British Union of Spiritist Societies

Operating Name: BUSS

Charitable Incorporated Organisation (CIO)

**Report of the Trustees and unaudited Financial Statements for
the year ended**

31 March 2025

Objectives, Achievements and performance

1. The British Union of Spiritist Societies (BUSS) is a federation of Spiritist societies and groups who form its membership. BUSS was registered as a charity in England and Wales in 2010. We became a Charitable Incorporated Organisation (CIO) in November 2019 when we adopted our current constitution which sets the framework for our structure, governance, management and activities. BUSS is governed by trustees who are elected by, and are accountable to, the BUSS membership.
2. At BUSS, we strive to provide public benefit in all our activities. The trustees have carefully considered the Charity Commission's guidance on the Public Benefit requirement under the Charities Act 2011. Furthermore, we ensure that this guidance, along with other relevant Charity Commission information, is provided to every trustee upon their election to office.
3. All workers within our CIO are unpaid volunteers, and we are deeply grateful for their dedication, expertise, and generosity. We also sincerely thank BUSS's supporters for their financial contributions. These invaluable gifts of time, skill, and funds have enabled BUSS to continue successfully promoting Spiritist Christian values throughout the year.
4. The primary channels through which BUSS promotes Spiritist teachings are events, lectures, and publications. Continuing the trend established post-pandemic, many of our activities are now hybrid, combining online and in-person participation. This approach allows wider engagement from Spiritist groups across the UK and from other parts of the world.
5. BUSS members elected four trustees this year, following the resignation of a trustee from the previous year, and our initiatives have continued without interruption. Since January 2025 we have hosted and co-hosted numerous talks and workshops, made possible through the dedicated efforts of our volunteers and partners, as described below.

Our activities

6. Sales of Spiritist books are important for promoting Spiritist teachings and are also a key source of income for BUSS, helping to cover rent and fund educational events. In January 2025, the new Board of Trustees decided to resume direct book sales to the public, promoting the bookshop through advertising, emails, and WhatsApp. In August, BUSS hosted a month-long Spiritist Book Fair, which proved to be a great success.
7. We continued to offer the *Mediums' Book* course free of charge via Zoom on Saturdays. This initiative is a collaboration between BUSS and several group members and it has furthered the dissemination of Spiritist knowledge, particularly on topics related to mediumship.
8. BUSS and its partners continued to offer regular online talks and programmes, such as the weekly *Spiritual Light*, in collaboration with groups from other countries. In addition, a monthly lecture focused on significant books by Ernesto Bozzano, a well-known Spiritist researcher. In 2025, BUSS and the Peace Group have dedicated the year to "A Year of

Ernesto Bozzano”. These weekly and monthly online sessions reach Spiritist attendees across multiple countries.

9. The start of this fiscal year was marked by our continued efforts to re-ignite engagement between the affiliated groups and BUSS. As part of ongoing discussions on the role of BUSS in supporting the Spiritist movement in the UK, we sought feedback from the groups through a survey intended to start reflection with the groups ahead of a meeting to discuss the future. Nine groups submitted their opinions in this survey.
10. In April BUSS hosted the Event “The Future of BUSS” where all affiliated members were invited to discuss their expectations for BUSS and help define the plans.
11. BUSS responsibilities remain broadly the same: spreading Spiritism through events, lectures, courses and books, sharing news regarding the Spiritist movement in the UK, connecting people and groups, issuing guidelines around the study and practice of Spiritism, and supporting the formation of new groups,
12. We desire to re-establish a bigger event in the future, such as a Spiritist Congress, but delayed doing so this year because we recognise that Spiritist groups are hosting bigger events in the UK this year (for example, the International Spiritist Congress Joanna the Angelis in Hertfordshire in 2025).
13. BUSS continues to offer online mediumship meetings, which were initiated in May 2023 to support mediums who do not have a Spiritist group in their town or nearby. Additionally, *The Mediums’ Book New Course*, restarted in August 2025, now holds weekly online sessions with around 30 attendees. Participants are actively engaged in their studies and are being prepared to take part in the Online Mediumship Meetings.
14. The *Mediums’ Book* course was continued free of charge via zoom on Saturdays, as a collaboration of BUSS and some group members, and it enhanced the spread of Spiritist knowledge, particularly regarding to mediumship topics.

Financial review

18. In the year ending March 2025 BUSS's income was £2,196 compared to £1,637 in the previous year. Income from donations and gift aid was £1,332. Our other income included £504 from sales of Spiritist publications etc, and interest £359. We warmly thank our supporters for all their contributions.
19. We spent £6,602 in the year ending March 2025 compared to £10,902 in the previous year. Our main expenses were on conferences and events £3,274, office rent/service charges £1,269, publicity and communications £850, insurance £775, and books / postage £407.
20. Overall BUSS's costs exceeded income by £4,406 in the year (compared to £9,265 excess of expenditure in the previous year). As a result, our reserves at 31 March 2025 decreased to £44,009.

