## **TRUSTEES' REPORT**

**FOR THE YEAR ENDED 31 DECEMBER 2021**

---

The Trustees (who are also directors of the company for the purposes of the Companies Act) present their annual report together with the financial statements of Lifelines International Fund for Education Ltd (or "the Charitable company") for the year ended 31 December 2021. The Trustees confirm that the Annual Report, which includes the Directors report, and financial statements of the Charitable company comply with the current statutory requirements, the requirements of the Charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP), applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Since the Charitable company qualifies as small under section 383, the strategic report required of medium and large companies under The Companies Act 2006 (Strategic Report and Director's Report) Regulations 2013 is not required.

### **Reference and administrative details**

Lifelines International Fund for Education Ltd is registered with the Charity Commission of England and Wales, under registration number 1136839, and incorporated under the company number is 06792434. The registered office address is 76 Park Street, London, W1K 2JY. The CEO of Lifelines International Fund for Education Ltd was Madhavi Vadera until 1 July 2021 and Rupin Vadera from this date.

### **Trustees**

The Trustees who served the Charitable company during the year and since the period end were as follows:

Madhavi Vadera  
Rupin Vadera  
Darpan Patel  
Pia Mandus

### **Structure, governance and management**

The Charitable Company is a private company limited by guarantee governed by its Memorandum and Articles of Association. In event of winding up, while a member or within twelve months of ceasing to be a member, the member's liability is limited to £10. The company was incorporated on 15 January 2009 and subsequently registered as a charity on 13 July 2010.

Lifelines International Fund for Education Ltd is managed by the Board of Trustees who meet at least three times each year and if the need arose to appoint a new trustee the remaining trustees would identify and appoint an appropriate person. New Trustees are briefed on their legal obligations under charity and company law, the content of the Memorandum and Articles of Association, the committee and decision-making processes, the business plan and recent financial performance of the Charitable company.

The Board continuously reviews its competencies and is conscious of the need to maintain a balance of skills. Periodically additional members are invited to join the Board, effectively becoming additional Trustees and this involves a careful vetting process by the Board to ensure any new member is aware of his/her responsibilities towards the charity. The Board is currently actively engaged in recruiting a further two Trustees to the Board.

### **Fund-Raising Information**

The Charitable Company does not carry out significant fundraising activities. No public donations were received in the year and no public fund-raising undertaken. The Charity has established philanthropic relationships with a charitable foundation (Nelumbo Stiftung) which has committed to an annual funding budget of at least £200,000 per annum, subject to the presentation of robust, researched and vetted charitable projects identified for funding by the Lifelines Board. The funding includes operational and administrative costs of the charity.

### **Risks and risk management**

The risks to which Lifelines is exposed, under Lifeline's aims and objectives, are regularly monitored by Trustees who are committed to regular evaluation of organisational risk assessment and are satisfied that efficient and effective systems are in place to mitigate exposure to major risks.

The principal risks are:

#### ***Strategic risk***

These risks impact the charity's ability to meet its key objectives, fail to serve the key client it serves (donees & funded charities), and meet the expectations of the Board and members of the charity.

These risks initially emerged during 2020 and continued into 2021 leading to increasing demand for COVID related emergency support from charities leading to proportional increase in the need to ensure that projects funded were adequately monitored.

The Board's approach to mitigating this risk was by working closely with the recipient charities, increased use of online review and update discussions and by making donations periodically, following review. A few projects failed to meet agreed reporting of outcomes within the agreed timeframe and funding was not renewed.

#### ***Financial and Treasury Management Risk***

The key financial risks would mean that the charity would fail to meet its operational requirements and to honour donation commitments made to charities.

The Board managed these risks pro-actively by ensuring sufficient cash reserves to meet all commitments, and by compiling grant proposals for future funding up to one year in advance of requirement. As a result of the relationship with Nelumbo Stiftung (NS), the Lifelines (LL) Board only enters commitments for operational expenditure and donations if the funds have already been allocated or received from NS. Further the Board retains a minimum cash reserve to ensure it can meet at least 6 months of operational costs and approved donations.

#### ***Regulatory and governance risk***

These risks incorporate regulatory or legal sanctions, the potential for reputational damage, and in case of significant failures the loss of charitable status.

