Annual Return

Crown Global – registered charity number 1135975

1st April 2021- 31st March 2022

Aim and Purposes

Crown Global is an international Christian ministry based in Surrey. The Charity operates both in the UK and overseas and runs several projects which aim to transform lives and empower leaders across all walks of life. This includes grant funding to individuals and other charities who meet our objectives, as well as direct mission work through our established network of volunteers and church. The Charity also works with church groups across Surrey and South London to promote cohesion, openness and inter-denominational ecumenical relationships through our events called "The Gathering". The charity also operates a church called Crown Family Church based in Wallington in Surrey, UK.

Objectives and Activities

This year the charity has returned to full operations following the global pandemic. Grant funding has continued to help those in need both in the UK and overseas and we have maintained projects in Kenya, Burundi, Denmark and Sweden. Additional grants have also been awarded to individuals, NGOs and other charitable organisations to help fulfil our mission in the UK, Scandinavia and throughout mainland Europe. Our funding comes from a variety of sources, from private individuals who give regularly, through to corporate donors.

When planning our activities for the forthcoming year, the Board of Trustees, in conjunction with our Board of Reference and President, has considered the Commission's guidance on public benefit and in particular the specific guidance on charities for the advancement of religion. In particular we try to enable ordinary people to live out their faith within the community they are part of. We are pleased that all of our events were able to return to in-person events following the aftermath of the Covid-19 pandemic. Trends have shifted and now all events are hybrid and supported by online media. Our work in the UK has been focused around supporting a church community in Surrey as well as supporting inter-denominational activity through our monthly events. The charity remains proud members of Churches in Communities International as well as the Evangelical Alliance.

Achievements and Performance

We believe that every individual, regardless of status, background, or race, has an appointed destiny to fulfil here on the earth. As a charity we're committed to empowering leaders to discover this destiny and achieve their goals. To this end, much of our overseas projects have focused on transforming the lives of individuals and empowering leaders to maintain projects free from additional grant funding and support.

Care for Orphans and Widows in Kenya

Working in collaboration with our partners in Operation Give and Grow in Kenya, the Charity has been able to continue our support children and young people through feeding programmes and orphanages. We have conducted appraisals of the accounting processes in these settings and have ensured that the funds have been allocated to the direct care and support of orphans and widows. This is through the direct provision of food, clothing and educational resources.

Water Filtration Projects in Kenya, Rwanda and Burundi

Working in partnership with other charities, we are pleased to have given grant funding to continue the support of small water filtration kits. This year, 68 water filtration kits have been distributed through our network of partner NGOs and churches.

Crown Global is a Registered Charity

This has profoundly transformed the lives of individuals, families and some remote communities.

Leadership Training in Scandinavia

This year we have completed eight training projects across the Nordic region. We have also run our CSSM course in the UK to empower Christian leaders in business and through churches. We continue to foster relationships with church communities across the world.

Mission and Evangelism

In line with our statement of faith, we are pleased to have supported five overseas missions in Kenya, Denmark, Sweden, Germany and Norway over the period. Helping those in need is a practical demonstration of our faith. The Charity has partnered with two UK charities called Mission24 and Faith Evangelistic Ministries to support the projects in these countries, to ensure that the impact of the mission remains fruitful and long lasting. UK Missions are also conducted through Crown Family Church. Much of this local activity has been centered around supporting vulnerable and isolated people during the Covid-19 pandemic. Befriending, supporting individuals with vital food parcels and medical deliveries has been a central focus during this period.

Ecumenical Relationships through 'The Gathering'

Empowering individuals to work together in our shared Christian mission is of utmost importance to us. Our UK events called The Gathering and Encounter, have continued back in-person this year. We continue to bring together different church groups for fellowship each month. The aim of these meetings has been to foster inter-church unity and empower local Christians to grow in their faith. These events continue to be recognised as pillars of excellence by the local community and are well attended.

Financial Review

The Charity reappointed Champ Consultants as its accountants and registered auditors for the period. A copy of the Independent Examiners Report is detailed in the Financial Statements.

