Objectives and Activities

The objective of the company is to operate as a catalyst for community transformation by facilitating improvements in the lives of individuals and growth in community activity and cohesion. This will be achieved by identify and understanding the needs and issues within the community and by applying the Oasis Ethos to everything. The Oasis Ethos is:

- A passion to include everyone
- A desire to treat everyone equally, respecting differences
- A commitment to healthy and open relationships
- A deep sense of hope that things can change and be transformed
- A sense of perseverance to keep going for the long haul

Oasis Hubs will typically include activities in education, youth and children's work, community empowerment, housing, advice and support, personal and spiritual development and health and wellbeing.

Achievements and Performance 2022/23

The vision for Oasis Community Hub: MediaCityUK is to endeavour to bring about community transformation; helping to create a local community where people of all ages and situations feel included, know they can contribute and realise a deep sense of belonging. We aim to achieve this through the delivery of a range of services and opportunities that respond to local need through Oasis Community Hub: MediaCityUK Church and Oasis Academy MediaCityUK. Our MediaCityUK hub is particularly focussed in the Ordsall and Langworthy areas of Salford.

Capacity at the hub increased with the appointment of a new Community and Family Worker in November 2022.

Increased capacity in the team enabled an increased focus on fundraising, explaining the increase in funds raised in 2022/23 to over £100,000 again. Fundraising to this level is required to keep staffing levels as they currently are.

We've had 430 unique individuals attend our community hub projects a total of 4,624 times in 2022/23, almost double the number of engagements in 2021/22. An additional 2,621 people attended our 75 events, with over 1,500 meals provided to the community. This is split across all streams of youth work, advice and support, community empowerment and spiritual development.

Youth Work

Our Friday night youth club project ran throughout 2022/23 has been attended by an average of 20 young people, aged 10-16, every week. The project was funded as part of the Salford Violence Reduction Unit (VRU) partnership (until October 23). The programme includes outreach community projects giving disadvantaged young people opportunities to engage in activities such as sports, creative arts, music projects and cooking skills.

Our Lead Youth Worker and Church and Community Youth Worker continued to focus on supporting Oasis Academy MediaCityUK students transition and integrate back to school life, improve wellbeing and encourage engagement with their peers. Here are some of the activities we did:

- Our youth workers supported 10 young people with 1:1 mentoring sessions resulting in improvements in academy attendance and engagement and in their general wellbeing.
- We led a new youth-led wellbeing project "Grey to Gold" which supported 38 young people with their mental wellbeing. Led by 2 young people and the youth workers, they introduced the young people to the 5 ways to wellbeing, developing new skills and confidence in themselves.
- In January, we introduced lunch clubs at Oasis Academy MediaCityUK twice a week, which were attended by 73 different young people a total of 1,171 times. The lunch clubs provide a quiet, safe space during the academy day with young people having the opportunity to engage with the youth workers and manage low-level wellbeing concerns.
- Supporting the Oasis Academy MediaCityUK Rainbow Group has been a highlight for our youth work this year. On average, 23 young people attend each week, building a peer support network and learning more about identifying as LGBTQ+, with a group of 8 young leaders helping to plan and lead the sessions. We accompanied the young leaders to the Youth Pride Summit in Manchester City Centre, a national summit offering a wonderful opportunity to share experiences of what it is to be an LGBTQ+ young person in the UK today. The group had a wonderful day out at Manchester Youth Pride in August 2023, with discussions in place to participate in Manchester Pride in 2024.

During each school holiday, our hub delivered a substantial holiday programme in partnership with Salford Community Leisure and funded by Healthy Activities Fund (HAF). The Healthy Holidays programme enabled local children and young people to engage in a variety of sports, arts and craft activities. The hub team provided everyone attending with a hot, healthy, and nutritious meal every day during the annual school holidays – 32 days over 8 weeks. The holiday programme aims to bridge the social inclusion gap and reduce crime prevalent in the area by signposting young people to positive and engaging activities, whilst combatting holiday hunger through the food provision.

