The Trustees are pleased to present their annual report and financial statements of the charitable company for the year ended 31st May 2025 which are also prepared to meet the requirements for a directors' report and accounts for Companies Act purposes.

The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and the charities Statement of Recommended Practice (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland; FRS 102) issued in October 2019.

Reference and Administration Details

The charity's name is Bearfield Church.

Charity Registration Number: 1136765

Company Number: 7254525

Registered Office: 22b High Street, Witney, Oxon, OX28 6RB

Trustees and Directors

The Trustees of the charitable company (the charity) are its Directors for the purposes of company law. The Trustees and officers who served during the year and since the year end were as follows:

T Vaughton (Chairman)
H Fuggle
N Campbell
R Squire

Objectives and Activities

The main objects of the charity are:

- i) The advancement of the Christian faith in the UK and overseas.
- ii) To relieve persons in conditions of need, hardship or who are aged or sick.
- iii) To advance education in accordance with Christian principles.
- iv) To promote other charitable objects as decided by the Trustees from time to time.

In planning the activities of the charitable company the directors have considered the Charity Commission's guidance on public benefit and, in particular, the specific guidance on charities for the advancement of religion.

Achievements and Performance

During the year, Bearfield Church has continued to focus on worship, discipleship, community outreach and the effective stewardship of its people, buildings and resources. The Trustees have worked closely with the Bearfield Leadership Team to support the church's mission and ensure good governance across all areas of activity.

Children's, youth and family work has remained a priority. Bearcubs, JAM, TGI and SOS have continued to provide regular opportunities for children and young people to learn, build friendships and explore the Christian faith in age-appropriate and welcoming settings. The Trustees have overseen the development of plans to recruit a new Youth, Children and Families Worker to strengthen this work in the coming year.

**REPORT OF THE TRUSTEES
for the year ended 31st May 2025 (Continued)**

Achievements and Performance (continued)

Community engagement has continued through activities such as the Oasis coffee morning, which provides a warm, inclusive space for members of the wider community. Environmental and social justice work has been strengthened through the formation of the ESJ group, focusing on care for creation and community use of church grounds.

Worship and discipleship have remained central to church life, supported by a committed team of leaders and volunteers. Teaching, prayer and small group activities have continued to encourage spiritual growth and whole-life discipleship.

The Trustees have maintained oversight of staffing, safeguarding, property and finance. A range of building maintenance and improvement works have been completed, with further works planned as resources allow.

Financially, the charity remains on a stable footing. Due to careful management, a gap in staffing costs and generous donations, reserves have increased, enabling the church to plan confidently for future staffing and building improvements. Trustees continue to monitor income and expenditure closely to ensure long-term sustainability.

Financial Review

The total income for the year was £82,686 and total expenditure on charitable activities amounted to £55,820.

Reserves Policy

Our reserves policy is that we keep four months running costs in the account and we also have a quinquennial report done every five years so we can budget for upcoming/required building works over the following five years and we had one of these completed in 2016. Given the unforeseen expenditure which could arise in respect of the property the trustees consider that the level of reserves currently held is appropriate.

Structure, Governance and Management

NOTES TO THE ACCOUNTS
for the year ended 31st May 2025

1. **Accounting Policies**

The principal accounting policies adopted, judgments and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a) **Basis of Preparation**

The financial statements have been prepared in accordance with the Charities: Statement of Recommended Practice (applicable to Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)) (issued in October 2019) – (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Public Benefit Entity

Bearfield Church meets the definition of a public benefit entity as defined by FRS 102.

Going Concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern

b) **Income Recognition Policies**

Items of income are recognised and included in the accounts when all of the following criteria are met:

- The charity has entitlement to the funds;
- any performance conditions attached to the items of income have been met or are fully within the control of the charity;
- there is sufficient certainty that receipt of the income is considered probable; and
- the amount can be measured reliably.

Income received in advance of a specific performance or provision of other specified service is deferred until the criteria for income recognition are met.

c) **Donated Services**

In accordance with the Charities SORP (FRS 102) the general time of volunteers is not recognised in the accounts.

d) **Interest Receivable**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the bank.

e) **Fund Accounting**

Unrestricted funds are available to spend on activities that further any of the purposes of the Charity. Designated funds are unrestricted funds of the Charity which the trustees have decided at their discretion to set aside to use for a specific purpose. Restricted funds are donations which the donor has specified are to be solely used for the particular areas of the Charity's work or for specific projects being undertaken by the Charity.