Income from donations rose marginally this year to £119,383. However this figure doesn't include the Gift Aid claim which wasn't submitted during the period. The Charity awarded several grants over the period, totalling £17,921, an increase of 21% on the previous year. Budget on direct mission activity also increased to £21,027, up by 46%, reflective of the return to normal operations post Covid-19. There was also a direct uplift in expenses relating to pastoral care, primarily as a result of individuals within our church community who were directly affected by Covid-19. The charity took on a short term lease of a premises in Wallington, Surrey for our church.

This resulted in a operating deficit of £10,022 over the period. The Trustees are satisfied that this deficit is within the charity's means. The charity continues to be buoyant and thriving. This is shown by the figures in the Balance Sheet which shows our total capital and reserves.

Declaration of Interests

The charity does not have any conflicts of interest. Furthermore, the Trustees have setup financial checks and balances to ensure that the finances are properly managed by our volunteers. The trustees are confident that sound financial controls and processes have been put in place to protect the volunteers concerned against financial misconduct or fraud.

Reserves Policy

It is the policy of the Charity to maintain a balance on unrestricted funds wherever possible, which equates to at least three month's unrestricted payments. This has been met throughout the period. The Charity will continue to maintain its reserves in line with this Policy.

Volunteers

Our UK volunteers have continued to provide exemplary services in the local community around Surrey and South West London through our Church. These total 52 active individuals. Volunteers have enjoyed a thriving programme of being involved in the Charity's objectives whilst receiving appropriate training to deliver the events.

Safeguarding

The Charity remains committed to the highest standards of child protection and care for vulnerable adults. The Charity has a team of Safeguarding personnel who report into our Chair. The Safeguarding Officer has reported no Safeguarding issues over the period. They have worked with a team of volunteers to develop a program for on-going training as well as an overview of our policies and procedures.

Structure, Governance and Management

The trustees re-appointed Rev. Stephen Pailthorpe as ex officio voluntary President of the Trust to help further our objectives through our mission work. The trustees have re-appointed Mrs. Lynn Carpenter to the position of Chair. No trustee has been paid for their services during the period. The trust has elected to submit itself to the governance standards of Churches in Communities International and the Evangelical Alliance.

The Board of Trustees met three times over the period and elected sub committees of volunteers to oversee specific projects within the Trust. These committees reported to our ex officio President to manage and oversee. The Management Team, which includes the Trustees and the President, regularly reviews the financial processes of the trust and presents this annual return in good faith, demonstrating a high level of transparency.

Crown Global

Independent examiner's report to the trustees of Crown Global for the year ended 31 March 2022

Respective Responsibilities of trustees and examiner

The charity trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act
- to follow the procedures laid down in the general directions given by the commissioner under section 145(5)(b) of the 2011 Act.
- to state whether particular matters have come to my attention

Basis of independent examiner's report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the next statement.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- Which gives me reasonable cause to believe that in any material respect the requirements:

1. to keep accounting records in accordance with section 130 of the 2011 Act and
2. to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act

have not been met or

- to which in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Crown Global
Notes to the Accounts
for the year ended 31 March 2022

1 Accounting policies

Basis of preparation

The accounts have been prepared under the historical cost convention and in accordance with FRS 102, The Financial Reporting Standard applicable in the UK and Republic of Ireland (as applied to small entities by section 1A of the standard).

Donations

Income from donations and legacies comprises income generated from the following sources:

- gifts and donations received/receivable including legacies
- any tax reclaimed on amounts received under gift aid
- grants that may provide core funding or are of a general nature
- membership subscriptions and sponsorships where these are, in substance, donations
- gifts in kind and donated services and facilities

Income from donations and legacies is defined in the Charities Statement of Recommended Practice (FRS 102 SORP) at paragraph 4.31 and 4.32

Tangible fixed assets

Tangible fixed assets are measured at cost less accumulative depreciation and any accumulative impairment losses. Depreciation is provided on all tangible fixed assets, other than freehold land, at rates calculated to write off the cost, less estimated residual value, of each asset evenly over its expected useful life, as follows:

Fixtures, fittings, tools and equipment	over 4 years
---	--------------

Creditors

Short term creditors are measured at transaction price (which is usually the invoice price). Loans and other financial liabilities are initially recognised at transaction price net of any transaction costs and subsequently measured at amortised cost determined using the effective interest method.
