TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 DECEMBER 2023

The trustees present their report and financial statements for the year ended 31 December 2023.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and activities

Grassroot Soccer (GRS) is an adolescent health organization that leverages the power of soccer to equip young people with the life-saving information, services, and mentorship they need to live healthier lives. GRS trains and empowers young community leaders and role models as Coaches to deliver critical health education and support to youth in their communities. GRS delivers comprehensive programming through affiliate country programmes in Zambia and South Africa, and works as a technical assistance provider with organisations in over 45 countries.

The contributions of Grassroot Soccer UK (GRS UK) are to provide programmatic oversight and grant management support, and to facilitate the sharing of best practices between GRS partner organisations and affiliates. GRS UK is a registered charity with its own Board of Directors and brand ambassadors who contribute to GRS's communications and assist with fundraising and events. GRS UK is registered as a company under the Companies Act 2006 in the United Kingdom.

Vision, Mission and Principles

Our Mission: Grassroot Soccer (GRS) is an adolescent health organization that leverages the power of soccer to equip young people with the life-saving information, services, and mentorship they need to live healthier lives.

Our Vision: A world mobilised through soccer to create a healthy generation.

Our Principles:

1. Young people have vast potential to create meaningful change and play a significant role in realising a healthy future for themselves.
2. Soccer is an ideal way to reach, educate, and inspire young people in a language they understand and enjoy.
3. Solving public health challenges for adolescents requires an integrated, collaborative, holistic, and community-wide approach.

Charitable objects

The objects of GRS UK are to empower youth around the world with the knowledge, skills, and support to live a healthy life. GRS UK works to achieve this objective by prospecting and securing funding for its partner organisations overseas, and by bringing visibility to the power of soccer to further positive social change.

Achievements and performance

Grassroot soccer's work

Grassroot Soccer (GRS) programs leverage the universal appeal of soccer as a platform to reach adolescents during this critical developmental time. Using soccer as the hook, GRS engages adolescents in making healthy decisions through their 3C's: 1) An adolescent-friendly and evidence-based health Curriculum, 2) The supportive influence of local mentor and role model Coaches, and 3) a fun, inclusive, and positive Culture. This model empowers adolescents to make educated choices about pressing health challenges such as HIV/AIDS, sexual health, gender-based violence, mental health, COVID-19 and malaria. GRS's evidence-based programs, led by trained local mentors, incorporate soccer into dynamic lessons about health and wellness that engage young people and break down cultural barriers.

Grassroot Soccer provides technical assistance to organizations throughout the world that seek to adopt the GRS model. By working alongside local implementing partners, they are able to increase the scale and impact of their programs in an efficient and sustainable way. GRS works with local community-based and international organizations to adapt, deliver, and evaluate the GRS model in their local communities. Technical assistance from GRS often includes project design support, curriculum development, training delivery, organizational development, monitoring and evaluation, and fundraising. GRS has also launched soccer-based development initiatives with governments, corporations, and civil society partners worldwide.

Since 2002, GRS globally has reached over 25,000,000 young people through its programmes and partnerships, and has demonstrated remarkable results. In 2023, Grassroot Soccer continued to address adolescents' greatest health challenges, reaching close to 2,000,000 young people with life-saving health information and services on topics including sexual and reproductive health, HIV, gender-based violence, mental health and more.

Charitable activities

The objects of GRS UK are to empower youth around the world with the knowledge, skills, and support to live a healthy life. GRS UK works to achieve this objective by prospecting and securing funding for its partner organisations overseas, and by bringing visibility to the power of soccer to further positive social change.

Grassroot soccer presence

GRS UK is establishing a presence in London that has strengthened the commitment of existing UK-based partners and secured new revenue streams by implementing effective, targeted fundraising strategies and building strong relationships.

Financial review

The charity continues to fund its activities through corporate and individual donations and from fundraising events. Total income raised in the year was £1,221,559 (2022: £479,605) of which £nil (2022: £nil) was restricted. Total expenditure was £896,736 (2022: £269,529).

Reserves policy

As at 31 December 2023, the Charity had reserves totaling £851,102 (2022: £526,279), of which £nil (2022: £nil) were restricted. GRS UK has very few direct operating expenses, and takes measures to get money out to affiliates for programming and keep low reserves in the UK. The trustees are satisfied that the reserves held within the Charity are sufficient for future needs.