The Board has managed these risks by concentrating its initial strategic efforts on establishing a robust governance regime, the appointment of skilled and experienced trustees, and ensuring professional legal/accounting support in relevant areas. Trustees and senior management will be required to attend mandatory training on Charity regulations, Anti-Money Laundering and Fraud prevention.

#### ***Operational Risks (People, IT)***

These risks relate to people, systems and processes, and external/internal events that erode the charity's ability to meet its funding commitments and/or its operational outcomes.

At present LL is managed entirely by a voluntary team, and the Board is aware that this presents a potential risk. A succession plan and a more detailed HR strategy (with employed staff) is part of the second phase of the charity's overall strategy.

IT systems management is contracted out, with IT expertise also vested in the LL team. Further, all documentation, processes and research data are stored on secure cloud-based servers. IT systems will be refreshed and updated as part of the strategic review once the office HQ has been refurbished. The delayed refurbishment of the office HQ (due to COVID, building regulatory delays and supply shortages) has led to a delay in the implementation of the HR strategy. It is now expected to be completed by December 2022.

## TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 DECEMBER 2021

### *Change management*

These risks represent the failure of establishing and implementing change initiatives. 2021 continued to be a very challenging year, dominated by the uncertainty of the pandemic and the resultant working model shifting from homeworking to hybrid. This unprecedented change has impacted all organisations and the pressure on NGO's that rely on a largely volunteer team (such as LL) has struggled with meeting all the changing demands of the organisation.

However, management has taken a pragmatic and proactive approach in ensuring that communication is timely, appropriate, and collaborative. The Board manages key projects centrally with clear identified processes, which are established and drawn from collaborative team discussions. Nevertheless key change initiatives such as the HR strategy, establishment of formalised reporting tools and grant award committees have been delayed, impacting the number of projects the charity was able to proactively support with funding.

### **Objectives and activities**

1. To advance education among people in India, in particular children, young people and adults from disadvantaged backgrounds by providing grants, items and services to charities or other organisations working to advance education and through the provision of scholarships.
2. To act as a resource for young people up to the age of 21 living in the UK by providing advice and assistance and organizing programmes of educational and other activities as a means of:
  - a) Advancing in life and helping young people by developing their skills, capacities and capabilities to enable them to participate in society as independent, mature and responsible individuals.
  - b) Advancing education

LL continued its support for educational scholarships for children from impoverished and marginalised communities in India. The Lifelines scholarship funds were further supplemented to allow for teaching using online platforms and by supporting one-to-one tuition (online) in lieu of classroom teaching.

Lifelines continued to maintain online communication and links with another UK charity to support online volunteers to the selected charities. Scholarship and hardship funding was provided to two UK based University students who had been impacted by the loss of earnings caused by the pandemic.

Regular reviews were maintained with all the supported charities, to ensure the viability of future projects.

### **Pandemic and Mental Health Impact**

During the period, the Lifelines Board funded several projects to mitigate the severe debilitating impact of the continuing pandemic on the mental health of young people, members from marginalised communities, and victims of domestic abuse.

LL is committed to raising awareness of the emerging mental health issues, particularly amongst young people, the refugee community, and women within the BAME and marginalised communities.

During 2021, LL has been working with other charities and undertook a range of projects: counselling support to victims of domestic abuse (Dawn counselling - £50k), supported employment initiatives for homeless women (Crisis - £20k), continued to fund the Women's' Amies Choir - £36k (refugee and victims of trafficking), and provided tutoring support for children (Quest for Learning - £2.5k).

The Charitable company completed the first stage of an exhaustive strategic review into the funding, financial planning, governance, and corporate identity of Lifelines in 2021. This led to the restructuring of the Trust Board and the decision to establish a corporate HQ for the charity.

The strategic review is on-going, and the charity is currently at Stage two of a three stage process.

### **TRUSTEES' REPORT (CONTINUED)**

**FOR THE YEAR ENDED 31 DECEMBER 2021**

---

In setting the objectives and planning the activities of the Charitable Company, the Trustees have given careful consideration to the Charities Commission's general guidance on public benefit.

#### **Achievements and performance**

The Trustees launched a strategic review of the Charitable Company's funding and management structure to enable it to achieve its stated aims and objectives in 2021. The first stage of this has been achieved resulting in a reconstituted Trust Board, the establishment of a governance framework, a medium-term financial strategy, and the establishment of an approved funding stream for an initial period of five years. The second stage of the strategy includes a review of HR and operational processes and this has largely been completed with implementation (including recruitment of staff and new Trustees) expected to be completed by the December 2022.

#### **Financial review**

At the end of the reporting period, the Charitable company held unrestricted reserves of £5,281,637 (2020 - £4,956,947) and restricted reserves of £75,266 (2020 - £88,718). The increase in reserves was driven by donation income of £310k being received in the year, £10k of which was specifically for an awareness event. In addition, there was an uplift in the value of the investment property of £167k which added to the surplus in the year. At the balance sheet date, the architectural plans were in the process of being finalised and final surveys were being carried out before the commencement of refurbishment works.

The Charity has a reserves policy of maintaining 3-6 months' total expenditure in unrestricted reserves which is estimated as £60,000 based on the current level of activity. This will be used if the charity encounters financial difficulties. The Charity continually aims to build up its reserves so that they are in line with the reserves policy. The level of available reserves at 31 December 2021 exceeded this amount. The Trustees will review the reserves policy on an annual basis.

#### **Plans for future periods**

Lifelines management will continue to build on the second phase of its strategic vision (2020-2025). This will incorporate increasing funding capacity, a substantive increase in reserves, and a targeted increase in the charitable donations made by the charity to educational, transformational projects. The Trustees would like to continue to increase their support for charities who work therapeutically with refugees, with victims of abuse and trafficking, as well as targeted social empowerment initiatives for young people. The charity will launch a scholarship fund in 2022, to encourage young people from marginalised communities, within the UK, to gain qualifications in counselling, art, and the medical profession.

**TRUSTEES' REPORT (CONTINUED)**

**FOR THE YEAR ENDED 31 DECEMBER 2021**

**Trustees' Responsibility Statement**

The Trustees (who are also directors of Lifelines International Fund for Education for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (the United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act, Charities Act 2011 and the Charity (Accounts and Reports) Regulations 2008. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Disclosure of information to auditors**

Each of the persons who are Trustees at the time when this Trustees' report is approved has confirmed that:

- so far as that Trustee is aware, there is no relevant audit information of which the Charity's auditors are unaware and;
- that Trustee has taken all the steps that ought to have been taken as a Trustee in order to be aware of any relevant audit information and to establish that the charity's auditors are aware of that information.

In preparing this report, the Trustees have taken advantage of the small companies exemptions provided by section 415A of the Companies Act 2006.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF LIFELINES INTERNATIONAL FUND FOR EDUCATION LTD**

**FOR THE YEAR ENDED 31 DECEMBER 2021**

---

**Opinion**

We have audited the financial statements of Lifelines International Fund for Education Ltd (the 'charitable company') for the year ended 31 December 2021 which comprise the Statement of Financial Activities, the Balance Sheet and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 December 2021 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

**Other information**

The other information comprises the information included in the Annual Report other than the financial statements and our Auditors' Report thereon. The Trustees are responsible for the other information contained within the Annual Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**(A Company Limited by Guarantee)**

### **INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF LIFELINES INTERNATIONAL FUND FOR EDUCATION LTD (CONTINUED)**

**FOR THE YEAR ENDED 31 DECEMBER 2021**

---

#### **Opinion on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Trustees' Report has been prepared in accordance with applicable legal requirements.

#### **Matters on which we are required to report by exception**

In the light of our knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report.

We have nothing to report in respect of the following matters in relation to which Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the Trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the Trustees' Report and from the requirement to prepare a Strategic Report.

#### **Responsibilities of trustees**

As explained more fully in the Trustees' Responsibilities Statement, the Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

#### **Auditors' responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud.

## LIFELINES INTERNATIONAL FUND FOR EDUCATION LTD

(A Company Limited by Guarantee)

### INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF LIFELINES INTERNATIONAL FUND FOR EDUCATION LTD (CONTINUED)

#### FOR THE YEAR ENDED 31 DECEMBER 2021

---

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud and noncompliance with laws and regulations, we considered the following:

- The nature of the sector and the impact of Covid 19 on financial and operating performance and policies;
  - Enquiries of management, including obtaining and reviewing supporting documentation, concerning the charity's policies and procedures relating to:
  - identifying, evaluating and complying with laws and regulations and whether they were aware of any instances of non-compliance;
  - detecting and responding to the risks of fraud and whether they have knowledge of any actual, suspected or alleged fraud; and
  - the internal controls established to mitigate risks related to fraud or non-compliance of laws and regulations; and
- Discussions among the engagement team regarding how and where fraud might occur in the financial statements and any potential indicators of fraud. The engagement team includes audit partners and staff who have extensive experience of working with charities in similar sectors and this experience was relevant to the discussion about where fraud risks might arise.