**NOTES TO THE ACCOUNTS
for the year ended 31st May 2025**

f) Expenditure and Irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Expenditure on Charitable activities.
- Other expenditure represents those items not falling into any other heading.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

g) Debtors

Trade and other debtors are recognised at the settlement amounts due after any trade discount offered. Prepayments are valued at the amount prepaid after taking account of any trade discounts due.

h) Cash at Bank and in Hand

Cash at bank and cash in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

i) Creditors and Provisions

Creditors and provisions are recognised where the Charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

**NOTES TO THE ACCOUNTS
for the year ended 31st May 2023**

1. Accounting Policies

The principal accounting policies adopted, judgments and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a) Basis of Preparation

The financial statements have been prepared in accordance with the Charities: Statement of Recommended Practice (applicable to Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)) (issued in October 2019) – (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Public Benefit Entity

Bearfield Church meets the definition of a public benefit entity as defined by FRS 102.

Going Concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern

b) Income Recognition Policies

Items of income are recognised and included in the accounts when all of the following criteria are met:

- The charity has entitlement to the funds;
- any performance conditions attached to the items of income have been met or are fully within the control of the charity;
- there is sufficient certainty that receipt of the income is considered probable; and
- the amount can be measured reliably.

Income received in advance of a specific performance or provision of other specified service is deferred until the criteria for income recognition are met.

c) Donated Services

In accordance with the Charities SORP (FRS 102) the general time of volunteers is not recognised in the accounts.

d) Interest Receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the bank.

e) Fund Accounting

Unrestricted funds are available to spend on activities that further any of the purposes of the Charity. Designated funds are unrestricted funds of the Charity which the trustees have decided at their discretion to set aside to use for a specific purpose. Restricted funds are donations which the donor has specified are to be solely used for the particular areas of the Charity's work or for specific projects being undertaken by the Charity.

**NOTES TO THE ACCOUNTS
for the year ended 31st May 2023**

f) **Expenditure and Irrecoverable VAT**

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Expenditure on Charitable activities.
- Other expenditure represents those items not falling into any other heading.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

g) **Debtors**

Trade and other debtors are recognised at the settlement amounts due after any trade discount offered. Prepayments are valued at the amount prepaid after taking account of any trade discounts due.

h) **Cash at Bank and in Hand**

Cash at bank and cash in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

i) **Creditors and Provisions**

Creditors and provisions are recognised where the Charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

The Trustees are pleased to present their annual report and financial statements of the charitable company for the year ended 31st May 2022 which are also prepared to meet the requirements for a directors' report and accounts for Companies Act purposes.

The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and the charities Statement of Recommended Practice (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland; FRS 102) issued in October 2019.

Reference and Administration Details

The charity's name is Bearfield Church.

Charity Registration Number: 1136765

Company Number: 7254525

Registered Office: 22b High Street, Witney, Oxon, OX28 6RB

Trustees and Directors

The Trustees of the charitable company (the charity) are its Directors for the purposes of company law. The Trustees and officers who served during the year and since the year end were as follows:

T Vaughton (Chairman)
H Fuggle
J Walker
R Beesley (resigned 5th May 2022)
T Yeomans (appointed 20th May 2022)

Objectives and Activities

The main objects of the charity are:

- i) The advancement of the Christian faith in the UK and overseas.
- ii) To relieve persons in conditions of need, hardship or who are aged or sick.
- iii) To advance education in accordance with Christian principles.
- iv) To promote other charitable objects as decided by the Trustees from time to time.

In planning the activities of the charitable company the directors have considered the Charity Commission's guidance on public benefit and, in particular, the specific guidance on charities for the advancement of religion.

Achievements and Performance

Bearfield Church's activities are focused on supporting the Church community, the people of Bradford on Avon and some overseas missions. We have a full-time church pastor and run a variety of weekly events such as: church services, kids/young people's clubs, old people's groups and bible study groups. Financially our turnover grew and so did Church membership. We also hire out the church hall to local groups and societies.

It's been another busy year as we've continued to manage the church buildings and finances to ensure we are in a good place practically and financially to support Bearfield as it moves forward with its vision.

