Tenbury Community Hospital League of Friends

Report of the Trustees for the Year Ended 31 December 2024

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 December 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objectives of the League are to assist the welfare and wellbeing of patients and former patients. This is achieved in three ways:-

- (1) by providing the hospital with new equipment as necessary, thus ensuring that the patients are treated using the latest and most sophisticated methods possible.
- (2) by providing buildings, facilities and open space as well as services to patients to help make their stay in hospital as comfortable as possible.
- (3) through the making of grants to relevant associated organisations as deemed appropriate by the trustees.

The main activities of the League have been fundraising and supporting the work of the hospital. The League has continued to supplement hospital services, assist hospital staff, support sick patients and recruit volunteers.

Public benefit

The trustees have had regard to the Charity Commission's guidance on public benefit and believe that the League's continued support of the hospital is of huge public benefit to the people of Tenbury and the surrounding area.

Volunteers

The League is pleased to recognise the contribution made by its volunteers, the value of which is not quantified within the financial statements.

ACHIEVEMENT AND PERFORMANCE

During the year the League continued the successful fundraising. It also continued to purchase new equipment for the hospital.

FINANCIAL REVIEW

Financial position

During the year the League had an surplus of income over expenditure of £62,014 (2023: deficit £25,471), resulting in reserves carried forward of £2,416,769 (2023: £2,354,755). While the reserves remain free and unrestricted the Directors/Trustees are looking to develop a strategy with the local Health Authorities, GP's and other healthcare providers within Tenbury and District, with the Hospital remaining central, to provide the best quality of care for patients. The strategy to take into account the changes within the NHS

Principal funding sources

The League's principal sources of income are from donations and legacies.

Reserves Policy

The League holds reserves pending requests from the Hospital Trust for equipment and ancillary items which by nature are of high value. The League has a reserves policy of £30,000.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

New trustees are appointed by the members.

League of Friends**

Independent examiner's report to the trustees of Tenbury Community Hospital League of Friends ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 December 2024.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

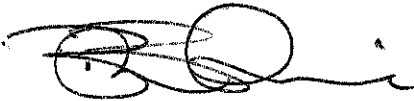

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

for the Year Ended 31 December 2024**

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Income from trading activities is stated after any discounts. Income is not subject to VAT or any other sales taxes.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Governance costs

Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulations and good practice.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold property - 2% on cost

Improvements to property - cost over 11 years

Plant and machinery - 25% on cost

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

All funds are unrestricted and can be used in accordance with the charitable objectives at the discretion of the trustees.

Fixed asset investments

Investments are a form of basic financial instrument. Fixed asset investments are initially recognised at their transaction value and are subsequently measured at their fair value (market value) as at the balance sheet date. The Statement of Financial Activities includes the net gains and losses arising on revaluation and disposals throughout the year. Quoted stocks and shares are included in the Balance Sheet at the current market value quoted by the investment analyst, excluding dividend.

The main form of financial risk faced by the charity is that of volatility in equity markets and investment markets due to wider economic conditions, the attitude of investors to investment risk, and changes in sentiment concerning equities and within particular sectors or sub sectors.

**Notes to the Financial Statements - continued
for the Year Ended 31 December 2024**

1. ACCOUNTING POLICIES - continued

Fixed asset investments

Investments are managed on a total return basis in line with the powers given under The Trusts (Capital and Income) Act 2013.

Realised gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and opening carrying value (purchase date if later). Unrealised gains and losses are calculated as the difference between the market value at the year end and opening carrying value (or purchase date if later).

Debtors

Debtors are amounts owed to the charity. They are measured on the basis of their recoverable amount.

Cash at bank and in hand

Cash at bank and in hand is held to meet the day to day running costs of the charity as they fall due. Cash equivalents are short term, highly liquid investments, usually in instant access interest bearing savings accounts.

Creditors

Creditors are amounts owed by the charity. They are measured at the amount that the charity expects to have to pay to settle the debt.
