SINCE 9/11

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 30 SEPTEMBER 2025

The trustees present their annual report and financial statements for the year ended 30 September 2025.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's governing document, the Charities Act 2011, the Companies Act 2006 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Objectives and activities

The charity is a company limited by guarantee not having a share capital and is registered as a charity.

The objects of the charity, as set out in its memorandum, are:

- To advance the education of the public, and in particular young people at primary and secondary school level, by:
 - a. the study of and enquiry into acts of terrorism, conflict, extremism and radicalisation.
 - b. promoting good citizenship and the development of young people as responsible citizens as members of their local, national and international communities.
- The perpetual care and maintenance of one or more public works of art relating to, or to honour all those who lost their lives in, the terrorist attacks on New York City on 11 September 2001.
- Promotion of such other purposes being exclusively charitable according to the law of England and Wales as the trustees may from time to time determine.

Activities:

The period covered by this report, October 2024 to September 2025, was marked by a record increase in the number of Prevent referrals. With young people's referrals to Prevent growing each year, the rise in online disinformation, conspiratorial thinking and extremist narratives gaining traction globally, we know that our work at SINCE 9/11 remains as important today as it has ever been.

It is this that has driven us to ensure that we:

- Continue to offer educators free resources and guidance to enable them to deliver sessions to young people helping them to understand of the events, causes and consequences of 9/11 as well as subsequent terror events.
- Create and market more opportunities for us to support educators, through regular communications, our CPD programme and the reestablishment of student workshops in schools.
- Become a more efficient charity, utilising our limited resources and budget to achieve an even greater impact. This has included introducing new systems such as our CRM.
- Maintaining the 9/11 artwork, 'Since 9/11' at Queen Elizabeth Olympic Park and renewing its planning application and lease.

Achievements and performance

Significant activities and achievements against objectives

Classroom resources and teacher guidance

SINCE 9/11 provides a library of free education resources developed in partnership with UCL, the SINCE 9/11 Education Programme, aimed at supporting teachers to teach about the events, causes and consequences of 9/11. These resources cover five curriculum subjects: Citizenship, History, RE, Art & Design and English & Drama. We also have a free library of 10 Key Stage 2 resources covering British values, also developed in partnership with UCL.

This year we released seven new briefing documents for educators, covering current topics within extremism and radicalisation such as mixed and unclear ideologies, conspiracy theories, far right influencers and how social media and gaming platforms are used to radicalise young people.

During the year, we conducted an audit of all 123 resources available on our website and completed any updates required. Approximately 2,291 resources have been downloaded over the past 12 months via our website and TES resources – this represents an increase of almost 17% from the previous year.

Student workshops

Our team of freelance educators and the charity director delivered 17 student workshops in five different schools, including a secure children's home and a school specialising in supporting young people whose education has been adversely affected by dyslexia, dyspraxia and dyscalculia. Through these workshops we worked with over 350 young people to explore the events, causes and consequences of 9/11 and to consider what extremism is.

Teacher CPD

Between October 24 and September 25, we delivered a series of 9 free online webinars for teachers. These were delivered by a variety of experienced trainers in the sector and were attended by 406 people in all. 85% of those attending who completed an evaluation said that they agreed, or strongly agreed, that the session had helped to increase their knowledge of the subject area and to feel more confident in the subject area. 90% said that the session was either excellent or very good.

Grants and commissions

SINCE 9/11 was awarded a Community Cohesion and Resilience Fund grant of £8,250 from Dover District Council and the Ministry of Housing, Communities and Local Government enabling us to deliver our workshop, *Fake News, Real Consequences*, to students in secondary schools throughout Dover District Council. We delivered 34 workshops (between 45 and 90 mins long) to 941 secondary age students. We also delivered an online CPD session reaching 18 teachers from across Dover Council.

Of the **526** young people who completed the evaluation at the end of the workshops:

- **85%** felt that their understanding of how harmful views can be spread online increased.
- **85%** felt that their confidence to respond appropriately to mis- and disinformation online increased.
- **91%** felt that they were more confident in being able to identify online mis and disinformation.
- **91%** had an increased understanding of the law related to spreading mis-information and disinformation online.
- **90%** felt they improved their understanding of the potential legal consequences of spreading mis-information and disinformation online.

We were also commissioned by the Department of Education to develop a series of four resources aimed at sixth form colleges and Further Education and Training settings. The teaching packs included PowerPoints, session plans, facilitator guidance, photocopyable handouts, specially created videos and podcasts to support educators. The teaching packs are now hosted on the Educate Against Hate website (EAH) and support post 16 educators to deliver classroom discussions and activities to meet the Prevent duty for their settings.

SINCE 9/11

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 30 SEPTEMBER 2025

Artwork

Throughout the reporting period, we have continued to maintain the Since 9/11 artwork, crafted from WTC steel, in Queen Elizabeth Olympic Park. We have renewed the lease and planning permission, to enable the artwork to remain on site for the following 10 years. Through the funds donated we have been able to continue to support the necessary maintenance and insurance for the structure as well as disseminating leaflets within the Olympic Park to raise awareness of this commemorative piece. The site acts as a focal point for remembering the atrocities of 9/11, as well as symbolising hope for the future and as such we were able to reclaim a total of £20,948 in backdated VAT relief through the Memorial Grants Scheme.

