Structure, governance and management

Constitution

The company is registered as a charitable company, charity number 1135207, company number 07178587, limited by guarantee and was set up by a Memorandum and Articles of Association on 27 January 2010.

Method of Appointment or Election of Trustees

The management of the company is the responsibility of the Trustees who are elected and co-opted under the terms of the Articles of the Association.

Organisational Structure and Decision Making

The Trustees of the Charity are legally responsible for the overall management and control of the company and meet at least twice a year.

Risk Management

The Trustees have assessed the major risks to which the company is exposed, in particular those related to the operations and finances of the company and are satisfied that systems and procedures are in place to mitigate our exposure to the major risks. The Trustees do not consider that there are any significant risks or uncertainties in the charity at the year end.

Objectives and activities

Policies and Objectives

The Charity's Objects, as set out in the Articles of Association are to advance, for the public benefit, the education of pupils at Bruern Abbey School by engaging in activities or providing facilities or equipment (which would not otherwise be provided) and to pursue such other ancillary educational activities and other associated activities for the benefit of the community. In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the charity commission relating to public benefit and in particular to its supplementary public benefit guidance on advancing education.

Activities for Achieving Objectives

The charity raises funds from donation income and from holding fundraising events. Detailed and accurate budgeting combined with close monitoring and control of expenditure ensures the objectives are met.

Achievements and performance

The charity continues to maintain a Hardship Fund which is available to existing pupils of Bruern Abbey School who would otherwise be unable to complete their education at the school due to unforeseeable and life changing family circumstances. Applications to the Hardship Fund are means tested.

The activities of the charity were seriously impacted through the year by the disruption of Covid 19, on fundraising, organisation of events and requests for grants. Notwithstanding, the charity funded the purchase of a mobile unit for pastoral care for the use of the school.

The charity was sad to see the resignation of some longstanding trustees but is pleased to have identified and appointed various new trustees with a wide range of experience to the Board who will bring judgement and energy to enable the charity to continue to meet its objectives.

Financial review

The reserves represent unrestricted and restricted funds. Income for the year amounted to £32,432 (2021: £5,311) which resulted in a deficit for the year of £11,389 (2021: surplus of £2,261). Funds carried forward total £183,228 (2021: £194,617) of which £132,140 (2021: £132,473) is represented by restricted activities.

During the year the charity purchased a mobile unit for pastoral care for the use of the school, costing £29,000.

Plans for future periods

The charity will continue to fundraise to support the provision of bursaries and provide equipment and facilities at Bruern Abbey School.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

Independent Examiner's Report to the Trustees of Amici Bruerni

Year ended 31 March 2022

I report to the trustees on my examination of the financial statements of Amici Bruerni ('the charity') for the year ended 31 March 2022.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements

Year ended 31 March 2022

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is Bruern Abbey Schools, Amici Bruerni, Chesterton, Bicester, Oxfordshire, OX26 1UY.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

3. Accounting policies *(continued)*

Financial instruments *(continued)*

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

4. Limited by guarantee

The Company is limited by guarantee. The Members of the company guarantee to contribute an amount not exceeding £1 to the assets of the charity in the event of winding up.
