Kingsbridge Youth For Christ is a Christian charity that exists to see young people's lives changed by Jesus. We represent God's heart by showing Jesus in a relevant way to young people in Kingsbridge and the surrounding areas.

We do not force our beliefs onto young people. We openly share the real difference a relationship with Jesus has made in our lives, and challenge them to think about what they believe, and why.

TO ADVANCE THE CHRISTIAN FAITH

for the benefit of young people in accordance with the Statement of Faith appearing in appendix 1 throughout the world and in particular in Kingsbridge and its environs;

THE ADVANCEMENT OF THE CHRISTIAN FAITH

mainly, but not exclusively by means of proclaiming Christian messages of an evangelistic and teaching nature throughout the world and in particular (but without prejudice to the generality of the foregoing) in Kingsbridge and its environs;

TO DEMONSTRATE, PROMOTE AND ENCOURAGE CHRISTIAN VALUES

including dignity, empowerment and partnership to all young people throughout Kingsbridge and its environs;

THE ADVANCEMENT OF THE EDUCATION OF CHILDREN AND YOUNG PEOPLE

through support and mentoring in schools, colleges and other educational establishments, through lunchtime and after school clubs, street based youth work and other youth provision to develop their physical, mental and spiritual capacities, that they may grow to full maturity as individuals, and that their condition of life may be improved.

TO RELIEVE POVERTY AND SICKNESS

thereby demonstrating the Christian faith by promoting overseas service, education, practical action and working with those affected, either directly or through relevant relief agencies.

KINGSBRIDGE YOUTH FOR CHRIST MISSION

“We’re about seeing young people’s lives changed by Jesus”

OBJECTIVES

2023-2024

TO Recruit a new 'Rural Ministries Coordinator and Youth Worker'

TO Develop youth work and relationships with churches in Aveton Gifford and Salcombe

TO Continue to disciple our Christian young people through the CU, trips and integrating them into the wider church family

TO Seek to increase income through fundraising, grant applications and more supporters in order for us to meet our committed expenditure

TO Develop Unite and see how we can engage more young people

TO Expand the mentoring at KCC and recruit more male mentors

TO Build on the success of Limitless 2022 and take a larger group away in 2023

TRUSTEES' REPORT

This year has been fantastic. The clubs and engagements with young people have increased in number, relationships with the primary schools are growing and we hired our new Rural Ministries Coordinator and Youth Worker, Jasper Van Es.

Thank You

We firstly want to say thank you, we are extremely grateful to all our supporters both financial and prayer who enable us to reach the young people in Kingsbridge through our various projects and clubs.

The Primary Focus for 2023-24

Kingsbridge Youth For Christ has achieved all of its goals set out for this year. This year we had 5033 engagements with young people. 2655 of those were with 11-18 year olds and 2378 of them were with under 11's. You can see that this number of under 11's has grown by almost 1000 since the previous year. This is due to us now being in more primary schools regularly and increasing our work in quite a few schools to include clubs and lessons. These 5033 engagements are across all of our projects and they vary in terms of sharing Jesus. Some of them will be regular one to one work in the secondary school where we do not overtly share our faith and some will be direct discipling of young people in our Christian Union and Bible studies. However, everything we do is to ultimately see young peoples lives transformed by Jesus.

'7 young people made decisions to follow Jesus'

Over this past year we have had 7 young people make some sort of first time decision to follow Jesus or say yes to wanting him to be a part of their lives. We have seen many more make steps towards Jesus. Minds are opening and hearts are being prepared.

Just because they might not say a big YES to Jesus now, I believe that God will keep pursuing them and something of what we have said to them or shown them will stay with them. We pray that God will bring others along in their journey to water the seeds that we have planted at this time.

PROJECTS

Limitless Festival 2023

Limitless Festival is a five-day Elim run Christian youth camp in Staffordshire Showground featuring daily gatherings for worship, word and ministry, a huge variety of activities and fun games and other events throughout the day.

This was our second year of taking a group and we took 18 young people. Some of whom had come the year before. We once again held a prayer breakfast a few weeks before the trip at Kingsbridge Family Church. We had a great morning, sharing about the success of the previous year, worshipping and intentionally and expectantly praying for each of the young people who were going. That they would meet with Jesus and have their lives completely changed and transformed.

One of the prayer activities that we did we took with us to Limitless and hung it up in our groups tent area so that the young people could see what had been prayed for them. They could also add their own prayers to it if they wanted to. We again created a daily prayer guide for the week so that the churches would be able to support the trip and we set up a prayer space on social media for regular prayer updates during the week.