Achievements

21. The trustees reviewed the role of the bookshop and decided to keep the bookshop open and operational.
22. This year was marked by the reintroduction of the BUSS Newsletter, the reorganization of the BUSS website, and the restart of the Spiritist Education for Kids seminar—held face-to-face in May and online in July. These initiatives aim to better prepare educational volunteers for the affiliated group members.
23. We held Spiritist workshops for the groups in January 2025 to further train volunteers,

including *Spiritist Healing Seminars* and *Spiritist Education for Kids and Youth Seminars*.

24. This year, BUSS made a significant effort to support the reopening of two groups' face-to-face meetings at their original locations: the Allan Kardec Study Group – Centre for Spiritist Teachings (AKSG-UK) and the Allan Kardec Manchester Spiritist Group.
25. In January 2025, a new group, the Brentwood Spiritist Group, applied to join as an official member and will be formally admitted at our AGM in October 2025. Several other groups are also preparing to become official BUSS members.
26. BUSS organised talks at three UK groups in January 2025, presented by Dr Daniel Assisi from the Spiritist Institute (USA). Additionally, BUSS held a seminar for group workers on *Spiritist Healing*.
27. Six BUSS member groups continue to offer Spiritist studies exclusively online, reaching participants from multiple UK towns and even other countries. (Spiritist Centre for Peace, Brighton/Hove Spiritist Group, Sheffield Spiritist Group, Chico Xavier Spiritist Society, Spiritist Friends from Edinburgh). This year, BUSS also supported two official member groups in resuming their presentational activities to the public.
28. Here are details of some events that BUSS organised, BUSS gave support, and/or BUSS participated:

Plans for the future

29. Our activities will continue to include talks, seminars, events, and fraternal assistance. BUSS will continue to support the Spiritist movement, assisting both member and non-member groups in their efforts to disseminate Spiritist teachings throughout the UK. The CIO will remain open to any Spiritist group seeking guidance and support, and also being open to collaboration with other religions and sectors that can benefit from the exchange of knowledge and ideas consistent with our charity's objects. .

Thank -you

30. The trustees extend their sincere gratitude to our volunteers, donors, and supporters, whose dedication makes all our activities possible. We trust that our Spiritual Benefactors remain ever present, inspiring and guiding our work, and providing the strength and resources needed to fulfil our mission and contribute to our collective spiritual progress.

The British Union of Spiritist Societies is a Charitable Incorporated Organisation.
BUSS is its operating name.

Charity registration number
1136512

Registered Office
Oxford House, Derbyshire Street, London E2 6HG

Objectives and activities

1. The British Union of Spiritist Societies (BUSS) exists as a Charity for the advancement of Spiritism for the benefit of the public in accordance with the Christian principles established in the Five Books of the Spiritist Codification (the Spirits' Book, the Mediums' Book, the Gospel according to Spiritism, Genesis, and Heaven and Hell).
2. BUSS updated its Constitution and now is CIO, since November 2019. We are a non-profit organisation and, in accordance with our Charity's objectives, we promote the study and dissemination of the moral values of the Spiritist Christian principles. We do this by:
 - hosting seminars, conferences and educational events
 - supplying Spiritist publications through our bookstore
 - giving leadership, counselling and advice to Spiritist societies and groups across the UK.
3. At BUSS we seek to provide public benefit in all that we do. We confirm that the trustees have given due consideration to the Charity Commission's published guidance on the Public Benefit requirement under the Charities Act 2011. In addition, we ensure that this guidance and other relevant Charity Commission guidance are provided to every trustee on their election into office.
4. All our CIO's workers are unpaid volunteers. We are very grateful to them for donating their time, skills and experience. Additionally, we are thankful to BUSS's friends for their financial support through donations. These generous gifts of time, skills and funds have enabled BUSS to have another successful year in promoting Spiritist Christian values.

Achievements and performance

5. The main channels used by BUSS to promote Spiritist teachings are events, lectures, and books. Continuing the trend post-pandemic, many of our activities are hybrid combining online and face-to-face attendance, allowing for wider participation of Spiritist groups spread in the UK as well as other parts of the globe.
6. The referenced year was another year of adaptation, that saw the groups intensify efforts to re-establish their face-to-face activities. BUSS has extended the support available to groups offering Zoom account and use of BUSS online channels for advertisement and outreach to a wider audience.
7. This year was marked by initiatives to bring the groups together more frequently so that they could draw support from one another when facing similar challenges.
8. As in previous years, we maintained the initiatives of hosting and co-hosting several events, talks and workshops as a result of the joint effort of our volunteers and partners which are described below.

