The trustees (who are also directors of The Crescent Pre School Nursery Limited for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2015 (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Charity's elected trustees are appointed at the Annual Meeting of the Trust on the basis of nominations received from the Executive Committee to the Trust's specification concerning eligibility, personal competence, specialist skills and local availability. Organisational Management

The appointed and elected Trustees of the Charity are legally responsible for the overall management and control of the Trust. The members of the Board who meet on a minimum of four occasions annually carry out the work of implementing most of their policies. One additional meeting is held specifically to approve the budgets and finalise the Financial Accounts and Trustees report for approval by the annual meeting of the Board of Trustees. The Board works under the chairmanship of the Chair of the Trust. The Board has adopted the Code of Governance published by the National Governance Hub as a means of building governance capacity and skills.

The day to day running of the Trust is delegated to the Chairman. The Nursery Manager reports to the Board at their quarterly meetings.

Risk Management

A formal review of the Charity's risk management processes is undertaken on an annual basis.

The key controls used by the Charity include:

- Formal agendas for the Board of Trustees, Executive Committee and all sub-Committees;
- Detailed terms of reference for all Committees;
- Comprehensive strategic planning, budgeting and management accounting;
- Established organisational structure and lines of reporting;
- Comprehensive policies to ensure that all insurance risks are covered
- Formal written policies;
- Clear authorisation and approval levels and
- Vetting procedures are carried out for adults to safeguard the reputation of the Trust and to minimise the risk of inappropriate persons being accepted as employees or volunteers.

Systems of internal control include:

- An annual budget approved by the Trustees
- Appropriate delegation of authority and segregation of duties
- Identification and management of risks

Through the risk management processes established for the Trust, the Trustees are satisfied that the major risks identified have been adequately mitigated where necessary. It is recognised that systems can only provide reasonable but not absolute assurance that major risks have been adequately safeguarded against material mismanagement or loss.

Objectives and Activities

Charitable Objects

The aim of the Charity is

- a) To enhance the development and education of children primarily under statutory school age by encouraging parents to understand and provide for the needs of their children through a community group by:

The Crescent Pre School Nursery Limited

Trustees Report for the year ended 31st August 2022 (Cont'd)

Charitable Objects (continued)

- i) providing safe, high quality group play in which parents have the right to take part, ensuring that this group offers opportunities for all children, regardless of race, culture, religion or disability;
 - ii) encouraging the study of needs of such children and their families and promoting public interest in and recognition of such needs in local areas;
 - iii) encouraging other charitable activities through which parents may help the children;
- b) To further the development and education of boys and young men and girls and young women through their leisure-time activities so as to help them achieve their physical, mental and spiritual potential so that they may grow to full maturity as individuals and members of society and that their conditions of life may be improved.

Aims and intended impact

We are an equal opportunity organisation and are committed to a working environment that is free from any form of discrimination on the grounds of colour, race, ethnicity, religion, sex, sexual orientation or disability. We will make reasonable adjustments to meet the needs of staff or children in our care who are or become disabled.

Public Benefit

The public benefit that The Crescent Pre-School Nursery Limited is providing is to advance the education of children below statutory school age in and around Stoke on Trent by the provision of a kindergarten.

In setting our objectives and planning our activities the trustees have given careful consideration to the Charity Commission's guidance on public benefit. As a charity, the parents of our children have the assurance that all our income must be applied for the benefit of the children attending our settings.

Principal activities of the Period

In its latest Ofsted Inspection, the Nursery was judged to be outstanding for the third consecutive inspection, the top judgment for any school or Nursery. It is a constant aim to remain as a facility offering the very best in learning and childcare for fewer than 5s. The local community desperately needs the facility but struggles to pay for it.

Achievements and performance

The charity was set up to provide high quality provision to disadvantaged children in the local area, therefore nursery places are offered to 2, 3 and 4 year olds funded by Government Nursery education Grant funding. The nursery is located in an area of high deprivation which was the fundamental reason for setting up the charity in the first place. It is not easy and the increasing financial plight of the country is mirrored in the challenges faced by the nursery. We are faced with regular late payers and significant unpaid fees.

The Pre-School always works hard to eradicate any outstanding debts and supports families through this. Each year the nursery is able to replenish resources and equipment and is currently working hard to update the outside areas'.

