Trustees' Annual Report
For the year ended 31 December 2022

The trustees have pleasure in presenting their report and the financial statements of the charity for year ended 31 December 2022.

Legal Status, Aims and Purposes

The Friends of JBC is an independent charity registered in the UK to advance education in South Africa in accordance with Christian principles and, in particular, to support the work of Johannesburg Bible College (JBC). JBC runs courses in handling God's word and connecting it to South African society. It delivers courses in a number of locations in and around Johannesburg: Auckland Park, Soweto and recently in Alexandra Township. The course is now recognised as a professional qualification, accredited by the South African government.

JBC is an interdenominational college offering a year-long combination course of study and practical service to equip men and women for Bible teaching ministry. JBC also hosts the Train the Trainers conference welcoming delegates from across Africa.

Review of Objectives, Activities and Achievements

The objectives for the year were to grow the base of donors to the charity, to continue regular funding of the work of JBC and to raise funding for an extension to the site at Auckland Park. These objectives were achieved.

During 2022, a number of grants were made to JBC to fund the construction of the extension to the site at Auckland Park, to fund student bursaries to support their tuition fees and, in some cases, the costs of transport to college as well as grants being made to help fund college staffing.

It is expected that further donations will be received during 2023, in particular to fund the work of JBC in the Alexandra Township. The charity continues to make financial payments to support JBC and its work.

Public benefit

The trustees have considered the Charity Commission's guidance on public benefit and, in particular, the specific guidance on charities for the advancement of religion, when reviewing the charity's aims and objectives for the year. The trustees have, in their view, met the public benefit requirement through the charity's grant making and fund-raising activities during the year. In particular, the funding of bursaries for students at JBC, equipping students to be leaders in their Christian settings and funding the new extension to the Auckland Park site has helped to improve access to educational courses where previously opportunities may not have existed. Currently, around 300 students a year receive bursaries for fees or for travel expenses to allow them to study at JBC. The college sites at Auckland Park, Soweto and Alexandra Township also provide a community facility for other local organisations.

Statement of Trustees' Responsibilities

Charity legislation requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit for that period. In preparing the financial statements, suitable accounting policies have been adopted and consistently applied to the best of the trustees' knowledge and belief by reference to reasonable and prudent judgements and estimates. Applicable accounting standards have been followed.

The trustees are responsible for maintaining adequate accounting records, for safeguarding the assets of the charity and for preventing and detecting fraud and other irregularities. The trustees are also required to indicate where the financial statements are prepared other than on the basis that the charity is a going concern.

Financial Review

The results for the year and the charity's financial position at 31 December 2022 are shown in the attached financial statements. Total income for the year was £426,014 (2021: £382,067), the increase resulted from an uplift in significant one-off gifts from other Christian charities and private individuals received during the year. Total resources expended were £471,855 (2021: £374,323), to fund JBC's operating costs, student bursaries and payments for the expansion of the Auckland Park campus.

Reserves

Reserves as at 31 December 2022 totalled £265,433 (2021: £311,274) and represent funds held on a temporary basis before being expended on the charity's objectives. None of these reserves were restricted at the year-end (2021: £14,250).

Structure, Governance and Trustees

The charity is governed by a trust deed dated 3 February 2010 and is constituted as trustees incorporated as a body.

Trustees are recruited on the basis of their skills to help further the purposes of the charity. They are appointed by resolution of a majority of the trustees and after declaring their belief and allegiance to the charity's Statement of Beliefs.

The trustees who served the charity during the year were as follows:

Stephen Lilley (Chairman)

David Mulligan

Richard Lawrence

Ken Pearson

Independent Examiner's Report to the Trustees Friends of Johannesburg Bible College

I report on the financial statements, together with the accompanying notes, of the charity for the year ended 31 December 2022, which are set out on pages 5 to 9.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the financial statements. The charity's trustees consider that an audit is not required for this period (under section 144(2) of the Charities Act 2011 (the 2011 Act)) and that an independent examination is needed.

It is my responsibility to:

- examine the financial statements (under section 145 of the 2011 Act);
- to follow the procedures laid down in the General Directions given by the Charity Commissioners (under section 145(5)(b) of the 2011 Act); and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the financial statements.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements

- to keep accounting records in accordance with section 130 of the 2011 Act; and
- to prepare financial statements which accord with the accounting records and comply with the accounting requirements of the 2011 Act have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.