Our activities

9. Books continued to be sold via Amazon (FBA), which stores and delivers books directly to clients, removing the need to manage logistics direct to buyers. Via FBA, books are sent into Amazon warehouse according to sales, keeping a safe and low maintenance system. However, given the lack of volunteers to help actively manage the account, our inventory was not kept at the levels needed during the year, which affected sales.
10. The Mediums' book course was continued free of charge via zoom on Saturdays, as a collaboration of BUSS and some group members which enhanced the spread of Spiritist knowledge, particularly regarding to mediumship topics.
11. BUSS and partners continued the recurrent online talks and programs like Spiritual Light, Coffee Break with Kardec and Time to Talk. The programs covered different days of the week with guest from various countries to discuss Spiritist topics.
12. Throughout 2023 BUSS or member groups participated in the online event: European Spiritist Gathering; ensuring the maintenance of relationship with other federations and groups outside the UK.
13. During 2023, as part of the commitment to simplify the bookstore, the need for reducing fixed cost and spread Spiritist publications, BUSS offered free donations of books (multiple titles) to individuals part of group members of the CIO.
14. During the AGM the CIO defined as one of its priorities to re-establish BUSS' online presence including: re-launch of website, creation of virtual identity, review how content is made available in the platforms, establish an online calendar for events from the group members.
15. Website was relaunched with support of professional web designer, with the intention to streamline and modernise the site making it easier for users to find groups and events. Information on meetings held by member groups was updated and the groups can now submit their events to be included in the calendar directly through the website.
16. As a celebration of the classic authors, in December 2023 we concluded the monthly lectures regarding the life and books of Gabriel Delanne with the support of many groups from the UK and internationally.
17. In May 2023, the CIO initiated two weekly mediumship meetings, one online and one face-to-face. During this period, many of the group members were slowly re-establishing their face-to-face initiatives. Considering many groups had not had the opportunity to resume mediumship work, BUSS decided to organise mediumship meetings and extend an invitation to all group members in case they had experienced mediums that were interested in joining. Members of 4 groups joined this initiative.
18. In June 2023 we updated the global directory of Spiritist Groups ensuring all groups known to be active by BUSS were listed, as part of the commitment to facilitate people to find spiritual support and join the Spiritist movement when needed.

19. In June 2023, expanding its support to spreading the word about spiritism, BUSS donated a few books (Spirits book and Gospel According to Spiritism) to a new group interested in starting activities in Cyprus.
20. On 2nd of September BUSS partnered with group Francis of Assisi in an event for Suicide Prevention with guests Tato Savi and Luciana Oliveira. The event was included in the online publication 'Spiritist Radar', expanding the reach of the event.
21. On 23rd September 2023 we hosted a special talk with Guest speaker Dan Assisi on topic: Jesus, Leader: Leadership insights in the new era. The event was open to the public and had over 20 participants from multiple groups.
22. On November BUSS organised a workshop: Spiritist education for adults, targeting study group coordinators with guests Marlon Reikdal and Patricia Barbieri.
23. On 4th of December 2023 the CIO launched a working group 'Fostering Spiritisms in the UK' holding monthly online meetings with the objective to expand the reach of spiritism to the British population, so the group could collaborate on how to adapt the approach to disseminating spiritism in the UK considering the cultural nuances and diversity of the British population.
24. Strengthening BUSS partnerships with external institutions, the CIO engaged with the British Spiritist Medical Association (BSMA) to support them in their monthly webinar program on Medicine and Spirituality, kicking off the activities in December 2023.
25. Continuing the classic authors series, in Jan 2024 we started a new season of lectures exploring the life and literary work of Camille Flammarion. Strengthening the partnership of other groups and federations from Europe, USA and Brazil.
26. Considering the large inventory of books, the lack of volunteers to actively manage the bookstore and the lack of a selling strategy based on who the buyer is (if groups, for example), BUSS organised a consultation on the future of the bookstore with its group members on 25th of Feb 2024. The groups reach a decision to reduce the inventory to simplify its operation. In order to achieve this, BUSS extended the donation program and started the definition of a tiered price discount for group members. The intention in the coming years is to define a strategy to simplify the bookstore operation.

Financial review

27. In the year ending March 2024 our income was £1,637 compared to £5,992 in the previous year. Income from donations was £515. Our other income included £665 from sale of Spiritist publications and £430 from interest.
28. We spent £10,902 in the year, compared to £15,789 in the previous year. Our main expenses were on rent/service charges £3,623, on Publicity and communication £2,083 (which included the initiatives for online presence), and on conferences and events £1,003.