Fundraising performance

As a result of another very successful fundraising dinner hosted by our Chair in March 2025, we received donations of £144,109 (2024: £123,090) to fund the charity's activities. We were able to also claim £19,662 in Gift Aid from HMRC. The trustees are hugely grateful to the charity's supporters for these generous gifts.

We were also supported by the Ambassador Theatre Group to do bucket collections following performances of *Come from Away* at their theatres in Wimbledon and Chichester. Thanks to the generosity of theatre goers, we collected £6,238 and were able to claim an additional £1,823 in Gift Aid.

These funds have enabled us to continue to plan ahead and to invest – both internally in our systems and in the support and development of our education offer (including resources, workshops, CPD) to the education sector.

We have also continued to seek funding from grant making organisations and foundations, submitting applications to 9 grant making trusts during the 24/25 financial year. 7 of these were unsuccessful, and 2 were successful (with delivery for one of these taking place in the FY 25/26). We will continue to seek funding through trusts and foundations and are working hard to better evidence our impact within an increasingly competitive grant funding environment.

Financial review

The funds balance at 30 September 2025 is £189,127 (2024: £112,142).

Reserves policy

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to approximately three month's expenditure, which is estimated to be £30K. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year

Major risks

The trustees have a risk management strategy which comprises:

- An annual review of the principal risks and uncertainties that the charity faces;
- The establishment of policies, systems and procedures to mitigate those risks identified in the annual review; and
- The implementation of procedures designed to minimise or manage any potential impact on the charity should those risks materialise.

This work has identified that financial sustainability is the major risk for the charity, particularly in the current economic environment.

SINCE 9/11

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 30 SEPTEMBER 2025

Plans for future periods

Alongside the promotion of our Education Programme of resources focusing on the events, causes and consequences of 9/11, the charity will further develop our offer to schools and other learning organisations, to address wider, contemporary issues connected to radicalisation and extremism.

In the coming year we will mark the 25th anniversary of 9/11 on 11th September 2026. The charity is developing our plans for ensuring that schools have the resources and opportunity to mark this important date with their young people. We will continue with our focus on young people within the secondary age range, as this is where the greatest concerns lie.

Structure, governance and management

The trustees, who are also the directors for the purpose of company law, and who served during the year (or who were appointed after the year end) were:

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF SINCE 9/11

I report on the financial statements of the charity for the year ended 30 September 2025, which are set out on pages 6 to 15.

Respective responsibilities of trustees and examiner

The charity's trustees, who are also the directors of SINCE 9/11 for the purposes of company law, are responsible for the preparation of the financial statements. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- (i) examine the financial statements under section 145 of the 2011 Act;
- (ii) to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- (iii) to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (a) which gives me reasonable cause to believe that in any material respect the requirements:
 - (i) to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - (ii) to prepare financial statements which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities;have not been met or
- (b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 SEPTEMBER 2025**

1 Accounting policies

Charity information

SINCE 9/11 is a private company limited by guarantee incorporated in England and Wales. The registered office is Botanic House, 100 Hills Road, Cambridge, Cambridgeshire, CB2 1PH.

1.1 Basis of preparation

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's governing document, the Charities Act 2011, the Companies Act 2006 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016).

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the accounts, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus, the trustees continue to adopt the going concern basis of accounting in preparing the accounts.

1.3 Charitable funds

Unrestricted funds are those available for use at the discretion of the trustees in furtherance of the charitable objects, unless the funds have been restricted.

Designated funds comprise funds which have been set aside at the discretion of the trustees for specific purposes. This includes any amounts that the trustees consider should be set aside to spend on specific charitable activities.

Restricted funds comprise amounts which have been restricted in some way when receivable for specific purposes. The purposes and uses of the restricted funds are set out in the notes to the accounts.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.4 Income

Voluntary income comprises donations and the gift aid reclaimed in relation to donations. Donations are credited to the Statement of Financial Activities on a receipts basis.

Turnover is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods and services provided in the normal course of business, net of discounts, VAT and other sales related taxes.

1.5 Expenditure

Expenses are included in the Statement of Financial Activities on an accrual basis. Liabilities are recognised as resources are expended as soon as there is a legal or constructive obligation. Expenditure includes any VAT which cannot be recovered, and is reported as part of the expenditure to which it relates.

Where directly incurred, resources expended are allocated to either cost of generating funds, charitable activities or to governance costs. Indirect costs are classified as support costs and are apportioned to the various activities based on the estimated time spent by staff on the relevant activities.

Governance costs are those costs incurred in complying with legal and statutory obligations.

SINCE 9/11

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEAR ENDED 30 SEPTEMBER 2025

1 Accounting policies

(Continued)

1.6 Intangible fixed assets other than goodwill

Intangible assets acquired separately from a business are recognised at cost and are subsequently measured at cost less accumulated amortisation and accumulated impairment losses.

