

Trustees Report

2021 - 2022

Welcome:

We are very pleased to see you all and to meet you all again after restrictions which were caused by COVID – 19.

Let me begin thanking you for your presence here today and for all your continued support during the last year and all the years in the past. Without your continued support and without the support of our funders we would have not been able to deliver our mission of Propagating, Promoting and Advancing Education here in the UK and abroad which are backbone in eradicating all ills from the society.

We thank you all profusely for your continued support.

Following the advice regarding COVID – 19 from authorities and with the removal of restrictions by the authorities we have begun imparting knowledge and conducting activities as per our plans.

Blue Ink Weekend School

We have begun running the classes every Saturday from 9:00 – 12:30 where a number of children and young people attend it regularly. Along with Literacy, Numeracy, GCSE and A – Level subjects we impart knowledge about all the topics and subjects that concerns them and which are essential for the success. On 4th of March we will hold our Award Giving Ceremony where all the hardworking pupils will be awarded which is vital in encouraging all participants for a better outcome in all subjects.

Blue Ink Evening School

Since COVID – 19 restrictions were removed, we have restarted our evening school where a sizeable pupils attend regularly.

Keeping in mind the homework which our pupils get from their schools and to encourage independence in learning, we are running these classes on Mondays – Wednesdays.

Youth Empowerment Programme

Like before our Youth Team has restarted holding meetings with our youths in the community where social and educational issues are discussed. Youths love talking and discussing matters of their interests.

Education for All and Relief

Like before, with the generous help from all of you, in particular the support which we received towards education of 'very poor ones' and supporting them to carry on the education by providing boarding, which is a new initiative, we were able to provide life changing support. Similarly, we were able to distribute Sewing Machines, Goats and buffalos as per the instructions of sponsors.

Conclusion

We refer to our experiences to reiterate that, in the long term, it's only Education and Training which can eradicate Exploitation, Marginalisation and Deprivation and it's only Education and Training which will enable people to participate fully in their civic life and fulfil their responsibilities, therefore, we thank you all for your continued support in Propagating, Promoting and Advancing Education and Training which isn't possible without your Generous and Continued support.