29. Thank you to all our supporters! Overall BUSS's costs exceeded income by £9,265 in the year (compared to £9,796 excess in expenditure in the previous year). As a result, our reserves decreased to £38,007 as of 31 March 2024.

Structure, governance and management

30. BUSS is a charity registered in England and Wales and a company limited by guarantee. The company's Memorandum and Articles of Association form BUSS's governing document, and they set out BUSS's objectives and governance arrangements.
31. BUSS's trustees under the Charities Acts are the directors of the Company for the purposes of the Companies Acts. They receive no remuneration from BUSS. Trustees must be individuals that are members to the groups affiliated to the CIO and are elected through a voting process during the annual general meeting. Here is the list of people who have served as trustees of the charity in the year ended in 31st March 2024:

Vanessa Ferreira Appointed 25 September 2021

Rafael Caldas Appointed 8 October 2022

Andre Abreu Silva Appointed 8 October 2022

Lorraine Reeves-Mclaren Appointed 23 September 2023

Davian Jessamy Resigned on 23 September 2023

Appointed 5 December 2020

Adriano Sugimoto Resigned on 10 May 2023

Appointed 5 December 2020

32. Building from the mission statement established in the previous year, BUSS used it for guidance in defining this year's plans and priorities. As a reminder, the Mission is articulated as:

BUSS is devoted to disseminating Spiritism with the purpose to create waves of positive changes for individuals and the world. We pledge to focus on:

- Promote the fraternal union of the spiritist institutions in the United Kingdom, and the unification of the national Spiritist Movement;

- Promote the study, diffusion, and practice of the Spiritist teachings according to its principles and postulates, and in all its fundamental scientific, philosophical, religious, ethical, and moral aspects;
- Support the member groups, offering at their request guidance on administrative, organisational, and theoretical topics;
- Represent the Spiritist Movement in the United Kingdom.

33. As to achieve its mission, BUSS will be organised as follows:

Board of trustees: responsible to a) define the strategic direction and long-term guidelines, b) define and approve yearly plans and budget, and c) represent the Spiritist Movement in the UK.

- Chairperson: Vanessa Parra
- Treasurer: Rafael Caldas
- Secretary: Andre Abreu Silva
- Other Board Members: Lorraine Reeves-Mclaren

34. Unfortunately, the plans to form an Executive body made of volunteers from the member groups had to be scaled back due to little availability of collaborators. However, the trustees maintained initiatives that would contribute to the progress of the departments, since they represented the priorities of the CIO, as per below:

- Outreach and liaison – During this year, Trustees continued the effort to bring the members groups closer to the CIO with regular interactions with each group, and involving the groups in each decision of BUSS, so the group recovered the understanding that BUSS activities were meant to be co-created with members
- Marketing & Communications – As described previously in the segment ‘Our Activities’ during this year BUSS focussed on reviewing its online presence. With the project ‘Make BUSS buzzing’ we had an assessment of our online fingerprint from our website, facebook page, youtube channel and search engine results. Given the limited resources we focused on re-launching the website with a professional web designer and reviewing BUSS presence in social media to facilitate people finding about the CIO, groups and events.
- Spiritist knowledge – Engaging the groups for a decision on how to maintain the bookshop for the future.
- Spiritist philosophy – Through the multiple events and talks listed before, but specially with the working group for Fostering Spiritisms in the UK and workshop on Spiritism Education for Adults.
- Spiritist science – With the setup of two mediumship meetings open to mediums from the groups.
- Family, Youth and Children Spiritist Education – Given the lack of interest in the event organised in the previous year, and lack of volunteers in this year, this item was de-prioritised. But should remain an area of focus for the future.

Plans for the future

35. BUSS will continue to support the Spiritist movement, supporting members and non-members groups in their initiatives to dissemination of Spiritist teachings throughout the UK.
36. The CIO will remain open to any Spiritist group that is looking for help and guidance. Also, to interact with other religions and sectors that would benefit from the exchange of knowledge.
37. Our activities will continue to be comprised of talks, seminars, events and fraternal assistance.
38. In the next year, BUSS will celebrate its 30th year since creation, planning an event that will bring together the many groups, trustees and volunteers current and past in a commemoration of its history.

In conclusion

39. This year was marked by higher levels of engagement with the group members, facilitating connections between groups, and bringing accountability for the future of the CIO to its members.
40. This was also the year BUSS and the groups saw a more significant return to presential activities, allowing for closer connections and re-igniting the sentiment of inclusion and belonging amongst groups.
41. For the partnership and dedication, the trustees are grateful to the group members.
42. The trustees would like to highlight our appreciation to our volunteers, donors and supporters, without whom our activities would not be possible. We are confident that our Spiritual Benefactors are side by side with us every single minute, guiding and providing all we need to successfully accomplish what needs to be done towards our spiritual growth.

