END OF YEAR REPORT / TO YEAR END 01/12/2021

This last year saw a decrease in revenue and a decrease in distribution.

With the exception of £1000 all was all in the uk .

Thanks once again to certain individual donors who have continued to support us.

Our milk distribution costs have increased twice this year and is approximately £2500 per month . Twice a year a large amount is given out in the way of food vouchers and credit at a local supermarket for the jewish holidays .We expect this to continue in the coming year with no significant changes expected.

All help is given to impoverished families and needy institutions. Some direct financial assistance is given to single and needy parents.

Income mainly comes from a few large donors. Also the gift aid continues to help the cash flow.

All receiving families are very grateful for their milk and food vouchers.