It was again, an amazing week! 4 young people made a decision to follow Jesus and all of them have followed up with us throughout the year getting involved in Christian Union and all those 4 are coming back this year. One of those young people got baptised at Easter. He had a real experience of Jesus, he realised how loved he was and we have seen him grow so much.

TRUSTEES' REPORT

CU

We have continued to run our CU this year. It has been a privilege to journey through, for many of the young people, the foundations of faith as a lot had not grown up in church and are not familiar with the well known Bible stories.

Each week we were getting questions like 'What is sin again?' And 'why did Jesus have to die?'. We noticed that there was a bit of a divide in the spiritual maturity levels within the CU. There were many who knew lots and needed something more in depth and there were also many who didn't understand the basics of the Bible and following Jesus. We made the decision to split the CU into 2 different sessions for different ages/spiritual maturity levels.

We have continued to do a CU social each half term, we have been trampolining, bowling, had a picnic on Dartmoor and we attended the 24/7 prayer with Limitless mid year event in rediscover Exeter in February. The place was absolutely packed full of young people all gathering to pray for their friends, families and this nation.

While CU is great, we ultimately we want to get these young people integrated into a local church family if they are not already a part of one. We would like to support the local churches in their discipleship of young people and help the young people join those church families.

We have already started to do this at Kingsbridge Family Church and are wanting to expand this wider over the next year.

UNITE

We have continued to run a Unite Youth service pretty much every month during this year. Each Unite is held in a different church and consists of games, worship, a talk and some response time.

Each service we see between 10-20 young people attend. Half of them have come from our CU and the other half from our youth clubs and outreach. For around half the room, they have never stepped foot in a church service before. They have no understanding of church culture so this is a great first step into getting them involved in church.

TRUSTEES' REPORT

Office Move

In October 23 we moved offices from 'Horizons' at the top of Fore Street in Kingsbridge to the Kingsbridge Family Church office and we are so grateful to the family church for having us in their office. It's great to be part of the community in there with Jonny Richmond (the pastor in training) and Pennie Sutton (the church coordinator). It's also very handy as we run a lot of our clubs in the basement area of the church.

The Lounge

The Lounge is our weekly youth club held in Kingsbridge Family Church from 7-8.30pm for school years 7-11. This year we have seen real growth in our youth club attendance and have consistently had over twenty young people attend each week, all year round. The Lounge team is made up of 11 volunteers from local churches as well as Jasper and Becky. There is table tennis, a pool table, an air hockey table, a gaming PC (which this year we got a grant from Kingsbridge Town Council to upgrade which was amazing), Nintendo switch, a tuck shop and an area to play games and chill. We also run some football with a soft ball upstairs in the main hall doing 4 a side to get some of the energy out and the young people really enjoy that. Almost all of the young people that attend the club have no church background. Each week one of the team will lead a God slot – a team game, a fun challenge or something similar, and an evangelistic talk sharing something of their testimony; the difference Jesus has made in their lives and God's heart for the young people that attend. Several young people have responded throughout the year and now join us for our CU.

This year we have had 62 individuals come through the door. And we see 18-25 young people each week.

TRUSTEES' REPORT

The KYFC Van

This year we have continued to keep a presence on the Quay in Kingsbridge every week. We are on the Quay Tuesday and a Friday afterschool, rain or shine, to engage with the young people – offering a warm, safe space for them to congregate.

We serve hot chocolates, play PlayStation and most importantly have countless conversations that build relationship and very often get questions like 'why are you out here?', 'why do you do this?'. This gives us opportunities to share our faith and Jesus heart for them.

From February this year we started going out on a Friday night instead of a Friday afterschool. We are out on the Quay from 8:30-10pm. Pre Covid - there was the 'Friday Night Project' which was running each Friday evening in the Age Concern building by the Quay. Young people would come in that were out and about and they had a safe loving non judgemental space to hang out and chat to the leaders there. This stopped when Covid hit and we were then unable to set it back up in the Age Concern building due to the space being used for other things.

It's been great to be back in this space, we see a lot of the older young people who are often drinking and just hanging around. But they are polite and respectful of the bus and enjoy coming and chatting with us.

This next year we would love to build on this and grow the Friday night work. To have a bigger team with 2 people stationed at the bus and 2 walking around Kingsbridge letting the young people know where we are, if they need anything, handing out water and offering to pray even. We have also now set up a prayer team that will pray in Word Wise (a Christian bookshop on Fore Street in Kingsbridge) during the time we are out and we are looking forward to seeing what God does as we continue to develop the Friday nights.

