STRUCTURE, GOVERNANCE AND MANAGEMENT

The charity is controlled by its governing document, a deed of trust,

Organisational structure

The church is organised so that the trustees meet regularly to manage its affairs. The Pastor in charge manages the day to day administration of the church.

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

CELESTIAL CHURCH OF CHRIST GREATER LONDON PARISH

Report of the Trustees
For the year ended 31 December 2024

The trustees present their report with the financial statements of the charity for the year ended 31 December 2024

Reserves policy

The net income for the year amounted to £5,445. All these have been unrestricted reserves and no fund is allocated to restricted project.

The trustees have established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets are used for the day to day running of the church.

The reserve that we have set aside provide financial stability and means for the development of our principal activity

We intend to maintain our reserves at a level which is at least equivalent to 3 months of annual expenditure. At this level, we believe the church would be able to continue the current activities of the church in the event of significant drop in funding.

Principal funding sources

This is provided mainly through voluntary tithes and offerings by the church members and through gift aid scheme.

Pledges are also taken for specific projects.

FUTURE DEVELOPMENTS

The church will continue to explore various ways of spreading the gospel of Christ in an effective manner.

The charity is also looking to grow in membership and continue to develop its members to make life - changing impact in society.

STATEMENT OF TRUSTEES RESPONSIBILITIES

In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time of the financial position of the charity

They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website.

SIGNED ON BEHALF OF THE TRUSTEES: Sup. Evan. Adeyeye Olabamiji Oyelakin

**Independent Examiner's Report to the Trustees of
CELESTIAL CHURCH OF CHRIST GREATER LONDON PARISH**

I report on the accounts for the year ended 31st December 2024.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts.

The charity's trustees consider that an audit is not required for this year (under Section 43(2) of the Charities Act 1993 (the 1993 Act)) and that an independent examination is required. The charity's gross income exceeded £25,000 and I am qualified to undertake the examination by being a qualified member of FCCA. Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under Section 43 of the 1993 Act
- to follow the procedures laid down in the General Directions given by the Charity Commission (under Section 43(7)(b) of the 1993 Act); and
- to state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts prepared with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statements below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements
 - to keep accounting records in accordance with Section 386 and 387 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of Sections 394 and 395 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charitieshave not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

The trustees present their report with the financial statements of the charity for the

Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: <ul style="list-style-type: none"> the charity becomes entitled to the resources; the trustees are virtually certain they will receive the resources; and the monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
Contractual income and performance related grants	This is only included in the SoFA once the related goods or services have been delivered.
Gifts in kind	<p>Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised.</p> <p>Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity.</p> <p>Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.</p>
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Investment income	This is included in the accounts when receivable.
Investment gains and losses	This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.
EXPENDITURE AND LIABILITIES	
Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Governance costs	Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.
Support Costs	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.
ASSETS	
Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.
Investments	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.
Stocks and work in progress	These are valued at the lower of cost or market value.