Risk management

The Trustees are responsible for identifying and reviewing the risks to which the charity is exposed and for ensuring that appropriate controls are in place to provide reasonable assurance against fraud and error. The trustees have identified two relevant risks in the current landscape. The first is financial in that very few of the programmatic expenses of the charity are incurred in Sterling, so are subject to fluctuating currency exchanges. This risk is minimized by working to move funds (especially grant funds) into the currency of spend as soon as possible. The other risk identified is operational and is the effect of the political and world health views on HIV and adolescent health, which can affect funding. This risk has led to the development of a strategic plan that will allow for a more nimble approach to growth and the cycle of funding and broaden our reach in the adolescent health world.

Future developments

GRS UK is aligned with and supports GRS's global strategy, which seeks to build on existing partnerships to achieve broad, sustainable adoption of its model by strategic stakeholders. This includes national governments, INGOs, and community partners in its core countries and beyond. GRS sees potential for its soccer-based demand creation model to become embedded in the national strategies of every country facing a generalised epidemic.

In 2024, GRS UK will focus on the following 5 objectives:

- Objective 1: Strengthen existing donor and partner relationships
- Objective 2: Restricted fundraising
- Objective 3: Unrestricted fundraising
- Objective 4: Build presence and raise awareness of GRS in UK
- Objective 5: Leverage power of soccer and promote soccer to the forefront of the organization

Governance and Management

GRS UK is a charitable company limited by guarantee, incorporated on 9 January 2010 and registered as a charity on 7 April 2010. The company was established under a Memorandum of Association, which established the objects and powers of the charitable company and is governed under its Articles of Association.

The Grassroot Soccer UK Board of Directors governs the charity in the UK and is responsible for determining policies and overseeing the strategic direction of the organisation. The Board meets three times per year and delegates the day-to-day operations of the UK organisation to the UK Director in consultation with the Chief Executive Officer.

New trustees are appointed by the existing trustees or members. As soon as appointment occurs (and often prior to), trustees receive a full slate of information related to the charity. This includes governance and policies (i.e. conflict of interest, safeguarding, insurance and liability coverage), as well as documents relevant to our work and the adolescents we reach with our programs. New trustees will meet with the chair and various staff to ask questions and learn about the operations of the organization.

The Charity Commission approved revised Articles of Association for Grassroot Soccer UK in May 2019. All trustees give of their time freely and no trustee remuneration was paid during the year. Trustees are required to disclose all relevant interests and in accordance with the charity's policy withdraw from decision where a conflict of interest arises.

The trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

A N Haigh

D Seale

E Summe

D Gallagher

T Clark (Served as CEO during the year)

None of the trustees has any beneficial interest in the company. All of the trustees are members of the company and guarantee to contribute £1 in the event of a winding up.

Related parties

Grassroot Soccer UK acts as a funding partner within Grassroot Soccer, Inc. (a non-profit corporation in the United States). Also under the affiliation of Grassroot Soccer, Inc. are two companies who directly implement programming objectives of Grassroot Soccer, Inc. These companies are Grassroot Soccer South Africa and Grassroot Soccer Zambia.

Accountability

GRS UK strives for upmost accountability and transparency with donors and partners. GRS involves diverse stakeholders in a number of areas of its operations to ensure programming is functioning at the highest capacity, including local governments and stakeholders, local and international implementing partners, and donors. The multi-faceted nature of GRS's approach (health, education, soccer, youth development, child protection) puts GRS in a unique position to serve as a link between various wings of government and social services, including ministries of health, education, youth, sport, and social development.

Public benefit

The Trustees confirm that they have complied with the duty in the Charities Act 2011 to have due regard to the Charity Commission's guidance on public benefit, which addresses the need for all charities' aims to be, demonstrably, for the public benefit.

Fund raising

GRS UK is establishing a presence in London that has strengthened the commitment of existing UK-based partners and secured new revenue streams by implementing effective, targeted fundraising strategies and building strong relationships. The fundraising efforts for Grassroot Soccer UK are performed in conjunction with the fundraising efforts of Grassroot Soccer, Inc. in the US. The staff and resources are shared. Neither the charity or anyone acting on its behalf is subscribed to any fundraising schemes in benefit of the organization. The charity uses a consultant to support with logistics of events that take place in the UK, but is not a professional fundraiser. The work is managed and closely monitored by the GRS, Inc staff, event committees and the charity's board. There were no complaints received by the charity during the year about any of its fundraising efforts, and the charity works hard with all staff across the world to steward great relationships. The safeguarding of staff, volunteers, participants as well as any current or potential donors against undue influence is a top priority. All staff and volunteers sign a safeguarding policy and are required to attend online training in safeguarding and reporting. This mainly focuses on children, and the people we serve, but it applies to all areas of the charity's work.

Auditor

In accordance with the company's articles, a resolution proposing that HW Fisher LLP be reappointed as auditor of the company will be put at a General Meeting.