Mentoring

Over the year our mentoring team has continued to support young people each week in Kingsbridge Community College. We have a team of 5 mentors who go in and mentor around 12 young people each week. This is a supportive listening service that we offer to students who the school have flagged up as needing some extra support due to home, school or other things they are struggling with. We are not a replacement for NHS or other professional health services but we are there to be a stable, loving, non judgemental, consistent figure in their lives each week. We have had 3 more mentors join the team this year including our newest worker Jasper.

TRUSTEES' REPORT

The most important thing is that the children enjoy their time with us, as they are giving up their play-time. We want them to know Jesus really loves them, and that in following Him they can feel safe, have fun and know they are precious in His sight.'

Primary Schools

This year the work in primary schools has increased greatly. The primary schools are really keen to have us in more, running Bible lessons, clubs and extra support sessions for children who are struggling a bit more than others. We have also increased the number of schools we regularly work with. We are in Thurlestone Primary school regularly now and also Loddiswell primary which is amazing as we have been praying to be a regular presence in that school for around 5 years.

Salcombe Ethos Club—Suzy Andrews

'This new lunchtime club grew out of conversations and prayer over a number of years between Holy Trinity Salcombe (part of the Seaside Parish) and KYFC. The club lasts about 45 minutes every Wednesday in Salcombe Primary School and includes games, songs, a Bible Story, a video and various creative activities.

We also support these schools through being a part of ETHOS and SIAMS meetings to shape the schoolwide delivery of Christian content and have enjoyed being invited to various school events (such as, Harvest, Christmas Celebrations and leavers services) throughout the year.

In July 2023, we again delivered a series of school transition lessons to year 6 classes to help them process their feelings and emotions around making the move to secondary school. We delivered these lessons in 6 local primary schools.

We have really seen this work grow and the need for this increase. We have seen real benefits in getting to know these children before they move up to secondary school and building relationships so that when they are in KCC they already know us, they trust us and it also is some consistency for them.

Also, it is a privilege to be able to share Bible stories and messages with the children during primary school because it hopefully saves us some work when they are Christian Union age. This year we are wanting to explore the possibility of getting a new worker join the team who will primarily be a primary schools worker but would also be involved in the youth work side of things too. It is in the very early stages, but we would like to look into it.

TRUSTEES' REPORT

Report from Jane Greaves

Youth For Christ have been involved with Malborough with South Huish C of E Primary School for many years.

Becky has become very much part of our 'School family' and everyone, from the children, staff, parents and the community value all that she does to support the school.

Becky contributes to our monthly Church Services, Collective Worship, Bible lessons, weekly singing with the children, Mindful lessons and year 6 transition lessons.

She attends all of our Ethos Meetings and contributes so much to make sure our school is giving the children all the love and encouragement they need to support them in their journey from Foundation to KS1, KS2 and beyond to KS3, 'all within the love of God'.

The support from Youth for Christ alongside, Father Daniel French, Trevor Becker and the Parishioners of Malborough Church, we would certainly not be able to achieve all that we do and we would not be the 'school family' we are today. We are also delighted to welcome Jasper into our Schools and I know the children will very much enjoy getting to know him, especially as he is an ex - pupil from Loddiswell Primary School. We are so grateful for Becky's enthusiasm and her modern attitude to supporting our children to think about the Christian Faith in a realistic down to earth way.

On the 2 May the Malborough School had their Church (SIAMS) Inspection, in which we received a 'Judgement One'. The new framework provides two judgments, and we are extremely pleased to have received this one identifying that as a school we are living up to our Christian foundations and supporting our children. The inspector noted the 'warm inclusive community' and the positive impact of school improvement, ensuring our 'pupils flourish and fly'.

The inspector observed lessons, looked at books, met with parents and different groups of children. He held meetings with staff members, Governors including Becky and leaders from across the Federation to reach his conclusions. Becky played an important part in this outstanding judgement.

Malborough is part of the South Hams Federation, I know Becky visits Loddiswell Primary School and they very much value her coming into the school for lots of different events.

I cannot express how much this group supports the young people in the South Hams, which is very much needed in these very challenging and difficult times for families and communities.

Thank you so much to Becky from everyone at Malborough and Loddiswell Primary School.

Jane Greaves Chair of The South Hams Federation

TRUSTEES' REPORT

Rural Ministries Coordinator and Youth Worker— Jasper Van Es

I started in this role in January so have been in role for 3 months at the time of writing this.

