***Objectives and activities***

***Key objectives***

*The objectives of the company are :*

- 1) The promotion of equality and diversity for the public benefit by:
  - a) advancing education and raising awareness in equality and diversity;
  - b) activities to foster understanding between people from diverse backgrounds;
  - c) cultivating a sentiment in favour of equality and diversity
- 2) The promotion of religious harmony for the benefit of the public by educating the public of different religious beliefs, including an awareness of their distinctive features and their common ground to promote good relations between persons of different faiths;
- 3) The promotion of human rights (as set out in the Universal Declaration of Human Rights and subsequent United Nations conventions and declarations) throughout the world by all or any of the following means:
  - a) Monitoring abuses of human rights;
  - b) Relieving need among the victims of human rights abuse;
  - c) Raising awareness of human rights issues;

Release Eritrea continues to promote freedom of religious worship in Eritrea and supports victims of such abuse by offering support and advocacy as well as prayers and spiritual guidance.

Through the period under report there hasn't been an improvement to human rights violations including freedom of religious worship in Eritrea. All churches not belonging the 'recognised' groups are still closed and those that are 'recognised' are also put under various forms of pressure and their operations continue to be heavily controlled.

The UN continues to be seriously concerned by the human rights violations in the country and particularly the implications for the outflow of refugees who seem to be leaving Eritrea at an unprecedented rate, to Sudan and Ethiopia and then further afield.

Release Eritrea continues to be active in all three areas of work namely:

- 1) Prayer and intercession
- 2) Practical assistance for victims of human rights violations and refugees
- 3) Advocacy

Below we provide a brief outline of the achievements in each of the above areas of work outlined above.

**1. Prayer and Intercession :**

Members of Release Eritrea have led and participated in various prayer events, here at home in the UK through zoom.

**Trustees Report (Incorporating the Directors' Report)  
Year ended 28 February 2025**

**2. Practical assistance**

**Refugees**

Release Eritrea continues to provide financial and spiritual support and guidance to individual refugees, families, as well as groups and churches in the refugee communities in Ethiopia. In this financial year we continued to support refugees who have been displaced from Sudan to Ethiopia, Egypt and Uganda. Sudan had been home for tens of thousands of Eritrean refugees for many years. Eritrean refugees are continued to become targets of human traffickers and bandits in Sudan and Libya. So it continued to have devastating effects on the Eritrean refugee communities. Because of that many continued to be displaced and becoming victims of traffickers. Currently there are tens of thousands of Eritrean refugees settled in Northern Ethiopia Alem-Wach and some on the Sudan Ethiopian border, Metema. Due to civil war and lawlessness in the Amhara region these refugees have become targets of bandits and human smugglers. The number of Eritrean refugees in Addis Ababa is estimated more than 100,000. Our charity has been supporting those who still remained in Tigray and Addis Ababa. Some of the refugees are forced into commercial sex workers and become victims of human trafficking. Release Eritrea has continued the ongoing project in Addis Ababa, supporting vulnerable women by providing vocational training, such as cooking, tailoring, hair dressing, filming and video editing, mobile phone repairing, computer training, and accounting. In this financial year more than 160 men and women have enrolled in the skill training and graduated.. Several of these have started their own businesses such as dress making, carpentry, laundry, key cutting, three wheeled taxis (tuktuk or bajaj) and other businesses. Others were hired in different business sectors, such as restaurants, photo shops, coffee shops, hair salons and beauticians.

We also provide transport fees for the students until they finish their courses. The course lasts from four to six months. We also provide food packages to families in need. During this project year, We have provided food packages to over 200 families, most of them are single mothers with two to three children and refugees displaced from Sudan.

School children support: we also provide shoes, clothes and stationeries to more than two hundred needy children, each package consists, school bag, writing pads, pens and pencils. These are over We also provide financial assistance to needy families, helping them with paying their house rents and medical costs.

**Trustees Report (Incorporating the Directors' Report)  
Year ended 28 February 2025**

**Prisoners and their families support**

Release Eritrea continues to support hundreds of prisoners of conscience and their families inside Eritrea. Currently, there are still hundreds of prisoners of faith whom we are aware of. In the year of 2024/25 there were about 220 newly arrested Christians and over 100 people have been released. Some of the senior pastors have been in prison for over 20 years, and about 20 prisoners are currently in prison for over 10 years. Most of the prisoners are members of the banned faith groups by the Eritrean government, such as the Baptists, Pentecostals, Free Evangelicals, and the Methodists. Some of the sanctioned churches, such as the Orthodox and Catholics have been targets of restriction and subjected to harassment and prison. There are three Orthodox clergies who have been in prison since November 2004. Most of the released prisoners are suffering from PTSDs, so Release Eritrea is providing medical, psychological, pastoral, and financial help. Release Eritrea is at present providing financial and pastoral support for the needy families. We would like to take this opportunity to thank all our supporters and volunteers without whose commitment and dedication wouldn't have been able to fulfil our obligation to support those who are in desperate need. We want also to give a special thanks to our volunteers and workers in Eritrean, Ethiopia and other project sites.

**Radio Prodcast**

The four days a week radio broadcast is still running well. This radio service is reaching out to our listeners in the refugee camps, in Eritrea and Tigray region in North Ethiopia. Through this radio broadcast we focus on several social and educational issues; such as human trafficking, modern day slavery, love, relationship and marriage, songs and bible studies. We also have sessions on health education such as; HIV, TB, nutrition, sanitation, PTSD, trauma counselling and other social and religious educations. This radio program has two part-time staffers.

**3. Advocacy**

One of the main objectives of Release Eritrea is being a voice to the voice-less in Eritrea. At the moment there are tens of thousands of prisoners of conscience in Eritrea. Some of them have been in prison for over 20 years. None of them have been charged. To highlight this gruesome situation of the prisoners of conscience, one of our directors has the opportunity to speak at the UN human-right commission in Geneva. In addition, some members of our trustees and directors have the opportunity to highlight the causes of the prisoners of conscience to the international community by engaging in several social and community gathering. Our directors had also numerous occasions to speak on social Medias and Christian radio stations and different religious and social gatherings; churches and mission conventions in the UK and some European countries such as Germany, The Netherlands and Poland. Our director has also written a book, highlighting his own prison experience and current situation in Eritrea. Our director has made several book tours all across the UK, in Scotland, Northern Ireland and in several regions within England and London. We will continue to engage the international community until we see changes in Eritrea.

***Statement of Trustees' Responsibilities***

The Trustees (who are also directors of RELEASE ERITREA for the purpose of Company Law) are responsible for preparing the Trustees' Annual Report statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Company Law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and which enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

***Small company provisions***

On behalf of the board

Chair, Board of Trustees Release Eritrea

**Independent examiner's report to the trustees on the unaudited financial statement of Release Eritrea.**

I report on the account of Release Eritrea for the year ended 28 February 2025 set out on pages 2 to 14.

***Respective responsibilities of trustees and independent examiner***

The charity's trustees (who are also the directors of the company for purpose of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act), and that an independent examination is needed. It is my responsibility to examine the accounts under section 145 of the 2011 Act, to follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act; and to state whether particular matters have come to my attention.

***Basis of independent examiner's statement***

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

***Independent examiner's statement***

In connection with my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in any material respect the requirements:

- to keep proper accounting records in accordance with section 386 of the Company Act 2006; and
- to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the company Act 2006 and with methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities have not been met; or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached
