CENTRAL SURREY VOLUNTARY ACTION LIMITED

TRUSTEES REPORT (INCLUDING DIRECTOR'S REPORT)

FOR THE YEAR ENDED 31 MARCH 2022

The Trustees present their report and financial statements for the year ended 31 March 2022.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and activities

Central Surrey Voluntary Action ("CSVA") seeks to 'Support the Voluntary, Community and Faith Sector ("VCFS") in Elmbridge, Epsom and Ewell, and Mole Valley'. CSVA has continued to evaluate its work and keep its funders fully informed about the work that they have supported.

The Aims and Objectives, as laid down in the constitution of the Company and further defined and developed by the Directors with the support of the staff and volunteers, are set out below and define clearly the actions by which the charitable and public benefit is achieved:

- To research and prioritise specific needs of voluntary and community organisations in Central Surrey and develop action plans to meet them, contributing to the monitoring of unmet needs, informing funding partnerships by sharing this information with relevant agencies, including the Voluntary Community and Faith Sector ("VCFS"), and then working with all those groups in the VCFS who can make the appropriate response to fulfil these needs.
- To provide services and support to the VCFS and to provide the use of equipment and practical services, information on, and signposting to, appropriate help on organisational issues, information on, and signposting to, appropriate funding streams.
- To provide a liaison service promoting cross sector relationships, with support and encouragement to all in the VCFS.
- To provide an independent voice for the VCFS in Central Surrey, representing the sector to other agencies, statutory and public to ensure that their voice is heard and that a comprehensive response is given.
- To contribute to strategic partnerships and to encourage the local VCFS to have a closer relationship with statutory, public and private partners, ensuring that accurate and comprehensive information is relayed to the rest of the VCFS in Central Surrey.
- To provide an effective and accessible Volunteer recruitment and placement service, ensuring Best Practice in the management and support of Volunteers in the VCFS in Central Surrey.
- To develop a volunteering ethos in Central Surrey via liaison work with schools, businesses, public bodies and any other relevant agencies.
- To create an efficient organisational infrastructure; a fair, supportive, and safe working environment; clear and effective financial management.

The Directors confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Charity's aims and objectives and in planning future activities.

The figures for Total Incoming Resources and Charitable Expenditure in the Financial Statements do not fully reflect the total resources made available to and utilised by CSVA. Very significant resources of valuable time and skills are provided by volunteers who work to support CSVA's Volunteer Centres, particularly during 2021/22 due to the ongoing environment caused by the COVID pandemic. We were supported by 40 volunteers to deliver shopping services over 12 months and 6 volunteers to deliver administration and volunteering advice. Charity accounting protocols do not currently permit the recording of this volunteer time in the Statement of Financial Activities. However, FRS 102 does suggest that some sort of indicative value be put on the value of volunteers' contributions and in the case of CSVA this would be the equivalent of two extra full-time staff members. As stated also elsewhere, the Directors are unpaid; it is considered that their services represent the equivalent of an average of at least one day per week of professional service.

Achievements and performance

Review of the Charitable Activities for Year 2021-22

It has been another very busy year for all the staff and volunteers at CSVA. Facilitation and support services continue to be delivered to the voluntary, community and faith sectors. The following list shows examples of CSVA's activities over the year taking in to consideration the COVID -19 pandemic:

1. Continued delivery of the "Aspire" project, which helps vulnerable people move into voluntary and employed work. We have supported online and via telephone as COVID restrictions were in place as the restrictions have eased, we have offered face to face appointments. This has made delivery of the service easier.
2. Advice and information to local voluntary organisations on funding sources and applications as well as on governance, constitutional matters and public health COVID guidance.
3. Collaboration with local Health and Social Care partners providing voluntary support for vulnerable people. In particular providing volunteers to vaccination hubs, and shopping service.
4. Developing voluntary support for social prescribing referrals.
5. Continuing and further developing our Disclosure and Barring Service (DBS) facility for local organisations.
6. Working to improve the online volunteering database offer in conjunction with others, particularly as it affects local organisations.
7. Encouraging Corporate Social Responsibility. Working with corporate organisations to deliver support in their communities
8. Promotion of volunteering opportunities through our website and our social media presence, as well as through local social outlets such as Surrey Libraries both in Epsom and Ewell and Mole Valley.
9. Regular distribution of the CSVA Newsletter please refer further to the CSVA website. www.centralsurreyvoluntaryaction.co.uk
10. Working with the Mid Surrey Valuing People board and with the Patient Advisory Network for Surrey Downs Clinical Commissioning Group ("SDCCG").
11. Providing Training for the sector.
12. Undertaking a shopping service for shielding people: 900 shops completed by 40 volunteers
13. A funding and sustainability advisor role - with bespoke searches and templates for individual organisations.
14. Covid Champion networks in Elmbridge, Epsom and Ewell and Mole Valley.
15. Working with Helpforce and Surrey Downs Health and Care Partnership developing a volunteer project for the frailty pathway in Epsom.

The Point in Dorking, in line with COVID restrictions remained closed to the public but continued to be a vital resource as office accommodation to our tenants. Computer classes and wellbeing sessions resumed as soon as restrictions were eased. A new enterprise, The Community Wardrobe, has been operating once a week to offer free clothing to the local community. The Point continues to be used as a Polling Station by the District Council.

Elmbridge and Epsom Volunteer Centre continued to provide valuable advice and support for volunteers and voluntary organisations in the Boroughs through online and telephone support until the buildings were reopened for limited access and we were able to offer booked appointments.

Volunteer Centre Accreditation certificates for both the Volunteer Centres were awarded in July 2016. The accreditation has been extended until March 2023. In the year, the Centres have referred on 787 people and have placed 312 volunteers.

Financial review

Results of Operation

The Directors are continually reviewing the possibilities of both increasing core and non-core funding and economising on costs.

Reserves policy

The Company had previously adopted a reserves policy which aimed to achieve and maintain a level of unrestricted reserves which represents at least twelve months' expenditure and had been making good progress to this objective. It is considered that such reserves are required to:

- Cover staff redundancy costs in the event of closure.
- Bridge the timing difference between the start of each financial year and the receipt of core income.
- Provide funds for unexpected contingencies including further unannounced reductions of funding.

Financial Statements

It is the Directors' view that practically all the Company's expenditure relates to charitable purposes. Time spent by staff on governance and fundraising is too small to measure. Directors are unpaid and provide advice on governance, strategic and operational matters on a voluntary basis.

Except as detailed in the Financial Statements, CSVA has no deficit on any of its funds and it does not hold assets. There has been no change in accounting policy this year and there is no subsidiary undertaking; there are no investments.

Principal funding sources

The Directors of CSVA would like to take this opportunity to thank Epsom and Ewell Borough Council, Elmbridge Borough Council, Mole Valley District Council, and Surrey County Council for their continued support in their core funding for the organisation. This support is greatly valued by all the Directors, staff and volunteers who carry out the work of CSVA.

Risk assessment

The Directors make a regular review of the major financial risks to which CSVA may be exposed and the ways in which such risks may be mitigated. CSVA applies prudent policies in its financial operations, with any significant expenditure requiring formal authorisation by the Directors. Appropriate insurance cover for the charity is ensured by the Directors.

Plans for future periods

Future plans

The extended period of the COVID pandemic has greatly changed the voluntary sector landscape, many organisations and groups only just resuming their activities and many trying to re-evaluate their priorities.

- Our staff team worked mainly from home during the restrictions, but we have moved to a hybrid structure which allows for flexibility and efficiency. Our admin volunteers are also offered the same structure. We have a robust telephone and IT system which allows us to work well in this way.
- We have downsized our Social Prescribing project and are now delivering the Better Care Fund contract only. We continue to support organisations taking referrals from Social Prescribing and work with Thriving Communities (NAVCA) to enable feedback to NHSE
- We have funding to roll out the Fishing and Friendship project again within Mole Valley but accepting referrals from across Surrey .
- We will continue to develop a Surrey Downs volunteering project with Helpforce and Surrey Downs Health and Care within the frailty pathway. We will employ a volunteer coordinator on a fixed term contract to support the volunteers.
- We have been funded to deliver the funding advisor and sustainability role particularly in Elmbridge and will be looking for further funding for this role.
- With Surrey Public Health we will continue to develop the Community Champions Network and projects that give opportunity to deliver the messages to more isolated groups.
- We will continue the "Aspire" Project and to develop opportunities that will support this work.

As previously indicated, the Charity is actively exploring ways of increasing its incoming resources and will maintain its firm hold on its cost basis while at the same time recognising the expertise of and the valuable work undertaken by its staff.

The staff team and volunteers of CSVA, along with the Directors, will ensure that the services and support for the voluntary sector will continue to be delivered and developed still further for the benefit of the communities of Elmbridge, Epsom, Ewell, Mole Valley and Surrey generally.

Structure, governance and management

Governing document

The organisation is a charitable company limited by guarantee, incorporated on 2 March 2010 and registered as a charity on 6 May 2010. The Company was established under and is governed by its Memorandum and Articles of Association which established the objects and powers of the charitable company; these Articles have been formally amended subsequently to clarify certain governance matters. In the event of the company being wound up Members are required to contribute an amount not exceeding one pound.

TRUSTEES REPORT (INCLUDING DIRECTOR'S REPORT) (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2022

New Directors are recruited by recruiting representatives from organisations in the VCFS sector or for their expertise and this recruitment is carried out by positive action from the Chief Executive, Chairman and current Directors of CSVA. All prospective Directors complete a Skills Audit report. This is also used to help recruit new Directors. New Directors are interviewed by the Chairman and usually one other Director and introduced to the work and methods of CSVA by assistance from other Directors and the Chief Executive.

If Directors are appointed to the Board during the year, they are confirmed in appointment at the next Annual General Meeting. Current Directors are re-elected by a similar process on a rotational basis as laid down in the Company's constitution. The general rule is that Directors must be subject to re-election at least every three years.

Organisational structure and management

Official support

Regular contact is maintained with Funders by the Chairman and the Chief Officer who report regularly to the Directors accordingly.

The Trustees report was approved by the Board of Trustees.

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF CENTRAL SURREY VOLUNTARY ACTION LIMITED

I report to the Trustees on my examination of the financial statements of Central Surrey Voluntary Action Limited (the Charity) for the year ended 31 March 2022.

Responsibilities and basis of report

As the Trustees of the Charity (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

Having satisfied myself that the financial statements of the Charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the Charity's financial statements carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the Charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Association of Chartered Certified Accountants, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the Charity as required by section 386 of the 2006 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2022

1 Accounting policies

Charity information

Central Surrey Voluntary Action Limited is a private company limited by guarantee incorporated in England and Wales. The registered office is The Mayflower (The Point), Lyons Court, Dorking, Surrey, RH4 1AB.

1.1 Accounting convention

The financial statements have been prepared in accordance with the Charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The Charity is a Public Benefit Entity as defined by FRS 102.

The Charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the Charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, [modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value]. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the Charity.

1.4 Income

Income is recognised when the Charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the Charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

1.5 Expenditure

A liability is recognised when either a legal or constructive obligation is identified. Irrecoverable VAT is categorised in the same way as the cost it relates to.

CENTRAL SURREY VOLUNTARY ACTION LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2022

1 Accounting policies

(Continued)

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Fixtures and fittings	25% reducing balance
Computers	25% reducing balance

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.7 Impairment of fixed assets

At each reporting end date, the Charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.9 Financial instruments

The Charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the Charity's balance sheet when the Charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

CENTRAL SURREY VOLUNTARY ACTION LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2022

1 Accounting policies

(Continued)

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the Charity's contractual obligations expire or are discharged or cancelled.

1.10 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the Charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.11 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

1.12 Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessees. All other leases are classified as operating leases.

Assets held under finance leases are recognised as assets at the lower of the assets fair value at the date of inception and the present value of the minimum lease payments. The related liability is included in the balance sheet as a finance lease obligation. Lease payments are treated as consisting of capital and interest elements. The interest is charged to net income/(expenditure) for the year so as to produce a constant periodic rate of interest on the remaining balance of the liability.

2 Critical accounting estimates and judgements

In the application of the Charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
