AIMS AND PURPOSES OF KING'S CHURCH AMERSHAM

King's Church Amersham is a local Christian Church based in Amersham, Bucks. With a congregation of around 300 people, it meets on a Sunday morning and at various other times during the week to learn about the Christian faith and encourage one another to live lives in conformity with the teaching of Jesus. As an expression of the people's faith, the Church operates a number of Community projects, supplementing the programmes and events specifically designed for Church members. King's Church Amersham seeks to have a positive spiritual and social impact on the town of Amersham and the surrounding areas by encouraging people in their faith and enabling them to demonstrate this faith in practical ways, including helping to serve those in most need in the wider local community.

All spiritual matters relating to the Church are overseen by a group of Elders, who also are the members of the Company, and include at least one full-time Pastor. The financial and legal matters are overseen by a group of Trustees, whose job it is to ensure the Church is run on a sound financial basis and in conformity with all laws.

Restoring Homes and Gardens - The church offers a free, low-key service where we can decorate one or two rooms in a house, or provide a garden clearing service to local people in need, especially for those who are elderly, or with restricted mobility.

Baby Basics

This initiative provides expectant vulnerable local women, facing financial or domestic hardship, with a lovely Moses basket full of essential products, including toiletries, clothing, blankets, first small toys - all for starting life with a new baby. We work in close liaison with our local community midwives and other agencies in providing this community service. This activity closed in the year.

Make Lunch

The Church continued with this initiative that provides hot meals for children and their carers during the school holidays for children who receive free school dinners.

Bereavement Support

The Church offers bereavement support and holds an annual service for the bereaved to remember loved ones who have died.

Achievements and Performance, Financial Review

The Church meets in a purpose-built facility that was completed in November 2013 funded by the sale proceeds of the former Baptist Chapel, congregation giving and bank loans amounting to £830,000 from Handelsbanken. At 31 March 2022 the total loan outstanding amounted to £385,259. Under normal circumstances, the Church meets in this facility which has continued to attract a growing number of people to its Sunday Services and other activities. Its YouTube services have attracted an even wider audience.

Income and Expenditure

During the year the Group had a deficit of £28,112. Its total revenue was £625,158; of this £544,204 resulted from regular giving to the work of the Church, £39,359 was donated towards specific projects and activities, £8,195 was raised from hiring the building, £32,300 from commercial trading operations and £1,076 was from Government grants. Expenditure amounted to £653,270; of this £607,581 was in respect of church activities (including the non-cash depreciation cost of £96,167), £36,068 on commercial activities and 9,621 on fees.

Balance Sheet

During the year the group's cash reserves decreased from £126,997 to £115,123. The Trustees are confident of their ability to manage the financial position in the medium term although they anticipate there may be significant monthly fluctuations.

Reserves Policy

The Trustees review the Reserves policy of the company each year and have decided to revise the policy. They have decided to revise the policy so the amount held in unrestricted general reserves not invested in fixed assets should be a minimum of £60,000 and that the amount of cash held in its bank accounts should be a minimum of £80,000. At 31 March 2022 unrestricted reserves were £7,681 higher than the first hurdle and cash was £35,123 higher than the second.

TRUSTEES' ANNUAL REPORT (continued)

FOR THE YEAR ENDED 31ST MARCH 2022

Building Ownership

The Church Building is jointly owned by King's Church Amersham and Old Town Baptist Chapel Trust Amersham and their respective ownership percentages are governed by a Declaration of Trust signed by both parties on 9th September 2012. On September 29th 2015, with all the capital costs for the new Church building expended and quantifiable, the Trustees of KCA Ltd and the Trustees of the OTBCTA agreed that the respective ownership percentages of the Church building are:

King's Church Amersham	80.78% (based on a capital contribution of £3,911,144.54)
OTBCTA	19.22% (based on a capital contribution of £751,626.00)

Risk Management

During the year, the Trustees regularly review the financial and operational risks facing the Company. Most of the restrictions imposed by the COVID-19 pandemic have been removed and activities have reverted to pre-pandemic levels. The Trustees and the Elders have agreed a three-year budget plan to enable the Church to seize the opportunities and meet the challenges ahead. As a consequence, the Trustees are satisfied that the Company remains on a firm financial footing and also has a variety of contingency plans in place in the event of a reduction in income. The Company has robust health and safety procedures in place and these are reviewed at each Trustee meeting. There are currently no significant risks of concern to the Trustees.

