**Notes to the financial statements**  
**for the year ended 31 December 2022**

**1 Basis of preparation**

***Basis of preparation***

These accounts have been prepared under the historical cost convention with items recognised at cost or transactions value unless otherwise stated in the relevant note(s) to these accounts.

The accounts have been prepared in accordance with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and with the Charities Act 2011.

**Changes of accounting policy**

The accounts present a true and fair view and no changes have been made to the accounting policies adopted.

**2 Accounting policies**

**INCOME**

**Recognition of income**

These are included in the income and expenditure account when:

- the charity becomes entitled to the resources;
- it is more likely than not that the trustees will receive the resources;
- the monetary value can be measured with sufficient reliability.

**Grants and donations**

Grants and donations are only included in the income and expenditure account when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).

In the case of performance related grants, income is only recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).

**Legacies**

Legacies are included in the income and expenditure account when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.

**Tax reclaims on donations and gifts**

Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.

**Donated goods**

Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.

**Jesus Disciples' Community Church**  
**Notes to the financial statements**  
**for the year ended 31 December 2022**

**Tangible fixed assets**

Tangible fixed assets are measured at cost less accumulative depreciation and any accumulative impairment losses. Depreciation is provided on all tangible fixed assets, other than freehold land, at rates calculated to write off the cost, less estimated residual value, of each asset evenly over its expected useful life, as follows:

Motor vehicles	20% reducing balance
----------------	----------------------

**EXPENDITURE AND LIABILITIES**

**Liability recognition**

Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.

**Creditors**

The charity has creditors which are measured at settlement amounts less any trade discounts.

**Provisions for liabilities**

A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date.

**Basic financial instruments**

The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.
