Report to the Trustees for the year ended 31st March 2022

Risk Assessment

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that as far as possible, systems are in place to mitigate exposure to the major risks.

Reserves Policy

THE ASSAHABA CENTRE BRISTOL should have unrestricted reserves of between three and six months running costs.

Review of the year and plans for future periods.

The Trustees had met in April 2022 to discuss the charity's finances, activities and improvements to the building during the above year.

Donations coming in were of a concern for the trustees after the downturn of donations in 2020/21 reached £15400 only but it was a relief to report that in 2021/22 the level of donations had increased to almost £26000 and hoping it will keep increasing to help the charity 's trustees to fulfil the charity objectives and future improvements to the building.

During the year a major improvement authorised by the Trustees was installing new cameras at the cost of £1377.00.

In the 2020/21 Trustee's report it was agreed that £5160.29 to be transferred from account 51428381 to account 51471597 also £3355.36 was transferred from account 51428381 to account 51471597.
A total of £8515.65 was done on 31 March 2022.

The trustees were happy that the charity's finances are in good shape and in credit.

Ramadan was approaching in 2021 so the trustees had to make another very difficult decision of not having a great deal of activities other than prayers with social distancing, unlike previous years when we provided cooked meals for the communities to enable other communities to meet and people to mix. The decision was taken for Health and Safety reasons as Covid19 was present. Instead we provided uncooked and unprepared food and delivered it to the needy in the community. It worked well and it was appreciated by them.

Helping members of the community is our top priority. During the year we helped housing refugees, showing them the way to settle and help all the time was available to them. In the same time help was available for foreign students to guide them to find accommodation etc.

The Trustees had looked at the future improvement and decided not to set any project but if needed will act at the time.

The Trustees will always try their best to work for the objectives of the charity.

Trustees' Responsibilities Statement - Charitable Company

The trustees (who are also directors of Assahaba Centre Bristol for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2015 (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant information of which the charitable company's independent examiner is unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant information and to establish that the independent examiner is aware of that information.

Independent Examiner's Report to the Trustees of The Assahaba Centre Bristol

I report on the accounts of the company for the year ended 31st March 2022 which are set out on pages 5 to 10

Responsibilities and basis of report

As the charity trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your company's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