This report is approved by the trustees of BUSS and is signed on their behalf by

for the year ended

31 March 2023

The British Union of Spiritist Societies is a Charitable Incorporated Organisation.
BUSS is its operating name.

Charity registration number
1136512

Registered Office
Oxford House, Derbyshire Street, London E2 6HG

Objectives and activities

1. The British Union of Spiritist Societies (BUSS) exists as a Charity for the advancement of the Spiritist religion for the benefit of the public in accordance with the Christian principles established in the Five Books of the Spiritist Codification (the Spirits' Book, the Mediums' Book, the Gospel according to Spiritism, Genesis, and Heaven and Hell).
2. BUSS updated its Constitution and now is CIO, since November 2019. We are a non-profit organisation and, in accordance with our Charity's objectives, we promote the study and dissemination of the moral values of the Spiritist Christian principles. We do this by:
3. hosting seminars, conferences and educational events, supplying Spiritist publications through our bookstore, and giving leadership, counselling and advice to Spiritist societies and groups across the UK.
4. At BUSS we seek to provide public benefit in all that we do. We confirm that the trustees have given due consideration to the Charity Commission's published guidance on the Public Benefit requirement under the Charities Act 2011. In addition, we ensure that this guidance and other relevant Charity Commission guidance are provided to every trustee on their election into office.
5. All of our CIO-Charity's workers are unpaid volunteers. We are very grateful to them for donating their time, gifts and skills, and we are very grateful to BUSS's friends for their financial support. These generous donations of time, skills and funds have enabled BUSS to have had yet another successful year in promoting Spiritist Christian values.

Achievements and performance

6. BUSS continues to work towards spreading spiritual teaching in the light of Spiritism and Christianity. We are committed to promoting social inclusion, harmony and spiritual growth to whoever gets in touch with our CIO-charity.
7. The main channels used by BUSS to promote Spiritist teachings are events, lectures, and books. Continuing the trend post-pandemic, many of our activities are hybrid combining online and face to face attendance, allowing for wider participation of spiritist groups spread in the UK as well as other parts of the globe.
8. The referenced year was marked by the groups resuming their face to face activities. BUSS has extended the support available to groups transition into hybrid and presential to make this adaptation as smooth as possible.
9. Despite all challenges faced in the last couple of years, we continued with the initiatives started in the previous years. Several events, talks and more were planned and executed, as a result of the joint effort of our volunteers and partners which are described below.

Our activities

10. Books continued to be sold via Amazon FBA, which stores and delivers books directly to clients, without the need of a volunteer to pack and ship every single book. Via FBA, books are sent into Amazon warehouse according to sales, keeping a safe and low maintenance system.
11. BUSS extended the open call to every member that was in need of financial support to resume face-to-face meetings.
12. The Mediums' book course was continued free of charge via zoom on Saturdays, which enhanced the spread of Spiritist knowledge, particularly regarding to mediumship topics.
13. BUSS co-sponsored with wone of its members (SSL) an online course named 'Introduction to Spiritism'.
14. BUSS and partners continued the recurrent talks on different days of the week with guest from various countries to discuss Spiritist topics (for example, 'Spiritual Light', 'Coffee Break with Kardec' and 'Time to Talk'.
15. On the 14th of May 2022, BUSS hosted the seminar: 'Spiritist Education – The Dynamo of Evolution' which was focused on the value of spiritist christian values for our daily lives.
16. As a celebration of the classic authors, in Jan 2023 we initiated series of monthly lectures regarding the life and books of Gabriel Delanne with the support of many groups from the UK and internationally.
17. In June BUSS organised the event 'Building the Future' which gathered members from multiple spiritist groups in the UK to share experiences and socialise. During the event two talks were organised covering the themes Fraternity and Mediumship.
18. On most months, BUSS participated in the online event: European Spiritist Gathering; ensuring the maintenance of relationship with other federations and groups outside the UK.
19. On 29th of October, BUSS joined forces with AME International and the British Spiritist Medical Association to bring to live the 9th British Congress on Medicine and Spirituality with the theme: Integrating Spiritist Healing into 21st Century Medicine.
20. BUSS offered free donations of books (7 different titles) to individuals part of group members of the CIO.

Financial review

21. In the year ending March 2023 our income was £5,992, compared to £10,826 in the previous year. Income from donations was £4,860. Our other income included £358 from conferences and events and £660 from sale of Spiritist publications.

22. We spent £15,789 in the year, compared to £11,609 in the previous year. Our main expenses were on rent, service charges and insurance £6933, on donations to charities £3249, and on publications for sale £2926.
23. Thank you to all our supporters! Overall BUSS's costs exceeded income by £9796 in the year (compared to £800 excess in expenditure in the previous year). As a result, our reserves slightly decreased to £57680 as at March 2022.