PlaySpace and family activities

PlaySpace is weekly, term-time stay and play session on Thursday mornings in the community hub for babies to pre-school aged children. We have an average of 16 families attending each week, with 98 different families attending throughout the year, all from the local community and from a diverse range of backgrounds and ethnicity. PlaySpace has been essential to our families in reducing isolation, improving their mental wellbeing and providing parental support.

We ran Oasis-a-go-go, our free family activity session during the school holidays. Oasis-a-go-go happened every Thursday during school holidays and was aimed at families (children must be accompanied), offering free, fun activities like arts, crafts and games. All children attending received a picnic lunch. This was a huge success with an average of 23 families (57 people) at each session.

DIRECTORS' REPORT FOR THE YEAR ENDED 31 AUGUST 2023

Advice, Support and Food Provision Projects

Through links with our hub council, we launched a monthly series of local Business Network meetings for local residents and business owners in partnership with The Growth Company. Attended by 96 individuals, the bi-monthly meetings allow for networking, business support and employment advice, empowering local people to develop and grow their business and career pathways.

We have supported 34 individuals providing emergency hardship support, family support and food provision. This includes delivering essential food parcels at Christmas to local families, plus additional festive food treats and family gifts. Supported by the Business Network meeting attendees, our Christmas Appeal was the most successful yet, with an influx of gift and food donations.

The Oasis MediaCityUK Community Food Store, a weekly food store giving people (who live and work locally to us) access to affordable food, went from strength to strength in 2022/23. For just £3.50 a week they can leave with £12-15 worth of food, whilst having the dignity of choice to choose their food items for their family. Open for 49 weeks of the year, the food store supported 67 different families over the year, with an average of 16 families attending each week. The food store is also a sustainability project, reducing food waste by receiving food items from Fareshare that would otherwise have gone to waste.

Community Empowerment

Talk English Café focusses on supporting people of different ethnicities to develop English Language skills within a safe, informal setting. They can practise English together through conversation and games and can build community. We've had 39 unique individuals attend over the year, with an average of 6 attending each week. With a small group, developing positive relationships is at the heart of the project and individuals can come into an intentional space to build positive relationships with staff, volunteers and other members of the community. All of this creates a sense of belonging and empowerment so individuals can bring about their own transformation and change their life circumstances.

We organised various events throughout the year aimed at developing community cohesion, pride, sustainability, and empowerment. This included activities such as litter picks, community coffee morning, clothes swaps, and tabletop sales.

We hosted our first Christmas Fayre in December, with 250 attendees coming together to celebrate with music, refreshments, gift stalls, crafts and family entertainment. It was a highlight of the year for our hub team as we had people from all our projects attending plus new faces too. We also celebrated the King's Coronation, with 40 people from our community coming together to celebrate with music, afternoon tea and Coronation themed games and crafts.

MediaCityUK Church

The hub team continue to work in partnership with the United Reformed Church to resource the Church and Community Projects in the hub with Rev. Ruth Watson an integral part of the hub team. Ruth has led Christmas, Easter, Eid, Holi and Diwali celebrations within the academy and wider community, including making and delivering cards and festive gifts and treats. Together with the Church and Community Youth Worker, Ruth successfully re-launched MediaCityUK Church on Sunday mornings on Pentecost, with regular Sunday worship each week.

All the hub community projects are a practical expression of MediaCityUK Church with our minister taking the lead on most of these projects. She also hosts monthly Helpful Habits sessions for all local Oasis staff and residents exploring the 9 habits and ethos and helping us all to become the best version of ourselves.

DIRECTORS' REPORT FOR THE YEAR ENDED 31 AUGUST 2023

Relationship of Oasis Community Hub: MediaCityUK to other Oasis companies

The Hub has three relationships with the wider Oasis group:

1. With the national group of Oasis organisations
2. With the Oasis Community Partnerships group
3. With Oasis Academy MediaCityUK

These are described below as follows:

1. The national Oasis Group

The Oasis family of charities in the UK has been structured to enable the entire group to benefit from working together towards national objectives while at the same time being able to deliver maximum impact in local communities. The challenge of running a national charity is in ensuring the correct needs are being addressed in local communities, while the advantage is working collaboratively at a national level to minimise cost locally and benefitting from the value of interdependent working. This 'hybrid structure' has been developed to ensure that local ownership and oversight is achieved whilst leveraging economies of scale.