Intangible assets acquired on business combinations are recognised separately from goodwill at the acquisition date where it is probable that the expected future economic benefits that are attributable to the asset will flow to the entity and the fair value of the asset can be measured reliably; the intangible asset arises from contractual or other legal rights; and the intangible asset is separable from the entity.

Amortisation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Right of Use (ROU) asset	10 years straight line
--------------------------	------------------------

1.7 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.8 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.9 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.10 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.11 Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessees. All other leases are classified as operating leases.

Assets held under finance leases are recognised as assets at the lower of the assets fair value at the date of inception and the present value of the minimum lease payments. The related liability is included in the balance sheet as a finance lease obligation. Lease payments are treated as consisting of capital and interest elements. The interest is charged to net income/(expenditure) for the year so as to produce a constant periodic rate of interest on the remaining balance of the liability.

SINCE 9/11

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 30 SEPTEMBER 2024

The trustees present their annual report and financial statements for the year ended 30 September 2024.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's governing document, the Charities Act 2011, the Companies Act 2006 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Objectives and activities

The charity is a company limited by guarantee not having a share capital and is registered as a charity.

The objects of the charity, as set out in its memorandum, are:

- To advance the education of the public, and in particular young people at primary and secondary school level, by:
 - a. the study of and enquiry into acts of terrorism, conflict, extremism and radicalisation;
 - b. promoting good citizenship and the development of young people as responsible citizens as members of their local, national and international communities.
- The perpetual care and maintenance of one or more public works of art relating to, or to honour all those who lost their lives in, the terrorist attacks on New York City on 11 September 2001.
- Promotion of such other purposes being exclusively charitable according to the law of England and Wales as the trustees may from time to time determine.

Activities

The period covered by this report, October 2023 to September 2024, was marked by a number of extremist and terrorist events, from the terrorist attacks on 7 October in Israel and the ensuing war in Gaza, to the murder of the 3 girls in Southport and the ensuing disorder on the streets of Britain.

With Prevent referrals for young people growing each year, the rise in online disinformation and increasingly extremist narratives gaining traction globally, we know that our work at SINCE 9/11 has never been more important. It is this that has driven us to ensure that we:

- Continue to offer educators free resources and guidance to enable them to deliver sessions to young people helping them to understand of the events, causes and consequences of 9/11 as well as subsequent terror events.
- Create and market more opportunities for us to support educators, through regular communications, our CPD programme and the reestablishment of student workshops in schools.
- Become a more efficient charity, utilising our limited resources and budget to achieve an even greater impact. This has included introducing new systems such as our CRM.
- On-going work with trustees to refine our Theory of Change and begin work on a 5 year strategy.
- Maintaining the 9/11 artwork, 'Since 9/11' at Queen Elizabeth Olympic Park and renewing its planning application and lease.

SINCE 9/11

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 30 SEPTEMBER 2024

Achievements and performance

Significant activities and achievements against objectives

Education programme

SINCE 9/11 provides a library of free education resources aimed at teachers to teach about the events, causes and consequences of 9/11. These resources cover five subjects: Citizenship, History, RE, Art & Design and English & Drama. During the summer, the Citizenship and RE lessons were reviewed and updated. We also have a library of Key Stage 2 resources covering British values. Approximately 1,962 resources have been downloaded over the past 12 months via our website and TES resources.

In January and February 2024, we worked with the charity, Future Leaders UK to deliver 4 workshops to their young leaders in London.

“Honestly, it made me more informed about what actually happened as I was a bit unaware before, and it also helped me understand the concepts of how to prevent extremism and keep everything humble, calm, and peaceful.”

Young Future Leader, North London cohort

In June 2024, SINCE 9/11 recruited and inducted a team of experienced freelance educators, who have enabled us to deliver sessions in schools and other organisations, directly to young people. Whilst we did not deliver any of these sessions within this financial year, we invested time and resources into updating the workshop offer and promoting the workshops to the education sector.

We also launched a free webinar series for teachers and educators with a session on Fundamental British Value in September.

Artwork

Throughout the reporting period, we have continued to maintain the Since 9/11 artwork, crafted from WTC steel, in Queen Elizabeth Olympic Park. We also began work on renewing the lease and planning permission, to enable the artwork to remain on site for the following 10 years. Through the funds donated we have been able to continue to support the necessary maintenance and insurance for the structure as well as disseminating leaflets within the Olympic Park to raise awareness of this commemorative piece. The site acts as a focal point for remembering the atrocities of 9/11, as well as symbolising hope for the future.

Fundraising performance

As a result of a very successful fundraising dinner hosted by our Chair in March 2023, we received donations of some £123,090 (2023: £25,500) to fund the charity's activities. We were able to also claim £18,025 in Gift Aid from HMRC. The increase in our income this year reflects our increased activity after several years of being impacted by COVID. The trustees are hugely grateful to the charity's supporters for these generous gifts.