Structure, governance and management

24. BUSS is a charity registered in England and Wales and a company limited by guarantee. The company's Memorandum and Articles of Association form BUSS's governing document, and they set out BUSS's objectives and governance arrangements.
25. BUSS's trustees under the Charities Acts are the directors of the Company for the purposes of the Companies Acts. They receive no remuneration from BUSS. Trustees are elected from BUSS's membership by the members at their annual general meeting. People who have served as trustees of the charity in the year ended 31 March 2022 are:

Davian Jessamy	appointed 5 December 2020
Adriano Sugimoto	appointed 5 December 2020
Vanessa Ferreira	appointed 25 September 2021
Rafael Caldas	appointed 8 October 2022
Andre Abreu Silva	appointed 8 October 2022
Elsa Rossi	resigned on 8 October 2022, appointed 5 December 2020
Gilson Guimarães	resigned on 8 October 2022, appointed 5 December 2020

26. The trustees have decided to establish a mission statement to more clearly articulate the purpose of the CIO and give guidance to the activities to be prioritised in the future months. The mission statement is the following:

BUSS is devoted to disseminating Spiritism with the purpose to create waves of positive changes for individuals and the world. We pledge to focus on:

- ☐ Promote the fraternal union of the spiritist institutions in the United Kingdom, and the unification of the national Spiritist Movement;
- ☐ Promote the study, diffusion, and practice of the Spiritist teachings according to its principles and postulates, and in all its fundamental scientific, philosophical, religious, ethical, and moral aspects;
- ☐ Support the member groups, offering at their request guidance on administrative, organisational, and theoretical topics;
- ☐ Represent the Spiritist Movement in the United Kingdom.

27. As to achieve its mission, BUSS will be organised as follows:

Board of trustees: responsible to a) define the strategic direction and long-term guidelines, b) define and approve yearly plans and budget, and c) represent the Spiritist Movement in the UK.

- ☐ Chairperson: Vanessa Parra
 - ☐ Treasurer: Rafael Caldas
 - ☐ Secretary: Adriano Sugimoto
 - ☐ Other Board Members: Davian Jessamy, Andre Abreu Silva
-
- ☐ Executive body: responsible to execute the guidelines and plans during the year as per the board of trustees' decision. The executive body will be formed by the trustees, any other volunteers interested in joining the work and third parties contracted by the charity. We ask the groups to share the information below with their member, so that anyone interested in joining the departments can reach out to the trustees and be onboarded.

The executive body will be divided in the following departments:

- ☐ Outreach and liaison - Relationship with current members, new groups and international cooperation
- ☐ Marketing & Communications - Support the charity's branding and digital presence by helping to promote events and initiatives, maintaining social media profile, communication materials, website, etc.
- ☐ Spiritist knowledge - Management of BUSS book shop, translations, disseminate and support members' initiatives in this front, etc.
- ☐ Spiritist philosophy - Organise courses, events, congresses on spiritist philosophy, disseminate and support members' initiatives in this front, etc.
- ☐ Spiritist science - Organise courses, events, congresses on mediumship, disseminate and support members' initiatives in this front, etc.
- ☐ Family, Youth and Children Spiritist Education - Organise courses, events, congresses on the topic, disseminate and support members' initiatives in this front, etc.

The work on each department will be prioritised dependent on the availability of volunteers from the group members

Plans for the future

28. BUSS will continue to support Spiritist members and non-members groups to thrive in the dissemination of Spiritist teaching of love and care throughout the UK. Our activities will continue to be comprised mainly of talks, seminars, events and fraternal assistance.
29. We will remain completely open to any Spiritist group that is looking for help and guidance. Also, to interact with other religions and sectors that would benefit from the exchange of knowledge.

In conclusion

30. The trustees would like to highlight our appreciation to our volunteers, members, donors and supporters, without whom our activities would not be possible. We are confident that our Spiritual Benefactors are side by side with us every single minute, guiding and providing all we need to successfully accomplish what needs to be done towards our spiritual growth.
31. As we progress in the world post pandemic and restructure ourselves, BUSS will keep providing Spiritist teachings to inspire people to have a more charitable life, filled with love and compassion.

This report is approved by the trustees of BUSS and is signed on their behalf by

BUSS

British Union
of Spiritist Societies

Trustees' annual report & accounts

for the year ended

31 March 2021

The British Union of Spiritist Societies is a Charitable Incorporated Organisation.

BUSS is its operating name.