I am employed for 20 hours per week and my time is split between Kingsbridge Youth For Christ and Loddiswell Congregational Church. What I do within my role with Loddiswell Congregational Church is to primarily run a youth club in the village which provides a Jesus centred safe space for people within the ages of 11-16 to come and spend time with friends and engage in activities. The aim of which is to give additional support to young people in Loddiswell and the surrounding area who may have difficult home lives or difficult situations in mainstream school and need a place where they can go to feel listened to and to socialise in a place separate from the rest of their lives.

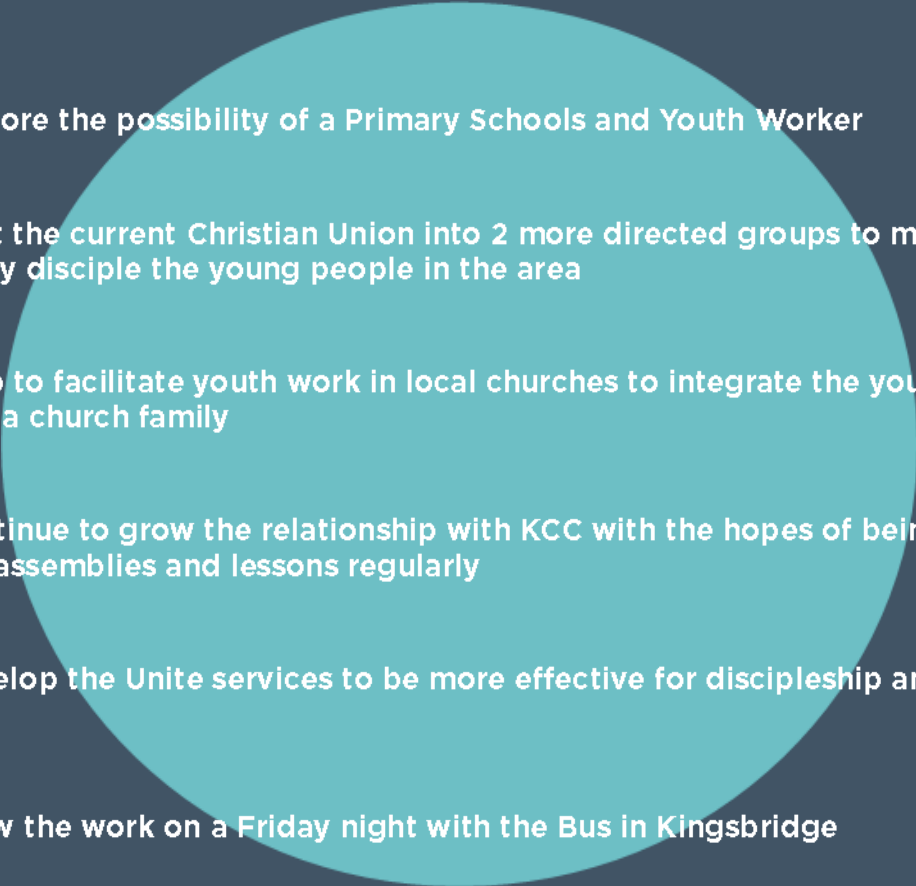

Within my work for KYFC I help run outreach each week on the KYFC bus to offer a space for young people to come and relax and have hot chocolates, which happens on Tuesday afternoons and Friday evenings. I also help to run the Lounge youth club in Kingsbridge. I help run the Bible study and Christian Union on Wednesdays where we dive a little deeper into the more advanced theology in Christianity for those who have made the decision to follow Jesus and need some more guidance in how they can have an active relationship with Jesus in the rest of their lives.

On Fridays, I help to mentor two young chaps at Kingsbridge Community College, one in year seven and one in year eleven. And so far they have made a lot of progress and I will be taking on more people soon when they have been supported enough. Following that I help to run the bus outreach from 8:30-10:00.

At one of the Attic Youth clubs in Loddiswell we did a building challenge based on building your life on the rock and not the sand, and following that we did a five minute talk on God and the purpose of the evening. Following the talk we had one young person who wanted to ask loads of questions and we ended up overrunning as the group were so engaged in asking about how to live your life with faith in Jesus. She was often one of the louder ones so to have her so engaged in a philosophical conversation was so inspiring and I could really see that she was taking the message on board as to how to live her life, and it was amazing to see that this little youth club was helping a young person to create their life philosophy which was inspired by Jesus's teachings.