Disclosure of information to auditor

Each of the trustees has confirmed that there is no information of which they are aware which is relevant to the audit, but of which the auditor is unaware. They have further confirmed that, individually they have taken appropriate steps to identify such relevant information and to establish that the auditor is aware of such information.

The trustees' report was approved by the Board of Trustees.

GRASSROOT SOCCER (UK)

STATEMENT OF TRUSTEES' RESPONSIBILITIES

FOR THE YEAR ENDED 31 DECEMBER 2023

The trustees, who are also the directors of Grassroot Soccer (UK) for the purpose of company law, are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company Law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

GRASSROOT SOCCER (UK)

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF GRASSROOT SOCCER (UK)

Opinion

We have audited the financial statements of Grassroot Soccer (UK) (the 'charity') for the year ended 31 December 2023 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and the notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 December 2023 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of our audit:

- the information given in the trustees' report, which includes the directors' report prepared for the purposes of company law, for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report included within the trustees' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report included within the trustees' report.

GRASSROOT SOCCER (UK)

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

TO THE MEMBERS OF GRASSROOT SOCCER (UK)

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the trustees' report and from the requirement to prepare a strategic report.

Responsibilities of trustees

As explained more fully in the statement of trustees' responsibilities, the trustees, who are also the directors of the charity for the purpose of company law, are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

As part of our planning process:

- We enquired of management the systems and controls the charity has in place, the areas of the financial statements that are most susceptible to the risk of irregularities and fraud, and whether there was any known, suspected or alleged fraud. The charity did not inform us of any known, suspected or alleged fraud.
- We obtained an understanding of the legal and regulatory frameworks applicable to the company. We determined that the following were most relevant: the Charity SORP, FRS 102, Charities Act 2011, Companies Act 2006, Data Protection and Employment Law.
- We considered the incentives and opportunities that exist in the charity, including the extent of management bias, which present a potential for irregularities and fraud to be perpetuated, and tailored our risk assessment accordingly.
- Using our knowledge of the charity, together with the discussions held with the charity at the planning stage, we formed a conclusion on the risk of misstatement due to irregularities including fraud and tailored our procedures according to this risk assessment.

GRASSROOT SOCCER (UK)

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

TO THE MEMBERS OF GRASSROOT SOCCER (UK)

The key procedures we undertook to detect irregularities including fraud during the course of the audit included:

- Identifying and testing journal entries and the overall accounting records, in particular those that were significant and unusual.
- Reviewing the financial statement disclosures and determining whether accounting policies have been appropriately applied.
- Reviewing and challenging the assumptions and judgements used by management, and the conclusion that there are no significant accounting estimates.
- Assessing the extent of compliance, or lack of, with the relevant laws and regulations.
- Testing key income lines.
- Assessing the validity of the classification of income, expenditure, assets and liabilities and unrestricted funds.
- Obtaining third-party confirmation of material bank balances.
- Documenting and verifying all significant related party balances and transactions.
- Reviewing documentation such as the charity board minutes for discussions of irregularities including fraud.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements even though we have properly planned and performed our audit in accordance with auditing standards. The primary responsibility for the prevention and detection of irregularities and fraud rests with the trustees of the charity.

A further description of our responsibilities is available on the Financial Reporting Council's website at: <https://www.frc.org.uk/auditors-responsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2023

1 Accounting policies

Charity information

Grassroot Soccer (UK) is a private company limited by guarantee incorporated in England and Wales. The registered office is 63-66 Hatton Garden, Fifth Floor, Suite 23, London, EC1N 8LE.

1.1 Accounting convention

The financial statements have been prepared in accordance with the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The charity is a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest pound.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

The trustees of Grassroot Soccer (UK), alongside the board members and senior management team of the parent charity, Grassroot Soccer, Inc. continually monitor operating costs and have put plans in place to mitigate any risks. The charity's income increased this year due to in-person fundraising events held in the UK, but the charity's fixed cost base remains low and thus the other variable cost the charity incurs (outside of event expenditure), grant funding, can be flexed depending on the level of income received and reserves available to the charity. For the above reasons, the trustees have a reasonable expectation that Grassroot Soccer (UK) can continue as a going concern for the foreseeable future and thus the financial statements have been prepared on the going concern basis.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid is recognised at the time of the donation.

1.5 Expenditure

Costs of raising funds includes those costs incurred to organise and stage the fundraising events.

Grants payable are transfers of funds to affiliates of the Charity, in furtherance of the Charity's charitable objectives. The affiliates notify the Charity when additional funding of the charitable activity is required, whereupon the Charity transfers the funds to this affiliate, through its US parent GRS Inc.

1.6 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. These financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.
