Report of the trustees

The trustees present their report along with the financial statements of the charity for the year ended 31 March 2024 and confirm they comply with the requirements of the Charities Act 2011 and the charity's constitution.

The charity is registered with the Charity Commission under number 1135453.

Legal and administrative information

The trustees who served during the year are stated below:

Dr Anthony Annan
Dr Kofi Adu
Dr Naa Barnor-Ahiaku

Principal office

25 Sutton Court Road
London
E13 9NN

Structure, governance and management

The charity was established by a constitution adopted on 19 March 2010.

Objectives and activities

To provide relief from sickness and distress, the promotion of and protection of good health and advancing medical education and awareness of physical illness amongst the people of Ghana.

The charity achieves its objectives by the provision of equipment and text books and publishing and distributing information on health issues.

Achievements and performance

The charity's members have continued to give their time and expertise supporting health care professionals in Ghana. In addition, the charity has donated educational and training resources to institutions in Ghana.

A donation of £3,000 to Goo Atandaan School in Ghana enabled the construction of school buildings and desks for the pupils.

The charity held its annual conference which was well attended and again was an opportunity for members to develop professional networks and share expertise and knowledge.

Our community outreach health screening programme, Party on the Park, was so well attended we are establishing it as an annual event.

Financial review

Net receipts for the year were £2,356 and cash reserves at the year end were at £62,101. The trustees consider the reserves adequate to meet the charity's ongoing expected expenditure.

This report was approved by the trustees on 20 March 2025 and signed on their behalf by

Dr Anthony Annan

Trustee

Ghanaian Doctors and Dentists Association - UK Charity

**Independent Examiner's Report
to the Trustees of the Ghanaian Doctors and Dentists Association - UK Charity**

I report on the accounts of the charity for the year ended 31 March 2024 set out on pages 4 to 5.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this period under section 144(2) of the Charities Act 2011 and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act 2011,
- follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the Charities Act 2011 and
- state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently I do not express an audit opinion on the accounts.

Independent examiner's report

In the course of my examination no matter has come to my attention:

- 1 which gives me reasonable cause to believe that, in any material respect, the trustees have not met the requirements to ensure:
 - proper accounting records are kept in accordance with section 130 of the Charities Act 2011 and
 - accounts are prepared which agree with the accounting records and comply with the accounting requirements of the Charities Act 2011 or
- 2 to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