Outlook for 2022/23

The Elders and Trustees are encouraged by the way the Church's income has been maintained through the challenges of the past two years and are hopeful that revenue from room hire will return to pre-pandemic levels. The Church has been able to resume its full range of activities with some extra safeguards in place. The Church continues to seek to increase the number of ways it engages with the Community and works with some of the neediest people in the locality. The Church continues to seek out opportunities and imaginative ways to develop its social action projects in the areas of food poverty, debt counselling, furniture distribution, holiday lunch clubs and visiting vulnerable elderly members of the community. For the foreseeable future online activities (Including broadcast services and Alpha) will continue to be an integral part of the activities.

RESPONSIBILITIES OF THE TRUSTEES

The Trustees (who are also the directors of Kings Church Amersham for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

In so far as the Trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware of; and
- the Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF KING'S CHURCH AMERSHAM

Opinion

We have audited the financial statements of Kings Church Amersham (the 'parent charitable company') and its subsidiaries (the 'group') for the year ended 31 March 2022 which comprise the Group Statement of Financial Activities, and the Group and the Parent Charitable Company Balance Sheet, the Group and the Parent Charitable Company Cash Flow and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the group's and parent charitable company's affairs as at 31 March 2022, and of the group's incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the group and parent charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the group's or parent charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The Trustees are responsible for the other information. The other information comprises the information included in the Trustees' annual report, other than the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information

and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' report (incorporating the directors' report) for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the group and parent charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate and sufficient accounting records have not been kept by the parent charitable company, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent charitable company's financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Trustees

As explained more fully in the Trustees' responsibilities statement [set out on page 5], the Trustees (who are also the directors of the group and charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the group's and parent charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the group or the parent charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed auditor under the Companies Act 2006 and report in accordance with this Act.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate,

they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Trustees.
- Conclude on the appropriateness of the Trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the group's or charitable company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the group or parent charitable company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Use of our report

This report is made solely to the group's and charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's Trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's Trustees as a body for our audit work, for this report, or for the opinions we have formed.

1. Accounting Policies

1.1 Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with applicable United Kingdom accounting standards, the Charities Act 2011, the Statement of Recommended Practice applicable to charities preparing the accounts in accordance with the Financial Reporting Standard applicable in the UK (FRS102)(Charities SORP FRS 102) (as updated for periods commencing on 1 January 2019) and the Companies Act 2006.

The financial statements are presented in sterling which is the functional currency of the charitable company and rounded to the nearest pound.

Based on the level of reserves the Trustees have no uncertainties as to the charity's ability to continue as a going concern.

1.2 Basis of consolidation

These financial statements consolidate the results of the charity and its wholly-owned subsidiary, KCA Roast Ltd, a company registered in England and Wales under number 09216215 on a line by line basis. A separate Statement of Financial Activities, or Income and Expenditure account for the Charity itself is not presented because the Charity has taken advantage of the exemptions afforded by section 408 of the Companies Act 2006 and paragraph 24 of Charities SORP FRS102. The deficit dealt with in the charity only SOFA was £32,198 (2021: Surplus £30,782).

1.3 Income

Income represents funds received by the Charity for the support of its objectives and activities. Donations are recognised when receipt is more likely than not and income tax recoverable is recognised on an accruals basis. Legacies from a person's death estate are recognised when the receipt is considered more likely than not.

1.4 Expenditure

Expenditure is recognised when incurred, inclusive of VAT which is not recoverable.

1.5 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Freehold Buildings	50 years.
Church equipment	Between 1 and 10 years

Individual items of furniture or equipment are capitalised where the benefit of the expenditure will extend for a minimum of three accounting periods.

1.6 Stocks

Stocks are valued at the lower of cost and net realisable value.

1.7 Pensions

Employees are enrolled in the Nest pension scheme and the pension costs charged in the financial statements represent the contributions payable by the charity during the period.

Under the direction of the Charity Commission, OTBCTA ('the linked charity') should be treated as forming part of the charity called King's Church Amersham ('the reporting entity'), so that the Trustees are required to prepare a single set of accounts for the whole entity. OTBCTA received £751,626 from the sale of the Baptist Chapel, which represents the balance of endowment funds held at both 31 March 2022 and 2021.

13. Related Parties

Apart from its close links with the Amersham Old Town Christian (Baptists) Fellowship Trust, the company has no other formal associations with other charities but works closely with several other Christian charities.