At a national level, Oasis Charitable Trust is responsible for all Oasis' activities in the UK and is the parent company for three national subsidiaries. These are:

1. Oasis Community Learning – a multi-academy chain running 54 academies across England
2. Oasis Community Partnerships – a charity delivering community development work
3. Oasis Community Housing – a housing charity supporting vulnerable adults and young people

2. The Oasis Community Partnerships Group

Within this group structure, Oasis Community Partnerships is responsible for all of Oasis' community development work in the UK. It is the national holding company for 19 local Oasis Community Hubs and one Trading Company, delivering integrated community development work in a number of targeted neighbourhoods across the country.

Oasis Community Hub: MediaCityUK is a local subsidiary of Oasis Community Partnerships, which, in the same way as the group structure, is also a hybrid model. This enables sharing of resources, best practice and central support functions while Oasis Community Hub: MediaCityUK operates locally in order to respond appropriately to the needs of the local area. As a result, Oasis Community Hub: MediaCityUK benefits from higher quality and cheaper infrastructure than it would be able to access as an entirely standalone organisation.

3. Oasis Community Hub: MediaCityUK and its partnership with Oasis Academy MediaCityUK

Oasis Community Hub: MediaCityUK is governed by a local board of trustees, who are accountable for the financial management of the hub, overseeing the development of projects to meet local needs and ensuring that those projects benefit from any funds raised. As explained above, Oasis Community Hub: MediaCityUK is a subsidiary of Oasis Community Partnerships, which, in turn, is a subsidiary of Oasis Charitable Trust.

Oasis Community: MediaCityUK integrates community development in the local area and in particular the communities surrounding Oasis Academy MediaCityUK (secondary school) in Ordsall, Salford. One objective of Oasis Community Hub: MediaCityUK is to provide wrap around care for students and their parents/carers at the Academy. Therefore, Oasis Community Hub: MediaCityUK works in close partnership with the Academy in order to provide integrated and holistic community transformation.

OASIS COMMUNITY HUB: MEDIACITYUK

(A company limited by guarantee)

DIRECTORS' REPORT FOR THE YEAR ENDED 31 AUGUST 2023

Because the Academy is able to articulate strong educational outcomes from the role of Hub Leader, a portion of their salary is funded from the Academy budget. The Academy is accountable to the Department for Education and Education Funding Agency, who rigorously regulate the spend of statutory funds and are therefore only able to fund community roles which have clear and identifiable educational outcomes for students. However, Oasis Community Hub: MediaCityUK has a broader purpose in providing community interventions for the entire area and therefore there are a range of additional community roles and programmes which must be funded in other ways. Therefore, Oasis Community Hub: MediaCityUK has been specifically established to govern our charitable community activities in the area.

Financial review

These financial reports demonstrate the financial activity in the period September 2022 to August 2023. In the coming year there is a desire to further generate sufficient funds to grow and build on activities. The total incoming resources during the year ended 31st August 2023 amounted to £103,687 (2022: £56,204). Expenditure amounted to £100,395 (2022: £86,709). The overall result is a surplus of £3,292 (2022: deficit of £30,505) leaving retained funds of £74,026 (2022: £70,734).

It is the intention of the Directors that in due course Oasis Community Hub: MediaCityUK will establish and retain sufficient funds to cover the running costs for three months.

Going Concern

The Directors have considered the risks to the Hub, including the cost of living crisis. The Directors have confirmed that the major sources of grant funding are committed and the delivery of the activities can be adjusted to ensure that guidelines around social distancing can still be applied. Furthermore, the Directors are confident that costs will only be incurred to the extent that funding is secured. The Directors are confident that the Hub has adequate resources to continue operating for the foreseeable future and, for this reason, the Trustees continue to adopt the going concern basis in preparing the accounts.

Plans for the future

To achieve our Oasis Community Hub: MediaCityUK vision and aims, we are committed to **inclusion, equality, healthy relationships, hope and perseverance** and this permeates all aspects of the life and culture of our hub.

