to do so.

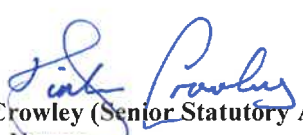

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 145 of the Charities Act 2011 and report in accordance with regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of Our Report

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

The notes on pages 11 to 16 form part of these financial statements.

Notes to the financial statements for the year ended 31 December 2024

1. Accounting policies

1.1 Accounting convention

The financial statements have been prepared under the historical cost convention as modified by the revaluation of land and buildings and investments, which are included at fair value.

The financial statements have been prepared in accordance with FRS102 - The Financial Reporting Standard applicable in the UK and the Republic of Ireland and the requirements of the Charities Act 2011.

The financial statements are prepared in sterling, which is the functional currency of the Charity. Monetary amounts in these financial statements are rounded to the nearest £.

1.2 Fixed assets

Fixed assets are stated at cost (less any grants) or valuation, less depreciation. Individual fixed assets costing less than £1,000 are not capitalised.

Depreciation is provided on tangible fixed assets at rates calculated to write off the cost on a reducing balance basis over their expected useful economic lives as follows

Freehold properties: 1% per annum, straight line

Furniture and equipment: 25% per annum, straight line

Investment properties held to earn rentals and/or for capital appreciation are measured at fair value at the reporting date. The surplus or deficit on revaluation is recognized in the Statement of Financial Activities. Where the fair value cannot be achieved without undue cost or effort, investment properties are held as tangible fixed assets.

1.3 Investments

Investments held as fixed assets are stated at market value. Those held as current assets are stated at the lower of cost and net realisable value.

1.4 Incoming resources

All incoming resources are included in the Statement of Financial Activities when the PCC is legally entitled to the income and the amount can be quantified with reasonable accuracy. No amounts are included in the financial statements for services donated by volunteers.

1.5 Resources expended

Expenditure is accounted for on an accruals basis, inclusive of any VAT, which cannot be recovered.

Expenditure, which is directly attributable to specific activities, has been included in these cost categories. Where costs are attributable to more than one activity, they have been apportioned across the cost categories on a basis consistent with the use of these resources.

1.6 Cash flow statement

The Council has elected to take advantage of the exemption under FRS102 not to prepare a cash flow statement.

1.7 Expenditure on management and administration of the charity

Administration expenditure includes all expenditure not directly related to charitable activities or fundraising ventures.