These funds have enabled us to plan ahead and to invest – both internally in our systems and in the support and development of our education offer (including resources, workshops, CPD) to the education sector. We expect to be able to reap the results of this investment in the coming financial year.

We have also continued to seek funding from grant making organisations and foundations, submitting 7 applications during the 23/24 financial year. 6 of these were unsuccessful, and one was successful with VAT reimbursement on installing and maintaining our artwork made in October 2024 (to appear in 24/25 accounts). We will continue to seek funding through trusts and foundations but are aware of the increasingly competitive grant funding environment.

Financial review

The funds balance at 30 September 2024 is £112,142 (2023: £93,664).

SINCE 9/11

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 30 SEPTEMBER 2024

Reserves policy

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure, which is estimated to be £30K. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

Major risks

The trustees have a risk management strategy which comprises:

- An annual review of the principal risks and uncertainties that the charity faces;
- The establishment of policies, systems and procedures to mitigate those risks identified in the annual review; and
- The implementation of procedures designed to minimise or manage any potential impact on the charity should those risks materialise.

This work has identified that financial sustainability is the major risk for the charity, particularly in the current economic environment.

Plans for future periods

Alongside the promotion of our Education Programme of resources focusing on the events, causes and consequences of 9/11, the charity will further develop our offer to schools and other learning organisations, to address wider, contemporary issues connected to radicalisation and extremism. In the coming year we will focus on young people within the secondary age range, as this is where the greatest concerns lie. We plan to develop and deliver a range of workshops for young people, CPD opportunities for educators and to increase our library of lessons and guidance to support educators to deliver these challenging topics.

Structure, governance and management

The trustees, who are also the directors for the purpose of company law, and who served during the year (or who were appointed after the year end) were:

Mr P G Rosengard
Mr M C T Hartley
Sir A F Seldon
Mr C J Diamond
Lady L K French
Mr I Hussain
Dame S A Coates
Dame C R Dick
Mr S A Jones

(Appointed 18 November 2024)

Recruitment and appointment of trustees

The trustees confirm that they have had regard to the Charity Commission's published guidance on public benefit.

In April 2024, Charlotte Agran left the charity, and a new full time charity director was recruited. Yvonne Richards started employment as Charity Director with SINCE 9/11 on 7 May 2024. During the reporting period, the charity also employed one part-time (15%) staff member and, between 11 March and 30 September 2024, a part time (60%) intern.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF SINCE 9/11

I report on the financial statements of the charity for the year ended 30 September 2024, which are set out on pages 6 to 12.

Respective responsibilities of trustees and examiner

The charity's trustees, who are also the directors of SINCE 9/11 for the purposes of company law, are responsible for the preparation of the financial statements. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- (i) examine the financial statements under section 145 of the 2011 Act;
- (ii) to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- (iii) to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (a) which gives me reasonable cause to believe that in any material respect the requirements:
 - (i) to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - (ii) to prepare financial statements which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities;have not been met or
- (b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 SEPTEMBER 2024**

1 Accounting policies

Charity information

SINCE 9/11 is a private company limited by guarantee incorporated in England and Wales. The registered office is Botanic House, 100 Hills Road, Cambridge, Cambridgeshire, CB2 1PH.

1.1 Accounting convention

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's governing document, the Charities Act 2011, the Companies Act 2006 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016).

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the accounts, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus, the trustees continue to adopt the going concern basis of accounting in preparing the accounts.

1.3 Charitable funds

Unrestricted funds are those available for use at the discretion of the trustees in furtherance of the charitable objects, unless the funds have been restricted.

Designated funds comprise funds which have been set aside at the discretion of the trustees for specific purposes. This includes any amounts that the trustees consider should be set aside to spend on specific charitable activities.

Restricted funds comprise amounts which have been restricted in some way when receivable for specific purposes. The purposes and uses of the restricted funds are set out in the notes to the accounts.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.4 Income

Voluntary income comprises donations and the gift aid reclaimed in relation to donations. Donations are credited to the Statement of Financial Activities on a receipts basis.

Turnover is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods and services provided in the normal course of business, net of discounts, VAT and other sales related taxes.

1.5 Expenditure

Expenses are included in the Statement of Financial Activities on an accrual basis. Liabilities are recognised as resources are expended as soon as there is a legal or constructive obligation. Expenditure includes any VAT which cannot be recovered, and is reported as part of the expenditure to which it relates.

Where directly incurred, resources expended are allocated to either cost of generating funds, charitable activities or to governance costs. Indirect costs are classified as support costs and are apportioned to the various activities based on the estimated time spent by staff on the relevant activities.

Governance costs are those costs incurred in complying with legal and statutory obligations.

SINCE 9/11

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
FOR THE YEAR ENDED 30 SEPTEMBER 2024

1 Accounting policies

(Continued)

1.6 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.7 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

SINCE 9/11

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 30 SEPTEMBER 2023

The trustees present their annual report and financial statements for the year ended 30 September 2023.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's governing document, the Charities Act 2011, the Companies Act 2006 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Structure, governance and objectives

The charity is a company limited by guarantee not having a share capital and is registered as a charity.