Achievements and performance (cont'd)

Last year with the impact of COVID-19 in 2021 we needed to use some reserves. This year we have continued to build back up our reserves which is evident in our accounts with this known we have still been able to stay sustainable which is shown evident in this year's accounts and we will continue to strive to support stability for the future of The Crescent Pre-School Nursery.

The nursery has been in a position to continue to employ high quality and highly qualified staff. We continue with encouraging and providing opportunities for Continuous Professional development such as Foundation Degrees, Ba Hons, apprenticeships and GCSE'S we have also ensured all staff have achieved First aid and level 2 Safeguarding and Special Educational Needs training . We also continue to be enrolled on a training scheme which has resulted in broadening the team's knowledge. Three of our senior team and two practitioners are now in their third year on a BA Hons in Early Years Course a member of the team has completed a level 3 SEN course and all the team have completed SEN training to support our ever growing demand for SEN places within our nurture room.

There has been a continuous demand for 2, 3 year funded places, particularly our Special Education Needs provision places which are envisaged to be steady throughout September to December 2021 and then rise again in January 2022.

The nursery has gained another childcare room within the children's centre to provide additional stability to increase 2-4 year old places and provision smaller nurturing environment for SEN children in the local area and also enabling the nursery to provide stay and play and baby groups for the community which is continuing to be a huge success.

At the moment the nursery occupancy is predominantly funded for children accessing 2, 3, 4 year funding and SEND provision. The rate for 2 year old funding is higher than 3 year funding so is more cost effective. We have looked at the most effective sessions in regards to cost and staffing, whilst we are obliged to be flexible under the funding terms and conditions we have taken into account maximising the number of children in each day with quality and flexibility and the sessions provided.

The Nursery Directors have set up an onsite café within the Children's Centre which the nursery accesses for the main lunch meals, and uses a local supermarket for all other food stuffs which has positively impacted on food costs and quality. This Café has been set up to provide meals for the nursery and local families who access the site, all profit from this are gifted to the nursery.

Financial Review

Incoming resources

During the Period The Crescent received funding from the Stoke-on-Trent city council for 2, 3 and 4 year old funding and other matters, which in total came to £246,844 (2021: £165,667).

Payment by the parents was made in one of two ways, directly receiving the payment from the parents and by childcare vouchers provided by their employers.

Resources expended

The major costs during the period continue to be wages which amount to £224,327 (2021: £228,438) including employer's national insurance.

The Crescent Pre School Nursery Limited

Trustees Report for the year ended 31st August 2022 (Cont'd)

All trustees give of their time freely and no remuneration or expenses were paid in the year. No trustees or person connected with a trustee received any benefit from use of our childcare facilities in the year on more favourable terms than available to the general public.

Reserves Policy

The Trustees have established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets, which are the free reserves of the charity, should be between three and six months of general (unrestricted) operating costs and the Trustees consider that this policy provides sufficient funds to cover management, support and administration costs to be able to continue the activities of the charity in the event of a significant drop in funding, or business interruption. The free reserves at the year end were £44,250 (2021: £46,024) are not within the above policy. The Trustees are hoping to replicate the results of this Period in next period's accounts which will move them higher within the reserve policy.

Investment Policy

The Investment policy adopted by the Trustees is to maintain a high standard of the assets of the Trust and implement a programme of continual development to optimise their use in line with the Charity's objectives.

Future Direction and Plans of Organisation

Due to the highly qualified Childcare Manager and the Deputy Childcare Manager, the management believe this is a positive attribute for current and future staff to encourage them to study further enhancing quality. Additionally this has encouraged, five members of staff to undertake their BA Hons in Early Childhood Studies which was completed May 2023 we are also committed to all the team developing their SEND training further in the coming year. Therefore we are committed to employing highly qualified staff, which will result in the continuation of the high quality service currently being provided.

The childcare manager is committed in planning to secure funding to develop the nursery for the children and 0-4's in particular the expansion of Special Educational Needs childcare places to ensure that the nursery continues to provide an enabling environment outdoors as well as indoors, providing optimum opportunities for the children to learn and develop essential skills that will provide strong foundations on which future personal and academic achievements can be built. This in turn supports children from deprived backgrounds to 'buck the trend' of lower achievements and extends the learning opportunities for all the children who access the nursery now and in the future.

In addition to this, The Crescent Pre School Nursery support the local offer of 30 hours funding for working families with eligible 3 year olds, whilst ensuring staffing costs are effective and continuous professional development is upheld.