We also obtained an understanding of the legal and regulatory framework that the charity operates in, focusing on provisions of those laws and regulations that had direct effect on the determination of material amounts and disclosures in the financial statements. The key laws and regulations we considered in this context included the UK Companies Act, UK Charities Act and Charities SORP 2019.

In addition, we considered provisions of other laws and regulations that do not have a direct effect on the financial statements but compliance with which may be fundamental to the charity's ability to operate or to avoid a material penalty. These included health and safety regulations, and environmental regulations.

As a result of these procedures, we considered the particular areas that were susceptible to misstatement due to fraud were in respect of connected party transactions, revenue recognition (specifically completeness and classification of donation income) and management override. Our procedures to respond to risks identified included the following:

- reviewing the financial statement disclosures and testing to supporting documentation to assess compliance with provisions of relevant laws and regulations described as having a direct effect on the financial statements;
- enquiring of management concerning actual and potential litigation, claims and fraud;
- performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud;
- reading minutes of meetings of those charged with governance;
- reviewing completeness and classification of income by reference to award letters and other supporting documentation on a sample basis;
- in addressing the risk of fraud through management override of controls, testing the appropriateness of journal entries and other adjustments; assessing whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluating the rationale of any significant transactions that are unusual or outside the normal course of the charity's operations;
- reviewing transactions and balances for evidence of related party transactions and verifying appropriate disclosure in the financial statements.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

**NOTES TO THE FINANCIAL STATEMENTS**

**FOR THE YEAR ENDED 31 DECEMBER 2021**

---

**1. General information**

Lifelines International Fund for Education Ltd is a charitable company limited by guarantee registered in England & Wales. Its registered address is 76 Park Street, London, W1K 2JY. The functional currency of the financial statements is sterling, rounded to the nearest pound (£).

**2. Accounting policies**

**2.1 Basis of preparation of financial statements**

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Lifelines International Fund for Education Ltd meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

**2.2 Company status**

The Charitable company is a company limited by guarantee. In the event of the Charitable company being wound up, the liability in respect of the guarantee is limited to £10 per member of the Charitable company.

**2.3 Going concern**

The accounts have been prepared under the going concern basis, which assumes that current and future sources of funding will be adequate for the Charitable Company's needs.

The Charitable Company meets its running costs from donation income. The nature of the Charitable company's operations is such, that there can be unpredictable variations in the timing and amount of cash inflows. The Trustees continuously review the funding prospects and expenditure levels and take action to reduce expenditure should funding expectations and reserves appear inadequate. On the basis of this policy, the Board consider that the Charitable company will continue in operational existence for the foreseeable future.

**2.4 Income**

All income is recognised once the Charitable company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Donations are recognised as income when pledged or if no pledge has been made then on receipt. Where a donor specifies a time period in which the donation can be used, donation income is recognised in that period. Donations received with imposed restrictions are classified as restricted funds.

**2.5 Interest receivable**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charitable company; this is normally upon notification of the interest paid or payable by the bank.

**2. Accounting policies (continued)**

**2.6 Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources.

Costs of raising funds are those incurred in seeking voluntary contributions. Support costs are those costs incurred directly in support of expenditure on the objects of the Charitable company.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

**2.7 Investment Property**

Investment property is carried at fair value determined annually by the trustees and derived from the current market rents and investment property yields for comparable real estate, adjusted if necessary for any difference in the nature, location or condition of the specific property. No depreciation is provided. Changes in fair value are recognised in the Statement of Financial Activities.

**2.8 Debtors**

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

**2.9 Cash at bank and in hand**

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**2.10 Liabilities and provisions**

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charitable company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation.

**NOTES TO THE FINANCIAL STATEMENTS**

**FOR THE YEAR ENDED 31 DECEMBER 2021**

**2. Accounting policies (continued)**

**2.11 Corporation Tax**

Due to the charitable nature of the activities undertaken, the Charitable company's surpluses are not subject to corporation tax.

**2.12 Financial instruments**

The Charitable company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

**2.13 Fund accounting**

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charitable company and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charitable company for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.