Charity registration number

1136512

Registered Office

Oxford House, Derbyshire Street, London E2 6HG

1. The British Union of Spiritist Societies (BUSS) is a charity registered in England that acts as an umbrella organisation for Spiritist groups who are its members, promoting Spiritism in the UK as a moral framework to motivate and guide people based on Christian principles.
2. BUSS was incorporated in 2009. In November 2019 we converted from being a charitable company to a Charitable Incorporated Organisation (CIO).
3. BUSS is managed by trustees who are elected at BUSS's annual general meeting by representatives of BUSS's member organisations. People who have served as trustees of the charity in the year ended 31 March 2021 are:

Elsa Rossi - Chairperson	(appointed 5 December 2020)
Gilson Guimarães	(appointed 5 December 2020)
Davian Jessamy	(appointed 5 December 2020)
Sueli Saponara	(appointed 5 December 2020)
Adriano Sugimoto	(appointed 5 December 2020)
Flavia Queiroz	(resigned 5 December 2020)
Rosilene Galindo	(resigned 5 December 2020)
Tales Augusto Schmidt	(resigned 5 December 2020)

Objectives

4. BUSS's objective is the advancement of the Spiritist religion for the benefit of the public in accordance with the Christian principles established in the Five Books of the Spiritist Codification: the Spirits' Book, the Mediums' Book, the Gospel according to Spiritism, Genesis, and Heaven and Hell.
5. To further this objective BUSS promotes the study and dissemination of the moral values of the Spiritist Christian principles by:
 - hosting seminars, conferences and educational events,
 - supplying Spiritist publications through our bookstore and website,
 - giving leadership, counselling and advice to Spiritist groups across the UK, and
 - encouraging acts of Christian beneficence.
6. We seek to provide public benefit in all that we do. The trustees confirm that they have given due consideration to the Charity Commission's published guidance on the public benefit requirement under the Charities Act 2011. In addition, we ensure that this guidance and other relevant Charity Commission guidance are provided to every trustee on their election into office.

7. All of our charity's workers are unpaid volunteers. We are very grateful to them for donating their time, gifts and skills, and we are very grateful to BUSS's friends for their continued financial support. These generous donations of time, skills and funds have enabled BUSS to have had yet another successful year in promoting Spiritist Christian values.

Activities and performance

8. BUSS continues to work towards creating greater social inclusion and religious/spiritual harmony, motivating and guiding people to live their lives in accordance with Spiritist moral principles. We seek to integrate and unify the Spiritist Movement in the UK under the framework of God's moral principles and natural laws.
9. BUSS organised events, free of charge, to prepare volunteers to work in unity as Spiritist workers, bringing together workers from all groups. The events focused on two very important areas: Spiritist education to children, youth and families, and also preparation for volunteers in the area of spiritual / fraternal dialogue.
10. During the year BUSS also increased its use of technology and online meetings for its activities. These activities included monthly events through Zoom rooms, to continue to prepare our volunteers as facilitators in areas such as healing courses, Spiritist reference libraries, management of studies, talks, seminars in suicide prevention, congress meetings, and other charitable works.
11. We continued to maintain an active presence on FACEBOOK in the year: The number of people visiting the BUSS Facebook page has doubled each year, with visits now totalling over 16,780 in the year
12. On 13 May 2020, BUSS had the pleasure to welcome the celebrated medium DIVALDO FRANCO for his talk online on "Planetary transition: a Spiritist perspective". He spoke beautifully, bringing spiritual awareness to more than 131,085 people who have now been able to watch the video on YouTube.
13. LORD'S PRAYER - With the aim of encouraging children to develop collaboration Elsa Rossi of BUSS talked to volunteer educators and parents from various parts of the world, so that their children could record the Lord's Prayer in the languages of their native countries. Thirty children took part, in a total of 25 Languages. We then then bundled and edited the recordings in a video: in just a few days the video reached 7,069 views on BUSS Audio visuals YouTube channel.
14. BUSS organised a wonderful project: VIDEOBOOKS STORY TALES by our Children, as a suggestion and support for Spiritist educators and the parents of our children, BUSS started a project of audio recorded prayers and stories using children's voices with a theme about spirituality. We then made a video book of these recordings which can be enjoyed by children from all over the world in English. We also recorded children offering prayers in Portuguese and English. We require that parents must sign an authorisation document, available from BUSS, for their child's voice to be recorded. The project received an excellent reception from parents and educators, who felt that with this project they had an opportunity to be with their child in developing the recording and that the child could see their work reaching others. The joy has been immense.

