The Charity, Hazrat Rukun Ud Din Trust UK (Charity No: 1136819) was instituted in the UK with the intention of providing financial aid to the poor and orphaned children of Mirpur, Kashmir, Pakistan and now our work has been extended to Ghana.

Aid is currently provided by providing free food, food packages, lodging, books, clothing for school (uniforms). Free basic healthcare is also given as is free Islamic education. Compulsory secondary education in maths, science and English is also provided to both girls and boys. This aid is given in poor rural areas especially Khairatta District Kotli and Chamb Moel District Bhimbar both of Azad Kashmir as well as in Ghana

We have now registered for Gift Aid thereby increasing the income stream, and we hope to update the website and increase our exposure on social media. We have now commenced building an Education Centre in Mirpur Azad Kashmir Pakistan for 200 students and it is our intention to establish an education and community centre in the UK to further our work in Pakistan.