The hub's objective for this coming year is to continue all youth, community and Church projects and to expand the current offer to ensure projects maintain their high quality and relevance within the context of the community. We aim to deepen the relationships we have with our hub users and weave connections through a variety of projects and opportunities.

The cost-of-living emergency continues to be a huge priority for our hub in 2023/24 by keeping our doors open as an Oasis Living Room throughout the week. Offering a safe, warm space that feels like a home from home – hub users can come in, make a drink, use the kitchen, use our computers, read a book or play a game – all things that make our hub truly theirs. The community food store will address food poverty issues and provide a sustainable food provision project based on a membership system. The community food store empowers and dignifies the community in providing choice, whilst also reducing food waste from local supermarkets. We will look to offer additional poverty support and prevention through digital provision, pre-loved clothes and goods swaps and cooking/nutrition help, and signposting people to other organisations for additional support.

OASIS COMMUNITY HUB: MEDIACITYUK

(A company limited by guarantee)

DIRECTORS' REPORT FOR THE YEAR ENDED 31 AUGUST 2023

The team also plan to offer more community empowerment projects, with wellbeing, employability and business support, ESOL skills and community pride at the heart of this. Building on last year's engagement projects through initiatives such as clothes swaps, litter picks and community café, we also plan on introducing wellbeing activities such as Zumba, walking group and a community choir.

Our youth work is to continue with a weekly Friday night club, holiday clubs and 1:1 and group mentoring activities, including the Grey to Gold wellbeing project. Starting in October 2023, we will support 20 year 10 students through the NCS-funded Oasis Aspirations project, helping young people be the best versions of themselves. Our projects will continue to be youth-led, whilst increasing how loudly we hear that youth voice, through work with Oasis Academy student leaders, youth hub councillors and youth club forum events.

The hub team is fully funded for 2023/24, but discussions are underway with United Reformed Church to extend the placement of the Special Categories Minister and the funding for the Church and Community Youth Worker into 2026, to enable long-term planning for the future of MediaCityUK Church and Community Hub. As always, fundraising is a priority for all hub roles beyond 2024, again to provide longevity and sustainability for all hub projects.

Together as a team, with our community work, links with Oasis Academy MediaCityUK and leading MediaCityUK Church, we will champion character transformation and personal and spiritual wellbeing throughout the Hub, focussing on developing people socially, spiritually and morally through Oasis' '9 Habits' and Oasis Ethos.

DIRECTORS' RESPONSIBILITIES STATEMENT

The Directors (who are also Trustees of Oasis Community Hub: MediaCityUK for the purposes of charity law) are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Directors to prepare financial statements for each financial year. Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

FOR THE YEAR ENDED 31 AUGUST 2023**

I report on the accounts of the charity for the year ended 31 August 2023

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

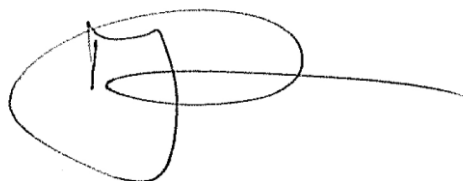

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- 1) which give me reasonable cause to believe that in any material respect the requirements:
 - a. to keep accounting records in accordance with section 130 of the 2011 Act; and
 - b. to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act

1.10 Critical accounting judgements and key sources of estimation uncertainty

In the application of the company's accounting policies, the directors are required to make judgements, estimates, assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and underlying assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects the current and future periods.

In the view of the directors, no assumptions concerning the future or estimation uncertainty affecting assets and liabilities at the balance sheet date are likely to result in a material adjustment to their carrying amounts in the next financial year.

1.11 Reconciliation with previously accepted Generally Accepted Accounting Practice

In preparing the accounts, the directors have considered whether in applying the accounting policies required by FRS 102 and the Charities SORP FRS 102 the restatement of comparative items was required.

In preparing the accounts, the trustees have considered whether in applying the accounting policies required by FRS 102 and the Charities SORP FRS 102 the restatement of comparative items was required. In their estimation, the impact of transitioning is not material to the financial statements and therefore the restatement of comparative items is not required. The transition date was 1 September 2014.