The objects of the charity, as set out in its memorandum, are:

- To advance the education of the public, and in particular young people at primary and secondary school level, by:
 - a. the study of and enquiry into acts of terrorism, conflict, extremism and radicalisation;
 - b. promoting good citizenship and the development of young people as responsible citizens as members of their local, national and international communities.
- The perpetual care and maintenance of one or more public works of art relating to, or to honour all those who lost their lives in, the terrorist attacks on New York City on 11 September 2001.
- Promotion of such other purposes being exclusively charitable according to the law of England and Wales as the trustees may from time to time determine.

Activities

As previously reported, after the twentieth anniversary event held in September 2021 and the simultaneous release of the UCL Institute of Education report, the Trustees of SINCE 9/11 used the renewed interest in the subject matter as a point to begin work on a new strategy for the charity, building upon what came before and looking towards the future.

Consultant, Joe Hayman, was brought in to work alongside Trustees to establish this new strategy by reviewing the current position of the charity and its potential. This work looked at all elements of the charity and resulted in several key recommendations being made and approved by the board, most notably a refined role for a new Charity Director, of which recruitment began in Autumn 2022. Charlotte Agran was formally offered the position and began work in January 2023.

Accordingly, the focus of the charity during the year was:

- The continuation of existing educational programme for UK schools to enable children to gain an understanding of the events, causes and consequences of 9/11 and subsequent terror attacks.
- The refinement of the charity's strategy in relation to the outreach programme and working with various schools, local authorities and programme providers to provide workshops to schools, to focus also on the provision of training to teachers.
- Continuing to keep the 9/11 artwork, "Since 9/11" at Queen Elizabeth Olympic Park and starting work on the lease and planning application renewal.
- Increasing social media output to raise awareness of the charity and its work ahead of the implementation of the strategy.

SINCE 9/11

TRUSTEES' REPORT (CONTINUED)(INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 30 SEPTEMBER 2023

Achievements and performance

Education programme

In preparation for the relaunch of the charity following the pandemic and the release of the UCL Institute of Education report, the process of reviewing and updating the education programme began, together with discussions with UCL and other academic institutions on a strategic shift in the materials to cover conspiracy theories and their role in relation to radicalisation and terrorism.

As previously reported, the 9/11 education programme was launched in September 2011. The launch was the culmination of an extensive research period during which teachers, students and educational experts took part in workshops, surveys, focus groups and meetings. The research, which was conducted on behalf of the Institute of Education (one of our education partners), showed that student understanding of 9/11 was very limited, and that there was a need and a willingness to teach and learn about the events of 9/11, the causes and the ongoing impact.

The education resources are freely available to all through the SINCE 9/11 website and are designed to be used within five subjects: Art & Design, English & Drama, History, RE and Citizenship.

The resources are aimed at teachers and comprise lesson plans, factsheets and worksheets, and supporting information. The website also provides guidance on how to teach the topic, an interactive timeline, and image and video resources.

However, since the inception of the education programme the requirements placed on schools have changed significantly and some of the materials needed to be updated. To take into account an ever-changing subject resources have, therefore, continued to be improved and refined in line with the duty and needs of the education sector, as well as to take into account more recent global events.

Artwork

Throughout the reporting period, we have also maintained the SINCE 9/11 artwork in Queen Elizabeth Olympic Park. Through the funds donated we have been able to continue to support the necessary maintenance and insurance for the structure as well as disseminating leaflets within the Olympic Park to raise awareness of this commemorative piece.

Staffing and trustee membership

During the year, the charity operated with one part-time staff member and, from January 2023, a full time charity director.

Funding

During the year, donations of some £25,500 (2022: £138,925) were received to fund the charity's activities, mainly from individuals. The trustees are grateful to the charity's supporters for these generous gifts.

Financial review

Following its formation, the foundation raised significant funds, which were applied to create the educational resources and to fund the creation of the artwork. The funds balance at 30 September 2023 is £93,665 (2022 : £174,938).

It is the policy of the trustees to retain sufficient funds in reserves to meet immediate and expected future commitments. The foundation does not enter into commitments to provide long term funding or support due to its dependence on the donations made to it. The level of reserves as at 30 September 2023 were reduced, but acceptable, and subsequent to the year end, the charity has raised sufficient funds to enable it to meet its obligations as they fall due.

SINCE 9/11

**TRUSTEES' REPORT (CONTINUED)(INCLUDING DIRECTORS' REPORT)
FOR THE YEAR ENDED 30 SEPTEMBER 2023**

Risk management

The trustees have a risk management strategy which comprises:

- an annual review of the principal risks and uncertainties that the charity faces;
- the establishment of policies, systems and procedures to mitigate those risks identified in the annual review ; and
- the implementation of procedures designed to minimise or manage any potential impact on the charity should those risks materialise.

This work has identified that financial sustainability is the major financial risk for the charity, including the risk to the economy generally from the effect of Covid-19.