REPORT OF THE TRUSTEES
for the year ended 31st May 2022 (Continued)

Achievements and Performance (continued)

Reflecting on this year...

Practically, there have been various maintenance and improvement projects around the building, with Robert and Jez managing (and often personally undertaking) most of these;

- Stone wall between garden and neighbours removed and rebuilt.
- Manse basement wall removed, rebuilt and metal railings added to add height and safety to the space.
- Repaired damaged gutters and roof to prevent leaks.
- Upgrade electrics where required.

We also have responsibility for employment and staff. Bex Cox is still our youth worker and doing a great job. David Jewell is still our full-time pastor but may be leaving in 2023.

We continue to investigate and plan for minor and major building work and are currently considering various projects including;

- Improvements to the corridor.
- An environmentally friendly heating solution to replace our very old boiler.

Financial Review

The total income for the year was £69,689 and total expenditure on charitable activities amounted to £66,674.

Reserves Policy

Our reserves policy is that we keep four months running costs in the account and we also have a quinquennial report done every five years so we can budget for upcoming/required building works over the following five years and we had one of these completed in 2016. Given the unforeseen expenditure which could arise in respect of the property the trustees consider that the level of reserves currently held is appropriate.

Structure, Governance and Management

Governing Document

Bearfield Church is a company limited by guarantee governed by its Memorandum and Articles of Association dated 14th May 2010. It is registered as a charity with the Charity Commission.

This report has been prepared in accordance with the special provisions relating to companies subject to the Small Companies Regime within part 15 of the Companies Act 2006.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Bearfield Church's activities are focused on supporting the Church community, the people of Bradford on Avon and some overseas missions. We have a full-time church pastor and run a variety of weekly events such as: church services, kids/young people's clubs, old people's groups and bible study groups. Financially our turnover grew and so did Church membership. We also hire out the church hall to local groups and societies.

Our plans for 2021/22 are to continue to support the membership, run the clubs/groups that we already have and make sure we can support the full-time pastor.

**REPORT OF THE TRUSTEES
for the year ended 31st May 2021 (Continued)**

Financial Review

The total income for the year was £63,176 and total expenditure on charitable activities amounted to £60,715.

Reserves Policy

Our reserves policy is that we keep four months running costs in the account and we also have a quinquennial report done every five years so we can budget for upcoming/required building works over the following five years and we had one of these completed in 2016. Given the unforeseen expenditure which could arise in respect of the property the trustees consider that the level of reserves currently held is appropriate.

**NOTES TO THE ACCOUNTS
for the year ended 31st May 2021**

1. Accounting Policies

The principal accounting policies adopted, judgments and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a) Basis of Preparation

The financial statements have been prepared in accordance with the Charities: Statement of Recommended Practice (applicable to Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)) (issued in October 2019) – (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Public Benefit Entity

Bearfield Church meets the definition of a public benefit entity as defined by FRS 102.

Going Concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern

b) Income Recognition Policies

Items of income are recognised and included in the accounts when all of the following criteria are met:

- The charity has entitlement to the funds;
- any performance conditions attached to the items of income have been met or are fully within the control of the charity;
- there is sufficient certainty that receipt of the income is considered probable; and
- the amount can be measured reliably.

Income received in advance of a specific performance or provision of other specified service is deferred until the criteria for income recognition are met.

c) Donated Services

In accordance with the Charities SORP (FRS 102) the general time of volunteers is not recognised in the accounts.

d) Interest Receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the bank.

e) Fund Accounting

Unrestricted funds are available to spend on activities that further any of the purposes of the Charity. Designated funds are unrestricted funds of the Charity which the trustees have decided at their discretion to set aside to use for a specific purpose. Restricted funds are donations which the donor has specified are to be solely used for the particular areas of the Charity's work or for specific projects being undertaken by the Charity.

NOTES TO THE ACCOUNTS
for the year ended 31st May 2021

f) **Expenditure and Irrecoverable VAT**

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Expenditure on Charitable activities.
- Other expenditure represents those items not falling into any other heading.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

g) **Debtors**

Trade and other debtors are recognised at the settlement amounts due after any trade discount offered. Prepayments are valued at the amount prepaid after taking account of any trade discounts due.

h) **Cash at Bank and in Hand**

Cash at bank and cash in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

i) **Creditors and Provisions**

Creditors and provisions are recognised where the Charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.
