FINANCIAL REVIEW

Reserve Policy

It is the policy of the charity to maintain unrestricted funds at a level which the trustees think appropriate after considering the future commitments of the charity and the likely administrative costs of the charity for the next year.

As at 31 March 2024 the charity had negative reserves. The trustees are actively considering the steps to take to generate surpluses in the future. The accounts are prepared on a going concern basis based on the continued provision of financial support by the charity's creditors.

Grant Making Policy

Grants are made to charitable institutions and organisations which accord with the objects of the charity.

Investment Powers and Policy and Objectives

Under the memorandum and articles of association, the charity has the power to make any investment, which the trustees see fit. The trustees regularly review the charity's position and needs in respect of the investment policy.

The charity's investment policy is to make investments of its free funds which provide a secure stream of income with potential for increases in capital growth with particular preference for low risk secure property investments.

Risk Management

The trustees have identified and reviewed the major risks to which the charity is exposed, in particular those related to the operations and finance of the charity, and are satisfied that systems are in place to manage those risks.

PLANS FOR FUTURE PERIODS

The trustees plan to continue to make distributions in accordance with their grant making policy and to ensure that an appropriate level of reserves is maintained.

SMALL COMPANY PROVISIONS

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF FOUNTAIN OF
CHESSED LIMITED
YEAR ENDED 31 MARCH 2024

I report to the trustees on my examination of the financial statements of Fountain of Chessed Limited ('the charity') for the year ended 31 March 2024.

RESPONSIBILITIES AND BASIS OF REPORT

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

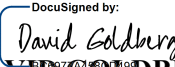

INDEPENDENT EXAMINER'S STATEMENT

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales (ICAEW), which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED 31 MARCH 2024

1. GENERAL INFORMATION

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is New Burlington House, 1075 Finchley Road, London, NW11 0PU.

2. STATEMENT OF COMPLIANCE

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. ACCOUNTING POLICIES

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

The financial statements have been prepared on a going concern basis which assumes that the charity will continue in operational existence for the foreseeable future. The validity of this assumption depends upon the continued financial support from the charity's loan creditors. The trustees are of the opinion that such support will be forthcoming.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Judgements made by the directors in the application of these accounting policies that have significant effect on the financial statements and estimates with a significant risk of material adjustment in the next year are as follows:

(i) Property valuation

The valuation of the company's investment property is inherently subjective, depending on many factors including the nature of the property, its location and expected future net rental values, market yields and comparable market transactions. Therefore, the valuation is subject to a degree of uncertainty and is made on the basis of assumptions which may not prove to be accurate, particularly in periods of difficult market or economic conditions.

(ii) Trade and other debtors

Management uses details of the age of trade and other debtors and the status of any disputes together with external evidence of the credit status of the counterparty in making judgements concerning any need to impair the carrying value.

3. ACCOUNTING POLICIES *(continued)*

Fund accounting

General unrestricted funds comprise the accumulated surplus or deficit on income and expenditure account. They are available for use at the discretion of the trustees in furtherance of the general objectives of the charity.

Restricted funds are funds subject to specific restricted conditions imposed by donors.

Designated funds are funds which have been set aside at the discretion of the trustees for specific purposes. There are no designated funds as at balance sheet date.

Incoming resources

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured.

Income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

Expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.

Expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.

Charitable activities

Grants payable are charged to the statement of financial activities once the charity has made a commitment to pay the grant and this has been communicated to the beneficiary or the grant has been paid, whichever is earlier.

Investments

Unlisted equity investments are initially recorded at cost, and subsequently measured at fair value. If fair value cannot be reliably measured, assets are measured at cost less impairment.

Listed investments are measured at fair value with changes in fair value being recognised in income or expenditure.

Investment property

Investment Properties are included at trustees' valuation as at the Balance sheet date. Any realised or unrealised gains or losses are taken to the statements of financial activities.

NOTES TO THE FINANCIAL STATEMENTS *(continued)*
YEAR ENDED 31 MARCH 2024

3. ACCOUNTING POLICIES *(continued)*

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

4. LIMITED BY GUARANTEE