Future plans

By means of its FREE Education Programme, the charity will continue to focus on teaching the events, causes and consequences of 9/11 and subsequent similar atrocities in an attempt to create a better, peaceful and harmonious future.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF SINCE 9/11

I report on the financial statements of the charity for the year ended 30 September 2023, which are set out on pages 5 to 10.

Respective responsibilities of trustees and examiner

The charity's trustees, who are also the directors of Since 9/11 for the purposes of company law, are responsible for the preparation of the financial statements. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- (i) examine the financial statements under section 145 of the 2011 Act;
- (ii) to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- (iii) to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (a) which gives me reasonable cause to believe that in any material respect the requirements:
 - (i) to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - (ii) to prepare financial statements which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities;have not been met or
- (b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 SEPTEMBER 2023**

1 Accounting policies

Company information

Since 9/11 is a private company limited by guarantee incorporated in England and Wales. The registered office is Botanic House, 100 Hills Road, Cambridge, Cambridgeshire, CB2 1PH.

1.1 Accounting convention

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's governing document, the Charities Act 2011, the Companies Act 2006 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016).

1.2 Going concern

At the time of approving the accounts, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus, the trustees continue to adopt the going concern basis of accounting in preparing the accounts.

1.3 Charitable funds

Unrestricted funds are those available for use at the discretion of the trustees in furtherance of the charitable objects, unless the funds have been restricted.

Restricted funds comprise amounts which have been restricted in some way when receivable for specific purposes. The purposes and uses of the restricted funds are set out in the notes to the accounts.

1.4 Income

Voluntary income comprises donations and the gift aid reclaimed in relation to donations. Donations are credited to the Statement of Financial Activities on a receipts basis.

1.5 Expenditure

Expenses are included in the Statement of Financial Activities on an accrual basis. Liabilities are recognised as resources are expended as soon as there is a legal or constructive obligation. Expenditure includes any VAT which cannot be recovered, and is reported as part of the expenditure to which it relates.

Where directly incurred, resources expended are allocated to either cost of generating funds, charitable activities or to governance costs. Indirect costs are classified as support costs and are apportioned to the various activities based on the estimated time spent by staff on the relevant activities.

Governance costs are those costs incurred in complying with legal and statutory obligations.

SINCE 9/11

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 30 SEPTEMBER 2022

The trustees present their annual report and financial statements for the year ended 30 September 2022.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's governing document, the Charities Act 2011, the Companies Act 2006 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

- Promotion of such other purposes being exclusively charitable according to the law of England and Wales as the trustees may from time to time determine.

Activities

The focus of the charity during the year was:

- The continuation of existing educational programme for UK schools to enable children to gain an understanding of the events, causes and consequences of 9/11
- The continuation of the charity's outreach programme and working with various schools, local authorities and programme providers to provide workshops to schools.
- Continuing to keep the 9/11 artwork, "Since 9/11" at Queen Elizabeth Olympic Park
- Using the 20th anniversary and the release of the UCL Institute of Education report as a focal point to create a new strategy for the future of the charity.

After the twentieth anniversary event held in September 2021 and the simultaneous release of the UCL Institute of Education report, the Trustees of SINCE 9/11 used the renewed interest in the subject matter as a point to begin work on a new strategy for the charity, building upon what came before and looking towards the future.

SINCE 9/11

TRUSTEES' REPORT (CONTINUED)(INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 30 SEPTEMBER 2022

Achievements and performance

Education programme

The education programme had one key area of activity in the year:

- Reviewing the UCL Institute of Education report that aimed to improve our understanding of how schools are engaging with the teaching of Fundamental British Values and addressing extremism of all kinds. This report was crucial to the renewed strategy of the charity

As previously reported, the 9/11 education programme was launched in September 2011. The launch was the culmination of an extensive research period during which teachers, students and educational experts took part in workshops, surveys, focus groups and meetings. The research, which was conducted on behalf of the Institute of Education (one of our education partners), showed that student understanding of 9/11 was very limited, and that there was a need and a willingness to teach and learn about the events of 9/11, the causes and the ongoing impact.

The education resources are freely available to all through the SINCE 9/11 website and are designed to be used within five subjects: Art & Design, English & Drama, History, RE and Citizenship.

The resources are aimed at teachers and comprise lesson plans, factsheet and worksheets, and supporting information. The website also provides guidance on how to teach the topic, an interactive timeline, and image and video resources.

However, since the inception of the education programme the requirements placed on schools have changed significantly and some of the materials needed to be updated. To take into account an ever-changing subject resources have, therefore, continued to be improved and refined in line with the duty and needs of the education sector, as well as to take into account more recent global events.

Consequently, the world acclaimed UCL Institute of Education commissioned their report (as noted above) which was published to coincide with twentieth anniversary of 9/11 and, following consultation with them and the Department for Education updated the materials mentioned, which are now available to all secondary schools.

Artwork

Throughout the reporting period, we have also maintained the SINCE 9/11 artwork in Queen Elizabeth Olympic Park. Through the funds donated we have been able to continue to support the necessary maintenance and insurance for the structure as well as disseminating leaflets within the Olympic Park to raise awareness of this commemorative piece.