15. We held our 2019-20 ANNUAL GENERAL MEETING on 5th December 2020, via ZOOM, online, available for all groups that are full members of BUSS to attend.
16. In October 2020 we held a one-week virtual BUSS BOOKSHOP FUNDRAISING event. Following from the success in previous years, we organised the event to sell second-hand books on Spirituality, to raise funds for BUSS and to encourage people to build their own collection of Spiritist literature. The money raised helps to buy new publications for our bookshop housed at our office, and helps fund BUSS general expenses.
17. In January 2021 BUSS launched a new English translation by Janet Duncan of the CHRISTIAN AGENDA. As always, we record our deep gratitude to Janet for this work, a labour of love, and for her generosity in donating the work freely to BUSS. We added this new translation into www.amazon.co.uk to sell as an e-Book and as printed copies.
18. Since late February 2020 during the Covid-19 pandemic BUSS trustees have continued to manage the charity's activities by working online, mainly remotely at their homes.
19. Unfortunately we had to postpone our 3rd British Spiritist Congress to May 2021, due to the pandemic.
20. BUSS's Children's Educational Department made good progress in gathering our 4th Gathering for PARENTS AND FAMILIES, using virtual zoom room, on 5th December 2020. The participation of families, educators and children was amazing. We organised a virtual exhibition with many arts created by children and youth.

Spiritist Groups

21. There are now 36 Spiritist groups in the UK that offer studies free of charge. Although not all of these groups all are members of BUSS, most of them work in partnership with BUSS, disseminating events that bring light to many people.
22. Details of groups that are members of BUSS are listed at the end of this report. All BUSS groups offer free healing prayers, study meetings and mediumship spiritual rescue. Most of the groups offer spiritual healing, and some groups offer moral/spiritual education for children and parents. BUSS and its groups never charge for helping someone in need.
23. Because of the pandemic and lock down since 2020, members of our groups have been unable to meet face-to face but have nevertheless. continued to make progress in achieving our aims, step by step. With every confidence in God to protect us and guide our future path our groups have been using technology for virtual meetings for events such as online studies, seminars, and meeting in congress. We thank God and are incredibly happy that, following the previous year's success, we have had another year of progress in 2020-21.
24. More groups now using online meetings such as Zoom to develop free classes every week offering moral and ethical education for children and youth, and helping the young ones in their relationship with their families and friends.

25. Small groups still need our attention to grow. Our main task is to give support to the formation of Spiritist groups around the country. As with every year, BUSS has a number of groups waiting to be affiliated while preparing themselves to offer everyone the understanding of universal spiritual principles of Spiritism through seminars, conferences and meetings.
26. During the year BUSS offered guidance and help a new group to establish them on a solid foundation to can carry out their duties: "Christian Spiritist Group" in London, offers weekly virtual public meetings – Tuesdays evenings.

Financial review

27. BUSS's income and expenses were much lower due to fewer events in the year ending March 2021 .Our income was £15,900, compared to £29,600 in the previous year. Income from donations was £6,200. Our other income included £3,700 from conferences and events and £2,100 from sale of Spiritist publications.
28. We spent £9,300 in the year, compared to £32,500 in the previous year. Our main expenses were on rent, service charges and insurances £6,400, and on publications for sale £1,700.
29. Thank you to all our supporters! Overall BUSS's income exceeded costs by some £6,600 in the year (compared to £2,900 excess of expenditure over income in the previous year). As a result, our reserves increased to £68,260 as at March 2021.

Plans for the future

30. Our main focus at BUSS is to carry on helping our member groups. We continue to encourage the work of groups by organising talks, lectures and seminars on spiritual healing, mediumship and fraternal attention. We also actively help associate groups who wish to have our support.
31. We pray that the public health situation in 2022 will allow us to go ahead with our plans to hold the third BRITISH SPIRITIST CONGRESS in London, already postponed twice due to the pandemic lockdown.
32. BUSS continues with the important call to SAVE LIVES, Suicide Awareness Campaign, with an all-day online event on 10th September 2021, World Suicide Day, to bring awareness to the communities, and including guest speakers from the UK, USA and Brazil.
33. We will continue to be available to give spiritual help to people in bereavement and, if they want to come to our groups and talk to us, we can help them to understand their moments of grief. We aim to work in partnership with other charities in this field.
34. We will continue to maintain BUSS's quarterly newsletter that brings information to all groups and links the groups to our wider community.

In conclusion

35. *THANKYOU !* - The trustees of BUSS would like to take this opportunity to thank our Spiritual Benefactors and each and every one of our volunteers, members, donors and supporters. Without their presence, help, hard work, dedication and their free giving of their time and gifts, our charity could not operate or succeed.
36. As we look ahead, we continue to promote Spiritist teachings to inspire people to lead a good and charitable life within their homes and communities, knowing that God is the Supreme Intelligence and First Cause of all Things. In these difficult times of a pandemic we pray with every confidence for God to protect us all, and to guide our future path.