TRUSTEES' REPORT

2024-25 OBJECTIVES

- 
- ⇒ Explore the possibility of a Primary Schools and Youth Worker
 - ⇒ Split the current Christian Union into 2 more directed groups to more effectively disciple the young people in the area
 - ⇒ Help to facilitate youth work in local churches to integrate the young people into a church family
 - ⇒ Continue to grow the relationship with KCC with the hopes of being able to run assemblies and lessons regularly
 - ⇒ Develop the Unite services to be more effective for discipleship and evangelism
 - ⇒ Grow the work on a Friday night with the Bus in Kingsbridge

FINANCE REPORT

CHRIS ROBERTS, TREASURER

Goals: The financial goals at the end of 2022-23 were to fund future capital expenditure with external grants; to increase income through fund-raising & attracting new supporters; and to look carefully at our expenditure and to make cut-backs where possible in order achieve a surplus rather than a loss at the year end.

Staffing: At the end of 2023-24, we have met all but one of the above aims as will be discussed below. Firstly though, it is important to put the accounts into context. This year was one of transition as far as staffing was concerned. After several years with a full-time Centre Director (CD) & a part-time youth worker whose salary was covered by 2 supporting churches, the CD left & one of the 2 supporting churches ended their support by mutual agreement. The youth worker, Becky, was happy to step in & continue the work of KYFC & at her other supporting church. In September, she took on the role of CD, albeit part-time whilst a new part-time youth worker was recruited. Jasper started in this role in January 2024, funded partly by Loddiswell Congregational Church (LCC) & partly by KYFC. This has a significant effect on the accounts as salary costs were consequently almost £20,000 less than in 2022-3 & youth worker donations were also much reduced (by over £7,000) with Becky (& then Jasper) only receiving support from one church; LCC.

Income: KYFC could not operate without the generosity of our many supporters, not only individuals but also a large number of churches, mostly local to us. We are incredibly grateful for this support & thank everyone who has contributed to KYFC funds in 2023-4. Income was some £11,500 down this year, £7,000 of this was due changes in support for our youth worker (as discussed above). Other factors could be due to the loss of a few regular donors and the fact that we didn't have the resources to organise a fund-raising event when we were running with reduced staff. There are plans to remedy this in 2024-25. We were also successful in being awarded a grant of £1,000 by Kingsbridge Town Council, which enabled us to replace worn out gaming &

computer equipment plus sundries for our youth club, as well as a new mobile phone. This is reflected in the addition of computer equipment to our tangible assets & met one of the financial goals for the year.

Balance: KYFC ran at a modest surplus (£1,700) in 2023-4, compared to being over £5,500 deficit in 2022-3, which fulfils one of the other goals set out at the end of 2022-23. This has been made possible by reducing expenditure.

Expenditure: We made considerable savings by moving to a cheaper office in a local church in October, for example. We are most grateful to Kingsbridge Family Church for accommodating KYFC. This has saved more than £1,300 this year & total rent will be in the region of £600 in the coming year, thus meeting another of the goals set out above.

In 2023-4, the costs of Evangelism: Special Events rose significantly. Most of this was the cost of taking young people to Limitless (Christian Summer Camp) for the second year running, and buying advance tickets for Limitless 2024 at a much-reduced price. Funds are already incoming in response to Becky's appeal to supporters to cover this outlay, as the costs are heavily subsidised so that anyone can afford to go.

KYFC has also increased the work done in primary schools in particular this year. An increase in annual expenditure under Youthwork in Schools reflects this activity.

Kingsbridge Youth For Christ receives regular financial support from

Churches

(mainly local)

FINANCE REPORT CONT...

CHRIS ROBERTS, TREASURER

Assets & Liabilities: One of the charity's greatest assets for youthwork is the KYFC bus. Its value is depreciated by 15% every year (see tangible assets at cost: bus) & this year, £5,000 has also been allocated to a bus replacement fund in order to prepare for the future.

An increase in tangible assets in the furniture and equipment category is because 2 desks & a secure cupboard were bought for the new office, as existing furniture would not fit in the space. The increase in computer equipment was covered by the £1,000 grant as discussed earlier.

In summary: This year's KYFC accounts reflect a transition in staffing, which is now complete. A small surplus has been achieved at the end of the year, helped not only by reduced employment costs, but also by securing a grant to replace worn-out equipment & by making savings in outgoings, the most significant being for office rent. This meets 3 of the 4 goals set out at the end of 2022-23. Going forward, it is important to increase income through fundraising & by encouraging new supporters

INDEPENDENT EXAMINER

REPORT

Independent examiner's report on the accounts

Report to the trustees/
members of

KINGSBRIDGE YOUTH FOR CHRIST

On accounts for the year
ended

31 March 2024

Charity no

1137166

Respective responsibilities
of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent
examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's
statement

In connection with my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in, any material respect, the requirements:

- to keep accounting records in accordance with section 130 of the Charities Act, and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act

have not been met; or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