Staffing and trustee membership

During the year, the charity operated with one part-time staff member.

Funding

During the year, donations of some £138,925 (2021: £75,837) were received to fund the charity's activities, mainly from individuals. The trustees are grateful to the charity's supporters for these generous gifts.

Financial review

Following its formation, the foundation raised significant funds, which were applied to create the educational resources and to fund the creation of the artwork. The funds balance at 30 September 2022 is £174,938 (2021 : £129,176).

It is the policy of the trustees to retain sufficient funds in reserves to meet immediate and expected future commitments. The foundation does not enter into commitments to provide long term funding or support due to its dependence on the donations made to it. The level of reserves as at 30 September 2022 were modest, but acceptable, and subsequent to the year end, the charity has raised sufficient funds to enable it to meet its obligations as they fall due.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF SINCE 9/11

I report on the financial statements of the charity for the year ended 30 September 2022, which are set out on pages 5 to 9.

Respective responsibilities of trustees and examiner

The charity's trustees, who are also the directors of Since 9/11 for the purposes of company law, are responsible for the preparation of the financial statements. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- (i) examine the financial statements under section 145 of the 2011 Act;
- (ii) to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- (iii) to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (a) which gives me reasonable cause to believe that in any material respect the requirements:
 - (i) to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - (ii) to prepare financial statements which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities;have not been met or
- (b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 SEPTEMBER 2022**

1 Accounting policies

Company information

Since 9/11 is a private company limited by guarantee incorporated in England and Wales. The registered office is Botanic House, 100 Hills Road, Cambridge, Cambridgeshire, CB2 1PH.

1.1 Accounting convention

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's governing document, the Charities Act 2011, the Companies Act 2006 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016).

1.2 Going concern

At the time of approving the accounts, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus, the trustees continue to adopt the going concern basis of accounting in preparing the accounts.

1.3 Charitable funds

Unrestricted funds are those available for use at the discretion of the trustees in furtherance of the charitable objects, unless the funds have been restricted.

Restricted funds comprise amounts which have been restricted in some way when receivable for specific purposes. The purposes and uses of the restricted funds are set out in the notes to the accounts.

1.4 Income

Voluntary income comprises donations and the gift aid reclaimed in relation to donations. Donations are credited to the Statement of Financial Activities on a receipts basis.

1.5 Expenditure

Expenses are included in the Statement of Financial Activities on an accrual basis. Liabilities are recognised as resources are expended as soon as there is a legal or constructive obligation. Expenditure includes any VAT which cannot be recovered, and is reported as part of the expenditure to which it relates.

Where directly incurred, resources expended are allocated to either cost of generating funds, charitable activities or to governance costs. Indirect costs are classified as support costs and are apportioned to the various activities based on the estimated time spent by staff on the relevant activities.

Governance costs are those costs incurred in complying with legal and statutory obligations.

SINCE 9/11

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 30 SEPTEMBER 2021

The trustees present their annual report and financial statements for the year ended 30 September 2021.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's governing document, the Charities Act 2011, the Companies Act 2006 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Structure, governance and objectives

The charity is a company limited by guarantee not having a share capital and is registered as a charity.

The objects of the charity, as set out in its memorandum, are:

- To advance the education of the public, and in particular young people at primary and secondary school level, by:
 - a. the study of and enquiry into acts of terrorism, conflict, extremism and radicalisation;
 - b. promoting good citizenship and the development of young people as responsible citizens as members of their local, national and international communities.
- The perpetual care and maintenance of one or more public works of art relating to, or to honour all those who lost their lives in, the terrorist attacks on New York City on 11 September 2001.
- Promotion of such other purposes being exclusively charitable according to the law of England and Wales as the trustees may from time to time determine.

Activities

The focus of the charity during the year was:

- The continuation of existing educational programme for UK schools to enable children to gain an understanding of the events, causes and consequences of 9/11
- The continuation of the charity's outreach programme and working with various schools, local authorities and programme providers to provide workshops to schools.
- Continuing to keep the 9/11 artwork, "Since 9/11" at Queen Elizabeth Olympic Park
- Completing work with UCL Institute of Education regarding commissioning a report aiming to improve our understanding of how schools are engaging with the teaching of Fundamental British Values and addressing extremism of all kinds.

On December 10th 2020, SINCE 9/11 (with its partner, UCL Institute of Education) brought over 10,000 students from almost 300 UK secondary schools to an online event focusing on learning about 9/11 and why it remains of enormous relevance to them. The attendance reflects the importance placed by teachers on the lessons from 9/11 and subsequent terrorist attacks, and that knowledge of the causes and consequences of such events remain critical for young people's education.

A panel of experts shared their knowledge with the student audience.

Speakers included:

- Sir Simon Schama CBE, University Professor of History and Art History at Columbia University, New York.
- Sara Khan, UK government's Lead Commissioner for Countering Extremism
- Nicky Napier, whose husband Alex was killed in the 9/11 attacks
- Prof Martin Mills and Jeremy Hayward, UCL Institute of Education, who are conducting research for SINCE 9/11 on 'Addressing Extremism in the Classroom'.

The event was endorsed by the DfE and Home Office. For SINCE 9/11 the event surpassed expectations, with the volume of young people engaged at a time of debilitating Covid disruption in schools.

SINCE 9/11

TRUSTEES' REPORT (CONTINUED)(INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 30 SEPTEMBER 2021

On the twentieth anniversary of 11th September 2001, SINCE 9/11 hosted an event at the Queen Elizabeth Olympic Park, in London. Addressing an invited audience, leading figures from the worlds of education and politics, a 9/11 survivor, and a son and nephew of two of the 67 British victims who lost their lives on that tragic day recalled the events of that tragic day, and the lessons to be learnt.

Speakers included:

- Dan Snow OBE, BAFTA award-winning historian and best-selling author
- Sir Simon Schama CBE, University Professor of History and Art History at Columbia University, New York.
- Sir Richard Dearlove, Chief of the British Secret Intelligence Service 1999-2004.
- Janice Brookes and Jonathan Egan, respectively survivor of 9/11 and family-member, whose father and aunt were killed in the 9/11 attacks.
- Prof Jeremy Hayward, UCL Institute of Education, who conducted research for SINCE 9/11 on 'Addressing Extremism in the Classroom'.

Achievements and performance

Education programme

The education programme had three key areas of activity in the year:

- The improvement of new classroom materials to broaden the scope of our educational resources;
- Continuing with the implementation of an outreach programme of workshop delivery directly in schools; and
- Continued to work with UCL Institute of Education regarding a report aiming to improve our understanding of how schools are engaging with the teaching of Fundamental British Values and addressing extremism of all kinds.

As set out above, the direct benefit of the education programme is to enable children to gain an understanding of the events, causes and consequences of 9/11, and by extension the continuing threat posed by radicalisation and terrorism today. The benefits to the wider society are that children will recognise the importance of tolerance and dialogue, and will reject extremist views, leading to a more harmonious society.

As previously reported, the 9/11 education programme was launched in September 2011. The launch was the culmination of an extensive research period during which teachers, students and educational experts took part in workshops, surveys, focus groups and meetings. The research, which was conducted on behalf of the Institute of Education (one of our education partners), showed that student understanding of 9/11 was very limited, and that there was a need and a willingness to teach and learn about the events of 9/11, the causes and the ongoing impact.

The education resources are freely available to all through the SINCE 9/11 website and are designed to be used within five subjects: Art & Design, English & Drama, History, RE and Citizenship.

The resources are aimed at teachers and comprise lesson plans, factsheet and worksheets, and supporting information. The website also provides guidance on how to teach the topic, an interactive timeline, and image and video resources.

However, since the inception of the education programme the requirements placed on schools have changed significantly and some of the materials needed to be updated. To take into account an ever-changing subject resource have, therefore, continued to be improved and refined in line with the duty and needs of the education sector, as well as to take into account more recent global events.

Consequently, the world acclaimed UCL Institute of Education commissioned their report (as noted above) which was published to coincide with twentieth anniversary of 9/11 and, following consultation with them and the Department for Education updated the materials mentioned, which are now available to all secondary schools.

SINCE 9/11

TRUSTEES' REPORT (CONTINUED)(INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 30 SEPTEMBER 2021

Artwork

Throughout the reporting period, we have also maintained the SINCE 9/11 artwork in Queen Elizabeth Olympic Park. Through the funds donated we have been able to continue to support the necessary maintenance and insurance for the structure as well as disseminating leaflets within the Olympic Park to raise awareness of this commemorative piece.

Staffing and trustee membership

During the year, the charity operated with one part-time staff member.

Funding

During the year, donations of some £75,837 (2020: £6,228) were received to fund the charity's activities, mainly from individuals. The trustees are grateful to the charity's supporters for these generous gifts.

Financial review

Following its formation, the foundation raised significant funds, which were applied to create the educational resources and to fund the creation of the artwork. The funds balance at 30 September 2021 is £129,176 (2020 : £137,223).

It is the policy of the trustees to retain sufficient funds in reserves to meet immediate and expected future commitments. The foundation does not enter into commitments to provide long term funding or support due to its dependence on the donations made to it. The level of reserves as at 30 September 2021 were modest, but acceptable, and subsequent to the year end, the charity has raised sufficient funds to enable it to meet its obligations they fall due.

Risk management

The trustees have a risk management strategy which comprises:

- an annual review of the principal risks and uncertainties that the charity faces;
- the establishment of policies, systems and procedures to mitigate those risks identified in the annual review ; and
- the implementation of procedures designed to minimise or manage any potential impact on the charity should those risks materialise.

This work has identified that financial sustainability is the major financial risk for the charity, including the risk to the economy generally from the effect of Covid-19.

Future plans

By means of its FREE Education Programme, the charity will continue to focus on teaching the events, causes and consequences of 9/11 in an attempt to create a better, peaceful and harmonious future.
